# TIMELINE

# VISA

You are each responsible for obtaining the correct paperwork to visit Malaysia to compete at JMUC 2023.

You will need to also submit a digital arrival card here <https://imigresen-online.imi.gov.my/mdac/main>

Please note that we cannot provide specific advice on the process, but we do strongly recommend that you get started as soon as possible.

We can provide players with a letter confirming your participation as a player at the event after the players fees are paid and after the National Federation has supplied a roster endorsement letter with your name on it.

Please make specific requests for such letter by filling out this online form below. Please note: we cannot and will not provide a formal "invitation" to attend the event and non-ability to enter Malaysia is not grounds for a request for a refund for a team and/or player fees.

Please be aware that some nations do not require a visa, however you may have to travel with certain paperwork to show officers at the border - we recommend EVERY TEAM makes specific inquiries.

# CITIZEN RULE

The Team Roster may comprise any of the following:

- i) Any number of Legal Citizens or WFDF Citizens;
- ii) A maximum of four (4) Resident Non-Citizens;
- iii) A maximum of two (2) Visa Holders;
- iv) A maximum of one (1) Non-Resident Non-Citizens

The team roster must be inspected by an official of the National Federation. This official must countersign the roster to indicate they have inspected it and found it to be in accordance with player eligibility.

AOFDF reserves the right to invalidate a submitted roster if it is finds that the team does not adequately represent the country the team is intended to represent.

The definition of each player class can be seen in the next page.

# PLAYER CLASSES

## Legal Citizens

Players who own a passport or equivalent legal document issued by the country's government.

## WFDF Citizens

Players who have moved to the country at least four (4) years prior to the start date of the event and spent more than 75% of those four (4) years in the country.

## Resident Non-Citizens

Players who own a legal certificate of Permanent Residency issued by the country's government; OR if they have moved to the country at least ten (10) months prior to the start date of the event and spent more than 75% of those ten (10) months in the country.

# PLAYER CLASSES

## Visa Holders

Players who own a legal certificate (working visa or student visa) issued by the country's government and moved to the country prior to the start date of the event.

## Non-Resident Non-Citizens

Players who are citizen of any of the Asia Oceanic countries whose home or resident country is not sending a team. We would like to include players from country who are not participating as well

You can read on our examples in the next page which best illustrates this Non-Resident Non-Citizens player class definition.

## Example 1

If New Zealand is not sending a Masters team, a New Zealand Masters player will be able to play for any of the other participating team in the Masters division.

## Example 2

An Australian who has a working visa from Vietnam will be able to play for the Thailand Masters team  
(a) if Vietnam is not sending a Masters team; and  
(b) even if Australia is sending a team

This is because his resident country also includes Vietnam.

## Example 3

If an American who moved to Vietnam one month before the event, wants to play for Singapore as Vietnam is not sending a team, he or she is not allowed to do so as he or she does not fall within the allowed player classes, i.e. Resident Non-Citizens, Visa Holders or Non-Resident Non-Citizen.

He or she must possess a visa or have a permanent residency from Singapore in order to be eligible.

# PLAYER ROSTER

The minimum number of players for each team has been reduced to 16 players.

We will be following WFDF Rule A6.2 which is the **Ratio Rule A with the prescribed pull** as well - which means ABBA or BAAB will take into effect for every game.

We have sent out an email to all captains/associations on instructions on filling up the roster form.

Note that you would require to provide a photo of your passport as well.

The players' date of birth will be required when filling up the roster form and we would need also passport details.

We will also require all players to obtain the WFDF Advance Rules Accreditation for this event. The accreditation can be obtained from this link: <https://rules.wfdf.org/accreditation>

## Gender Ratio

- 4:3 or 3:4
- **Ratio Rule A** ("prescribed ratio" rule) applies (see WFDF Appendix A6.2) – At the start of the game, after the first disc flip, an additional disc flip happens with the winner selecting the personnel ratio for the first point.
- For the second and third points the ratio must be the reverse of the first point.
- For the fourth and fifth points the ratio must be the same as the first point. This pattern of alternating the ratio every two points repeats until the end of the game.
- Use appropriate hand signals to call for ratio at the beginning of every point.

## The Pull

- "Prescribed Pull" applies (see WFDF Appendix A6.2.2). The gender with more players on the field must undertake the pull at the start of that point.
- Time Between Points – Timekeeper or Game Advisor will signal:
  - 45 Sec: Offence 15 Sec warning (1 whistle).
  - 60 Sec: Offence Ready/Defence 15 Sec warning (2 whistles).
  - 75 Sec: Pull (3 whistles).

Version 1.0 Draft

# GAME FORMAT

## Time Cap

- We will be using **WFDF Appendix A4.2.2 Time Cap Format**
- At the end of game duration, time cap is called. (example: Time cap will only be called at 80th minutes for Masters' group games)
- At time cap, play continues until completion of the current point.
- If at the completion of the current point, if no team has reached the score cap, add one (1) to the highest point to determine a Time Cap Target.
- Games only end when either team reaches the new Time Cap target.
- A "5 minutes left to game time" warning call will be announced, followed by time cap announcement at the end of game duration.
- If score is tied when the point is finished, play a universal point.

## Half Time

- Half time occurs when a team reaches the half time score target of seven (7) goals or eight (8) goals depending on Score Cap; OR
- If after the half time time target is reached, and the current point is completed, neither team has reached the half time score target, add one (1) to the highest score to determine a half time cap target. Game continues until a team reaches the half time cap target, then half time occurs (see WFDF Appendix A4.4).
