# WFDF WELCOME

November 2023

Greetings to all PAUC 2023  
participants,

On behalf of the World Flying Disc Federation, I am pleased to welcome all athletes, coaches, staff, supporters, volunteers and spectators to Punta Cana for the Pan American Ultimate Championships. We are excited to see such a gathering of Ultimate talent from all over the Americas coming to compete at the highest level in the great country of the Dominican Republic.

WFDF is thrilled to see more than 1,700 players and 84 teams from 11 countries competing in this year's PAUC. This event builds on the success of past Pan American Championships in 2019.

This week, the world will be watching the best Ultimate players in the Americas compete at the highest level. We plan to live stream 4 free games, meaning the public will have unprecedented access to the players, the games, and all the action from on the grounds in Punta Cana.

We want to extend our sincerest thanks to the Tournament Organizing Committee, CUT Camp, and Tournament Directors Juan Acosta, Sophia Paredes, and Danilo Balaguer. We would also like to acknowledge the support provided by Cap Cana Sports City. These teams have worked tirelessly to ensure this event embodies a sports paradise.

We at WFDF wish all players and teams competitive success and an enjoyable tournament over the next six days, from the first showcase game to the closing ceremonies, and both on and off the field.

Very truly yours,

# EVENT DIRECTOR WELCOME

Welcome to the WFDF 2023  
Pan American Ultimate  
Championships!

We are delighted to welcome each of you so you can experience what the beautiful country of the Dominican Republic has to offer. This event represents the culmination of hard work, dedication, and passion, and we are delighted that you will be a part of it.

As you step onto the grand stage of Punta Cana, we want you to know that you are not just athletes, but ambassadors of sportsmanship, teamwork, and determination. The spirit of the game is not only about victory but also about sportsmanship, camaraderie, and memories that you will create with fellow athletes from around the Americas.

ENJOY THE BUTTERFLIES! Everywhere you look, there are striking features to remind you all of how fortunate we are to be here, doing what we love, in an amazing place. I encourage each of you to LOOK UP - from your work, from your phone, from your computer, from the grind, and take a moment to appreciate everything that surrounds you here in the Dominican Republic.

A handwritten signature in black ink that reads 'Juan Acosta'.

## ABOUT SPIRIT OF THE GAME

### ***SPIRIT OF THE Game:***

Ultimate relies upon a Spirit of the Game that places the responsibility for fair play on every player.

Spirit of the Game (SOTG) is the mindful behaviour practised by players prior to, during and after a game of ultimate. It encompasses attitudes and skills such as good knowledge and application of the rules, fair-mindedness, safe play and spatial awareness, clear and calm communication, and a positive and respectful attitude towards teammates, fans, and opponents, in a mutual effort to protect the basic joy of play.

We strongly believe that Spirit of the Game helps people to develop skills in polite, calm and respectful communication even in difficult situations, and to make friends all over the world despite ethnic, national or religious differences. Spirit of the Game promotes understanding and peace in our sport, and we hope that through each player, that influence can spread beyond the field and make real changes in the outside world.

At PAUC, every team in every division has chosen a Spirit Captain. It is this player's responsibility to work with their team and all opposition teams to ensure that the highest standard of the Spirit of the Game is maintained throughout the competition (both on and off the field).

A Spirit scoring system has been developed to evaluate the other team immediately after each game. With all players involved and led by the Spirit Captain, each team fills in a Spirit scoresheet. Using guidelines and examples found in the Spirit scoring examples document, each team can provide a more consistent score for the other teams. The Spirit scoring system therefore serves as an educational tool where teams can learn how to improve based on standardised feedback.

To celebrate Spirit of the Game, an award is presented to the team in each division with the highest total Spirit score. Winning this award is held in the highest regard and all teams strive to achieve this.

Good luck to all athletes. Your physical and mental abilities represent the pinnacle of our sport in your age group. You have the opportunity to demonstrate the highest values of sports competition through the Spirit of the Game. Fans and spectators, you can look forward to some incredible action and even more incredible displays of Spirit throughout the Championships.

The World Flying Disc Federation (WFDF) requires ALL athletes and coaches/medical staff competing in WFDF events to complete the ADEL anti-doping education course prior to the event.

ADEL is an internet-based tool which WFDF has used for the past several years. This is an educational exercise and test to enhance the knowledge of Anti-Doping matters for elite athletes and their support personnel concerning subjects such as doping control procedures, the WADA Prohibited List, athletes' whereabouts reporting and Therapeutic Use Exemptions (TUE)

In preparation for WFDF events, we kindly ask you to ensure that ALL team members review the Anti-Doping information carefully. If you have any questions, please ask.
