

2021 TORNEO PANAMERICANO ULTIMATE JUNIOR *méxico*

Oficial Communication

ADIÓS PANAMERICANO ULTIMATE JUNIOR 2021 SEE YOU IN 2023!

We are very sad to share that we have decided to CANCEL the Pan American Junior Tournament scheduled for November 2021.

We base our decision on the responses received to the survey sent to our pre-registered teams, on our own convictions, and the real and different contexts of each country in our region. Although we were 100% ready to go and we were excited to share the field with everyone, we believe that it is wiser not to do the event this year,

One of the purposes of this event is to bring good publicity to Ultimate so that it can grow in our region. We don't want to risk doing the opposite and damaging the sport's reputation and the trust of parents and clubs. In addition, conducting the tournament in an environment full of extra precautions and masks is not the experience that we seek for the youth community of the region.

We are very sorry to all players who will no longer be able to participate in the youth category, but we wish them success in their next steps of playing Ultimate. We encourage all club coaches, administrators and junior players to begin preparing for the Pan American Junior Tournament 2023 now! We have more than 2 years to solve all the previously discussed challenges and get ready for the next event.

Soon we'll be sharing information on activities to work together as a community with the goal of growing and developing the next generation of youth players in our region. We wish you success in your plans and projects for this year and we hope we can all play again very soon! Follow us on social media to stay informed!

Sincerely,

UJULAT Committee

What is ahead for UJULAT?

We want to invite the entire Ultimate community to follow us on our social networks to be aware of the following activities that we will be developing for the Youth Ultimate community in Latinoamerica.

We invite all Ultimate Junior organizations in the region to join UJULAT. Our goal is to partner and work with federations, associations, non-profit organizations, and clubs who are focused on the development of Ultimate Junior in our region. We want to form a network of organizations that can support each other and help Youth Ultimate grow in our region.

Our MISSION as an organization is to provide opportunities such as tournaments, special events, and training to provide opportunities for youth in the region to grow their skills and form relationships among their peers.

Our VISION is that the level of Ultimate in Latin America can grow and we can see our youth representing their countries in the Pan American Games, World Tournaments, and with some luck, the Olympics.

Our multi-year calendar is currently being reorganized due to the cancelation of this event. But, in addition to other special events, our goal is to have a Pan American Junior event every 2 years (when there isn't JR Worlds) and a regional event in between. This will allow us to provide several opportunities for all youth clubs in the Pan-American region regardless of their experience or financial capabilities. If you are interested in being a member of this network, you can visit our website and register your organization or club <https://ujulat.ultimatecentral.com>

WELCOME !!

The executive committee of UJULAT- Ultimate Junior Latinoamerica has the pleasure to invite you to the first ever Pan American Ultimate Youth Tournament.

An event that considers all of those initiatives that, same as us, love this sport and are focused on developing Ultimate in the youth category in the Pan American region, that desire to see the level of play grow and at the same time share enriching and unforgettable experiences for our youth.

We hope that this new Panamerican competition is an opportunity to create bonds, share knowledge, and promote relationships between organizations and youth clubs. It is very exciting for us to host different clubs and national teams from the Pan American region.

We are grateful to our host organization, JUF Activating Values, who we are sure will provide us an incredible event. Attached to this note you will be able to find the basic information about the tournament, lodging, and schedule for the event.
