# PAFDF WELCOMES YOU!

Hello players, coaches, parents, and special guests! Speaking on behalf of PAFDF, I am very excited about this event and the impact it can have on our region.

We firmly believe that young people are the future, and if we can provide spaces for them to learn, develop, and make connections, we know that Ultimate will continue to grow in our national federations.

Many people have worked very hard over the years to make this event a reality. It is very encouraging to see more countries, teams, and divisions represented since the first version in 2023.

Thank you for trusting us to create this event for you.

We hope you enjoy it and hope this is just the first of many Pan American Junior Championships to come!

I look forward to meeting you in Costa Rica!

Sincerely,

# PANJUCO

Welcome to PAYUC 2025!

Dear athletes, coaches, families, and Ultimate fans:

It is an immense honor to welcome you to this edition of the Pan American Youth Ultimate Championship, PAYUC 2025. PANJUCO is dedicated to promoting and strengthening Youth Ultimate throughout the region. We firmly believe that the development of the junior categories is fundamental to ensuring the sustained growth and international projection of our sport. We have worked with passion and dedication to make this tournament memorable and a key platform for the future of the athletes and Ultimate in the region.

For me, beyond the competition, Ultimate Frisbee is a powerful tool for personal development, where athletes develop crucial life skills; teamwork, communication, and, crucially, the Spirit of the Game that teaches us to compete with integrity and respect...

To each athlete, I encourage you to play with all your energy and recognize the role you play in the future of Ultimate in your country and in the region. We know the effort and preparation you've put in to get here, and that's something I celebrate with each and every one of you. I want to sincerely thank everyone who made this event possible: the teams, their coaches, the families for their unconditional support, the volunteers working behind the scenes, and each member of the Organizing Committee for their hard and valuable work.

May PAYUC 2025 be an unprecedented space for athletic and personal growth, with many highlights that we will remember forever.

May the disc fly, the spirit of the game prevail, and may our enthusiasm fuel youth ultimate in the Americas!

There is space for up to five (5) clubs and one (1) national team from each country, in each division, that have an endorsement from their federation to play in this tournament.

There will be team prizes (medals and trophy) for first, second, third place, and best spirit in each division. There will be individual awards/recognitions for best male and female spirit and male and female MVP in each division.

## TEAM, PLAYER, AND NON-PLAYER REGISTRATION

We will use the Ultimate Central (UC) platform for the registration of teams, players, and non-player/team staff members.

### **Registration Steps:**

1) Create an Ultimate Central (UC) Account: The team administrator must create an account in UC to register the team for the event.

2) Register the team for the Event: Complete the required information:

- Team name
- Team image or logo
- Uniform colors
- Team administrator information

3) Add Players and Non-Players (NPTS) to the Team Roster:

- Players and NPTS who do not yet have an account must create one on UC.

- If players are minors, they must do so through an account created by one of their parents or guardians, who will authorize their participation.

- Only players and NPTS with a registered account may be added to the team roster at the time of initial registration; however, after registering the team, players and NPTS may be added to the roster once they have created their account.
