# Ultimate in 10 Simple Rules

**1. THE FIELD:** A rectangular shape with end zones at each end. A regulation field is 70 yards by 40 yards, with end zones 25 yards deep.

**2. INITIATE PLAY:** Each point begins with both teams lining up on the front of their respective end zone line. The defense throws (“pulls”) the disc to the offense. A regulation game has seven players per team.

**3. SCORING:** Each time the offense completes a pass in the defense’s end zone, the offense scores a point. Play is initiated after each score.

**4. MOVEMENT OF THE DISC:** The disc may be advanced in any direction by completing a pass to a teammate. Players may not run with the disc. The person with the disc (“thrower”) has ten seconds to throw the disc. The defender guarding the thrower (“marker”) counts out the stall count.

**5. CHANGE OF POSSESSION:** When a pass is not completed (e.g. out of bounds, drop, block, interception), the defense immediately takes possession of the disc and becomes the offense.

**6. SUBSTITUTIONS:** Players not in the game may replace players in the game after a score and during an injury timeout.

**7. NON-CONTACT:** No physical contact is allowed between players. Picks and screens are also prohibited. A foul occurs when contact is made.

**8. FOULS:** When a player initiates contact on another player a foul occurs. When a foul disrupts possession, the play resumes as if the possession was retained. If the player committing the foul disagrees with the foul call, the play is redone.

**9. SELF-OFFICIATING:** Players are responsible for their own foul and line calls. Players resolve their own disputes.

**10. SPIRIT OF THE GAME:** Ultimate stresses sportsmanship and fair play. Competitive play is encouraged, but never at the expense of respect between players, adherence to the rules, and the basic joy of play.

## SOMERVILLE YOUTH

### SOMERVILLE, MA

Captain: Jason Shnipes

@SMRVL\_YTH

In 1849, the Welsh Church organized "er mwyn cynnal cymdeithas ysbrydol ac eglwysig yn ein hiaith ein hunain yn y ddinas hon" - so that they could meet spiritually as a Welsh language church in Boston. By 1870, it spread to Cambridge and Somerville. Passed down through the ancestry of Tegan, Llewellyn and Iago were the sonorous

melodies of the crwth. The lavish tones of the instrument combined with the local heartland fineries fused into a subtly harsher but undeniably handsome sound that took the town by storm. Passed along from patron to patron, porch to porch, the genre became known as the Somerville Crwth.

Coach: Bryan Dombrowski

@sogUlti

The cause of the record high temperatures this winter was none other than the birth of The Summer of George. What started as small talk between Ambiguously Gray practice players in their candlelit weight room in the suburbs of Northern Va. soon blossomed into reality. A collection of the greatest players to ever don the green and gold for

George Mason Ultimate, coming together across generations with one goal: to remind those Atlantic Coast kids that 14th seed aint nothin' to mess with. Unfortunately, most of those guys dropped. In traditional Mason fashion, the remnants got innovative. They recruited some talented undergrads who've never seen a beach other than Wildwood to fill the ranks. This younger new team has packed their bags and is headed south, eager to make their mark on the beach ultimate scene.

## TROLLVOLVER

### PHILADELPHIA, PA

Captains: Michael Panna, Matthew Paparone, Nick Hirannet

Literally translated as "Return of the Trolls," Trollvolver consists of the top players from the Bay Area, Beantown and Emerald City. Although our individual talents have dominated the club scene for years, we've come together to debut our unique brand of swagger (we call it "Hugh's Illa Swag™", available at Macy's) on the biggest stage in beach ultimate. You've never seen a supergroup like this before. Think Cream, the Justice League, Temple of the Dog, the Allied forces or the 2012 Miami Heat, but with sandy briefs and bad attitudes. Beach Worlds Committee, we'll be waiting for your call.

With a core of Cincinnati Steamboat's club mixed players at the helm, Beachboat is excited to make another return trip to the shores of the Atlantic. Steamboat was formed in 2008 and is the Great Lakes region's longest-running mixed program. Over the years, shipmates have travelled extensively to play grass tournaments around the U.S.,

but in 2011, eager to test out our sea legs, we navigated uncharted waters as Batello a Vapore to the harbors of Paganello and docked there again in 2012. Now, with some new crew on board, we're hoisting anchor and setting course to Virginia Beach to compete together on American sand at our third Beach Championships in May 2017

## BIG FISH

### FALMOUTH, MA

Captains: Sarah Tulin, Brian Sauro, Sam Harvey

Big Fish started as a group of players that plays beach ultimate every summer on the beautiful beaches of Cape Cod and wanted to play in tournaments against some deserving competition. We now draw players from Boston, Portland and other cities in the

northeast region who only wish they were spending their summer on the Cape and are always welcome to visit. We are an enthusiastic, competitive group that love beach ultimate and are hoping the sport continues to grow to include more tournaments and a longer season. Big Fish brings the Cape Cod spirit to Beach Nationals, bringing classic Cape beach items along to share with our opponents after a well-fought match.

## CAROLINA COTTONMOUTH

### CHAPEL HILL, NC

Captain: Beth Gifford

Coach: Beth Stagner

Carolina CottonMouth brings together players from the North Carolina Triangle and Erin Crider—we don't know how she ended up here, but we're glad she did. We're older than your average mixed team, but that's mostly because we are invested in developing future masters players Neve,

Gallagher and Collar—hoping that when they get there, they will still invite the rest of us to play. We're looking forward to exerting dominance through sick defensive switches and patient offense that takes us to the time cap. Good luck competing against these proven and hard-to-master strategies!

## FOG CITY

### SAN FRANCISCO, CA

Captains: Jeff Voss, Alec Surmani

The lazy yawn of morning fog lolls its tongue over The City, wrapping its sandy ultimate players in a grey haze. Hucks go up to legs you hope belong to a teammate, someone you can't see passes you something then hugs you, a disc drops out of the

dank haze like the moon itself and donks you in the dome. After playing at Ocean Beach for years, we knew there could only be one name for a Bay Area beach team: Fog City. Started by Bay Area beach legend Bill Liu, we're a team all about love, balling out with each other and spreading the good vibes of the Bay to everyone.

Captain: Sarah Pesch  
@TheDadLarsonEXP

If you couldn't tell from the team's name, we're a tribute to the best player ever to graduate from Ames High School – the one, the only...THE Kevin Seiler. Has he been running the length of the field longer than most of us have known how to walk? Probably. Has he been heckling longer than most of us have known how to talk? Definitely. But he is still the fearless leader of one of the best mixed

teams in the country. He is a world champion, a national champion, a cheese lover and a local hero. He has coached or captained the majority of this team and helped us all become better ultimate players. We'll do our best to make you proud, Dad.

## LAND HO!

### SAINT LOUIS, MO

Captains: Chung Lee, Michael Faaborg

Land Ho! Is comprised of a group of 15 complete strangers who first met in the state of Missouri. The convoluted intersection and weave of their lives would, together, culminate in not only friendships but also landmark accomplishments, including but not limited to: bearing the riches of Patagonia<sup>1</sup> in 2013, summiting Everest<sup>2</sup> in 2014 and surfing the Amazon<sup>3</sup> in 2015.

However, as with all wildly successful groups<sup>4</sup>, infighting and larger-than-life personalities broke up the group. In 2017, the group was asked to reunite for a one-time reunion tour in Virginia Beach. This has provided a platform for the members of Land Ho! to heal and grow, because friends shouldn't judge each other. They should judge other people, together.

## LORD FAIRFAX

### FAIRFAX, VA

Captains: Andrew Han, Mary Nguyen  
Coaches: Andrew Han, Mary Nguyen  
fairfaxultimate.com

Northern Virginia has an outstanding reputation for ultimate and a vast range of competitive levels. Lord Fairfax' is a mixed bag of people from all different pedigrees. Our team consists of high school players; young people new to the sport; college players from George Mason, Mary Washington, Northern Virginia CC and more; as well as middle-aged folk. We also have middle and high school coaches who pave the way for the younger generation. Although we mostly play on the turf field of the college campus, we have been seen playing in public parks and on high school fields. We have even attempted scrimmages and practiced layouts on the local sand volleyball courts. Since ultimate is prevalent in our neck of the woods, it is easy to attract people to the new terrain and play on the sand, even though we lack the sufficient landscape.

Every year, we look forward to Wildwood. We have traveled to the west coast for Lei Out, and we have been lucky to play in the last two Beach Championships. We look forward to another great year!

## SPRING CHICKENS

### MONTREAL, QC

Captains: Catherine Viau, Simon-Phillipe Lebel

Our coed team consists of Canada's top elite players representing four major city centers and representing the masters age group. But we all feel so young at heart, we are the Spring Chickens. Due to players living all across our country, we currently have varied experiences in beach ultimate, from local beach ultimate leagues to regional tournaments, and even

well-known and distinguished international tournaments such as Lei Out and the World Championships of Beach Ultimate (both in Italy and Dubai). Our team diversity helps spread the love of beach ultimate across Canada.

This will be our first time all playing together. And although it's spring at home, some days it feels more like winter for us spring chickens, so we are very excited for the warm Virginia weather.

## SWAMP CITY

### WASHINGTON, DC

Captains: Jacob Nuxoll, Grace Relf  
Coach: Lilly Siems

On January 20, 2017, when the swamp in D.C. began to drain, strange and powerful creatures rose from the muck and the mire. These creatures came together and formed the team known as Swamp City. These semi-aquatic creatures cannot bear to be far from the water and thus only come together to play on the beach. The team's goal is to show that, though built on a swamp, not everything out of Washington is a monster.

## FILTHY RICH

### RICHMOND, VA

Captain: Hana Choi  
facebook.com/VirginiaRebellion  
@VARebellion

Just a bunch of ladies trying to get filthy rich by toeing the line with some nasty bids. Our squad from Richmond is here to win some games with some dirty layouts (our white jerseys are more like brown). We throw some

money hammers to the back corners of the end zones and drop dimes to our deep cutters. We take all this to the bank, and just like our marks, we know how to get around. We're not just wolves on Wall Street though, we're lions in the lane and Zazu in the air. We got pride, fam, and we'll take you on a circle of life.

Foxx is in its inaugural year of play and hails from Peterborough, Ontario. Our team is comprised of a mix of ladies with different ultimate experiences and skill levels but who all share the common goal of wanting to play women's ultimate. With very few local options available, we decided to start our own team. Foundationally, we want foxx to be a team filled with positive energy, good people who are committed to being the best players they can be while supporting their teammates to do the same and playing this sport we all love. We share a vision of wanting to see women play "untraditional roles," become leaders on the field and be provided the opportunity to become the players we know they can be. We're here to develop, learn, and play ultimate, but most importantly, have some fun!

## ROCKFORD BEACHES

### MADISON, WI

Captains: Robyn Wiseman, Becky LeDonne  
@RockfordBeaches

The Rockford Beaches are a women's professional beach team with a storied history. The Beaches competed in all 12 years of the All-American Girls Professional Beach

League, winning in 1945, 1948, 1949 and 1950. After a short hiatus, the Beaches donned their uniforms again at the USAU Beach Championships, taking third in 2015 and bringing the pennant home to the Upper Midwest in 2016.

Despite the recent retirement of Dottie Hinson, "All-the-Way" Mae Mordabito and Marla Hooch, this ragtag crew of Midwestern swingers will dazzle you with their heavy hitting and curveballs. Although we rarely throw home on a two-run lead and still can't lay off the high ones, we absolutely know "there's no crying in beach ultimate!"

We're the members of the All-American League. We come from cities near and far. We've got Madisonians, Indy ones and Swedes. We're all for one, we're one for all, we're all American!

Sea Sick is a compilation of spirited players from New Jersey that loves to play hard, empower each other on the field and exists to play with our whole hearts. We range from the ages of 20 to 33 and all stumbled upon one another at hat tournaments, during our club season or at our respective colleges. A majority of us play on the first New Jersey women's club team and are amped to show our skills in the sand. We are so stoked to have the opportunity to play against the other women's teams in our division and hope to learn more about ourselves as players and each other as a team.

## CHARGE!

### JENNIEVILLE, MD

Captains: Rod Hannon, Trish Hannon

CHARGE! was formed 15 years ago to give a core group of long standing coed teammates a reason to play in the sand in the summer. It was a welcome chance to take off our cleats, soak up some sun and enjoy competitive disc in a new way. Several players on the squad now ONLY appear on the horizon when beach ultimate is on

the menu, preferring to never layout on turf again. Our roster has changed somewhat over the years, but the core members and spirit of CHARGE! still remain strong. Carefully crafted, like your favorite cocktail, Charge! is assembled each year with equal parts of talent and friendship. We pride ourselves on high-spirited, competitive play; happily heckling our own players as a means of team discipline. We encourage this spirit of play in our opponents as well, ending each game with a ceremony that recognizes the standout players on the opposing squad.

## LOVE HANDLES

### BOSTON, MA

Captains: Damien Sulla-Menashe, Evan Ritt

Love Handles formed in Boston in 2011 to compete in local tournaments and in the local BUDA club scene. We didn't really find our calling as a club team until we sent two

teams to Wildwood and had a great time. Even after Love Handles stopped playing on grass, we continue to play beach ultimate including Wildwood and Lei Out in 2016. While a lot of the players from this team are new to Love Handles, many of us have played together on other USAU summer club teams or in the local Boston hat leagues. There is a large masters-level group in Boston, and we hope to establish a consistent presence at Nationals!

## OVERRATED

### ROCHESTER, NY

Captain: Scott Franklin

#### OVERRATED

Dear Mr. Vernon:

We accept the fact that we had to sacrifice a whole Saturday in detention for whatever it was we did wrong, but we think you're crazy to make us write an essay telling you who we think we are. You see us as you want to see us... In the simplest terms and the most convenient definitions. But what we

found out is that each one of us is a brain...and an athlete...and a basket case...a princess...a handler...and a criminal.

Does that answer your question? Sincerely yours,

Overrated

## OVER THE HILL

### WASHINGTON, DC

Captains: Peter MacArthur, Samantha McClellan

We're a group of experienced ultimate players back for more fun this year. Many of us are from the D.C. area, and several are from Arizona and elsewhere in the western U.S. Team members have moved in and out of the team over the past several years. Everyone has played with at least one other Over the Hill teammate on another team, but Over the Hill only exists for the Beach Mixed Masters Championships every year. We're excited to be playing together for the Beach Championships in Virginia Beach again in 2017.

@UltimateSHAM

Second Hand Aerial Masters (SHAM) is a mix of friends from the Greater D.C., Baltimore, Philly area. Several of the men play together on the D.C. masters team Black Cans and Highlands. Everyone has either played with or against one another in multiple club, college, masters, beach or rec leagues over all of our long and storied careers. As we have been casted off to the masters division like a donation to a second-hand store, we are here to show that mixed masters isn't a fake, and we can bring high-level play, high-level spirit and high-level entertainment to the Beach Championships!

## SHOSTAKOVICH (AND THE ANGRY BUDDHA)

### BROOKLYN, NY

Captains: Kim Tischler, Pete Gilchrist

シホスタ

КОВИЧ

Shostakovich (and the Angry Buddha) is delighted to be returning to the third-ever USAU Beach Championships as well as the third-ever USAU mixed masters competition. Originally founded nearly a decade ago to fulfill Taylor Richey's dream of winning the Owl, My Knee tournament in Albany (goal yet to be accomplished – perhaps at the 33rd annual this summer), Shostakovich

draws players from a wide spectrum of club teams. Our unifying (if sometimes tenuous) connection is to pick-up in Prospect Park, Brooklyn, a game dating back to the early 1990s that fosters competition from high school through great grand masters ages. While our Angry Buddha has retired (at least for now), we look forward to channeling his admirable blend of intense competitiveness and embodiment of the spirit of the game to Virginia Beach.

## SWAMP RATS

The Swamp Rats climbed out of the grimy depths of the Great Dismal Swamp for the second time last season to revel in our habitat in the VA Beach sand. We were excited to scrap and claw our way to the title last year. We return this year, hungry again, and we've gotten even more dismal, adding some new grimy rodents to our rat pack.

## YE OLDE BOXCAR

### RALEIGH, NC

Captains: Michelle Pearson, Danny Marlow

Ye Olde Boxcar started as a few players from the mixed club team named Boxcar (go figure) started to get old. Well, old enough to play masters, that is. Boxcar has a tradition of inviting friends to play with them at select tournaments...and since we couldn't field a full team of old folks,

this was the perfect time to join together with friends again! To the Boxcar core, we added old college buddies, new tournament friends, some sand volleyball players (they should be good on the beach right?) and some random guy we met on the streets (maybe). Though we've never all played together, each of us has played with at least one other person on the team at some point. We're here to play well, have fun and make some new friends along the way – perhaps new friends that will join our team one day!

## BORDERLINE

### MARITIMES, CANADA

@BorderlineUity

Borderline is a men's masters and grand masters club team from the Atlantic Region (Ultimate Canada)/Northeast Region (USA Ultimate) that was conceived in 2011 by a collection of Canadian Maritime and Maine players. The original core group played on various men's and mixed teams and developed friendships over the decades from competing against one another. Initially, Borderline competed as a men's masters team. We competed in the USAU club series in 2011-2013, earning a bid to U.S. Nationals in 2013. In 2014 and 2015, we focused on the Canadian Ultimate Championship, winning Canadian Nationals in 2014. The team grew rapidly as new players came of age, and in 2016, we formed a grand masters team.

## CONEY ISLAND FUN HOUSE

### AVALON, NJ

Captains: Woo Jin Ho, Stu Snodgrass

The Coney Island Fun House represents all that is good about the Brooklyn beach. Coney Island is home to the Cyclone, the Wonder Wheel and the Hot Dog Eating Contest. But it's more than thrill rides and non-Kosher gluttony, it's about strolling the boardwalk to play the occasional game of skill and amaze at the strong man and the Siamese twin. The beach is a respite for hard working immigrants to cool from the summer heat. And like the beachgoers, we're a team made up of players from far and wide – New York, Pittsburgh, D.C. and Connecticut. None of us are from Coney Island. But together, we are a FUN HOUSE!

## GRAVE ERROR

### CHAPEL HILL, NC

Captain: Jacob Bonenberger

#### GRAVE ERROR

Grave Error is the result of all the other team's bad personnel decisions. We are the fodder, the chaff, the slivers of greatness you left on the cutting room floor while forming your perfect rosters.

These forgotten souls have gathered together with one goal in mind - to seek redemption by burying the competition in this sandy graveyard. The signs will be subtle. When it feels like a hand is reaching out of the sand as you slip and faceplant, know that it is our hand. When the wind pops that disc up into your face instead of your fingers, know that it is our collective breath. And when a hand pats you on the back in that particularly sunburnt spot, well that will be us too, congratulating you on a great game and reminding you of your Grave Error.

## NO COUNTRY

### BRATTLEBORO, VT

Captain: Jim Olson

This will be No Country's third year at Beach Nationals. As a more natural grass team, beach is a nice diversion from the hard ground of the Northeast. In order to ease our transition, we like to invite a few friends from other regions to bring that mellow beach vibe.

### RECKON

Reckon is a term we use to let you know we understand. A word used so much it has become culture. Reckon, ain't, y'all, you will hear 'em all. We hail from the dirty-dirty South. We have a combination of bad air, big hair, soul music and whack traffic. A place where neckties, flies, wife beaters and skeeters converge on humid days and sultry nights. We are a proud group of almos'ts and has-beens, ready to bring our high fives to some beautiful sand. Bless your heart, y'all better stand back and stay clear, for we r 'bout to bring it, a reckon-ing...you hear? Y'all Reckon?

## SANDBLAST

### CHICAGO, IL

Captains: John Hock, Gary LeDonne

Sandblast is essentially a melting pot of former teammates and foes from the Midwest. The sands of time have passed, but we have reformed to compete again as Sandblast. Sandblasting "is the operation of forcibly propelling a stream of abrasive material against a surface under high pressure to smooth a rough surface." Some of our players are abrasive material, some are a stream of high pressure and some have just been worn down.

## SCRAPPLE

### PHILADELPHIA, PA

Captains: Bill Maroon, Rich Hart

Scrapple - Scraps of meat left over from butchering, not used or sold elsewhere, were made into scrapple to avoid waste. These scraps of meat are usually unwanted or undesirable in any other form so they are thrown together to form Scrapple. It is best known as a rural American food of the Mid-Atlantic states (Delaware, Maryland, New Jersey, Pennsylvania and Virginia). Scrapple is found in supermarkets throughout the region in both fresh and frozen refrigerated cases.

This definition also describes a grand master's ultimate team from the Mid-Atlantic states.

## SOL DRAFT

### ORLANDO, FL

Captains: Eric Gilmore, Young Byun

SOL DRAFT is an anagram (and we will allow you to figure it out, clue: two words, and one is "old"). Based out of Florida with some additions from other regions, this is the team's third year in the grand masters division at the USA Ultimate Beach Championships. SOL DRAFT won the Florida Sunshine State Games Beach Championships as an open division team in 2016 and recently played the Canadian national grand masters team in the St. Augustine Ancient City Beach Warm 2017 to double-game point in the tournament semifinals finishing third. We also appeared in the finals of the same tournament in 2015 against Woolly Mammoth and finished second.

# Spirit Of The Game

*Ultimate has traditionally relied upon the spirit of sportsmanship, which places the responsibility for fair play on the player. Highly competitive play is encouraged, but never at the expense of mutual respect among competitors, adherence to the agreed upon rules of the game, or the basic joy of play. — 11th Edition USA Ultimate Rules of Ultimate.*

## 10 THINGS YOU SHOULD KNOW ABOUT SPIRIT OF THE GAME™

### **1. THE GOLDEN RULE: TREAT OTHERS AS YOU WOULD WANT TO BE TREATED.**

Spirit games result from mutual respect among opponents. Assume the best of your opponent. Give him or her the benefit of a doubt. You would want the same for yourself. But if you are thick-skinned, do not assume that your opponent is. Maybe you should think of this rule as, “treat others as you would have them treat your mother.”

### **2. CONTROL: SOTG TAKES REAL EFFORT.**

SOTG is not just some abstract principle that everyone adopts and then games run smoothly without effort. Close calls are made in tight games. Hard fouls are committed. SOTG is about how you handle yourself under pressure: how you contain your emotionality, tame your temper, and modulate your voice. If you initiate or contribute to the unraveling of spirit, the concept falls apart quickly. If you act to mend things (or at least not exacerbate the situation) by following (1) above, the game heals itself.

### **3. HECKLING AND TAUNTING ARE DIFFERENT.**

Ultimate has a long tradition of good-natured heckling. Heckles are friendly barbs, typically from non-playing spectators. Heckling can be fun, but taunting is unspirited and wrong. Harassing remarks after an opponent’s foul call or close play are NOT heckling: they are abusive taunts which create unpleasant playing conditions and often escalate to acrimonious disputes.

### **4. SOTG IS COMPATIBLE WITH CHAMPIONSHIP PLAY.**

It is a fallacy to argue that the stakes are so important that some aspect of SOTG can be cast aside. Time and again, great teams and star players have shown that you can bring all your competitive and athletic zeal to a game without sacrificing fair play or respect for your opponent.

### **5. DON'T “GIVE AS YOU GOT.”**

There is no “eye for an eye.” If you are wronged, you have no right to wrong someone in return. In the extreme case where you were severely mistreated, you may bring the issue up with a captain, tournament director, or even lodge a complaint with the governing body. If you retaliate in kind, however, a complaint may be filed against you. We recall point (1): treat others as you would have them treat you, not as they have treated you. In the end, you are responsible for you.

## **6. BREATHE.**

After a hard foul, close call, or disputed play, take a step back, pause, and take a deep breath. In the heat of competition, emotions run high. By giving yourself just a bit of time and space, you will gain enough perspective to compose yourself and concentrate on the facts involved in the dispute (was she in or out; did you hit his hand or the disc; did that pick affect the play). Your restraint will induce a more restrained response from your opponent. Conflagration averted, you may resume business as usual.

## **7. WHEN YOU DO THE RIGHT THING, PEOPLE NOTICE.**

When you turn the other cheek, you know you've done the right thing. You may not hear praise, there may be no standing ovation, but people do notice. Eventually, their respect for you and their appreciation of the game will grow.

## **8. BE GENEROUS WITH PRAISE.**

Compliment an opponent on his/her good catch. Remark to a teammate that you admire their honesty in calling themselves out of bounds. Look players in the eye and congratulate them when you shake their hands after a game. These small acts boost spirit greatly, a large payoff for little time and effort.

## **9. IMPRESSIONS LINGER.**

Not only does the realization that your actions will be remembered for a long time serve to curb poor behavior, it can also inspire better conduct. Many old-timers enjoy the experience of meeting an elite player who remembers their first rendezvous on the field and recalls the event in detail. A good first encounter with an impressionable young player can have considerable long term positive impact.

## **10. HAVE FUN.**

All other things being equal, games are far more fun without the antipathy. Go hard. Play fair. Have fun.

# Spirit Circles

Spirit circles are an idea borrowed from international competitions throughout the ultimate world. For years, American teams have traveled to world championship events where they have not only done exceptionally well in each competition, but showed the international community the importance we place on respect for the game and their opponents. But American players have also learned a lot from competing against teams from other countries, and invariably one of the most positive parts of the international experience has been the tradition of the post-game spirit circles. While there are a number of ways to do this, here are some quick tips to get your team started:

- Following each game, rather than lining up to slap hands, the two teams gather into a circle, alternating players on each team, facing inward, with arms around the shoulders of the person next to you.
- One or two people (often team captains) on each team will talk briefly about the game. Usually the losing team goes first, then the winning team.
- Things to talk about can include how the game went, how your own team played, what the other team did well, who on the other team played well and anything else that might be worth communicating, even if it's something you think could be done better (and don't forget to look in the mirror on this).
- After each team has had a chance to talk, the winning team takes a step into the circle and walks around counter-clockwise to slap hands with the players on the other team.

That's it! It's pretty simple and definitely something that brings teams together and puts the game and the experience in perspective. It's all about respect for each other and the experience of bringing out the best in each other through competition. It's also about building relationships and seeing opponents for what they really are: part of the same community that loves ultimate. Please note that this is not required and is not meant to replace other post-game traditions you may have (e.g., cheers, games, photos, gifts or trading gear). Good luck, and please let USA Ultimate staff and other event organizers how it goes!

# Health and Safety

Medical staff, including athletic trainers, will be on site at Tournament Central to treat injuries, handle emergencies and provide some preventative care. The event will provide standard athletic tape, pre-wrap, ice and some bandages. Other supplies, including special tape or bandages and anti-inflammatory drugs, must be provided by teams or may be charged by the training staff.

If there is an injury on a field that needs medical attention, inform a field marshal, and he or she will radio to the trainers.

If you have medical issues that require attention in the morning before play, please show up early to avoid long lines. The trainers will be at the fields two hours prior to game time each day.

## CONCUSSIONS

### EDUCATION

- USA Ultimate recommends the CDC “Heads Up Safety” program, a free one-hour online training: [cdc.gov/concussion/headsup/youth.html](http://cdc.gov/concussion/headsup/youth.html).
- USA Ultimate’s participant waiver includes important information from the CDC regarding concussion safety: [usaultimate.org/membership/usa\\_ultimate\\_membership\\_forms.aspx](http://usaultimate.org/membership/usa_ultimate_membership_forms.aspx)

### COACHING REQUIREMENTS

- Coaches at USA Ultimate events are required to have completed a concussion awareness and safety recognition program (like the CDC program above or other local or state-recommended course). Coaches should not submit records of course completion to USA Ultimate, but should maintain records on-site while coaching.

### REMOVAL & RETURN TO PLAY

- All guidelines identified by the CDC must be strictly followed in the event of a suspected concussion.
  1. Remove athlete from play.
  2. Ensure athlete is evaluated by a health care professional trained in concussion diagnosis and management.

Do not try to judge the seriousness of the injury yourself.
  3. If a minor, inform athlete’s parents or guardians about the known or possible concussion and give them the fact sheet on concussion.
  4. Allow athlete to return to play only with permission from an appropriate health care professional.

## DOCTOR’S NOTE REQUIREMENT

- If, during a USA Ultimate event, an athlete receives care at a hospital, medical clinic or doctor’s office, or is referred to a hospital or doctor by event medical staff, the athlete is barred from further competition in that event until he or she provides a doctor’s note, on letterhead or prescription pad, to event medical staff stating that the athlete is authorized to return to competition.

## HEAT, NUTRITION AND HYDRATION

- Heat-related illness occurs when body cooling by evaporation is limited. Sweating depletes the body’s salt and moisture, which leads to dehydration. If a player recognizes any signs or symptoms of heat-related illness, he or she should treat the problem immediately.
- Signs and symptoms of heat illness can include changes in level of consciousness, abdominal cramps, nausea/vomiting, fatigue/tingling, chills, inability to spit, dry mucous membranes, decreased output and change in color of urine.

## PREVENTION AND TREATMENT OF HEAT ILLNESS

- Avoid alcohol, caffeine and carbonated beverages.
- Medications such as antihistamines, decongestants, certain asthma medications and diuretics can increase risk for heat illness. Avoid them if possible.
- Avoid certain nutritional supplements (such as caffeine and ephedrine) that can dehydrate the body and/or increase metabolism and heat production.
- Know your body – be honest! Are you fit enough to perform under current conditions?
- Eat and drink (water AND sports drinks) optimally before, during and after play. Potassium is important; good sources include sports drinks, yogurt, grapefruit juice, bananas and oranges. Sodium is also important; good sources include sports drinks, vegetable juices, pretzels, nuts, cheese and crackers. After play, carbohydrates are important: foods such as potatoes, honey, cereal, white bread, corn chips, sports drinks, jelly beans, rice cakes, bagels, crackers and gummy candies.
- Don't drink too much. Over-hydrating can be dangerous if it leads to a fluid and electrolyte imbalance.
- Monitor your urine. Clear/copious = hydrated. Dark = Need water/electrolytes.
- Be sensitive to prior illness. If you've been sick, your body may be more susceptible to dehydration.
- Rest and cool down after play. Find shade, wet the skin, get in front of a fan or breeze.

## SIDELINE SAFETY

- Spectators and equipment must stay at least five yards away from the sidelines. Where there are buffer lines, respect them. Chairs, coolers, strollers, you, etc., must be at least three yards from the sidelines.
- If a player believes that an object on the sideline is not safe, he or she should inform event staff and refrain from playing until he or she is satisfied that safe conditions have been established.
- USA Ultimate and event staff reserve the right to move or remove objects or spectators from on or near the playing field if those conditions are, in the opinion of USA Ultimate or event staff, unsafe for players, staff or spectators.

## LIGHTNING GUIDELINES

- Event staff will communicate with players and spectators via PA system and through field marshals equipped with radios if there is lightning danger. Play then will be stopped, and everyone should seek shelter.
- Safe shelter for players and spectators at the field site includes any fully enclosed building or vehicle with a hard top and closed windows.
- Event staff will use the “flash-to-bang” method to determine when to send people to shelter. By the time the flash-to-bang count has reached 30 seconds, all individuals should be in a safe shelter location.
- If you can't get to a safe shelter, try to avoid being the tallest object in an open field or on open water. Avoid other tall objects, metal objects and water. Assume a crouched position with only the balls of your feet touching the ground, your arms wrapped around your knees and your head lowered. Minimize contact with the ground. Do not lie flat.
- Avoid using telephone land lines. Cell phones are safe, provided the person has followed other safety guidelines.
- Event staff will indicate to players when play is going to resume. Team captains should meet at Tournament Central to receive instructions for resuming play and any schedule modifications.
