WELCOME

Hello teams, congratulations for making it to Boulder and welcome to the 2008 UPA College Ultimate Championships! We're excited to be able to host this event at the Pleasant View Soccer Complex, one of the most beautiful field facilities in the country. Boulder, CO is also home to the Ultimate Players Association whose staff is thrilled to hold the College Championships event in their backyard.

We've done our best to make sure that everything has been taken care of, so that you can focus on playing in the most important tournament of your season. The fields are in tip-top condition and ready for that layout D-block at game point. We'll have water stations a short walk from every field and food given to the captains each morning, so that you can keep your body running at max intensity all weekend long.

A few short words of caution: Colorado's thin air will definitely keep your I/O flicks from biting, and it will also definitely expose you to serious amounts of UV radiation if you're not prepared for it. Sunscreen early and often. Likewise, the fact that it feels so wonderful during the day is, in large part, due to the fact that the air is so dry. You will get dehydrated here more quickly than you are used to, especially if you hail from a cooler, more humid climate. So drink up, and make sure you enjoy some Recharge, provided in your player packs and around the fields, to keep your electrolytes in balance as well.

Good luck, play hard, and may the best teams win!

CBS COLLEGE SPORTS TELEVISION

The Collegiate Nationals is a multi-sport, multi-venue event that brings together and showcases the definitive collegiate national championships of emerging club sports. The event was created by College Sports Television (CSTV), now CBS College Sports Television, and has been held since 2006. It has expanded to include sports such as snowboarding, wakeboarding, boxing, weightlifting, kayaking, beach volleyball, and adventure racing. The Collegiate Nationals will be taking place over four weekends this spring in Keystone, Reno, San Diego and Boulder and the competition will crown over 40 champions by its conclusion. CBS College Sports is proud to include what will be one of the best events for the 2008 lineup, the UPA College Ultimate Championships.

Mark your calendars now to watch the Open and Women's Finals televised on CBSC in their entirety. Ultimate will air at 8pm EST on the following dates:

May 31: Women's Ultimate Coverage (highlights of Collegiate Nationals in Boulder)

June 2: Open Ultimate Coverage (highlights of Collegiate Nationals in Boulder)

June 7: Women's Championship

June 8: Open Championship

Each program will air a minimum of 7 additional times so check your local listings for additional broadcast schedules. Programs will be aired "live to tape" with limited editing and available on or before July 1 at www.thecollegiatenationals.com. The UPA thanks Discraft for their sponsorship of the broadcasts.

The UPA asks your cooperation when approached by members of the camera crew for interviews. Please be respectful and do your best to talk about your passion for Ultimate and your participation. Teams qualified for the finals should be prepared to participate in interviews immediately following the conclusion of their semifinal game.

Camera people will be respectful of your space and will do their best to stay out of the way while they film. However, accidents can happen. If you or your team comes across any issues during competition, please contact a member of the tournament staff - not a camera person - who will follow up with the production crew.

ALUMNI ALL-STAR SHOWCASE

On Saturday evening, the UPA will host a showcase game between all-star teams consisting of former college players from throughout the country. The UPA is excited about continuing to showcase the sport and entertain players and fans at the College Championships through this game, first hosted at the tournament in 2007.

The two all-star teams will be Mixed and consist of 12 players each (6 men and 6 women). One team will represent the East and the other the West, each comprised of 4 college regions. Players for these teams were selected based upon where they played in the College Series while in college, and on factors such as level of playing ability, position, and sportsmanship. The Mixed format is 4/3 with the teams required to alternate the 4-person gender each point.

CHECK OUT THE STAR-STUDED CAST OF THE ALUMNI ALL-STAR SHOWCASE AND FIND A PLAYER OR TEAM TO CHEER FOR.

HEALTH AND SAFETY

Medical staff (trainer and EMT) will be available through the event at Tournament Central. Please seek advice and assistance regarding prevention and treatment of injuries or illness.

Directions to the local hospital can be found in the "Directions" section of this program.

CONCUSSIONS

- Concussions are brain injuries that can occur as a result of a blow to the head.
- Symptoms may include headache, nausea, vision problems, confusion, balance problems.
- If you think you or one of your teammates might have a concussion, tell your coach and have the person see a medical professional. Medical staff are on hand at the event at Tournament Central.

HEAT, NUTRITION AND HYDRATION*

*Please note that at over a mile above sea level, the Boulder, CO air is thin and dry and the sun can be more intense. Players who are not acclimated to the altitude should be especially aware of the following health issues.

- Heat-related illness occurs where body cooling by evaporation is limited. Sweating depletes the body's salt and moisture, which leads to dehydration. If a player recognizes any signs or symptoms of heat-related illness, he or she should treat the problem immediately.
- Signs and symptoms of heat illness can include change in level of consciousness, abdominal cramps, nausea/vomiting, fatigue/tingling, chills, inability to spit, dry mucous membranes, decreased output and change in color of urine.
- Prevention and treatment of heat illness:
 - Avoid alcohol, caffeine, and carbonated beverages.
 - Medications such as antihistamines, decongestants, certain asthma medications, and diuretics can increase risk for heat illness. Avoid them if possible.
 - Avoid certain nutritional supplements (such as caffeine and ephedrine) that can dehydrate the body and/or increase metabolism and heat production.
 - Know your body - Be honest! Are you fit enough to perform under current conditions?
 - Drink and eat - Eat and drink (water AND sports drinks) "optimally" before, during, and after play. Potassium is important (good sources include: sports drinks, yogurt, grapefruit juice, bananas, oranges). Sodium is also important (good sources include: sports drinks, vegetable juices, pretzels, nuts, cheese and crackers). After play, carbohydrates are important: foods such as potatoes, honey, cereal, white bread, corn chips, sports drinks, jelly beans, rice cakes, bagels/crackers, gummy candies).
 - Don't drink too much. Over-hydrating can be dangerous if it leads to a fluid and electrolyte imbalance.
 - Monitor your urine - Clear/copious = hydrated. Dark = Need water/electrolytes.
 - Be sensitive to prior illness - If you've been sick, your body may be more susceptible to dehydration.
 - Rest and cool down after play - Find shade, wet the skin, get in front of a fan or breeze.

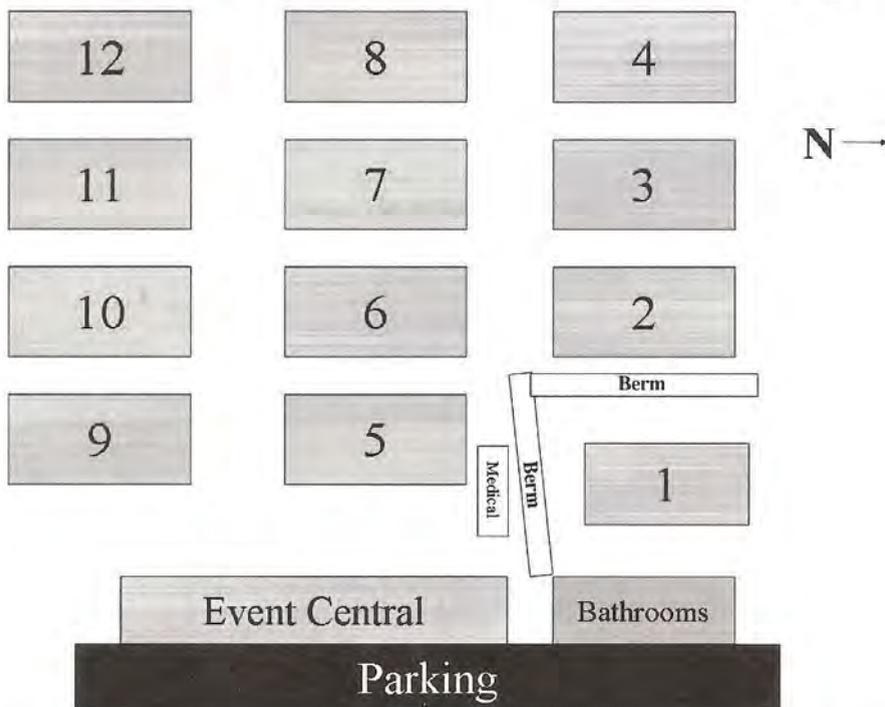

SIDELINE SAFETY

- Players and spectators should make every effort to keep objects, including but not limited to bags, strollers, chairs, coolers and tents, as far away from the playing field as possible.
- If a player feels that an object on the sideline is not safe, s/he should inform Event Staff and should refrain from playing until s/he is satisfied that safe conditions have been established.
- The UPA and Event Staff reserve the right to move or remove objects or spectators from on or near the playing field if those conditions are, in the opinion of the UPA or Event Staff, unsafe for players, staff, or spectators.

LIGHTNING GUIDELINES

- Event staff will communicate with players and spectators via PA system and field marshals equipped with radios that there is a lightning danger, play will be stopped, and everyone should seek shelter.
- Safe Shelter for players and spectators at the polo grounds include any enclosed building or fully enclosed vehicle with a hard top and closed windows.
- Event staff will use the Flash-to-Bang method to determine when to send people to shelter. By the time the Flash-to-Bang count has reached 30 seconds, all individuals should be in a safe shelter location.
- If you can't get to a safe shelter, try to avoid being the tallest object in an open field or on open water. Avoid other tall objects, metal objects, and water. Assume a crouch position with only the balls of your feet touching the ground, your arms wrapped around your knees, and your head lowered. Minimize contact with the ground. Do not lie flat.
- Avoid using telephone land lines. Cell phones are safe provided the person has followed other safety guidelines.
- Event staff will indicate to players when play is going to resume. Team captains should meet at Tournament Central to receive instructions for resuming play and any schedule modifications.

SPIRIT AWARDS

Ultimate has traditionally relied upon a spirit of sportsmanship which places the responsibility for fair play on the player. Highly competitive play is encouraged, but never at the expense of mutual respect among competitors, adherence to the agreed-upon rules of the game, or the basic joy of play. - UPA Official Rules of Ultimate, 11th Edition

RECHARGE TEAM SPIRIT AWARDS - Following every game, each team will be asked to rate its opponent on a scale of 1-5, with 5 being the rating for the highest level of sportsmanship. These ratings will be averaged and the team in each division with the highest rating will be awarded the **RECHARGE TEAM SPIRIT AWARD** after their division's finals. The winning teams will each receive a trophy and prizes courtesy of Recharge. Thanks to **RECHARGE** for their support of Ultimate and the Spirit of the Game™!

UPA SPIRIT RATINGS GUIDELINES

The ratings are ordered from 5 (indicating the highest level of spirit) thru 1 (the lowest level of spirit):

- 5:** Highest level of respect shown throughout game towards opponents, officials, and spectators. For the level of play, showed excellent knowledge of the rules and abided by them throughout the game. Any conflicts were resolved amicably and without incident. Opposing team's conduct added to our enjoyment of the game. The opposing team unfailingly played fairly and with an excellent attitude.
- 4:** Respect shown throughout the game towards opponents, officials, and spectators. For the level of play, showed above average knowledge of the rules and abided by them throughout the game. Any conflicts were resolved favorably and without incident. Opposing team's conduct did not detract from our enjoyment of the game. The opposing team played fairly and with a good attitude.
- 3:** Generally exhibited respect towards opponents, officials, and spectators. For the level of play, showed adequate knowledge of the rules and abided by them during the game. Any conflicts were resolved plainly and without incident. Opposing team's conduct generally did not detract from our enjoyment of the game. The opposing team generally played fairly and with a decent attitude.
- 2:** Exhibited a lack of respect towards opponents, officials, and/or spectators. For the level of play, showed a lack of knowledge of or disregard for the rules at points during the game. Any conflicts were resolved heatedly or led to contentious incidents. Opposing team's conduct detracted somewhat from our enjoyment of the game. The opposing team played unfairly and/or with a poor attitude.
- 1:** Exhibited a major lack of respect towards opponents, officials, and/or spectators. For the level of play, exhibited no knowledge of the rules or blatantly disregarded them during the game. Conflicts were resolved acrimoniously or led directly to contentious incidents. Opposing team's conduct made the game basically unenjoyable. The opposing team played unfairly and their attitude was abysmal.

INDIVIDUAL AWARDS

Teams will each be asked to nominate a player from their own team who they feel displays the highest level of spirit. The definition of spirit is up to each team, but should include elements of sportsmanship, leadership, perseverance, fire, etc. Choose the person whose attitude you wish other people on your team would emulate and who other players off your team admire. Individual spirit winners will receive a medal and prize disc (courtesy of Discraft). Thanks to **DISCRAFT** for their support of Ultimate and Spirit of the Game!

ARIZONA

Team Name: Sunburn
City/State: Tucson, AZ
Website: <http://sunburnultimate.com/>
Captains: Chris Shepard, Erik Gafni

Arizona is a team that has been steadily building up its program for the last four years. After a lackluster season in 2004, Arizona lost roughly the top third of its players to graduation. Left behind were some new recruits, a handful of sophomores and juniors, and four freshmen from the one-year high school team out of Tucson called Kaos. Among those four was Joseph Kershner, Arizona's 2008 Callahan nominee and member of the 2004 USA Junior World Ultimate team. Joseph, or as he is more commonly known, Loppi, took over the team as captain as a sophomore, and refocused the team and its goals. He was assisted by team President Gabriel Wigtil, the only player to match Lop in total man-hours committed to Arizona. The team adopted much more demanding practice and conditioning schedules. That year, helped along by Coach Cam Scott, a very young Arizona team took 4th at regionals behind the three long-dominant teams in the region: UCSD, UCSB, and Colorado. Arizona's program continued to improve over the next two years, helped along by Coach Mark Berry one year, and self-coached the next. Erik Gafni stepped up as the team's official conditioning planner. However, during the next two years, Arizona's leading player and captain suffered multiple injuries. Though still leading as captain, knee injuries limited Joe to just a handful of games in 2006 and 2007. This year, Loppi is back on the field, just in time to rejoin his veteran class during their fifth year.

CALIFORNIA-SANTA CRUZ

Team Name: Slugs
City/State: Santa Cruz, CA
Website: <http://www.slugultimate.com>
Captains: TJ Smith, Nick Chapman, Danny Karlinsky
Coach: Daryl Nounnan

The Ultimate team at Santa Cruz came into existence in the late 1970s behind the West Coast love for sports, friendship and team camaraderie. In 1986, the Slugs solidified their name and their logo and have never looked back. The early 1990s saw Slug Ultimate come out swinging and 1991 Santa Cruz earned its first ever UPA College Championship. The story of success continued as the Slugs made it to semifinals in 1993, and made the finals in 1995. Since then, Santa Cruz has made it to pre-quarters twice and to the quarterfinals once. The past six years have been a down period with rough showings in the hardest and most often deepest section and region in the college game. This is the first time in thirteen years that the Slugs have won Regionals and makes the first trip in six years to the big show.

City/State: Boulder, CO

Captains: Jolian Dahl, Mac Taylor
Coaches: Catt Wilson, Colin "JV" Gottlieb, Juice Shacklette, Bob Krier

Like a soda being shaken, Bird looks to finally burn the hay that is Ultimate. New blood mixed with old makes for a delectable treat that is both tangy and burnt. Is this toasty like substance going to step up and smother love all over their hardened backs? A brief history: Bird was an accident like many of the players. Like all mistakes it grew until it became an undeniable waste of money and child support. Many moons later, women's knees get weak from pure fear upon glimpsing the glimmering pigeon that is Mamabird. Although one still holds hope, and that one is JV's dog with those sultry eyes, pouty eyelashes and supple fur who desires to have a voice just for one day so that she may sing in an angelic voice the praise and love-like desire that she has for this team. Hermes has put the saddles back on and dusted off the helmet - for he has one more message to deliver. Those words, the very words that shall capture in horrific clarity the heart and imagination of a nation are: "yeah buddy."

Mamabird is competing at nationals for the 11th straight year. We've won our region for the 7th straight year. Neither can be said by any other team, as both are the longest active streaks in the country.

This year has had its ups and downs for Delaware Ultimate. We spent three months arguing over what type of jerseys we wanted. During this time alliances were formed. Three people who wanted blue jerseys were voted off the team and forced to play club soccer. Two others wanted yellow jerseys and ended up joining a frat. Our entire B team is made up of players who couldn't agree on the clown graphics. Everyone else who wanted black jerseys banded together to win the Metro East Region in style for the third year in a row. What day is it? BLACK OUT SUNDAY!

FLORIDA

City/State: Gainesville, FL

Captains: Kurt Gibson, Jonathan Windham

Coaches: Kurt Dahlenberg, Jia Xie

Before Kurt Gibson arrived at Florida, the program had been unable to break through the difficult Atlantic Coast Region, including 2003, when Florida lost a heart-breaking game to Georgia for the third bid from the AC Region. Three seasons later, Florida beat Georgia in the AC Regional Final and completed a one-loss season led by a Callahan Award winning star that culminated in the 2006 College Championship. This season, Florida defeated Georgia for its third consecutive AC Regional Championship in another one-loss season, and hopes for a similar ending to its 2006 breakthrough.

Those hopes rest squarely on the shoulders of Gibson, who transcendent talent has been at the heart of the program's transformation during his five-year career. As Captain, Gibson brings a swagger that is at the heart of a confident team which has lost only six games in the last three seasons.

Among his supporting cast is fellow All-Region player Broderick Smith. Gibson and Smith possess two of the best forehands in the country and are also two of the game's most formidable receivers, leaving defenders with the impossible task of covering stars who can act as handlers or deep threats. Two-way threat Jeff Yeakel consistently produces timely deep scores and game-changing blocks. Defensively, most of the fireworks come from the direction of Drew Coman and Dustin Travaglini, matched against the opponent's top threats. Captain Jonathan Windham provides a steadying force, and is essential to the team's ability to deal with all conditions.

You would think after 4 straight years at the Championships, the history of Jojah would be thoroughly exhausted. Colorado after 10 straight appearances at the big shoe could only muster 2 sentences. Florida on their 2 year streak squeaked out 4 sentences. Jojah is a team drenched in the stink of history and tradition.

In the early 90s, the Braves would cross train with the boys from UGA. Smoltz has a wicked back hand break. In 1996 the Olympic Committee invited Jojah as heralded guests but the team had obtained an early release of Nintendo 64 from Japan and were cheating as OddJob in GoldenEye 007. Jojah also played an integral part in protecting the southeast from Y2K.

Jojah is still here.

HARVARD

Team Name: Red Line
 City/State: Cambridge, MA
 Website: <http://www.hcs.harvard.edu/disc>
 Captains: Dave Lipson; Phillip Roebuck; Chris Stevens
 Coaches: Josh McCarthy; Jeff Graham

It all began with a bunch of nerds tossing a Frisbee around in a grassy area ...honestly, not much has really changed. After Harvard ultimate was founded in 1636 with the university, today, 372 years later, we find ourselves, thanks to the tradition and hard work of alums and players alike, back at Nationals once again.

In not as many words as the movie has lines, our pursuit of Boulder has taken the form of the 1985 coming-of-age drama, "Vision Quest." In this film, 18-year-old wrestler Loudon Swain embarks on a mission (a vision quest, if you will) to drop from the 190 pound weight class to 168 pounds in order to wrestle the three-time state champion – a legend and a monster – Brian Shute. Loudon almost kills himself to drop the pounds, works out incessantly, eats next to nothing, almost loses track of his vision through his love affair with Carla – a mature boarder, disrupts the team around him, yet fights through it to make the weight and in the end, beats Shute in one of the most intense wrestling matches we've ever seen.

This year, Red Line has fought through the many injuries, struggled through various obstacles, and ultimately, we've made the weight to almost fully complete our vision quest. It has been and will continue to be, in the words of one of Loudon's older mentors, "pretty g'd-damn glorious" and in the words of our leader and motivator, Carla, "That's money, baby!!!"

ILLINOIS

City/State: Champaign, IL
 Captains: Patrick Stephens, Joel Koehneman, David Abram
 Coach: Matt Stupca

Illinois last made the trip to Nationals in 2004. That team lost to North Carolina State in pre-quarters 16-14. The team would graduate some key players, but its core would return in 2005. However, 2005 would end in disappointment. After losing 16-15 to Michigan in the Regional Finals, Illinois lost to an upstart Michigan St. team in the Backdoor Finals. The 2005 team would graduate arguably their top ten players, leaving the program in rebuilding mode. The team finished 7th at Regionals in 2006. After having gained a year of experience playing with each other and still carrying a handful of players from the 2004 Nationals team, Illinois was ready to compete for a Championship bid in 2007. Led by 2007 All-Region selections Brian Korbesmeyer and Joel Koehneman, Illinois was well prepared for 2007 Regionals. However, 2007 would end in disappointment again. Illinois lost to Indiana in the Semi-Finals in a brutally windy game. The team could not work its way through the backdoor bracket, losing to Ohio St. 15-12, ending the 2007 campaign. Illinois would return the core of the team minus Korbesmeyer for a 2008 run. The team was determined to return to the Championships and performances at pre-series tournaments were encouraging. Illinois lost to Michigan 15-11 in the Regional Finals and took on Ohio State in the Backdoor Finals and won. The program will be making its first trip to the College Championships since 2004.

City/State: Denton, TX

Captains: Kevin Richardson & David Ryan

The UNT program began at what was then called North Texas State University in 1980. In 2004, under the guidance of alumni David Patton, the team began attending more competitive tournaments. UNT is known around the country as a hard playing and fun team.

In the team's first year, they upset Santa Barbara at the Santa Barbara Invite. Their finish at that tournament garnered national recognition and placed them in the top 25 for the first time ever. In the 2006 Centex Tournament, UNT placed 9th to earn the team's highest national ranking.

Animal catchers beware! With the head of an ox, feet of a bear, back of a dinosaur, and tail of an alligator, the 2008 Hodags are ready to do some damage at this year's UPA College Championships. The team is composed of a strong group of veteran leaders and a plethora of athletic clones chomping at the bit to make a play. The demons of the North Woods have screamed their way over many bridges this season and detonated enough aluminum to resurrect a suburban, Hodags bleed baby blue and will do absolutely anything for their teammates. This is more than a team, it's Hodag Love. Old Man Crumb once said the golden hand will turn baby faces into man bear pigs on the day of tomacide because it is not straight drooze unless Ron Bejergenty eats teacher tacos while the C Monster shoots lasers at fat Bill. Four McSchlockkes later, Skywalker threw turtles in a bucket until simba shimmy shalowed away from Diablo Donovan with T.P. on his foot screaming "morphin, I need morphin." Instantly, the K-Federation stormed the Rebel Rousas on Jim Raynor's command and overtook King DeDeDe's sausage fingers proclaiming "We are Marshall!" Then, the animal consumed Old Man Meyer, traveled to Berlin, slayed Spainzilla part 2, and changed his name to Mas Guy.

CARLETON COLLEGE

Team Name: Syzygy

City/State: Northfield, MN

Captains: Beth Mynar and Megan Molteni

On a small farm in the rolling hills of Northfield, a hen sat proudly upon her nest. A handsome cock strutted by cockadoodledooing his happiness far and wide.

He was going to have a baby! Normally, chickens lay seven to ten eggs at a time, but this chicken laid only one. It was much larger than usual and shaking with energy during its last days before the hatch. Mother hen felt the first few escape pecks, and stood to the side to wait for her baby to emerge. Much to her surprise, whoever was inside was not cheeping, but screaming "WHAT WOULD BRIAN BOITANO DO IF HE WERE HERE RIGHT NOW?" The hen was terrified, and began whistling her reflexive nervous song, Nurma Nurma. The cheering egg stopped mid-sentence to listen, and the chicken thought she distinctly heard, "5, 6, 7, 8!" before the egg began jumping in place. A crack appeared in the eggshell, and as the second chorus came around, little baby Sizzle was born! Ever since, the eighteen tiny baby Sizzlings that popped out of that egg have been rocking, cocking, turpsing, hilling, loving, smacking, and YFBing their way through all the obstacles on the farm.

MARYLAND

Team Name: Helpful Corn

City/State: College Park, MD

Website: <http://www.studentorg.umd.edu/ultimate>

Captains: Clara Morris and Heather Smith

Coach: Mike LoPresti

Maryland's women's Frisbee grew out of a rather small program. In 2001 the team was left with two second year players to captain and lead their team. Helpful Corn has been building its program steadily since then. The 2006 season was our first with a coach, and marked our first attempt to break into real competitive play. A 9th place Metro East Regionals finish was our highest yet, and the stage had been set for Maryland to keep moving upwards.

In early 2007, we again found ourselves without a coach but attempted to move forward in our competitive efforts. We took second at Sectionals, allowing us to be seeded a generous 5th at Regionals. Met with strong winds, and tough zone D, we dropped to a disappointing 11th place finish.

The fall of 2007 saw the acquisition of coach Mike LoPresti, former University of Pittsburgh player. With the collaboration of concise and competitive leadership strategies, Helpful Corn was able to begin a break out season. Heavy fall recruiting allowed us to split into A and B teams for the first time. Increased training, longer practices, and higher expectations paved the way for our leap in level of play.

Though losing both captains and a few other senior players at the end of this season, Helpful Corn has a lot of young talent not to be underestimated. We are on the rise.

After a two year absence at the College Championships, sMITe, the MIT women's ultimate team, is extremely excited to be back! We are a team twenty players deep, with ten new players and three with previous College Championship experience. Under the guidance of our coaches, we've been able to come together as a team and utilize every person's strength on the field. We've worked hard all season long to get to this point, practicing indoors throughout the winter, playing in tournaments through all sorts of weather, and spending countless hours in the gym and on the track (in between problem sets, projects, and papers). We play every tournament with three goals in mind: efficient offense, shut-down defense, and awesome!

We are looking forward to pushing our limits in the national arena! We are excited for a high spirited, challenging, and amazing tournament!

Coaches: Martha Carlson and Janet Jin

Initially named "Wanda's Binge," the team took second place at the College Championships in 1989 and 1990. The name "Flywheel" was adopted in the '97/'98 season, carrying with it Wanda's strong reputation. In 2003 and 2006, the team earned bids to Nationals, and claimed its spot among the top 16 women's teams in the country, coming in 9th in 2006. Today, we consistently rank among the top teams in the Great Lakes Region. Our program has expanded dramatically in the last few years. We have both an A and B team, each with enough eager and talented young women that there are cuts at both levels. We are also very privileged to have an excellent coaching staff (2 instructors per team), and also 2 competitive women's clubs (MOJO and Strut) in the area that provide us with experience both in and out of season.

This is Michigan State's first appearance at the College Championships since 1985 back when the team was called the Fishheads. Since then there have been many changes to the names and faces of MSU Ultimate. However, the program that has been developed has remained the same focused on teaching the basics of Ultimate and competing at the highest level of enjoyment. We focus on yearly recruiting to replace graduating seniors and inform students of our program. In the past we have been able to compete with teams but we have never done anything outstanding. We have been a smaller yet strong team for several years and finally with the experience of our seniors and recruitment of young, athletic players we earned the chance to return to the College Championships.

NORTHEASTERN

Team Name: Valkyries
City/State: Boston, MA
Website: <http://www.ultimate.neu.edu/women>
Captains: Stephanie Barker, Tabitha Bennett, Courtney Moores
Coaches: Jason Adams, Kayla Burnim

The Valkyries were formed in 2003 and are thus playing in our sixth UPA Series. Before 2005, we had only "backed" our way into Regionals. We then added Jason Adams (Delaware alum, former player/captain of Twisted Metal) and that spring we went 1-2 at Regionals before being eliminated. In 2006 we returned almost our full roster and entered Regionals as the 6 seed and made our first trip to Sunday of Regionals, finishing in the tied for 5th spot. We lost one of our captains after that season, but had a solid recruiting year, and in spring of 2007 knocked off Tufts and Delaware during the season to set ourselves up as the number 1 seed in our Section, and ultimately the number 2 seed at Regionals. We lost to Dartmouth in the semis, and had two key players suffer concussions in the backdoor semi-final, ending hopes of Nationals, and finished 4th in the region. This spring we added Kayla Burnim (Delaware alum/captain) to our coaching staff and set a clear team goal of making Nationals. After some success at Presidents Day and then faltering some at Yale Cup and Roll Call, the team re-dedicated ourselves to getting in better shape and making a serious run at Nationals. A 15-8 Sectional victory over heavily favored Tufts showed what our work could do and entering Regionals as the 2 seed behind Dartmouth, we finished with a 4-0 to earn our first trip to Nationals.

OREGON

Team Name: Fugue
City/State: Eugene, OR
Website: <http://darkwing.uoregon.edu/~fugue/>
Captains: Molly Suver, Clare Gordon, Sarah Moore
Coach: Lou Burruss

Oregon has had a women's team since the mid 80s and had streaks of success over the past 2.5 decades. The team last attended the College Championships in 2002. Oregon has a history of Callahan winners with Jody Dozono in 1999 and Chelsea Dengler in 2003. A few years ago the team decided to be renamed "Fugue" which has two appropriate definitions: 1) a dream-like state of loss of one's identity that is usually coupled with flight from one's usual environment and 2) a musical term to describe a short melody introduced by one part and successively taken up by others. The team name "Fugue" adequately represents a change from Regional level competition to high levels of national caliber ultimate representing the Northwest. The team has battled back onto the national circuit after four years, and Fugue is making its long awaited return to the UPA College Championships.

WOMEN'S TEAMS

OTTAWA

Team Name: Lady Gee-Gees
City/State: Ottawa, Ontario, Canada
Website: <http://ladyggultimate.blogspot.com/>
Captains: Alex Benedict, Shannon Becker and Anne Mercier

In the paddock, the Lady Gee-Gees are getting ready. They have been waiting a long time for this moment. They are not nervous, but excited! Like young children on Christmas morning, they await the "go" signal impatiently. This breed is like no other. They are motivated and prepared to rise to any challenge.

The Lady Gee-Gees have put in the effort and training for as long as they can remember. The youth and inexperience that showed in their first races in the Fall of 2004 at Canadian Nationals is a thing of the past. Since then, they have come together as a well-rounded team, winning the tournament a mere two years later and going undefeated since.

This year, the Lady Gee-Gees are no longer the dark horse on the college scene. They surprised many teams by winning Trouble in Vegas and as the UPA series keep moving along, they are only getting stronger. Stoked for the final leg, they have their eyes on the big prize and won't stop running till they reach the finish line.

3...2...1... BANG - The gate is open! The Lady Gee-Gees are the first horse out of the gate. Let the race begin!

TEXAS

Team Name: Méléé
City/State: Austin, TX
Website: <http://www.texasultimate.org/women>
Captains: Michelle Ng, Rebecca Shelton
Coaches: Cara Crouch, Nathalie Guimard

The University of Texas Women's Ultimate Frisbee Club, initially named Lady Marmalade, was founded in the spring semester of 2000. After only 2.5 years of existence, the team qualified for Nationals for the first time in 2002. Despite losing every game, the team gained valuable experience and in 2003, returned to the Championships, with a new name, Méléé, finishing 5th-8th that year. Méléé returned to the College Championships again in 2004, again finishing in the 5th-8th spot before a breakthrough season in 2005, making it to semis under the stellar play of 2005 Callahan winner and current coach Cara Crouch. The graduation of many top players that year led to a pre-quarters finish at Nationals in 2006 and in 2007, Méléé lost a heart-breaker to Truman State TSU in the finals of South Regionals. The loss strengthened the resolve of the 15 returning players, including 10 seniors who were determined to qualify for Nationals in 2008. Hours of throwing, Shuttles A on repeat, and the dump-swing-continue drill helped Méléé hone their skills throughout the fall and spring seasons. Under the direction of coaches Cara Crouch and Nathalie Guimard and the leadership of captains Michelle Ng and Becca Shelton, the team renewed its commitment to hard work and heart. Méléé capped an intense season that included a 12-hour drive to play in the snow and 3 plane rides to face the best competition in the nation by taking the South Region and not allowing any of its opponents to score in double digits. It's all about Méléé.

WAKE FOREST

Team Name: RUCKUS
City/State: Winston-Salem, NC
Website: <http://groups.wfu.edu/ruckusultimate/>
Captains: Lucia Derks, Rebecca Creer
Coach: Tammy Moose

The Wake Forest women's Ultimate team, RUCKUS, was founded in 2003 and since then has been steadily moving up in the ranks of teams around the country. In fall 2004, we gained the invaluable help of coach Tammy Moose and for the last three years, we've been consistently ranked in the top 30 but have only this year realized the full potential of our team. With strong leadership, including seniors Lucia Derks, Becca Stephens, Hannah Caughey, Sarah Tullis, Junior Captain Rebecca Creer, and a phenomenal rookie class, RUCKUS has finally proven itself as a nationally recognized Ultimate program. Using the fall to condition and teach fundamentals, we've been able to focus more this spring on strategy and, more importantly, winning. For the first time ever, RUCKUS has won not only one, but four spring tournaments, including Queen City Tune-Up, Easterns, Sectionals, and Regionals. We've been consistently in the top 15 all season and have only been moving up in the Rankings. After a strong showing at Centex, we realized that we can compete with the best.

WOMEN'S TEAMS

WASHINGTON

Team Name: EleMent
City/State: Seattle, WA
Website: <http://students.washington.edu/wwuf/index.php>
Captains: Nora Carr, Hannah Volkman, Sarah Plants
Coaches: Miranda Roth, Jenn Wilson, Amy Donahue

Once upon a time, there was a team like none other. Their name is Washington EleMent. You may remember us from such tournaments as the 2005 College Championships, where we got second place at our only showing – until now. That's right, after a couple of years of rebuilding, heartbreaking losses, too many ACL tears, and the acquisition of some fly rookies, we're back. You can be sure that we'll still be representin' old school EleMent style. That is, if you be wantin' ta be feelin' a team wit tru passion of the game n of each otha, you best be trippin' on the Washington sidelizze.

Yes, some have called this team a 'disgrace to women's ultimate.' But what we're all about is having more fun. We can't help it if we're hot and like to dance! We roll playing hard and working hard, and our game shows it. We have a style all our own, and we hope you'll come check us out and see what we mean. We're determined to represent for our school, our fans, our Sundodgers. We're playing for our captain who we miss dearly. And of course, for each other. And sometimes that means 80's dancewear.

So, bow down to the purple shorts of Washington, the ballers, the shot-callers, the window to the wall-ers, and hell no you can't ride in our little red wagon!
