WELCOME

Wisconsin Ultimate and the Madison Ultimate Frisbee Association (MUFA) are pleased to welcome athletes, family, friends and spectators to this year's USA Ultimate D-1 College National Championships in Madison, Wisconsin. The city of Madison is nestled in an isthmus between lakes Mendota and Monona on the ancestral land of the Ho-Chunk nation known as Teejope (Dejope). As home to Wisconsin's capital as well as the University of Wisconsin-Madison, Madison is a city full of great food, parks, shopping, museums, outdoor activities of all kinds, and sports including ultimate. Whether you visit the farmer's market, the nation's largest producer only market, on Saturday morning, browse the shops walking down State St, grab a dish of locally produced ice cream (did we mention ice cream will be available at the tournament?), or grab a bite at one of the many restaurants (Madison is featured in the current season of Top Chef), we expect you'll agree that Madison is an incredible place to visit.

This weekend Reddan Soccer Park in Verona will host pool play and quarterfinals with semifinals and finals taking place at historic Breese Stevens field in Madison. Keep your eye out for opportunities to watch some of Wisconsin's semi-pro teams too. Many thanks to the volunteers who make this weekend happen in addition to Madison Area Sports Commission and our many food, beverage, and entertainment sponsors. Thank you for attending this year's championships, and we hope you enjoy your time in Madison, the capital city of ultimate.

Fran Kelly
Tournament Director

Commitment to Diversity, Equity & Inclusion

“USA Ultimate values the contributions and perspectives that a truly diverse community provides our sport and its culture. Diversity, equity and inclusion (DEI) are critical to the integrity of our sport, and USA Ultimate is committed to increasing access to and participation in the sport, particularly amongst youth in underrepresented communities.”

USA Ultimate Inclusion Statement

USA Ultimate’s mission is to advance the sport of ultimate in the United States by enhancing and promoting Character, Community and Competition. We recognize that we cannot promote character and community without ensuring all individuals can bring their full selves to their participation in ultimate, as well as without intentionally addressing systems in place that continue to perpetuate discrimination in our society. In valuing the contributions and perspectives that a truly diverse community brings to our sport and its culture, we remain unequivocally committed to our equity, diversity and inclusion efforts and believe they are critical to the continued integrity of our sport.

As the national governing body overseeing amateur ultimate activity across the country, we are striving to create and maintain a safe, welcoming and inclusive environment at all of our events. USA Ultimate expects all participants and spectators at this event to abide by its code of conduct and actively foster an inclusive environment for all members of the community, no matter race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability. We are working with local host organizations to help ensure institutionalized racism and discrimination have no place at our events. Just as we hold our athletes to an expectation of “mutual respect among competitors” on and off the field, we expect all staff, event partners and attendees to show mutual respect towards one another regardless of whether you share similar beliefs, cultures or experiences.

In addition, USA Ultimate is committed to showing support for trans athletes and the principles outlined in our gender inclusion policy. As a wave of anti-transgender legislation continues to pass through state governments, USA Ultimate steadfastly supports an individual’s right to participate in our sport in a manner that respects and celebrates their gender identity without being subject to harassment, abuse or ridicule. All participants should be allowed to experience the joy of ultimate as their authentic and true selves. USA Ultimate stands by all transgender athletes and participants in our community and remains committed to ensuring everyone has the right to experience the sport in a positive and supportive way.

COMPETITION RULES

- 2024-2025 Official Rules of Ultimate will be in effect.
 - Changes from previous versions can be reviewed at usaultimate.org/rules.
- All games to 15.
- **Halftime cap** goes on exactly halfway to hard cap (52:30 after the beginning of the game). If neither team has reached seven or more points, one point is added to the highest score after the completion of the point. Halftime will be taken once a team reaches the new halftime score.
- Halftime is seven minutes.
 - Halftime length does not include the time between pulls.
- **Soft time cap** goes on after 90 minutes (15 minutes before the hard cap). Add one point to the higher score after the point during which the cap goes off is completed. Game ends when the first team reaches the new game total or when the first team reaches 15, whichever comes first.
- Soft cap for Semifinals and Finals will be at 1 hr 45 min
- Hard time cap goes on at the end of the round time listed in the schedule (1 hr, 45 min). Finish the point in progress and the game is over unless tied. If tied, play one more point.
- Hard caps will not be used for the semifinals and finals.
- Each team has two timeouts per half.
- Caps do not affect timeouts.

SITE RULES

- Driving and Parking at Reddan – Observe parking restrictions and handicap/staff spots. Do not avoid traffic bumps, no through traffic in parking lots, 11 MPH speed limit. Parking in the business lots or by apartments to the west of the fields are prohibited.
- No Tobacco.
- No Glass.
- Beer will be available for purchase at Reddan Soccer Complex and Breese Stevens Field. Outside alcohol may not be brought into the facilities.
- No dogs.
- No drones without previous approval from USA Ultimate. Drones are not permitted at Breese Stevens Field.
- No Firearms or weapons.
- Field Access: Spectators and equipment must stay at least three yards away from sidelines and behind any spectator/equipment lines or barriers! Where there are buffer lines, respect them. Where there are not buffer lines, stay back at least three yards.
- Trash and Recycling: Place recyclables in the recycling receptacles, and place trash in the trash.
- Guests and Spectators: You and your team are responsible for the people on your sidelines and making sure they abide by these site rules.

ULTIMATE IN 10 SIMPLE RULES

1. THE FIELD: A rectangular shape with end zones at each end. A regulation field is 70 yards long by 40 yards wide, with end zones 20 yards deep.

2. INITIATE PLAY: Each point begins with both teams lining up on the front of opposing end zone lines. The defense throws (“pulls”) the disc to the offense. A regulation game has seven players per team.

3. SCORING: Each time the offense completes a pass in the defense’s end zone, the offense scores a point. Play is initiated after each score

4. MOVEMENT OF THE DISC: The disc may be advanced in any direction by completing a pass to a teammate. Players may not run with the disc. The person with the disc (“thrower”) has ten seconds to throw the disc. The defender guarding the thrower (“marker”) counts out the stall count.

5. CHANGE OF POSSESSION: When a pass is not completed (e.g., out of bounds, drop, block, interception), the defense immediately takes possession of the disc and becomes the offense.

6. SUBSTITUTIONS: Players not in the game may replace players in the game after a score or during an injury timeout.

7. NON-CONTACT: No physical contact is allowed between players. Players must attempt to avoid physical contact during play. Picks and screens are also prohibited.

8. FOULS: When a player initiates contact that affects the play, a foul occurs. When a foul causes a player to lose possession, the play resumes as if the possession was retained. If the player that the foul was called against disagrees with the foul call, the play is redone.

9. SELF-OFFICIATING: Players are responsible for their own foul and line calls. Players resolve their own disputes.

10. SPIRIT OF THE GAME: The foundation of the rules of ultimate is Spirit of the Game, which places the responsibility for fair play on the players. Competitive play is encouraged, but never at the expense of respect between players, adherence to the rules, and the basic joy of play.

GLOSSARY OF ULTIMATE TERMS

BREAKMARK – a throw made to other side of the field from what is being forced by the marker

BRICK MARK – the spot where play may be initiated when a pull lands out of bounds, typically 15 or 20 yards from the front of the offense's end zone and in the center of the field (yardage varies based on individual tournament rules); players have the option of making this call or taking the disc on the sideline closest to where it lands

CALLAHAN – a defensive score, occurs when a defender catches the disc in the end zone he or she is attacking

CUP – the wall of defenders that surround the thrower in a zone defense; the wall typically consists of 3 players, but variations with 2 or 4 defenders are also common

FLICK – forehand, thrown outside, away from the handler's body

FORCE – side of the field to which throws should be contained; the marker will attempt to take away throws to one part of the field and is said to be "forcing" throws to go up in a certain direction

GREATEST – a jump, throw, catch combination that occurs when the disc is out-of-bounds, but a player jumps from in-bounds, catches the disc and successfully throws it back in-bounds to a teammate

HAMMER – an overhead throw that starts above the shoulders where the disc turns over in the air and lands upside-down

HUCK – a long throw

POACH – a defensive decision to leave a designated one-on-one matchup, usually temporarily, to clog a cutting lane or help defend a player other than the original

PULL – the "kick-off" of each point in which the defensive team throws the disc from their own end zone down the field toward the offensive team

STALL – the 10-second count for which a player is allowed to maintain possession of the disc; the opposing, defensive player must count the 10-seconds aloud; a "stall" occurs if the disc is held for more than the 10-second count

STRIP – occurs when a disc is knocked out of a player's hands after they have stopped rotation and achieved possession

LAST 3 D-I MEN'S FINALS

NORTH CAROLINA 15, MASSACHUSETTS 12
2023 College Championships
May 29, 2023 - Mason, OH

North Carolina etches its name in history as the third men's team to three-peat, appearing in their fifth straight final. Darkside moves into second place all-time for total titles with 5. Darkside, led by coaches David Allison, Matt Gouchoe-Hanas, Ben Snell, and JD Hastings, dropped one pool play game and faced off against a strong Brown team in the quarterfinals. Callahan nominee Andrew Li and a strong all-around squad passed No. 3 ranked Vermont in the semis before defeating No. 2 ranked Massachusetts, who appeared in their first final since 1986. Ultimately, one of the most dominant runs in college history continues as North Carolina will attempt the first ever four straight championships in 2024.

NORTH CAROLINA 15, BROWN 10
2022 College Championships
May 30, 2022 - Milwaukee, WI

North Carolina won its third title in four years, pulling off the back-to-back championship run. Darkside, led by head coach David Allison and assistant coaches Matt Gouchoe-Hanas and JD Hastings, won all four games in pool play, including wins over California, Vermont, Wisconsin and Ohio State. After a first-round bye, it was back to action for Callahan nominee Liam Searles-Bohs and Darkside as the defending champions took down 2021 College Championships runner-up Georgia. After another win in the semifinals against No. 2 ranked Colorado, Darkside faced off against No. 1 ranked Brown, led by Callahan winner John Randolph. With efficient offense and stifling defense, Darkside took over the college world for the second year in a row.

NORTH CAROLINA 15, GEORGIA 11
2021 College Championships
Dec. 20, 2021 - Norco, CA

Due to COVID-19 restrictions, the 2021 College Championships would take place in December. In the first College Championship since 2019, it was North Carolina who went chalk as the No. 1 ranked team in the tournament. After sweeping through California-San Diego, Texas, Wisconsin and Michigan in pool play, Darkside would dispatch Colorado after a first-round bye. It was Alexander Davis and Matthew McKnight doing the damage in the semifinals against an Azeez Adeyemi-led Brown. A surprise championship appearance from Georgia was not enough to turn the tide as Darkside would take home the trophy as the best college team in the country for 2021.

LAST 3 D-I WOMEN'S FINALS

NORTH CAROLINA 15, COLORADO 8
2023 College Championships
May 29, 2023 – Mason, OH

A second perfect season means Pleiades becomes the second women's program to three-peat in history. North Carolina won every game played by at least three and completed their run to the top once again. The No. 1 ranked team, lead by coaches Anne Worth, Elisabeth Parker, Jessica Jones and Marry Rippe, took down Washington, UCLA,

SUNY-Binghamton and Colorado State in pool play. Callahan nominee Alex Barnett helped Pleiades defeat No. 7 ranked Stanford in the quarterfinals and No. 4 ranked Vermont in the semifinals. A rematch of the 2022 final saw a similar finish as one of the most dominant runs of all time continues. North Carolina wins their 3rd title (tied third all-time) and has a chance to win a fourth straight title in 2024; an unaccomplished task in college ultimate history.

NORTH CAROLINA 12, COLORADO 11
2022 College Championships
May 30, 2022 - Milwaukee, WI

North Carolina became the fifth team in women's history to go back-to-back with the title defense in 2022. Pleiades went chalk in Milwaukee, winning all games as the No. 1

seed in the tournament. Wins over Stanford, Florida State, Georgia and Northeastern in pool play gave Callahan winner Dawn Culton-led UNC a first-round bye. After advancing swiftly past British Columbia and California-Santa Barbara, the team from Chapel Hill would play in the second-ever Universe Point final, winning the championship on heroics from Anne Worth and Alexandra Barnett. The college world was Carolina blue for the second year in a row.

NORTH CAROLINA 15, WASHINGTON 6
2021 College Championships
Dec. 20, 2021 – Norco, CA

North Carolina had never appeared in a College Championships final but that changed in 2021. Pleiades would run the table, starting with four straight wins in pool play over Ohio, Western Washington, California-Davis and Georgia. Led by coaches Jessica

Jones and David Allison, Pleiades would take down defending champion UC-San Diego in quarterfinals. Semifinals was a convincing win over UC-Santa Barbara and the finals was more of the same as Pleiades would win its first title in school history over Washington, thanks to the play of Dawn Culton, Alexandra Barnett and Bridget Mizener.

MEN'S DIV. CALLAHAN FINALISTS

Aidan Downey - Georgia Jojah - Senior

From team: "Georgia Jojah is proud to nominate Aidan Downey for the 2024 Callahan Award. Ever since Aidan Downey first picked up the disc at three years old, he has taken the ultimate scene by storm. Since then, Aidan has only grown and is a huge part of Jojah's success and loving culture. Since he first put on his red, Aidan has led us to a national final, 2 spirit championships, won a gold and spirit medal with the U-24 Mixed team, and is chasing another championship this spring. Aidan is loving and fun, and Jojah loves him back. Jojah is honored to nominate him for this award."

Jacques Nissen - Brown Brownian Motion - Senior

From team: "Jacques Nissen came to Brown in fall 2019 as a rising star in the sport. Fall 2021 saw Jacques show the world that he is the best thrower in the college division, throwing pinpoint hammer after pinpoint hammer as Brown reached the semi-finals. In 2022, Jacques was the star and quarterback of Brown's undefeated regular season and finals appearance. Last season, Jacques reigned supreme across the college division, culminating in his 2nd straight Offensive Player of the Year award. This past summer, Jacques won gold with the USA U24 Team and DC Truck Stop. Jacques has captained BMo for the last three years."

Paul Krenik - Minnesota Grey Duck - Senior

From team: "Throughout his career, Paul "PK" Krenik has played at all levels of the sport from high school all the way up to the international level. His commitment and dedication can be seen from his accolades including a runner-up Breakout Player of the Year award in 2022, a U-24 Mixed team USA selection in 2023, and several all-tournament lines in 2024. Additionally, he has established respect for himself in the ultimate community as a spirited competitor. PK is the epitome of a Callahan nominee and Grey Duck is proud to nominate him."

Rutledge Smith - North Carolina Darkside - Senior

From team: "Rutledge Smith burst onto the scene in the fall of 2021, quickly becoming a do-it-all defender, handler, and cutter in his first college season. His performance at 2022 Nationals earned him recognition as Ultiworld's 2022 Breakout Player of the Year, and he has garnered more accolades as he has grown into one of Darkside's most valuable pieces. Rutledge is a three-time D1 College Men's National Champion, and most recently won gold in Nottingham as a member of the USA U24 National Team. Darkside is delighted to have him as captain, teammate, friend, and 2024 Callahan nominee."

Suhas Madiraju - North Carolina State Alpha - Fifth Year

From team: "Suhas Madiraju has been a valuable member of the Alpha team since he first arrived in Raleigh in the fall of 2019. He is a fantastic thrower, an explosive athlete, a tenacious defender, and a constant hard worker. However, the reasoning behind Suhas being Alpha's Callahan nominee goes far beyond his extensive on the field skill. Suhas has been a fearless leader for Alpha for years, willing to put his body, mind, time and energy into the program. Every player on the team can confidently say that Suhas has their back, is their biggest supporter, and will do his best to outwork them at any given moment, showing he deserves this recognition."

WOMEN'S DIV. CALLAHAN FINALISTS

Anna Goddu - British Columbia Thunderbirds - Fifth Year

From team: "Anna Goddu is a force to be reckoned with in the women's college division. She has contributed tremendously to building a Thunderbirds team culture of positivity, resilience, and courage. As team captain for the past three years, Anna has led the team with grace, calmness, and determination. On the field, Anna is unstoppable, seemingly getting open at will against the toughest matchups. This incredible skill has led her to being a part of the Canadian U24 Women's National Team in 2023 as well as the Mixed National Team for 2024. She is a serious difference maker on the field and the Thunderbirds wouldn't be able to reach the same successes without her."

Clii Phillips - Colorado Quandary - Senior

From team: "Clii is a phenomenal player and has been since they were young. They played on the U20 National team in both 2018 and 2020. They then came to Colorado and began their career with Quandary. They have captained Quandary from 2022-2024 and now have two D1 Championship silver medals under their belt.. They then made and competed on the U24 National team in 2023. Throughout their college career, they were chosen as 2023 DPOTY, 2023 D1 All-American Second Team, 2023 D1 All-American First team and too many All-Tournament lines to count."

Jolie Krebs - SUNY-Binghamton Big Bear - Senior

From team: "Jolie Krebs radiates profound passion and remarkable skill within the Ultimate community, embodying the very essence of the sport's soul. At Binghamton University, Jolie's unwavering dedication and skill propelled her to the forefront of the Big Bear squad. On the field, Jolie is a force of nature. Her agility, precision, and determination render her a powerhouse, leaving opponents in awe of her prowess. But beyond her athletic prowess, Jolie's true strength lies in her ability to uplift those around her. Her talent, tenacity, and infectious spirit make her a deserving candidate for the Callahan Award."

Kennedy McCarthy - Vermont Ruckus - Senior

From team: "Kennedy has been playing ultimate in New England since 2015, where she played with Maine Riptide for the next four years, with one U17 second place finish and one U20 co-championship. Kennedy has played for Ruckus since her freshman year in 2019 and represented Team USA at the U24 World Championships in 2023. Kennedy was the Club Breakout Player of the Year in 2019, All-American College Second Team in 2022, All-American College First Team in 2023, Player of the Year 2nd Runner-Up in 2023, and the Offensive Player of the Year Runner-Up in 2023."

Megan Lam - Tufts EWO - Senior

From team: "Edi started their ultimate career at Tufts as a first year. These past 4 years they have grown exponentially as a player so much so that no one would know they started playing in college. One could say they are a defensive weapon who will cook you to the front cone. Off the field, Edi is the best kind of teammate you could ask for- the kind where instead of going to practice with your teammate you feel like you're just playing ultimate with your friend. We are sad they're leaving soon, but we are so proud to nominate them for the Callahan award and excited to have one last dance with Edi."

NOTES

FAQS

Q: Why are teams circling up with one another after the game?

A: That is called a spirit circle. An idea borrowed from international competitions in the ultimate world, the spirit circle will include comments from both teams to communicate positive play, constructive criticism and general conversation. Teams might exchange a small gift or partake in a cheer to show respect to one another and build relationships. It is not required but heavily encouraged.

Q: Where is my team playing? What field am I on? Where can I watch a team play?

A: All questions regarding site information can be answered by someone at the USA Ultimate Information Tent. You can also look for someone with a USA Ultimate badge/lanyard who will promptly find a way for your question to get answered.

Q: How close to the field can I watch the game?

A: Spectators and equipment must stay at least five yards away from the sidelines. Where there are buffer lines, respect them. Where there are not buffer lines, stay back at least five yards for your safety as well as for players.

Q: I lost my water bottle/jersey/hat/etc. Where can I find them?

A: Lost and found items will be located at the USA Ultimate Information Tent. If your item is not there, check back at another time.

Q: Can I drink alcohol on site?

A: Yes, but you are not allowed to bring your own. Alcohol can be bought at the field with what is offered by the site.

Q: Who are the people in orange or green on the field who look like referees?

A: Those are observers! While USA Ultimate has one of the most unique and defining characteristics in its reliance upon players to officiate the game, observers are allowed to resolve disputes should the players request it. Unlike other referees, umpires or judges, observers are not allowed to make active foul and violation calls of a subjective nature. Observers may only make active calls related to conduct issues or objective rules like time violations and boundary decisions.

Q: What happens if there's lightning?

A: Event staff will communicate via a PA system and field marshals if there is lightning danger. All play will be stopped. Event staff will indicate to players when play will resume and captains should meet at Tournament Central when it is safe to receive instruction on resuming play and any schedule modifications.

Q: I want to get involved! Can I help out at the events?

A: Yes! USA Ultimate heavily relies on its incredible volunteers to make every event year-round work smoothly. Find a volunteer or USA Ultimate staff member and they will connect you with a local contact. Otherwise, visit usultimate.org/about/volunteer/.
