2. Windjammers	3	2
3. Fusion	2	2
4. Entropy	1	3
5. Disc Connection	0	4

December 3, 1983

Dear Southern California Ultimate Person,

This year's tournament series is now complete and our Section has fared very well. In fact, it is safe to say that we play in the strongest Section in the Country.

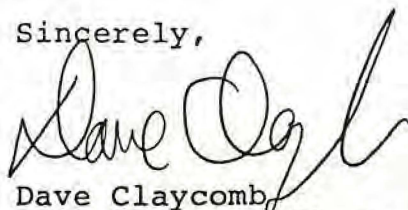

As most of you know, the Santa Barbara Condors, San Diego Spinoffs, Irvine Mudsharks and Orange Sky Monsters advanced to the Western Regional Tournament from our Section. The only two teams advancing to the Nationals in New Orleans from the Western Region were the Condors and the Spinoffs. The Condors were undefeated at the Regionals, while the Spinoffs had to advance through the losers bracket eventually beating the Flying Circus 17-12 in the finals of that bracket.

Last year the Western Region had an overall record at the Nationals of 0 wins and 8 losses. This year our record was 8 wins and 3 losses. The Spinoffs finished 2nd to the new National Champs, Windy City Ultimate, and the Condors took third following a 21-14 semi-final defeat by the Spinoffs. The score of the National Championship final was 20-16. Windy City outplayed the Spinoffs both offensively and defensively in the second half of that match to secure the victory. The Fishheads from Michigan are the new Women's National Champions.

In order to keep our Section competitively strong it is important for us to play as many games as possible. I've enclosed a current list of men's and women's teams for your reference in arranging small tournaments or individual games/scrimages.

Please see if any of the attached information is incorrect or has been changed. Also, if a new team forms or a team that you are aware of does not appear on the list, please let me know. Thank you and see you this Spring.

Sincerely,

A handwritten signature in black ink, appearing to read "Dave Claycomb", written in a cursive style.

Dave Claycomb
Sectional Coordinator
