LPC is honored to be the host of the 1994 Northern California Collegiate Ultimate Championships (Sectionals). We wish all the women and men teams well. Compete and play hard but remember to keep the "spirit of the game" foremost. This is what separates ultimate from the other sports and makes it unique. Best of luck to all the teams who will advance on to regionals and sectional.

Ultimate and the Spirit-of-the-Game

Ultimate relies on a spirit of sportpersonship which places the responsibility for fair play on the individual. Highly competitive play is encouraged but, never at the expense of the bond of mutual respect between players. And never with an intention to abuse the agreed upon rules of the game, or destroy the pure joy of play. Actions that go against these basic principles may hasten a day when players no longer control the game. Playing by the Spirit-of-the-Game will help Ultimate remain a sport where each one of us is free to decide, for themselves, what fair play means to him or her. Remember, no set of rules can replace players' respect for one another and the Spirit-of-the-Game.

HOW IS ULTIMATE PLAYED

Ultimate is a team sport with seven players from each team in the game. Substitutes are needed because of the strenuous running required by the players. It is played on a 40 x 120-yard field with 25-yard end zones. Similar to football, the disc is thrown from player to player until it is caught in the end zone for a score (one point). Players, after catching a disc, must come to a stop and have ten seconds in which to pass the disc to a teammate. Any incompleted pass (e.g. drops, interceptions, bad passes, etc.) results in an immediate turnover, where the defensive team becomes the offensive team and begins passing the disc toward its end zone. After a score is caught, the defensive team travels to the opposite end zone to receive the next throw-off and begins the next try for point. Occasionally, the game stops because of violations - fouls (notice there are no referees - players call their own fouls), time-outs, and the end of a score caught. Rules are available at the tournament desk, and we can answer any questions. For more information, call 1-800-UPA-GET-H

L LEAGUE

N.C.C.U.L...

is one of the most powerful colligate ultimate leagues in the nation. Since the inception of College Ultimate in 1984 the NCCUL Conference has produced five National Champions plus ten Western Regional Champions. The most recent team was the 1993 Berkeley women. This years competition should be close. In the Women's Division, defending League Champion UC Berkeley will be challenged by Stanford, UC Santa Cruz and UC Davis. The Men's Division has Stanford ranked as the top team in the nation. UC Berkeley, UCSC, Sac State along with UC Davis and the host team LPC will be strong challenges for the boys from the farm. Special thanks to Regional Coordinator Kevin (Skippy Jammer) Givens of UCSC for his many hours of hard work.
