Welcome

Welcome to the Heart of the Valley (aka Corvallis, Oregon) for the 2004 UPA High School Championships! We are really glad that you made the trip and hope that you will be pleasantly surprised by what you find in this small town that very few people have ever heard of.

We have worked very hard to provide a high quality tournament experience both at and away from the fields. Games will be held at the Crystal Lake Sports Complex, the crown jewel of the expansive Corvallis Parks System, which boasts some of the plushest fields you may ever play on.

When the games are over, we recommend that you turn off ESPN and get out of your hotel room. Head down to the downtown/waterfront area. There are some good places to grab food and green spaces to hang out and throw. Wander away from the waterfront into "downtown" Corvallis, and you will begin to wonder if you've traveled back to the 1950s. On Saturday night we encourage you to head over to the Oregon State University Memorial Union Recreation Center where teams can mingle over free billiards, bowling and twilight disc golf.

Finally, we hope to host many more tournaments here in Corvallis, so please let us know if there are things we can do better in the future.

Sincerely,
Dave Dreher, Tournament Director

Sunday, May 23

- 8:30 a.m.: Games begin
2:00 p.m.: Finals (open and girls)
Post-finals: Award ceremony
Immediately following the finals, awards will be given to 1st & 2nd place teams, Spirit Award teams, and Spirit Award individuals.

Competition Guidelines

- All open division games and Sunday girl's division games to 15; hard cap at 17. Girl's pool play games on Saturday to 11; hard cap at 13.
- Halftime is five minutes.
- Each team has two timeouts per half.
- Overtime: A game is in overtime if tied at one point less than the original game total, and the winning score will exceed the said game total. (e.g., in a game to 15, overtime occurs when the score reaches 14-14, and the minimum winning score is determined to be 16.)
- Regardless of how many timeouts a team has used before overtime, during overtime each team has one timeout.
- Time cap goes on at end of round time on schedule. Add two points to higher score after first score after the time cap. Play to that total. No more win by two.
- The time cap does not affect timeouts.

Spirit Awards

"Ultimate has traditionally relied upon a spirit of sportsmanship which places the responsibility for fair play on the player himself. Highly competitive play is encouraged, but never at the expense of the bond of mutual respect between players, adherence to the agreed-upon rules of the game, or the basic joy of play."

TEAM AWARDS: Following every game, each team will be asked to rate its opponent on a scale of 1-5, with 5 being the rating for the highest level of sportsmanship. These ratings will be averaged, and the team in each division with the highest rating will be awarded the Team Spirit Award after their division's final.

INDIVIDUAL AWARDS: Teams will each be asked to nominate a player from their own team who they feel displays the highest level of spirit. The definition of spirit is up to each team, but should include elements of sportsmanship, leadership, perseverance, fire, etc. Choose the person whose attitude you wish other people on your team would emulate and who other players off your team admire. Individual spirit winners will receive a medal (courtesy of PLAYULTY.com) and a light-up disc (courtesy of FLASHFLIGHT). Thanks to both of these companies for their support of Ultimate and Spirit of the Game

Kyle Thomas, 6'0, SR, UC Santa Cruz
Thomas Tsegai, 6'0, SR, undecided
Kyle Wilkinson, 5'10, SO

Team History: The Dark Meat team has been around a little over a year. We have been to Slop Fest twice, as well as several smaller tournaments. We've played Frisbee golf many a late evening on the UC Berkeley Campus. We set up the Official ACLC Reach for the Stars Frisbee Jumpometer. We practice three times a week, because we're maaaaaad dedicated, straight up! This year we have had bunches of fun playing ultimate with our main dummies around the Bay Area, such as Callimate, Red Hand, GUT, Mountain View, and San Jose.

33-Zak Kaufman, 5'9, SR, Colorado College

38-Mike Pistrang, 6'0, SR, Skidmore

44-Ben Ewing, 6'3, SR, Berkeley

Team History: Our best tournament so far was the Yale Cup, where we made it to the quarterfinals of the A bracket. We won our pool by beating Williams and Middlebury, and then we eliminated Yale in the pre-quarters. We lost to Wesleyan in the quarters and spent the rest of the tournament watching some of our alumni in the semis and finals.

The other big news at ARHS is that we finally have a lit field so we can host night games. This spring we will play UMass and Amherst College under the lights.

We are most happy to be missing 4 1/2 days of school in order to travel to the West Coast for Junior Nationals. Thanks to everyone in Corvallis and the UPA for making this event possible!

28-Steven Weinheimer, 5'9, SR, Johnson and Wales
33-Noah Ginsberg, 6'0, SO
86-Andres North, 5'11, SR, U. Mass-Amherst

Team History: The Beacon Blue Demons started the 2003-04 school year with one goal—win a National Championship. Beacon had an excellent fall season, going 13-1, including wins over several traditional national powerhouses. The Blue Demons practice every morning at 6:30 a.m. in the dirt outfield of a baseball field off of the West Side Highway. The team hopes their dedication and sacrifice pay off with a strong showing in Corvallis.

The team took huge strides forward this fall toward that goal with a first place finish at the Huck Or You're Nothing Princeton Invitational, beating last year's National semifinalist CHUF in the finals. Beacon scored a semifinal win over Watchung Hills and a quarterfinal win over Princeton on Sunday after winning its pool on Saturday. Saturday's pool play games included a decisive win over Scarsdale. Beacon finished their fall season well by winning the Scarsdale Invitational, going 4-0, including wins over Columbia X, Stuyvesant and Watchung Hills. No team scored over 7 points on Beacon all day.

This is Beacon's eighth year in existence, and this is the best team Beacon has ever had. Beacon is undefeated in New York City League play, and has beaten college and high school teams alike. Beacon's play is defined by its tough defense born on the dirt fields of Manhattan and its teamwork — exemplified by the twelve seniors on the roster who have played together for years — on offense. Beacon is led by coaches Chris Lehmann and Abby Lublin, teachers at Beacon and teammates on the 2000 co-ed national qualifiers NYCE.

26-Michael Johnston, 5'11, JR
36-Campbell Morissy, 6'1, JR
77-Stephen Parasci, 5'6, SO
78-Julian Elman, 5'6, FR

Team History: Despite claims to the contrary, we gladly maintain that Ultimate frisbee was invented in our very own student parking lot, and although we're a long way off from the hippie/intellectual crowd that made up the beginning years of CHS Ultimate, that same gut-level love of the game will always be with us. Looking at the more recent past, we've exploded into the season with fantastic coaching and unprecedented levels of conditioning, and it shows. CHS Ultimate is growing every year, gaining more and more recognition from the school and the community, and we can only see it getting better.

CRETIN-DERHAM HALL RAGING SAFARI

35-John Groess, 5'6, JR
37-Peter Stassen, 5'11, JR
42-Eric Larson, 5'10, JR
79-Luke Dwyer, 5'8, FR

Team History: For fifteen months now we have played here... Before that time, I was a student of my teacher, Main. Mimicking his movements on the field and learning the secret art of Ultimate.

When I was forced to come to St Paul, I found myself alone and team-less for the first time, wandering the parks, scavenging for whatever pick-up I could find. One day, I came upon a shattered

glass jar, four baby turtles, and a bunch of kids playing frisbee. The little ones were playing on a strange dirty field with a broken canister nearby. I gathered them up into a huddle and asked if I could play.

When I returned the next school year, I received a shock... They had doubled in ability. I too was growing, particularly in intellect, and I was amazed at how intelligent they seemed. But nothing could have prepared me for what happened next... One of them threw inside out! More skills soon followed and I began their training, teaching them all that I had learned from my mentors. They named themselves after the strange animal noises they all made, and they became Raging Safari!

Go Raging... Go Raging... Go!

Team History: This is Midwest Express' 5th trip to Nationals. Having finished everywhere from 3rd to 13th, we are looking for our best finish yet.

NASHVILLE BRUTAL GRASSBURN

*University School of Nashville
Nashville, TN
Coaches: Mike Lutz, Mackey Luffman*
Robert Berezov, 5'10, SO
Dan Chazin, 6'0, SR, Pitzer College
Daniel Finney, 6'2, SO
Edward Linton, 5'6, FR
MacRae Linton, 6'3, JR
David Martin, 6'2, JR
Bud Ries, Jr, 6'1
Joel Soltman, 5'8, JR
Joseph Spradley, 5'10, SO
Craig Stewart, 6'2, JR
Zach Wexler, 5'8, JR
Mark Wheeler, 6'4, JR

Team History: There are forces in this world besides evil, so in 1999, Brutal Grassburn fought off strong challengers to win the coveted Junior Nationals trophy. Many years passed, and history became legend, legend became myth, and until now the trophy passed out of all knowledge. Until when chance came, it ensnared new bearers. The championship trophy came to the creatures of MOHO, Gruel, and Anherst, who took it deep into their tunnels of the Misty Mountains. And there, it consumed them. The National Title brought these teams unnatural long life. For years it poisoned their minds. And in the gloom of their caves, it waited. Rumor grew of a shadow in the East, whispers of a nameless fear, and the trophy perceived. Now the trophy seeks its former owner, a brave and cunning fellowship: Brutal Grassburn. Brutal has defeated formidable foes on its path from Nashville through a Savage Thanksgiving, Evan E. Buckner Invitational, Terminus and Monkey Bowl. We've been searching for our National championship; and now you offer us a chance to take it? We do not deny that our hearts have greatly desired this. We shall take the trophy; the rightful kings shall be crowned. Now come to pass the days of Brutal Grassburn, and may they be blessed.

NATHAN HALE RAIDERS

Nathan Hale HS
Seattle, WA

Coaches:

00-Lucas Olson, JR
6-Nathan Castine, JR
7-Nigel Peltier, FR
9-Sam Harkness, SR
10-Nevin Root, JR
15-Ian Shives, JR

25-Harry Howell, FR
26-Allan Laviolette, FR
32-Shawn Hanson, FR
35-Patrick Lenon, FR
36-Rafi Stern, FR
99-Zach Grey, SO

Team History: This is Nathan Hale's first bid to nationals, and first open team. We are a very young team with extremely promising talent. We have been playing in a coed league in Seattle and have been undefeated. We have done an excellent job of learning how to play together as an open team, considering the majority of the team are new players. Every one of the players on Nathan Hale has learned how to become a threat in every position.

14-Kalin Thompson, JR
15-William Kelley, SR
16-Chris Weyers, JR
18-Peter Bryant-Hirsig, JR
20-Larence "L.J." Arnett, SR

Team History: Northfield Mt Hermon has a long history of Ultimate beginning back in 1968 when Jared Kass introduced the game for the first time while teaching in the NMH Summer School. It was at this time that he decided to call the game Ultimate Frisbee and to introduce the concept of "Spirit of the Game." The team, as it exists now, is in its sixth year and 3rd as a varsity team. We hold an annual tournament, hosting up to 16 teams. This is our 4th year attending the Jr. Nationals. In the last 4 years of attendance we have gone on to the semifinals. We also hold an alumni game annually, usually the week before Nationals as a traditional send off game. This year we also held a Special Olympic Play Day and introduced a new group of athletes to the game of Ultimate. Hopefully this is an event we can repeat—getting Ultimate to be a part of the Special Olympic program on a more widespread level. Our team players are not only from around New England but also from Japan and the Bahamas. We currently have 11 returning players on this year's team.

27-Shane Boland, FR
28-Riley Marsh, JR
38-Isaac Cameron, FR
50-Gus Seixas, SO
87-Colin Sutherland, JR
97-Milo Snyder, FR

Team History: The Northwest School

began playing high school ultimate Frisbee in the spring of 1996 in the coed Seattle High School League. Since the earliest days of the program, the school has recognized the team as a varsity sport. It was not until the spring of 2004 that the program separated into single gender teams. Northwest now only plays coed for the week of the Seattle High School Spring Reign Tournament.

The Northwest School Boys A Team participated in the first year of the Seattle High School Boys League and against University of Washington A and B teams. The boys have enjoyed the switch to single gender ultimate and are looking forward to representing Seattle at High School Nationals. The Boys Team will also be competing at the 2004 UPA Washington State High School Championships.

Team History: Ultimate has been played at SJR for 13 years, the oldest program in Canada. We have attended the UPA High School Championships twice. In 2001, the team won the Consolation Bracket. Several SJR players have represented Manitoba in the Canadian National Championships. Some have even played on the National team at the World Championships. In fact, two players from this year's squad will be playing this summer in Turku, Finland. With a mix of experience and newer talent, this year's edition of '1812' is looking to play at a competitive level with all comers. Since our season is short, we will

have only played in one tournament this spring (MadisonMudBath on April 24 and 25) prior to the UPA Championships. As the current Manitoba Provincial Champions, it is expected that SJR should lead throughout this Spring's High School League and repeat as champions. Last fall, the team took first at the annual Hold Back The Snow, an international tournament with 19 high school teams from across North America, held here in Winnipeg.

Team History: When the UPA changed the rules about combining schools, the city of Madison, WI, had a problem. In years past, it had sent players from two different schools to play on Midwest Express. When the team was forced to separate, the school with the coach continued to represent the Midwest at nationals, while the other school was forgotten by the masses. Now, with a coach and a new lineup, West High School is back at nationals and ready to show some serious skill.

Unfortunately, West Ultimate hasn't had much of a season to speak of this spring. Tournaments were few and far between, and two were cancelled due to rain. Despite these setbacks, West Ultimate is here and ready for action.

Team History: Wissahickon went 28-6 in the fall, winning the Philadelphia City Championships, placing 2nd at Kit Kat in the Hat, 3rd at Chill N' Grille, and winning the P.H.U.E.L. League. Wissahickon lost many key players last year and has come back even stronger with a younger team that has stepped up to fill in key positions. This spring Wissahickon has started off to an 8-0 streak, which they hope to carry on with another win of the P.H.U.E.L. League.

- 19-Davis Waller, 5'8, JR
- 20-Jeff Jeter, 5'11, SR, Georgia Tech
- 21-Matt Axelrod, 5'6, JR

Team History: The Woodward Academy Ultimate program is now in its 7th year. Eileen Murray has been the coach since the fall of 2000 and has seen the team's growth in both numbers and skill. This year, WA found a new JV coach (and assistant varsity coach), Chris Hatton, who has been playing competitively for 10 years. Woodward continues to be one of the only schools in the country in which the players received varsity letters.

The 2004 season has been pretty short for Instant Karma with the cancellation of Deep Freeze and a one day tournament in Charlotte. However, during the opportunities to play, WA has shown great tenacity and skill! At Terminus, Woodward beat CHUF (13-12) in the quarters and lost to Brutal (12-8) in the semis. CHUF had been the #1 seed going into the quarters, so it was a great accomplishment. Woodward then placed second at the Paideia Invite, losing only to Paideia's varsity in the finals (15-8). Mostly Woodward has been playing local college teams for practice and faring extremely well. Karma played SPSU (9-15), Emory (12-13), and Georgia Tech (9-15). This team of mostly juniors has remarkable

skill, sportsmanship, and talent. For example, Davis Waller, junior co-captain, was named an alternate for the Worlds Championship team to participate in Finland 2004.

Coach Murray is also helped to organize the first ever Georgia Ultimate

Championship Tournament this year. The high school fall league that was established in 2001 is still going and allows players from all over Atlanta to get experience and meet other players. Both Eileen and Chris have also completed the UPA coaches' clinic and are now certified coaches.

Team History: The 2004 season for the Amherst Women's Varsity Ultimate Team has been a very successful and challenging one. With only eight returning players, our team faced some challenges in the beginning of the season. However, they were shortly overcome through the dedication and devotion that our team embodies. This element that our team exhibits is evident in our current and past record. We have won Junior Nationals for the past five years, and are hoping to do so again. However, it is so exciting to see the level of caliber and play rise each year among women's teams at Nationals, forcing us to become a better team as well. This season, we have had our fair share of bad weather, which has reduced our playing time and increased our runs. Although this has been frustrating to some, we have really come together as a team. The combination of hard work and love for the sport has brought us back to Nationals, again.

Team History: The Amherst Girls JV A finished 2nd last year at Junior Nationals just behind their sister team and defending champs, the Amherst Girls Varsity. Acting both as a conduit for upcoming female stars of the sport in Amherst and as a strongly competitive team in its own right, the players pride themselves on their strong spirit and lay-it-out mentality for every point of every game. This is the team's 6th year of existence, now happily adding an "A" after their name to make room for Amherst's newest and now 3rd girls' team.

first time for many to play on an all girls' team. A few of the ladies played on a Corvallis/Eugene all-star team at club sectionals of 2003 where they got 5th of 6 teams. In the last year, the CVHS co-ed team has participated in Solstice (1st), Cold Fusion, and OHSUC (3rd). This strong background in co-ed ultimate has provided the ladies of Storm with plenty of tournament play-time to pull from. Despite their lack of single sex experience, the athleticism and enthusiasm of these girls will carry them far into the weekend.

Team History: The girls from Lilith have been playing co-ed ultimate anywhere from one to four years. This is our first year as a co-ed team. The girls came together at Oregon Sectionals in the fall of 2003 for their first exposure to women's ultimate - they were immediately hooked. We have scrimmaged and played against several college and women's teams, and now we are excited for our first stab at high school

girls ultimate. And why Lilith you ask? Well, after much deliberation, the girls simply love the myth. In the beginning God created Lilith. But Lilith proved too strong willed and independent for Adam so God destroyed her and made a more submissive and dependent Eve. Our girls are strong and independent - true representatives of this crazy town called Eugene.

Team History: The MahaDivas have been playing for four years, each year getting better. Our first appearance was marked with a goose egg. The second, we won a game. In the third year, we were one of two teams to win all their games on Sunday. Now, in our fourth, we are planning to do the same. Fresh off a Mudbath Victory, we are back on the practice field to sharpen our craft.

Team History: The Minnesota Misces (pronounced Miss-kiss) were started last year as a team based out of the Twin Cities. They chose the name Misces, which is a Latin term meaning something like "power that comes from mixing things up." We bring order from the chaos and that gives us strength.

We attended last year's national tournament in Alabama as a completely new team. We left last year's tournament as a team. We also took home the spirit hardware and the admiration of all the teams they played. This year's team has only a couple of returning players, but last year's amazing experience has attracted a whole new crop of great players. Luckily for the team, last year's success also convinced the returners that practicing and playing in a tourney together before nationals would be a good idea. To this end they have split into two teams and are competing at the Madison Mudbath. If you happen to see us on the field, well, give us a shout...cause we just might break the hokey-pokey out.

Cait McHugh, 5'7, SO
Audrey Richardson, 5'10, SO

Team History: After graduating three key seniors, the Too Brutal girls have spent the year playing co-ed Ultimate. As a co-ed team we placed tenth out of 20 at A Savage Thanksgiving, 1st out of 13 at MTSU's Evan E. Buckner Memorial, and 2nd at Juniors Terminus. Before Junior Nationals, we will have competed as an all girls team in Monkey Bowl, as well as The First Ever Mary Interlandi Tournament, which we host. Our girls team is very young this year, consisting mostly of sophomores and only one senior. As the year has progressed, each of the girls has gained valuable skills and confidence on the field that will be beneficial in competing for the national title.

Team History: The Sticky Fingers team is privileged in adding a great bunch of spunky newcomers to a veteran squad. While their year-round practices, fund-raising drives, and social activities have increased team camaraderie, they maintained their edge through intense workout sessions. Led by a solid senior core, the team managed to have a respectable 5-3 season record against primarily neighboring college women's teams. They look forward to capping their year with a first-rate showing against some of the elite youth teams.
