2011 USAU Texas High School Ultimate Championships

April 9-10, 2011

WELCOME TO THE 2011 USA ULTIMATE TEXAS HIGH SCHOOL CHAMPIONSHIP

From Brad Kaylor
Texas State Youth Coordinator for USA Ultimate

I would like to welcome everyone to the 2011 USA Ultimate Texas High School State Championships.

This is the first year for Texas to host a true state championship and I hope to lay the foundation for Texas to become one of the largest participants in the USA Ultimate HS State Championship Series. This year we are hosting the 2011 Texas State Championship and the 2nd Annual Fall Tournament. In 2012 we will again host the 2 big tournaments and work with the local organizations in Austin, Houston and Dallas to host USA Ultimate sanctioned high school leagues. I want to encourage each and every one of you to participate in the local and state wide events and to take an active role in growing the sport of Ultimate in your community. Promote the freshman class at your high school so your team lives on after you graduate and volunteer to help at the Middle school level. Find a kid, teach him to throw, and then give him the disc. You will see that kid again some day. And remember, always play the game and live your life according to the principals of the SPIRIT OF THE GAME.

From Baker Pratt
Manager – Education and Youth Programs for USA Ultimate

Founded in 1979 as the Ultimate Players Association, USA Ultimate is the National Governing Body for the sport of Ultimate in the United States. The organization has seen rapid growth over recent years and is proud to be hosting high school state championships in 24 states. Ultimate teams are developing in schools and cities around the country and Ultimate was recently named the fastest growing sport in America by the Sporting Goods Manufacturer Association.

Congratulations for participating and doing your part to spread the love for this game. Best of luck at the USA Ultimate Texas State Championship and we hope to see you in competitions throughout the year. Play on !

SPIRIT OF THE GAME

"Ultimate relies upon a spirit of sportsmanship that places the responsibility for fair play on the player. Highly competitive play is encouraged, but never at the expense of mutual respect among competitors, adherence to the agreed upon rules, or the basic joy of play. Protection of these vital elements serves to eliminate unsportsmanlike conduct from the Ultimate field. Such actions as taunting opposing players, dangerous aggression, belligerent intimidation, intentional infractions, or other 'win-at-all-costs' behavior are contrary to the Spirit of the Game and must be avoided by all players."

Spirit of the Game sets Ultimate apart from other competitive team sports. For over 30 years, Ultimate has flourished, reaching a highly competitive level, without the use of referees. In Ultimate, the honor system works. Sure, human nature rears its ugly head from time to time - just as in any sport, just as in life. Yet, one of the many beauties of Ultimate is how, even amid the most difficult of situations, utmost graciousness is allowed to meet that challenge head on. Through this balance, Ultimate players are free to demonstrate the most honorable and the most joyous sides of human nature in sport.

DON'T MISS IT

Medical Support

The Expedition School Medical Support Team is once again providing on site medical support for this year's 2011 USA Ultimate Texas H.S. Championship. The Expedition School will have 1 Medic and 1 student Athletic Trainer staged throughout the tournament to provide ultimate care to all the athletes. We will be located at the Medical Support tent next to Frisbee Central.

If a player is injured - do not attempt to move the player - call the onsite Expedition School Medical Support Team and they will come to you.

Please bring health insurance cards and or medical release forms for all athletes to help expedite care.

Please bring pertinent medications (i.e. epipens, etc.) and communicate with the Expedition School and Event Director on any athlete with a medical condition so that we can better advocate and assist with proper care.
