

A black and white photograph of two men jumping high into the air to catch a frisbee. The man on the right is wearing a dark shirt and shorts, with his mouth open in a shout. The man on the left is wearing a light-colored shirt with "condor" written on the back. A frisbee is suspended in the air between them. The background is a blurred outdoor setting with trees.

## Welcome from the UPA

**O**n behalf of everyone at the Ultimate Players Association (UPA), I would like to congratulate you and your team on the outstanding achievement of reaching the *1999 Jockey UPA National Championships*! As many of us at the UPA are impassioned Ultimate players, we salute your accomplishment and we wish you and your team the very best of luck at this year's championships here in San Diego.

I am pleased to welcome Jockey International™ as our Title Sponsor for this exciting tournament that will determine the very best open, women's, co-ed and master's division Ultimate teams in North America. Jockey is a well-established leader in the undergarment industry and, like the sport of Ultimate, it has quite an interesting history. Jockey was founded 123 years ago in 1876 by Samuel T. Cooper, a retired minister who wanted to help lumberjacks suffering from blisters and infections caused by their shoddy wool socks. Over time, people learned that they could trust him and his tiny hosiery business grew and then expanded into underwear, which at the time was a rather alternative concept and product. So you see, both Jockey and the sport of Ultimate share a history that is rich in tradition and rooted in alternative beginnings. Jockey is very happy to have this unique sponsorship opportunity to help our sport to grow as we rapidly approach the new millennium and we at the UPA are excited to work with Jockey as well.

In addition to being our Title Sponsor for this tournament and for the *1999 Jockey UPA College National Championships* held earlier in May in Boulder, Colorado, Jockey and the UPA recently concluded five exciting Ultimate teaching and skill building events called the *Jockey Ultimate Festival*. These events were held on five major college campuses throughout the United States. In the spring and fall of this year, Jockey and the UPA brought Jockey Ultimate Festivals to college campuses at the University of California at Santa Barbara, Stanford University, MIT University, the University of Washington and Northwestern University. Each Festival took place on the college campuses and targeted incoming freshmen and beginners for an introduction to the sport of Ultimate in a fun and festive environment.

The Festivals included onsite instruction to new players on how to play Ultimate. Participants were taught the essential game throws used in Ultimate (e.g., backhand, forehand and overhead), the elements of the game (e.g., rules, offense and defense) and, most importantly, the Spirit of the Game.

Thanks to the help of local Ultimate clubs and teams, participants were able to learn about Ultimate from club level experts. Then, each participant had an opportunity to try their hand at accuracy and longest throw contests as well as actually play the game during a mini-tournament made up of all participants. All contest winners received prizes from Jockey. In addition, all participants were entered into a sweepstakes where one lucky winner was awarded a trip for two to the *1999 Jockey UPA National Championships* and the winners have joined us here to enjoy the competition. As you can see, 1999 has been quite an exciting year!

Finally, it is my hope that you will join me in welcoming Jockey and their tremendous support of Ultimate. Through our association with Jockey, the UPA has been able to generate a level of public awareness of Ultimate that would otherwise have been unattainable. In addition, it has enabled us to bring the sport into the lives of more and more players so that they, like you, can enjoy the sport and its amazing benefits for a lifetime.

Again, congratulations and the best of luck to you in the *1999 Jockey UPA National Championships!*

Frank A. DeFazio, Jr., *UPA Director of Marketing*

**W**ELCOME to San Diego for the *1999 Jockey UPA National Championships*, site of the 1988 and 1992 Finals. The Rancho Santa Fe Polo Fields are among the finest Ultimate fields in the country.

This is the biggest ever National Championships, with fifty-one teams in attendance. Sixteen Open squads are present, including the five-time defending champion, Boston's Death or Glory. DoG won the WFDF Club championships this past August. Among the sixteen Women's teams is Lady Godiva, winner of the past four titles. In the Masters division, defending champion Cigar (from NY) looks to build on their 1999 World Championship as well. And Coed is back for its second season. Red Fish Blue Fish, the 1998 champs and winners of 1999 Worlds looks to make it a triple crown.

Thirty of the fifty-one teams return from last year's tournament in Sarasota, FL, so we've got a mix of old and new. We'd like to acknowledge Jockey, sponsor of the *1999 College and Fall Championship Series*.

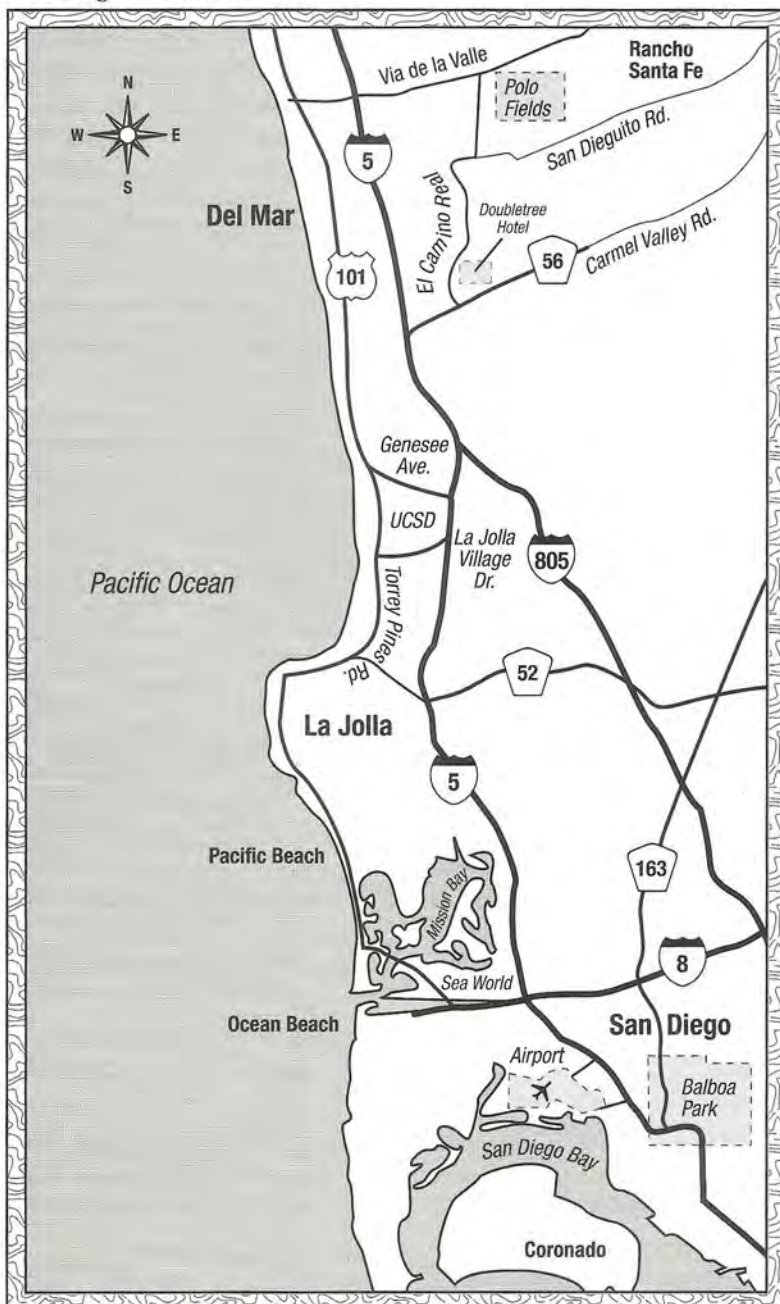

Congratulations to the best teams in the US and Canada for making it here. Good luck. If you're a spectator, roam around and see all four divisions. You'll find awesome Ultimate in each.

Bob Byrne, *Executive Director, Ultimate Players Association*

## San Diego Shows Its Support

After a seven-year absence, the UPA Fall Nationals finally gets back out west and we hope all you disc junkies have a great time while you're here in beautiful San Diego. Putting together the many details in order for over 800 people to have an enjoyable experience at Nationals takes a lot of time and effort. If it weren't for the organizing committee's hard work and love of Ultimate, Nationals would not be in San Diego. I would like to personally thank all of the players in San Diego that volunteered their time to assist with Nationals.

Beth Thomas & Mike "Frenchy" Boisvert – *Social Coordinators*

Gina Sample & Kendra Brunje – *Tournament Program Guru's*

Dave 'DJ' Levy & Jamie Peters – *Sponsorship Providers*

Annie Coppock – *Web Master*

Sara Soloman – *Ask and you shall receive!*

David Danks – *Head Scorekeeper*

Kara Ferguson – *PR Director*

Chris Brady – *Designed the logo that the UPA didn't want seen*

Stephen Chiang – *Providing the awesome photographs*

Mike Blackard – *Ice man*

Tim Noonan – *Polo Grounds*

Joe Strickland – *Polo Grounds (The Man)*

UCSD Women's Team- Psychautit – *Concessions/Scorekeepers*

UCSD Men's Team - Squids – *Concessions/Scorekeepers*

There were others: Meg, Brian, Cole, Al P., Gelber, Lafoon, Bryn, Dee Carey, Rob Porter, Herrick, Gump and Turtle all helped in coordinating this year's UPA Nationals!

Thank you all for your time and effort. We couldn't have done this without your help!

Nationals, late October and on the West Coast. Makes a good combination. We hope to see all of you again in 2001!

Appreciatively,

Steve Ferguson, *Tournament Director*
