WELCOME

The Cincinnati Ultimate Players Association and USA Ultimate are pleased to welcome you to the third-annual Grand Masters and Masters Women's Championships – and the first to escape the mountain air of Colorado for the steamy summer of southern Ohio!

We have a vibrant Ultimate community here – from our 18-team high school league (one of the first in the nation and still one of the largest), to our 30+ team summer league, to our Age Against the Machine old man's team that has been participating in Masters and Grand Masters events since 1997. Our area players, from those just starting out in the high school league up to the oldest of the Grand Masters, have worked hard to ensure that we host a successful event, and we hope you enjoy your stay and your play in our locale.

The Warren County Convention and Visitors Bureau has also become quite vested in the Spirit of the Game, pulling out all the stops to ensure that every team and every player has an enjoyable experience here. In addition to the fine fields, marvelous massagers, and talented trainers you will find this weekend at the venue, you will also enjoy the victorious victuals previously only available to

Ultimate players from Ohio's world famous Poultry Days tournament – the world's finest chicken chow, with a viable vegetarian option for those who prefer it.

The fields are a short 10-minute drive from the Kings Island Resort, our official hotel. You can enjoy fine local beers and cocktails there, or cross the street and enjoy some of the nation's top amusement parks, complete with roller coasters that are almost as good as a Callahan. Downtown Cincinnati is a mere 30 minutes away, where you can see the Freedom Center, one of the nation's top zoos, or Larry Flynt's flagship Hustler store. Diversity, thy name is Cincinnati! While you are here, you also have to take the time to enjoy a three-way – get your mind out of the gutter; that's what we call chili and cheese on spaghetti noodles—as well as some Graeter's ice cream; each will give you a memory as fond as a layout D.

Of course, the most important part of the weekend is the Ultimate. We look forward to enjoying high-level competition, with equally high Spirit, and to crowning the 2011 Grand Masters and Women's Masters national champions on Sunday. Good luck, and thanks for bringing your skills and your Spirit to Ohio this weekend!

COMPETITION RULES

- All games to 15, point-cap at 17.
- Halftime is 5 minutes.
- Each team has two timeouts per half.
- Regardless of how many timeouts a team has used before overtime, during overtime each team has one timeout.
- Overtime: A game is in overtime if tied at one point less than original game total (e.g. In a game to 15 goals, overtime occurs when the score reaches 14-14). Each team has one timeout.
- Soft time-cap goes on at end of round time on schedule. Add two points to higher score after first score after soft time-cap. Game ends when first team reaches new game total, or when first team reaches 15 ahead by at least two points, whichever comes first.
- A hard time cap will be put into effect for all pool and consolation/placement games (3rd, 5th, 7th, 9th-20th). The hard time cap will go on 20 minutes after the soft time cap. Game is over at the end of the point in progress, unless tied. If tied, play one more point.
- Caps do not affect timeouts.

SPIRIT AWARDS

Ultimate has traditionally relied upon the spirit of sportsmanship, which places the responsibility for fair play on the player. Highly competitive play is encouraged, but never at the expense of mutual respect among competitors, adherence to the agreed upon rules of the game, or the basic joy of play. — 11th Edition USA Ultimate Rules of Ultimate.

INDIVIDUAL AWARDS: Teams will each be asked to nominate a player from their own team who they feel displays the highest level of Spirit. The definition of Spirit is up to each team, but should include elements of sportsmanship, leadership, perseverance, fire, etc. Choose the person whose attitude you wish other people on your team would emulate and who other players off your team admire. Individual Spirit winners will receive a medal and prize disc (courtesy of DISCRAFT). Thanks to Discraft for their support of Ultimate and Spirit of the Game!

TEAM AWARDS: Following every game, each team will be asked to rate its opponent on a scale of 1-5, with 5 being the highest level of sportsmanship. These ratings will be averaged and the team in each division with the highest rating will be awarded the Team Spirit Award after their division's finals.

USA ULTIMATE SPIRIT RATINGS GUIDELINES

The ratings are ordered from 5 (indicating the highest level of spirit) through 1 (the lowest level of spirit):

5: Highest level of respect shown throughout the game towards opponents, officials, and spectators. For the level of play, showed excellent knowledge of the rules and abided by them throughout the game. Any conflicts were resolved amicably and without incident. Opposing team's conduct added to our enjoyment of the game. The opposing team unfailingly played fairly and with an excellent attitude.

4: Respect shown throughout the game towards opponents, officials, and spectators. For the level of play, showed above average knowledge of the rules and abided by them throughout the game. Any conflicts were resolved favorably and without incident. Opposing team's conduct did not detract from our enjoyment of the game. The opposing team played fairly and with a good attitude.

3: Generally exhibited respect towards opponents, officials, and spectators. For the level of play, showed adequate knowledge of the rules and abided by them during the game. Any conflicts were resolved plainly and without incident. Opposing team's conduct generally did not detract from our enjoyment of the game. The opposing team generally played fairly and with a decent attitude.

2: Exhibited a lack of respect towards opponents, officials, and/or spectators. For the level of play, showed a lack of knowledge of, or disregard for the rules at points during the game. Any conflicts were resolved heatedly or led to contentious incidents. Opposing team's conduct detracted somewhat from our enjoyment of the game. The opposing team played unfairly and/or with a poor attitude.

1: Exhibited a major lack of respect towards opponents, officials, and/or spectators. For the level of play, exhibited no knowledge of the rules or blatantly disregarded them during the game. Conflicts were resolved acrimoniously or led directly to contentious incidents. Opposing team's conduct made the game basically unenjoyable. The opposing team played unfairly and their attitude was abysmal.

10 THINGS YOU SHOULD KNOW ABOUT SPIRIT OF THE GAME™

1. THE GOLDEN RULE: TREAT OTHERS AS YOU WOULD WANT TO BE TREATED.

Spirited games result from mutual respect among opponents. Assume the best of your opponent. Give him or her the benefit of a doubt. You would want the same for yourself. But if you are thick-skinned, do not assume that your opponent is. Maybe you should think of this rule as, "treat others as you would have them treat your mother."

2. CONTROL: SOTG TAKES REAL EFFORT.

SOTG is not just some abstract principle that everyone adopts and then games run smoothly without effort. Close calls are made in tight games. Hard fouls are committed. SOTG is about how you handle yourself under pressure: how you contain your emotionality, tame your temper, and modulate your voice. If you initiate or contribute to the unraveling of spirit, the concept falls apart quickly. If you act to mend things (or at least not exacerbate the situation) by following (1) above, the game heals itself.

3. HECKLING AND TAUNTING ARE DIFFERENT.

Ultimate has a long tradition of good-natured heckling. Heckles are friendly barbs, typically from non-playing spectators. Heckling can be fun, but taunting is unspirited and wrong. Harassing remarks after an opponent's foul call or close play are NOT heckling: they are abusive taunts which create unpleasant playing conditions and often escalate to acrimonious disputes.

4. SOTG IS COMPATIBLE WITH CHAMPIONSHIP PLAY.

It is a fallacy to argue that the stakes are so important that some aspect of SOTG can be cast aside. Time and again, great teams and star players have shown that you can bring all your competitive and athletic zeal to a game without sacrificing fair play or respect for your opponent.

5. DON'T "GIVE AS YOU GOT."

There is no "eye for an eye." If you are wronged, you have no right to wrong someone in return. In the extreme case where you were severely mistreated, you may bring the issue up with a captain, tournament director, or even lodge a complaint with the governing body. If you retaliate in kind, however, a complaint may be filed against you. We recall point (1): treat others as you would have them

treat you, not as they have treated you. In the end, you are responsible for you.

6. BREATHE.

After a hard foul, close call, or disputed play, take a step back, pause, and take a deep breath. In the heat of competition, emotions run high. By giving yourself just a bit of time and space, you will gain enough perspective to compose yourself and concentrate on the facts involved in the dispute (was she in or out; did you hit his hand or the disc; did that pick affect the play). Your restraint will induce a more restrained response from your opponent. Conflagration averted, you may resume business as usual.

7. WHEN YOU DO THE RIGHT THING, PEOPLE NOTICE.

When you turn the other cheek, you know you've done the right thing. You may not hear praise, there may be no standing ovation, but people do notice. Eventually, their respect for you and their appreciation of the game will grow.

8. BE GENEROUS WITH PRAISE.

Compliment an opponent on her good catch. Remark to a teammate that you admire their honesty in calling themselves out of bounds. Look players in the eye and congratulate them when you shake their hands after a game. These small acts boost spirit greatly, a large payoff for little time and effort.

9. IMPRESSIONS LINGER.

Not only does the realization that your actions will be remembered for a long time serve to curb poor behavior, it can also inspire better conduct. Many old-timers enjoy the experience of meeting an elite player who remembers their first rendezvous on the field and recalls the event in detail. A good first encounter with an impressionable young player can have considerable long term positive impact.

10. HAVE FUN.

All other things being equal, games are far more fun without the antipathy. Go hard. Play fair. Have fun.

The joy of the disc brought this wily group of Big Sky veterans together from all corners of their spirited section. While these women usually battled against each other in the mixed scene, over the many, long years of competition, they have forged friendships on and off the field. This year, they have decided to stop chasing each other - opting to run, huck, and win together as a team. Off the field, they enjoy the awe and excitement of mountain life. This passion carries over into their play - getting Ho D's like ripping a powder-laden chute and shredding the zone like summiting a craggy peak. And when they aren't pursuing the beauty and adrenaline related to disc and mountain sports, they pick up their hoes and head into their backyards to garden!

DARKHORSE

San Francisco, Calif.

Captains: Jamie Nuwer, Sandy Park

San Francisco is certainly not a one-horse town. Rather the city proper and the larger Bay Area is a place where fields are full of high-spirited competitive Ultimate for ponies, mares, and stallions alike. This breeding ground serves as a perfect birthplace of Darkhorse, the first women's Masters team from the Bay Area. Our new herd is composed of players from women's and mixed teams with some key pick-ups from across the country. We are chomping at the bit for the July 9-10 weekend in Ohio. Our "mane" goal is to play with intensity and spirit, all the while avoiding charley horses, and getting a chance to nibble on that grand prize.

DISH

Chicago, Ill.

Captain: Emilee LeDonne

Dish is excited to be celebrating our 12th year as a hot Chicago women's Ultimate team!

Our overall philosophy is that every player brings a diverse background and unique abilities that contributes to making us, as a team and as individuals, even stronger. We try to build our strategy around those unique capabilities, to ultimately put together all those pieces to form a complete, solid team unit. We look for players of all levels with enthusiasm to learn, commitment to making Dish the best it can be, and most importantly a positive attitude and energy - recognizing our core philosophy that the team is greater than the sum of its parts. While the players may vary from year to year, we never vary in our commitment to that philosophy and to each other.

MOJO

Michigan & Ohio

Captains: DeAnna Ball, Tanya Daugherty, Lani Kawamoto

MOJO 2.0 is a remake of a team based in Michigan and Ohio (Michigan-Ohio Joint Operation). As a previous fall club team, MOJO attended the club championships in Sarasota in 2005-2007, and as separate teams from Michigan and Ohio in 2004. We had such a great time at Masters last year we are back. Even though we are all another year older and have some new players, we are looking to have just as much fun this year as we did last year both on and off the field!

RETRO

Triangle, N.C.

Captains: Thuy Brooks, Mel Proctor, Linda Zier

RETRO has robbed the cradle this year and is bringing a team of young'uns to catch our old school hucks. While most of us are from the Triangle area of NC, we're not your prissy southern debutants. We like to party as if we were still 29 and layout as if we were 20. We've got some single divorcees or never been weds (attention Grand Masters!), a newly married couple, and a perennial bridesmaid. Come check us out - you won't be disappointed.

From Wikipedia.

Retro is a culturally outdated or aged style, trend, mode, or fashion, from the overall postmodern past, that has since that time become functionally or superficially the norm once again. The use of "retro" style iconography and imagery interjected into post-modern art, advertising, mass media, etc. It generally implies a vintage of at least 15 or 20 years.

SAFARITARIANS

San Diego, Calif.

Captain: Shar Stuht

Safari-tarians are still making it from one end of the field to the other for our third year in a row at women masters. It is our lasting love of Ultimate and our hatred of drills, track workouts and practice that keep us competing at the master level. Out of the jungle we still can limp provided our sideline has plenty of ad-vil. We may not be 100 years old yet and sometimes we look it but the wild spirit of Safari-tarians burns as bright as ever.

STICK DOG

Vancouver, B.C.

Captains: Bridget Gilbride, Jill Calkin, Anja Haman

Once upon a time there was dog made of sticks. She had a hard life: whenever she would go to the park or the river, all the other dogs, particularly the labradors, chased her, and brought each of her limbs back to their masters, tails wagging. The masters would put Stick Dog back together again, throw a Frisbee for her to play with, until the other dogs fetched her limbs for their masters all over again. On and on went her life, and so Stick Dog mastered chasing Frisbees, but each time, did so a little more broken than the last. Stick Dog thanks USAU for giving her a place to play, and asks the organizers to strictly enforce the on-leash policy.

Captains: Allie Boyd, Marley Steele-Inama, Kristin Hardie

As permanent as the Rocky Mountains, Well Done players have a lasting love for Ultimate Frisbee. Each of our players holds special things dear, but we are consistent in our commitment to holding athleticism, competition, laughter, and friendship close to our hearts. We have deep Colorado roots or connections and have all played on many teams throughout our Frisbee careers. Most of us have dedicated many years to Women's Club Frisbee and are excited for an abbreviated, competitive, women's masters series where we can connect and re-connect with our old friends.

BALL & CHAIN

Atlanta, Ga.

Captain: Dan Powers

Coaches: Dan Konisky, Charlie Yood, Chester Harich

Ball & Chain was formed to give Atlanta & South-east-based Masters & Grand Masters Ultimate players a welcome weekend pass (once in awhile) from the old Ball & Chain at home. Affectionately known as B&C, the team first formed as Masters in 2006, making Nationals in their first year together. After a two year hiatus, B&C again qualified for Nationals in masters 2009 & 2010. Last year B&C attended their first Grand Masters nationals finishing fifth. These dastardly handsome southern gentleman are back again in 2011, sporting new uniforms to remind ourselves, that in the end, we are the ones who still wear the shorts & cleats in the family!

BiGs

Ketchum, Idaho

Captains: Kib Dacklin, Bill Sherrerd

These are the men your mothers warned you about... bad influence and miscreant action tossed together in a perfect blend - both shaken and stirred. Thoroughbred, corn fed, and inbred; we hail from high in the hills, deep in the valleys, and across the plains where deep cuts and long hucks have drawn us together in the land of Big Sky...a plentiful region where has-been and once-were still thrive.

These BiGs are good ol' fashioned American made steel thrown down on a rugged, built-for-abuse chassis and constructed in a time when smooth cruisin' and a stable's worth of horsepower crushed the concept of efficiency. You'll find we guzzle our fuels and belch out whatever we damn well please...and if we're goin' off half-cocked we're probably only half way there.

Captains: Jim Parinella, Alex de Frondeville

Hi, we're Death or Glory (aka DoG). You may remember us from some past championships such as 1994 Open Nationals, 1995 Open Nationals or 1996 Clambake... After the final original members retired from Open competition in 2006, the team relived the glory days with titles at 2007 Masters Nationals, 2008 Clambake, and the highlight - the inaugural 2009 Grand Masters Championship. After a lean 2010, we are eager to rebound against our worthy rivals this year. Can DoG regain its winning ways in the hope of becoming the first ever repeat winner in the GM Division?

IRON CITY ULTIMATE

Pittsburgh, Pa.

Captain: Stu Snodgrass

Some towns don't know when to quit. Pittsburgh is one of those towns. It was supposed to be dead in 1980, rusty and useless as the wreckage of the furnaces that stood mute and cold, abandoned beside its rivers. But it didn't die. It came back smarter, piled up championships, corporate headquarters and high-tech startups, and soon it was making everybody's list of best places to live.

Some guys don't know when to quit. We're those guys. Almost every one of us threw our first disc on the hard clay fields of Pittsburgh way back in the twentieth century. We went to nationals twice as a masters team, and then, like the furnaces, we shut down. But not for long. We're back now, and with a few faces so old they're new again. We're a little grayer, maybe a little smarter, but mostly, like our hometown, just happy to still be in the game.

MOSCOW STATE

New Rochelle, N.Y.

Captains: Sanjeev Khanna

Coaches: Peter Konigsberg, Adam Zagoria

In 1983, former New Rochelle High School Ultimate team captain Jonathan Rubin, who was now captain at Vassar and seeking funding, concocted the idea of telling Vassar administration that a team from the Soviet Union was coming to their tournament. Thus, Moscow State was formed from NHRS and other local players, went on to win the Vassar tournament and ended up being one of those omnipresent summer touring teams. For 20+ years, we did the annual NE circuit (including Ow-My-Knee, No Borders, and Hingham), culminating in a #20 finish at 1993 Worlds in Madison and participation in 1995 Worlds in Street, UK.

Over the years, we've had friendly and not-so-friendly rivalries with teams such as Jason and the Argonauts, C.R.U.D., Ottawa, Locomotion, Somerville Youths, Slipped Disc, and others, but whoever the opponent, we've been told that playing against Moscow State was always memorable! We've now gathered up our memories of glory and our broken bodies, and made the journey to Ohio. We're a Soviet-era team trying to find our way in the modern world.

OLD AND IN THE WAY

Boulder, Colo.

Captains: Bob Pease, Gary Foreman

For three decades this long-standing team of Colorado-based players has delivered incredible Ultimate and created enduring camaraderie in both Colorado and National competition. Now, as Defending Grand Masters Champions, Old and in the Way has again assembled a stellar cast with a great mix of young stars and crafty ancients. We have a strong legacy over a great span of years - we've won two USA Masters National Championships (1999 & 2005), one USA Ultimate Grand Masters title and one WFDF Master's World Championship (Heilbronn, Germany 2000). We are proud of our record but also gain great satisfaction in being a great TEAM - with continuity of local team members and consistent leadership dating back to the 90's. This year our roster will include at least a dozen players from our 1999-2000 teams supplemented with the speedy core of our newly Old. Watch out for the "very OLD" as we seek to defend our USAU GM Title! Good luck to all the teams in the 2011 Grand Master's National Series Tourney.

OLD MILWAUKEE

Milwaukee, Wis.

Captains: Scott Severson, Mark Fritz, Bill Schneider

Formed in 2011, we are a collection of rag-tag players from the Midwest. We have former Tuna, Cooler By The Lake, Shazam (90s Chicago-based open team), and CLX players. We were all rejected by prettier and more popular Grand Master teams and brought our homely talents together to form Old Milwaukee.

With its origins in the late 80s, Cooler Classic is Scooter's baby. Its 23rd tournament will be outside of Milwaukee, "Disconsin" on August 21-22. As a preview of prizes available at Cooler Classic 23, Old Milwaukee will be handing out cheesecows and sausages as gifts to our opponents.

OZARK HILLBILLIES

Fayetteville, Ark.

Captain: Doug Behrend

The Ozark Hillbillies are happy as a hog in a wallow to play at Nationals for the third year running. With a fifth-place finish in 2009, an overall winning record at this shindig, and a profound lack of dental hygiene, the 'hillbys always attract a crowd with our white-hot, lightning-fast style. Once again, we hope we've distilled that recipe from many moons ago that will allow us to shine on the field brighter than Pappy's tin roof during one of them dad gum magneto-electrical storms.

Speaking of storms, many of our friends and kinfolk were affected by the floods and twisters that ravaged our home state and many others throughout the south and central US this spring. Several Hillbillies have participated in the relief efforts. We'll have a clearly marked jar on our sideline (please don't confuse it with Pappy's tobaccary can) for monetary donations for tornado relief in Vilonia, Denning, and Cincinnati (no fooling), Arkansas, West Siloam Springs, Oklahoma; and Joplin, Missouri. We will donate the funds to the Red Cross on behalf of all teams in attendance this weekend.

And, as always, run like Dan!!

SICK HAMMERS

Texas

Captain: Rob Seidenberg

Forged in the same Norse smithy as Thor's legendary mjolnir (star of the recent major motion picture), these Hammers were initially tossed into the rubbish bin by a wizened metallurgist who was no doubt distracted by incoming sext messages on his brand new Droid. The blacksmith considered the steel inferior, weakened by impurities, thusly deeming the Hammers to be "Sick." Lo, but he was mistaken. Though these Hammers—unlike their more famous brethren—do actually age, it is exactly this aberration from which they draw their strength—and their Grand Masters eligibility. And now, centuries later, the evolution of language has finally rendered accurate the appellation "Sick Hammers."

Currently residing in all parts of Texas—with a few stragglers in SoCal and Bama—the squad is fortunate enough to have earned an invitation to all three editions of the official Grand Masters Ball. And though many of the same rugged faces have returned to the big dance, they're joined this year by a few new whipper-snappers. It's no myth: these mighty Hammers may corrode and rust (proudly), but never shall they give in or crumble.

The Surly team is named after the Surly Brewing Company, which was formed by one of our own and has a reputation for fashioning some of the finest beers you will ever have the pleasure to swill. Surly teams have a proud tradition of playing tough, competitive Ultimate on the field, and generously sharing our fine craft beer at the end of the day on the sideline. The previous Surly GM teams brought together friends and foe from around the Midwest Region with a unified purpose under the Surly flagship. This year's version will be no different with most of the team being recruited from the Surly and Real Huck Master's teams. We will once again be stocked with plenty of Surly beverages so come on by, say hello and get a little Surly!

You are NOT taking crazy pills, we really are this incredibly good looking. Combining a love of 3D glasses, David Hasselhoff, and tight tiger-striped briefs, The Le Grande Tigre brings a fresh breath of SoCal beach cool and desert suaveity to the Ultimate field. We know that there is more to life than being really, really, really ridiculously good looking Ultimate players. We just haven't found out what that is yet.

THIRST N' HOWL

Fremont, Calif.

Captains: Mike Sexter, Curt Lichtenstern, Tom Collett

Formed in 1994 in Fremont, California as a competitive Open division team, we have origins in the 1986-89 Ohlone College team in Fremont, as well as San Jose based clubs. In the past we've competed at sectionals in the Open division, Regionals in the Open and Masters divisions and Nationals in the Grand Masters division. Several of our players participate in Bay Area Mixed teams, as well, and our team boasts two USA Ultimate Certified Observers. We still get together weekly to play Ultimate and hacky sack, drink beer and insult each other. On Tuesdays we have a Smelt Night (Google it). Being voted the 2009 Grand Masters Spirit Champions by our fellow players is one of the great highlights of our team's history.

T-REX

Triangle, N.C.

Captain: Garrett Dyer

Happening upon a pile of bones, biologists found one particularly striking skeleton. They were so struck by the features that they attempted to recreate the creature by harvesting DNA from the marrow. What they unleashed upon an unsuspecting world was a beast with jaws that held massive teeth and razor-sharp words. All the earth's creatures ran into hiding as he bellowed across the land.

HEALTH AND SAFETY

Medical staff (trainer and EMT) will be available throughout the event at Tournament Central. Please seek advice and assistance regarding prevention and treatment of injuries or illness. Directions to the local hospital can be found in the "Directions" section of this program.

CONCUSSIONS

- Concussions are brain injuries that can occur as a result of a blow to the head.
- Symptoms may include headache, nausea, vision problems, confusion and balance problems.
- If you think you or one of your teammates might have a concussion, tell your coach and have the person see a medical professional. Medical staff is on hand at the event at Tournament Central.

HEAT, NUTRITION AND HYDRATION

- Heat-related illness occurs when body cooling by evaporation is limited. Sweating depletes the body's salt and moisture, which leads to dehydration. If a player recognizes any signs or symptoms of heat-related illness, he or she should treat the problem immediately.
- Signs and symptoms of heat illness can include a change in a level of consciousness, abdominal cramps, nausea/vomiting, fatigue/tingling, chills, inability to spit, dry mucous membranes, decreased output and change in color of urine.
- Prevention and treatment of heat illness:
 - Avoid alcohol, caffeine, and carbonated beverages.
 - Medications such as antihistamines, decongestants, certain asthma medications, and diuretics can increase risk for heat illness. Avoid them if possible.
 - Avoid certain nutritional supplements (such as caffeine and ephedrine) that can dehydrate the body and/or increase metabolism and heat production.
 - Know your body – Be honest! Are you fit enough to perform under current conditions?
 - Drink and eat – Eat and drink (water AND sports drinks) "optimally" before, during, and after play. Potassium is important (good sources include: sports drinks, yogurt, grapefruit juice, bananas, and oranges). Sodium is also important (good sources include: sports drinks, vegetable juices, pretzels, nuts, cheese and crackers). After play, carbohydrates are important: foods such as potatoes, honey, cereal, white bread, corn chips, sports drinks, jelly beans, rice cakes, bagels, crackers, gummy candies).
 - Don't drink too much. Over-hydrating can be dangerous if it leads to a fluid and electrolyte imbalance.
 - Monitor your urine – Clear/copious = hydrated. Dark = Need water/electrolytes.
 - Be sensitive to prior illness – If you've been sick, your body may be more susceptible to dehydration.
 - Rest and cool down after play – Find shade, wet the skin, get in front of a fan or breeze.

SIDELINE SAFETY

- Players and spectators should make every effort to keep objects, including but not limited to bags, strollers, chairs, coolers and tents, at least 3 yards from the sideline.
- If a player feels that an object on the sideline is not safe, he or she should inform Event Staff and should refrain from playing until satisfied that safe conditions have been established.
- USA Ultimate and Event Staff reserve the right to move or remove objects or spectators on or near the playing field if those conditions are, in the opinion of USA Ultimate or Event Staff, unsafe for players, staff, or spectators.

LIGHTNING GUIDELINES

- Event staff will communicate with players and spectators via PA system and field marshals equipped with radios that there is a lightning danger, play will be stopped, and everyone should seek shelter.
- Safe shelter for players and spectators at the field site includes any fully-enclosed building or vehicle with a hard-top and closed windows.
- Event staff will use the Flash-to Bang method to determine when to send people to shelter. By the time the Flash-to-Bang count has reached 30 seconds, all individuals should be in a safe shelter location.
- If you can't get to a safe shelter, try to avoid being the tallest object in an open field or on open water. Avoid other tall objects, metal objects, and water. Assume a crouch position with only the balls of your feet touching the ground, your arms wrapped around your knees, and your head lowered. Minimize contact with the ground. Do not lie flat.
- Avoid using telephone land lines. Cell phones are safe provided the person has followed other safety guidelines.
- Event staff will indicate to players when play is going to resume. Team captains should meet at Tournament Central to receive instructions for resuming play and any schedule modifications.

USA ULTIMATE SPIRIT OF COACHING

Background: The role of the coach at all levels of Ultimate is unique in a sport that places on-field player authority above non-player influence. As a non-player, the coach's authority must not extend to the on-field officiating process. Coaches may be faced with situations where they are able to correct the self-officiating process and ensure the correct outcome to a given play. In this situation, coaches must not interfere in the officiating process, in order to ensure that players learn and take responsibility for officiating. Coach interference in the decision making process, even in the most egregious violations, will indicate to players that the coach and not the players have the ultimate responsibility for ensuring the inherent fairness of the game. Teaching players the rules and how to implement them should be done at practices or off the field. It is the coach's responsibility to ensure that the players understand their own responsibilities as players and teach players how to handle those responsibilities.

Guidelines:

- Coaches should introduce themselves to the other coaches prior to a game and discuss concerns. This could potentially include the level of play, the level of intensity (e.g. spiking and rushing the field), and possible modifications to the captain's clause (e.g. prohibiting zone for new teams or footblocking).

- Because the potential for misperception is high, spiking is prohibited at the youth level unless otherwise agreed upon by the coaches or captains. Spiking in a disrespectful manner is never ok at any level.
- Coaches will not make calls from the sideline nor offer their opinion on a play. Coaches should encourage players to come to a resolution on their own, and if asked during a dispute coaches may offer rules clarifications. After a dispute a coach may talk to his or her own player about the dispute and offer opinions.
- Youth coaches will make an effort to educate parents about Spirit of the Game and work to create a sideline atmosphere that respects Spirit of the Game.
- Coaches will teach and give players opportunities to practice knowledge of the rules of Ultimate.
- Coaches will always exhibit respect for opposing players.
- Coaches will always exhibit respect for other coaches.
- Coaches will always exhibit respect for observers.
- Coaches will model Spirit of the Game at all times.

Summary: The coach's goal in terms of Spirit of the Game is to create an environment in which players are responsible for upholding the rules and ensuring that the outcomes of plays and games are fair.

2011 USA ULTIMATE COACHING CERTIFICATION INFORMATION

During games at USA Ultimate Championship events where field access is restricted, sideline access will only be granted to players, coaches that are designated by the team and have completed the USA Ultimate Coaching Ethics Workshop, USA Ultimate event staff, and media. All other non-player support staff, with player-level or limited field access, including coaches, must read, sign and agree to abide by the USA Ultimate Coaching Code of Ethics and Spirit of Coaching Statement. The limit on the number of coaches and team support personnel, all of whom must comply with the above policy, is as follows:

Coaches - 3 (may have player-level access to sidelines/field)

Team Support - 2 (must remain in team tent/bench area during points)

For more information on USA Ultimate's Spirit of Coaching or Coaching Certification Requirements, please contact USA Ultimate's Director of Education and Training, Meredith Tosta via email at meredith@hq.usaultimate.org or visit the USA Ultimate website.

WELCOME

It's the end of October and the eyes of the Ultimate world turn to Sarasota, Fla. where the top teams from North America will compete for titles at the 2011 USA Ultimate Club Championships. Whittled down from more than 650 teams and 13,000 players, the 60 teams and 1,500 athletes at this tournament represent the best of the sport. For the athletes and fans, this event promises to be an amazing experience and an unforgettable end to the 2011 Ultimate season. So, what should you expect?

The competition is going to be better than ever. Four defending champions are back to try to repeat, with three of them, Surly (Masters), Revolver (Open), and Fury (Women's) starting out as the top seed in their respective divisions. Polar Bears (Mixed) come in as the eighth seed, after a competitive season and Northwest Regionals showed that there is plenty of parity at the top of the Mixed Division this year. All of the teams, including five-time defending champions Fury, will have their work cut out, and we are sure to see plenty of close games, upsets, and amazing plays along the way to naming our 2011 champions. An added bonus to this year's championship is the ability for teams to qualify for two international events in the summer of 2012 (see pages 4 & 16 for more details about the WFDF World Championships and the inaugural US Open).

For fans at the event and at home, Field 12 will showcase a select game each round of the competition. Fans will get to go online the night before and pick from two game options to decide which game will be on the showcase field. Each game on that field will be live-streamed on the internet, available through the USA Ultimate Facebook page. This showcase game lineup will of course include each division's championship game, so there will be more opportunities than ever to enjoy the action at the fields or at home.

For those at the fields, in addition to the competition there is going to be a lot of other great stuff going on. Come by the

USA Ultimate Info tent if you have questions about the event and to learn more about the 2012 US Open. Pick up event discs, apparel, and other souvenirs from our official event merchandiser, VC Ultimate. Browse our other exhibitors to play fun games and see the latest in Ultimate gear. Check out the Likewise Skincare booth to get some protection from that Florida sun, vote for the new Likewise MVP award, and even dunk a teammate in their dunking booth while you're at it. A great selection of food and beer will also be for sale in the vendor area. If you're over 21, with valid I.D., you can buy a beverage and take it back to your favorite game, or just hang out in the VC Ultimate Player Lounge and catch the action on the showcase field. Remember, if you drink, please do so responsibly my friend.

Medical and massage will as always be available for preventative care or in the case of injury or illness. Water and ice will also be available at water stations throughout the complex, as will trash and recycling containers. Please take care of yourselves in the Florida heat, and take care of the field complex too.

Last but not least, please be respectful in whatever you do, on and off the field. Do your part to reduce trash by using the appropriate recycling and trash containers. Note that by picking up recyclables your team has a chance to win a set of jerseys from VC Ultimate (see page 5 for details). Be respectful of the places you stay so that teams can return there in the future. Be respectful of tournament equipment and staff members, who are working hard to make this a great event for you. Most of all please remember Spirit of the Game. Be respectful of each other on the field. After all, earning the respect of your fellow players, win or lose, is really what this is all about.

COMPETITION RULES

- USA Ultimate Official Rules of Ultimate (11th Edition) will be in effect.
- All games will be played to 15, with a point-cap at 17
- Half-time is 10 minutes.
- Each team has two timeouts per half.
- Regardless of how many timeouts a team has used before overtime, during overtime each team has one timeout.
- Overtime: A game is in overtime if tied at one point less than original game total (e.g. In a game to 15 goals, overtime occurs when the score reaches 14-14).
- Hard time-cap goes on at end of round time on schedule. Game is over at the end of the point in progress, unless tied. If tied, play one more point.
- Soft time-cap goes on 20 minutes before the hard cap. Add two points to higher score after first score after soft time-cap. Game ends when first team reaches new game total, or when first team reaches 15 or more ahead by at least two points, whichever comes first.
- Caps do not affect timeouts.

PLACEMENT GAME RULES

(5TH-8TH AND 9TH-16TH ON SATURDAY AND ANY THIRD-PLACE GAMES)

For a game to be considered "played", it must be played according to the Competition Rules above. Any variance not listed explicitly below must be pre-approved by the Competition Director.

Strength wildcards will be awarded based on final standings as determined by the set format and the strength wildcard criteria. Because this event is going to be used for qualifying US teams for the 2012 WUGC and US Open, all placement games will be played as scheduled rather than switched to create specific wildcard match-ups.

For games that could affect the strength wildcard:

- If a game will determine a strength wildcard, or leads to a game that might determine a strength wildcard, it must be played. If a team still chooses to forfeit such a game, that team's region/division will not be eligible for any nationals' wildcards the following year (size, strength, growth), unless given a specific exception by the National Division Director.

For games that do not affect the strength wildcard:

- If neither team wants to play a scheduled game that leads to another round (i.e. semis for the 5th, 9th, 13th brackets): Those two teams finish tied for the placement of the lower portion of their bracket and the other game is now for two higher spots. (e.g. In a 9-12 semifinal game, the two forfeiting teams would be tied for 11th and the other semifinal would become the game for 9/10.)
- If neither team wants to play a scheduled game that does not lead to another round: Both teams will finish tied for the higher placement, since they went out at the same time. As an alternative to not playing a game that is the last scheduled for both teams, teams may seek approval from the Competition Director to play a shortened game to 11, point-cap at 13 or to 13, point-cap at 15.
- If only one team wants to play a scheduled game that leads to another round (e.g. semis for the 5th, 9th, 13th brackets): The forfeiting team will finish at the bottom of its respective bracket (i.e. 8th, 12th or 16th).

- If only one team wants to play a scheduled placement game that does not lead to another round: The game will be treated as a loss for the forfeiting team and a win for the other team, with final placement reflecting that outcome. As an alternative to not playing a game that is the last scheduled for both teams, teams may agree to play a shortened game to 11, point-cap at 13 or to 13, point-cap at 15.

STRENGTH WILDCARD ALGORITHM

- Using the previous year's Club Championships, final placements of the worst finishing teams from each region are compared. Additionally, if a Region had 4 teams in attendance, then the 3rd-finishing team from that Region also participates in the comparison. This group of teams is called the "Wildcard Comparison."
- The first strength wildcard is awarded to the region with the highest finishing team in the Wildcard Comparison.
- If the team which earned the first strength wildcard is the 3rd-finishing team from a region with exactly three teams and the next highest finishing team in the Final Placement (all teams) is not another region's 3rd-finishing team, then the team that earned the first wildcard also earns the second strength wildcard.
- If not already awarded, the second strength wildcard is awarded to the region with the 2nd-highest-finishing team in the Wildcard Comparison, provided at least one of the following conditions is met:
 - they are the 3rd- or 4th-finishing team from their region, OR
 - they are more than one place ahead in the Final Placement (all teams) of all other teams in the Wildcard Comparison, OR
 - they are the 2nd-finishing team from their region and the team directly below them in the Final Placement (all teams) is not a 3rd- or 4th-finishing team from another region.
- If not already awarded, the second strength wildcard is awarded to the region with the 3rd-highest-finishing team in the Wildcard Comparison.

INTERNATIONAL QUALIFICATION

- WFDF World Ultimate Championships – The top-finishing* US team in each division (Masters, Mixed, Open, Women's) will qualify to be selected by USA Ultimate to represent the United States in the city of Sakai, Japan, July 7-14, 2012.
- US Open – The top four finishing* US teams in the Mixed, Open, and Women's divisions will be eligible for selection by USA Ultimate to participate in the inaugural US Open. The event will be hosted by USA Ultimate and the Colorado Springs Sports Corp on July 4-8, 2012 at the Air Force Academy in Colorado Springs CO. The event will be a celebration of the USA Ultimate mission of Character, Community, and Competition. The competition will feature the top four US club teams and the best four international club teams in each division. The competition will be held in conjunction with the USA Ultimate convention, which will provide the best educational and developmental opportunities for organizers, teams, and players from all over the world.
- *Note: Final placement of all US teams in the event will be used to determine wait list bids to these international events. If two non-US teams make it to the final in the Open or Women's Division, a 3rd place game will be necessary to determine the US champion and Worlds qualifying team. If necessary, the game to determine this team will take place on Sunday at the same time as their respective division's final, on an adjacent field.

VC ULTIMATE GREEN PROGRAM

USA Ultimate and VC Ultimate are once again partnering to make the 2011 Club Championships a green event. Clearly marked recycling containers are located throughout the facility. Please be sure to put recyclables and trash in the appropriate bins.

VC ULTIMATE GREEN PROGRAM AWARD

VC Ultimate is excited to be running the VC Green Program Award again for the 3rd year straight. VC and USA Ultimate have worked tirelessly for the last past five years to offer recycling at the Club Championships. Again, we're asking for your help to make this program a success. Each team captain will receive three recycling bags when he/she checks-in at registration. More bags will be available throughout the weekend at the VC tent.

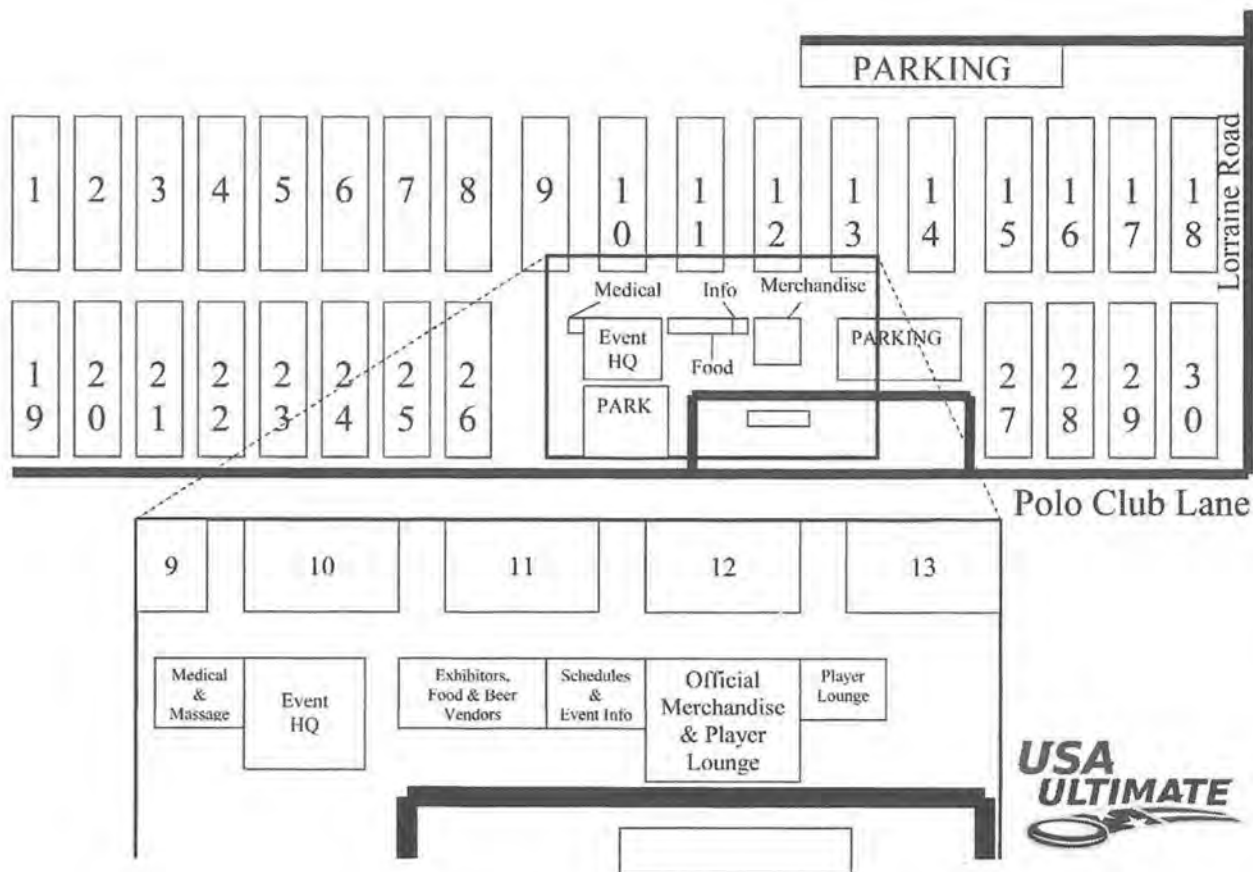

**The team that returns the most recycling bags
(minimum 60 percent full) throughout the competition
will be awarded one of the VC Green Program Award:
A FREE SET OF VC SUBLIMATED JERSEYS!!**

Bags can be signed in behind the VC tent, where a running tally will be kept for each team. Aluminum, plastic, glass (reminder: glass items are not permitted to be used by participants and spectators) and cardboard will be accepted. The minimum contribution in order to be eligible for the award is 6 bags. Ideas for collection:

- Clean up your sidelines
- Replace a bag from a recycling container

The final count will be taken prior to half-time of the Masters finals, and the prize will be awarded immediately following the game. Thanks for your help in making this an even "greener" USA Ultimate Club Championships!

FIELD MAP

SITE RULES

- **NO GLASS!** This is important. We're at a world-class polo facility where protection of the horses is a huge priority. If you are found on the fields with a glass container, you will be asked to leave the Polo Club for the duration of the tournament.
- **DOGS MUST BE LEASHED!** We would prefer that you leave the pooches at home, and certainly do not lock your pets in the car or tie them up in the sun either. So if you must bring your dog, please leash it. They can spook the horses and result in loss of future use of the Polo Club for this event.
- **SPECTATORS AND EQUIPMENT MUST STAY AT LEAST 3 YARDS AWAY FROM SIDELINES!** Where there are buffer lines, stay behind them. Where there are not buffer lines, stay back at least 3 yards.
- **TRASH AND RECYCLING.** Place bottles and cans in the recycling receptacles and trash in the trash cans. Please help make the Green Program, sponsored by VC Ultimate, a success.
- **ALCOHOLIC BEVERAGES.** Beer will be available for purchase at the beer vendor tent near the food vendors. You must be 21 to purchase beer (with a legal form of I.D.). There will be a food court/player's lounge area with seating available for food and beverage. Purchased beer may also be taken elsewhere in the facility. Restrictions will be in place to prevent the consumption of alcohol by minors and to limit the impact of trash on the event. No glass is allowed. Please use recycling containers throughout the complex to dispose of bottles and cans.

PLEASE DRINK RESPONSIBLY - DON'T DRINK AND DRIVE!

US OPEN

experience
Colorado Springs.

Convention and Visitors Bureau

Welcome USA Ultimate Athlete,

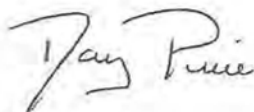

We are delighted that USA Ultimate has chosen beautiful Colorado Springs as the hostsite for your 2012 US Open. Colorado Springs and the Pikes Peak region, as you will soon experience for yourself, is breathtakingly beautiful and our people are warm and hospitable. Our city is nestled at the foot of Pikes Peak – America's Mountain, the very mountain that Katharine Lee Bates, a guest professor at Colorado College, ascended over 100 years ago. It was the view from atop Pikes Peak that inspired Miss Bates so much, and she wrote the words to "America the Beautiful".

There are so many things to see and do in our great city, it's sometimes hard to choose.

Whatever you decide, be sure to make note of the variety of things that are totally free (special community events, outdoor recreational opportunities, sightseeing of historical districts, etc.), as well as the over 50 major attractions that are sure to appeal to people of all ages, backgrounds and interests. We are certain our city can offer something to please everyone in your group.

If we can provide you with information before your arrival or during your stay with us, just give our Visitor Information Center a call at (800) 888-4748, or visit us on the web at www.VisitCOS.com. We look forward to welcoming you to Colorado Springs and the PikesPeak Region.

Sincerely and best regards,

Doug Price
President and C.E.O.

HEALTH AND SAFETY

Medical staff, including athletic trainers, will be on site at Tournament Central to treat injuries, handle emergencies, and provide some preventative care. The event will provide standard athletic tape, pre-wrap, ice and some bandages. Other supplies, including special tape/bandages and anti-inflammatory drugs, must be provided by teams or may be charged by the training staff. If there is an injury on a field that needs medical attention, inform a field marshal and he/she will radio to the trainers. If you have medical issues that require attention in the morning before play, please show up early to avoid long lines. The trainers will be at the fields by 7:30 a.m. each day. Directions to the local hospital can be found in the "Directions" section of this program.

CONCUSSIONS

- Concussions are brain injuries that can occur as a result of a blow to the head.
- Symptoms may include headache, nausea, vision problems, confusion, and balance problems.
- If you think you or one of your teammates might have a concussion, tell your coach and have the athlete see a medical professional. Medical staff members are on hand at Tournament Central.

HEAT, NUTRITION AND HYDRATION

- Heat-related illness occurs when body cooling by evaporation is limited. Sweating depletes the body's salt and moisture, which leads to dehydration. If a player recognizes any signs or symptoms of heat-related illness, he or she should treat the problem immediately.
- Signs and symptoms of heat illness can include changes in level of consciousness, abdominal cramps, nausea/vomiting, fatigue/tingling, chills, inability to spit, dry mucous membranes, decreased output and change in color of urine.
- Prevention and treatment of heat illness:
 - Avoid alcohol, caffeine, and carbonated beverages.
 - Medications such as antihistamines, decongestants, certain asthma medications, and diuretics can increase risk for heat illness. Avoid them if possible.
 - Avoid certain nutritional supplements (such as caffeine and ephedrine) that can dehydrate the body and/or increase metabolism and heat production.
 - Know your body – Be honest! Are you fit enough to perform under current conditions?
 - Eat and drink (water AND sports drinks) optimally before, during and after play. Potassium is important (good sources include: sports drinks, yogurt, grapefruit juice, bananas and oranges). Sodium is also important (good sources include: sports drinks, vegetable juices, pretzels, nuts, cheese and crackers). After play, carbohydrates are important: foods such as potatoes, honey, cereal, white bread, corn chips, sports drinks, jelly beans, rice cakes, bagels, crackers and gummy candies).
 - Don't drink too much: Over-hydrating can be dangerous if it leads to a fluid and electrolyte imbalance.
 - Monitor your urine: Clear/copious = hydrated. Dark = Need water/electrolytes.
 - Be sensitive to prior illness: If you've been sick, your body may be more susceptible to dehydration.
 - Rest and cool down after play. Find shade, wet the skin, get in front of a fan or breeze

SIDELINE SAFETY

- Spectators and equipment must stay at least 3 yards away from the sidelines. Where there are buffer lines, respect them. Chairs, coolers, strollers, you, etc., must be at least three yards from the sidelines.
- If a player believes that an object on the sideline is not safe, he or she should inform Event Staff and refrain from playing until he or she is satisfied that safe conditions have been established.
- USA Ultimate and Event Staff reserve the right to move or remove objects or spectators from on or near the playing field if those conditions are, in the opinion of USA Ultimate or Event Staff, unsafe for players, staff or spectators.

LIGHTNING GUIDELINES

- Event staff will communicate with players and spectators via PA system, and through field marshals equipped with radios, if there is a lightning danger. Play then will be stopped, and everyone should seek shelter.
- Safe shelter for players and spectators at the field site includes any fully enclosed building or vehicle with a hard top and closed windows.
- Event staff will use the "flash-to-bang" method to determine when to send people to shelter. By the time the flash-to-bang count has reached 30 seconds, all individuals should be in a safe shelter location.
- If you can't get to a safe shelter, try to avoid being the tallest object in an open field or on open water. Avoid other tall objects, metal objects and water. Assume a crouched position with only the balls of your feet touching the ground, your arms wrapped around your knees, and your head lowered. Minimize contact with the ground. Do not lie flat.
- Avoid using telephone land lines. Cell phones are safe, provided the person has followed other safety guidelines.
- Event staff will indicate to players when play is going to resume. Team captains should meet at Tournament Central to receive instructions for resuming play and any schedule modifications.

SPORTS MASSAGE THERAPY

The Florida State Massage Therapy Association Sports Massage Therapy Team will be available next to the medical tent near the pavilion. These professional Licensed Massage Therapists will be working on a \$1/minute pay-as-you-go system. They will provide Pre- and Post-Sports Massage Therapy from 8:00 a.m. through the end of games each day.

SPIRIT AWARDS

TEAM AWARDS

Following every game, each team will be asked to rate its opponent on a scale of 1-5, with 5 being the highest level of sportsmanship. These ratings will be averaged and the team in each division with the highest rating will be awarded the Team Spirit Award after their division's finals.

USA ULTIMATE SPIRIT RATINGS GUIDELINES

The ratings are ordered from 5 (indicating the highest level of spirit) through 1 (the lowest level of spirit):

5: Highest level of respect shown throughout the game towards opponents, officials, and spectators. For the level of play, showed excellent knowledge of the rules and abided by them throughout the game. Any conflicts were resolved amicably and without incident. Opposing team's conduct added to our enjoyment of the game. The opposing team unflinchingly played fairly and with an excellent attitude.

4: Respect shown throughout the game towards opponents, officials, and spectators. For the level of play, showed above average knowledge of the rules and abided by them throughout the game. Any conflicts were resolved favorably and without incident. Opposing team's conduct did not detract from our enjoyment of the game. The opposing team played fairly and with a good attitude.

3: Generally exhibited respect towards opponents, officials, and spectators. For the level of play, showed adequate knowledge of the rules and abided by them during the game. Any conflicts were resolved plainly and without incident. Opposing team's conduct generally did not detract from our enjoyment of the game. The opposing team generally played fairly and with a decent attitude.

2: Exhibited a lack of respect towards opponents, officials, and/or spectators. For the level of play, showed a lack of knowledge of, or disregard for the rules at points during the game. Any conflicts were resolved heatedly or led to contentious incidents. Opposing team's conduct detracted somewhat from our enjoyment of the game. The opposing team played unfairly and/ or with a poor attitude.

1: Exhibited a major lack of respect towards opponents, officials, and/or spectators. For the level of play, exhibited no knowledge of the rules or blatantly disregarded them during the game. Conflicts were resolved acrimoniously or led directly to contentious incidents. Opposing team's conduct made the game basically unenjoyable. The opposing team played unfairly and their attitude was abysmal.

INDIVIDUAL AWARDS

Teams are asked to nominate a player from their own team who displays the highest level of spirit. The definition of spirit is up to each team, but should include elements of respect, sportsmanship, leadership, perseverance, intensity, etc. Teams are asked to choose the player whose attitude should be emulated by teammates and admired by opponents. Individual spirit winners will receive a medal, prize disc (courtesy of DISCRAFT).

Thanks to Discraft for their support of Ultimate and Spirit of the Game!

PETER FARRICKER SPIRIT OF THE GAME AWARD – The spirit award in the Open Division is named for Peter Farricker, a player who embodied Spirit of the Game to those who played with or against him. This award is given to a player in the Open Division of the USA Ultimate Championship Series deemed to have exhibited personal responsibility, integrity and fairness combined with a high standard of playing ability. Each qualifying Open team nominates one player from its roster who best represents the Spirit of the Game. At the Open Championship, each nominee is honored with a disc and a pin or set of Mardi Gras beads. The goal is that those wearing the Mardi Gras beads will be connected to Pete, each other and the Spirit of the Game, and become role models for their teammates and opponents. A selection committee watches the Open semifinal round and selects one of the four semifinal nominees as the winner. The award will be presented after the Open Finals. Previous winners include Moses Rifkin, Andy Crews, Damien Scott, Jeff Eastham-Anderson, Allan Cowan, Chase Sparling-Beckley, Josh McCarthy, Robbie Cahill, and Bart Watson.

KATHY PUFAHL SPIRIT OF THE GAME AWARD – The Women's Division spirit award builds upon the foundations of SOTG that are reflected in the Farricker Spirit Award: ability, fairness and integrity. The Kathy Pufahl Spirit Award also recognizes those individuals who give back to our sport and is presented to the player deemed to have exhibited personal responsibility, integrity and selfless contribution to Ultimate, combined with a high standard of playing ability. Each qualifying Women's team nominates one player from its roster as the person who best represents the Spirit of the Game and has contributed in a substantial way to their Ultimate community. At the Club Championships, each of the 16 nominees is honored with a memento reflective of Kathy's love of horticulture. A vote of the qualifying teams will determine the recipient of the Pufahl Award, which will be presented during half-time of the Women's Finals. Previous winners include Vida Towne, Kati Halmos, Kristine Gill, Deanna Ball, Allison Boyd, Jody Dozono, and Michelle Ng.

MARTY BAKKO SPIRIT OF THE GAME AWARD – In 2010, USA Ultimate added a new individual spirit award in the Masters Division to recognize one player in that division who stands out for their commitment and love of the game. The Masters Division spirit award honors players that embody the best attributes of Ultimate. Like Marty Bakko, these individuals: have an infectious sense of humor; possess a long-term passion for the sport of Ultimate; display a commitment to fair play, integrity and respect for their opponent; are shrewd, tactical innovators on the field; show an intense, competitive Spirit; and are leaders who inspire others to act. Each qualifying Masters team nominates one player from its roster as the person who best represents the Spirit of the Game and the qualities listed above. At the Club Championships, a vote of the qualifying teams will determine the recipient of the Marty Bakko Award, which will be presented during half-time of the Masters Finals. The award's inaugural winner in 2010 was Blayne Ferguson.

MASTERS TEAMS

BEYONDORS

Santa Barbara, CA

CAPTAINS: STEVE DUGAN, GREG HUSAK, JEFF LANDESMAN

The Santa Barbara Condors first took the field in 1974. In 1977 they became the first national champions in the sport. Then, they repeated as #1 in 1978 and again in 1981. The Santa Barbara Condors is the longest running club team with the same name and background in the world, and their dedication and quality of play continues to this day. In 2000 and 2001 the Condors were again national champions. Out of this richest of Ultimate traditions the Beyondors were hatched in time for Masters Nationals in San Antonio in 1993. The first Beyondor team was comprised of mostly ex-Condors with a bunch of ex-Condor foes thrown in for good luck. This team went on to win the national championships that first year. The Beyondors competed at Nationals from 1993-1997. Then, in 2009 the core of 2000-01 teams decided to get the band back together. Unfortunately, they ran out of gas in the semifinals. The 2010 version of the Beyondors forgot to pack some of their best players. After erasing an 11-6 deficit and winning the Southwest Regionals 14-13, the 2011 Beyondors team is poised for another assault on Sarasota.

BONEYARD

Cary, NC

CAPTAINS: AUGIE KREIVENAS, BRIAN LANG, TIM LUPO, JON PROCTOR

Boneyard was started in 2005 by current team members Dwayne Purper, Christoph Boshoff, and Roger Lassiter. We also stand on the shoulders of founders Mark Britt and John Boswell who retired only this year and only after turning 50. They inspired a culture of hard work and hard running that still drives Boneyard. We made Nationals in 2006, '07, '09, and '10. We won the Spirit of the Game award in '06 and '09. In 2010, we finished in second place for the tournament and dead last in spirit. We look to improve on both results.

CHALANT

Idaho/Montana

CAPTAINS: MARK AAGENES, HERB KAUP, PAT BENSON, TACO, VATO

From the Big Sky section (sleeping giant of the Northwest region) comes Chalant, Big Sky Social Club.

Chalant — a

From the French verb, *chaloir*. Learn it, mes amis. Know it. Passionate concern; fired with anger, hope and zeal; aroused. This is Chalant

The Big Sky has been represented in Sarasota over the years but this is Chalant's debut at the national championships. Our roster has been bred on mountain Ultimate since the late 1980s and early 90s in places like Ketchum, Boise, Pocatello, Missoula, Bozeman, Jackson, Salt Lake City, Hell's Gate and Coeur d'Alene. For decades we battled against each other on the field, heckled one another mercilessly, and made amends with amounts of beer and whiskey that only those who have played and partied in the legendary Big Sky section can comprehend. Over time, on off-season lift rides, in dimly lit bars and in the depths of wilderness hunting camps, came the idea to unite as one. Old? Of course. Fat? Yeah, Lightning fat. And now we are all calmed-up and ready to raise the roof!

CHESAPEAKED

Washington, D.C.

CAPTAINS: AJ IWASZKO, JEFF GEORGE

The Chesapeake stud was long and lean

The color of the sun and his eyes were green

He had the nerve and he had the blood

And there never was a hoss like the Chesapeake stud
(Johnny Cash rip off)

Those lines were much more accurate back in 1994. We're a bit grayer, and more than a bit less lean, but this year's Chesapeake team has got lots of nerve. In its second year of combining the talent from Washington and Philadelphia, Chesapeake is coming back to Florida hungry to build on its seventh-place finish in 2010. During the 2010 national championship tournament, the team won three games on universe point, and thus they know the difference between winning and losing is often a slim margin determined by blue collar effort and a bit of luck. This year the team sees the return of some savvy veterans, along with several newcomers that only add to our blue collar effort and our nerve.

NO COUNTRY

Burlington, VA

CAPTAINS: ALEC EWALD, JIM OLSON

No Country: It's half a Cormac; a playlist; the drifter's code. Here, it's a group of friends who thought it'd be fun to hit some tournaments together this summer and fall – and wound up accidentally playing well when it counted, earning a spot on the sacred pony-turf of Sarasota. We're first-rate gentlemen from second-rate Ultimate towns, mostly Vermont, with a good Massachusetts delegation and representatives from Connecticut and New York too, plus one or two others whose addresses we still haven't figured out. Our resumes are long and various (read: we're old), with veterans of teams from A&B to Zebra Mussels - Log and Chuck Wagon, Mephisto and Double Happiness and Uncivil Union, with a Goat and an old DoG or two and a Surly-man thrown in for good measure. When the disc-day is done, have a beer with us on the beach. We'll be playing Koob, an old Viking game we had the pleasure to play once with the Swedish women's team.

OLD STYLE

Milwaukee, WI

CAPTAINS: TIM DEBYL, TRISTAN MCKITTRICK, ANTHONY HILLER

Six years ago Old style rose from the ashes of Old Dirty Badgers, the preceding Milwaukee/Madison masters team. Old Style, ironically, is a team of only marginal style (and age) but prodigious enthusiasm for diverse headwear and beer. We practice sort of a lot, and shun all big-name pickups in favor of smaller-name pickups that have less disc skills and athleticism. Honestly, we've found that it's a poor way to build a team. This will be our second time at Nationals (2008), last time we won zero games, we are hoping to at least double that this year.

REAL HUCK

Chicago, IL

CAPTAINS: JOHNNY HOCK, ERIC GEILE

The big play that hopefully results in a huge score. The skill and teamwork needed to try. The excitement and exuberance when it works. That is a huck. Accomplishing that feat on a team level is a Real Huck.

Last year, we made it to the semis and believed we had accomplished a "Royal" feat. In our sixth year, we continue to have ambitious goals for a Midwest melting pot of players who (again) have had no practices this season. In an effort to go for it again, we scoured Illinois, Indiana, Ohio and Michigan for more players who feel no need to live in the same state as the majority of their teammates. We hope our added talent and depth will allow us to complete an even more majestic Real Huck.

MASTERS TEAMS

RECKON

Georgia/Tennessee

CAPTAINS: JEREMY GOESKS, DAN KONISKY, JON MEADE, MARK STUEWE

COACH: JOHN McDONALD

Reckon is a term we use to let you know we understand. A word used so much it has become culture. Reckon, ain't, y'all, you will hear 'em all. We hail from the dirty-dirty South. Throw it down, A-town, Bama, Knox, Nooga, and Nash. We have a combination of bad air, big hair, soul music, and wack traffic. A place where neckties, flies, wife beaters and skeeters converge on humid days and sultry nights. We are a proud group of almos and has-beens, ready to bring our high fives to some sun and surf, with intentions of grandeur, on some beautiful turf. Bless your heart, y'all better stand back, and stay clear, for we are 'bout to bring it, a reckoning, you hear? You Reckon?

SURLY

Minneapolis, MN

CAPTAINS: PHIL BOWEN, JOHN CHANDLER, RANDY GAGE

Surly was formed in 2007 out of the ashes of Gray Expectations. In our first year we lost in the championship game to DoG. Since then we've been lucky to play in the finals each year, winning in 2008 and 2010. We were honored to compete at the world championships in Prague in 2010. This year we hope to break the every-other-year-championship cycle and earn the right to represent the USA at the world championships in Japan. We dedicate every season to our teammate, Marty F. Bakko, who passed away in 2009 and gives his name and character to the Master's Division Spirit Award.

TEJAS

Texas

CAPTAINS: PATRICK MACKIE, MEETESH KARIA

Four score and nine years ago Willie Nelson dedicated to the proposition that old men are created equal.

Now we are engaged in a great civil tournament, testing whether that team, or any team, so conceived and so dedicated, can long endure. We are met from the great Lone Star points of Austin, San Antonio, Dallas, Houston and Alpine. We have come with untamed tigers from Alabama. It is altogether fitting and proper that we should do this.

But, in a larger sense, we can achieve, we can consecrate, we can huck above this Florida ground. The brave men, swinging and laying out, who found their identity in Little Rock, have earned it. The world will certainly note, and long remember what we do here. As it is for us the Tejanos to be dedicated here to the unfinished work which we fought thus far and so nobly advanced. It is rather for us to be here committed to the great task remaining before us — that from these honored victories have increased that cause for which we gave the last full measure of devotion — time from family. That we here highly resolve that these dead open players shall not have died in vain — that this team, under Willie, shall have a new birth of freedom — and that Ultimate ballin' of Tejas, by Tejas, for the people, shall not perish from the Earth.

CAPTAINS: AARON JACOBS, SAM REGNIER, TAIALA REGNIER, STEPHANIE JONG

After being thwarted by the slimness of margins last fall, the 7 Figures Golf & Polo Club makes their Nationals debut in their second season, classier than ever. The pride of Sokoblovsky Farms — Russia's famous breeders of Petite Lap Giraffes — 7 Figures celebrates the finer things. Swimming pools. Movie stars. Sport drank.

Feeling quite at home at Sarasota's Polo Fields, you may find these dapper gents and ladies sipping champagne in the VIP section, or enjoying a smashing game of Guess Whom. Jolly good.

BUCKET

Atlanta, GA

CAPTAINS: COLIN BELLAIR, CHRIS GOODSON

COACH: STU DOWNS

Bucket began with one goal in mind: to destroy teams. Yet we were not looking to beat anyone outside of Atlanta but rather infiltrate and eradicate the current ultimate structure in Atlanta. It seems to have worked.

After several years of seemingly unconnected transactions and shenanigans with the other Atlanta club teams, we have assembled quite a list of individuals. Our exploits are legendary.

It all began by secretly crafting Chain into a championship winning team and then quietly snatching up the "retired" players once they began resting on their laurels. We were also able to ship many players off to Ozone in an elaborate dance of sign-and-trades. We then signed their washed-up players in a "Moneyball" type scheme.

Our search for players was exhausting. We left no stone unturned. We had to go with the bait-and-switch for some of them. Jay Hammond thinks he is still playing in AFDC's Summer League. When offered the chance of a lifetime, Zip said, "I have never been so sure about passing up on an Ultimate season in my life." AJ Tiernan's feelings? "I would rather coach a women's team." Watch for both of them to lead Bucket next year!

CHAD LARSON EXPERIENCE

Ames, IA

CLX has been to nationals in 2004, '05, '09, and '10, placing second twice and tying for third twice, always losing to the eventual national champion (it appears that if you beat CLX in bracket play, you are as good as gold). The team represented the U.S. at the 2006 and 2010 World Ultimate Club Championships, finishing 10th in Perth and first in Prague. We'd like to thank those who have helped us achieve what we have so far and have helped prepare us for what is to come. Without the assistance of Gnarwhal, ISUC, the Ames-area Beast players, and some of the Woman Scorned players, we would not have enough numbers for our practices or teams to scrimmage against during the week. Special thanks to Gnarwhal for travelling up from Des Moines sometimes twice a week. Last year's October 3-on-3 goaltimate practices are a fading nightmare. Thanks to all of the players from the past that helped lay the foundation for this year's team. Thanks to our families, friends, spouses, and significant others that supported us all year and represent the biggest part of our fan base. Big thanks to Taiwo Misra.

DISTRICT 5

New Haven, CT

CAPTAINS: JOHN KORBER, ELIZABETH MIDDLETON, RAFF STEINHAEUER

COACH: TED MUNTER

District 5 was founded and attended the USA Ultimate Club Championships in 2010. Although the team practices in New Haven, District 5 pulls players from the Hartford, Springfield and New York City metro areas. Despite a few veteran departures during the offseason, the team comes back to Sarasota looking to improve on last year's second place finish. Additionally, the team added veteran coach Ted Munter to help push it to the next level. Despite his quirky ways, Ted has added notable value and his contributions are much appreciated. Quack!

DRAG' N THRUST

Minneapolis, MN

CAPTAINS: ALICIA CARR, JAKE HENDERSON, DAVE KLINK

COACH: ANNA HETTLER

Someone once said that four forces act together to cause a disc's flight: gravity, lift, drag and thrust. In 2009, a group of athletes banded together to create a team. Some were young, green, and inexperienced, but all were ready to put it all on the line. Drag'n Thrust is based out of the Twin Cities, composed of Ultimate athletes from around the area. U of M Duluth, U of M Twin Cities, UW Eau Claire, St. Ben's, and St. John's each have a strong showing in the program. And we have a player from Knox too.

Now in 2011, that first-year team has developed and matured into the veteran squad you see on the field today. Returning a strong majority of the talent from 2010, we have added one male model and several big female names from the area to bolster the ranks of Drag'ns looking to improve upon last year's semifinals appearance. We use our 54 legs and single gargantuan collective consciousness to win. We live for the battle.

MESTEÑO

Denver, CO

CAPTAINS: SCOTT SALVATI, SERENA WOODS, DANIEL MARSH, JAMIAN JACOBS

The proud citizens of Denver erected a giant blue statue of a devil horse right outside of our airport. It's already got a death count of one after it fell on its creator and severed an artery in his leg. Most people think it's cursed and those that don't are idiots. In "Amityville Horror," starring Ryan Reynolds, the house killed people because of a curse by some demonic force or whatever, ergo the Mesteño at DIA is also cursed. Granted, we don't know how the horse came to be under the control of Satan or the plot of that movie (why did the house hate children?), but we are all very scared of both. Because if science teaches us anything, it is that whatever is not understood should be feared.

You people don't know anything about us other than we took second in our region, decided to get a demonic idol on our shirts instead of something clever or cute (didn't a team named Rumpelstumpskin qualify for nationals as well? They sound adorable), and that the Broncos "think" Tim Tebow, with his intangibles, is going to win football games. It just got brought all back around, you people should be scared of us.

POLAR BEARS

San Francisco, CA

CAPTAINS: GREG MARLIAVE, AN-CHI TSOU

The Polar Bears are a mixed team based in the East Bay in California. We started at Lei Out 2010 and had so much fun that we stuck together for the series. However, unlike most teams that form that way, we made hard work and discipline priorities on our team. For Polar Bears, the emphasis is placed on the journey. Everything fell into place as we took home the gold from Sarasota in our first season. Most of the team returns for another round, working hard and enjoying the opportunity to play with such a great group of people.

SABRE CORP

Tallahassee, FL

CAPTAINS: STEVEN HICKS, PETER VAN DE BURGT, MEGAN REEVES

Sabre Corp is a Tallahassee based team that originally formed in 2010 to compete in the Florida Sunshine State Games. In the fall of 2010 several members of Florida State's DUF and the Seminole Ladies decided that forming a co-ed team to compete in the 2011 Club Series would be a great way to build both programs. Along with their coaches, and several other veteran players in the Tallahassee Community, they began their journey for Nationals. After achieving second place at SSG, second at Club Terminus, and third at Glazed Daze they entered the series with tons of momentum. Leaning on their youth and athleticism Sabre stormed through Saturday at Sectionals, and eventually placed second. Determined to achieve their Nationals goal, Sabre made the short trip up to Little Rock where they eventually earned their bid to Sarasota on Sunday by winning the third-place bracket.

SLOW WHITE

Boston, MA

**CAPTAINS: DAVE TRUESDALE, MERIDEN D'ARCY
COACH: MARSHALL GOFF**

Dear readers, if you've ever paid attention to me, now is good time; with evil afoot and no time to spare, Old Salt Porker Truesdale and Catface Meowmers sent word. "Come to Slow White and become an Ultimate player" the letters read. Twenty-three brave souls answered that call. And dear readers, imagine a music like a nocturnal, heavenly "Yes!" as they decended upon the castle of Fessenden School. They knew straightaway that this would be a place where they would hone their skills and surely brandish their discs valiantly Kabloomers! Out of nowhere Miles Montgomery-Butler appeared, and he brought Ebac, the riotous massage robot! Halloween yes! Finally, the moment of truth! The good wheel of fate has stopped for these kiddies on "Yes", yes in-deedy, you will be an Ultimate player and you will compete at nationals! They are a rag-tag group of champions, this bunch, and, with Cody the bear, the near-perfect man-child, they know they will dominate the day. After vanquishing their opponents, Zoomacroom, Velazquez, District 5, and others, they, in unison, will bellow: "We are beautiful animals! We are the destroyers of worlds! We are Slow White!" And, dear readers, only then will the world be silent.

TERMITE'S ENTOURAGE

Philadelphia, PA

CAPTAIN: SEAN MURRAY

It all began a decade ago in Louisiana when a runt mutt and her helpless puppy siblings were abandoned in a potato sack near a Baton Rouge highway. As fate would have it, they were discovered by a nearby landowner's dog. That smallest pup was adopted by a couple of LSU Ultimate players that admired her tremendous energy and rambunctiousness as she bulldozed her bigger and lazier counterparts. She was christened Terminator (aka Termite) at that night's Abita keg party at the Ultimate house. She quickly became a staple of the Ultimate sideline, learning to respect the game and beg adorably for sideline snacks as she traversed the USA Ultimate college circuit down South. After a few years, Termite flew to her retirement home in Morristown, NJ where she quickly began to piece together her entourage. Termite began attending weekly Frisbee games at the Skylands Ultimate League before attending her first tournament of the season: Philly Invite. After her entourage played the Wildwood Beach Ultimate tournament in her honor, Termite inspired her entourage, consisting of many PADA friends, NJ Ultimate players, and LSU alumni, to compete in the club series so they could bring her to Ultimate's greatest stage.

WOLVERINES

McMinnville, OR

CAPTAINS: PATERSON SEATON, CHELSEA PUTNAM

The wolverine or *Gulo gulo* (*Gulo* is Latin for "glutton"), also referred to as glutton, carcajou, skunk bear, quickhatch, or possibly gulon, is the largest land-dwelling species of the family Mustelidae (weasels). It is a stocky and muscular carnivore, more closely resembling a small bear than other mustelids. The wolverine has a reputation for ferocity and strength out of proportion to its size, with the documented ability to kill prey many times its size.

The wolverine can be found primarily in remote reaches of the Northern boreal forests and subarctic and alpine tundra of the Northern hemisphere, with the greatest numbers in the U.S. state of Alaska, northern Canada, the Nordic countries of Europe, and throughout western Russia and Siberia. Their populations have experienced a steady decline since the 19th century in the face of trapping, range reduction and habitat fragmentation, such that they are essentially absent in the southern end of their European range. It is, however, estimated that large populations remain in North America and northern Asia. These Wolverines are primarily from Oregon, though.

CHAIN LIGHTNING

Atlanta, GA

CAPTAINS: DYLAN TUNNELL, RUSSELL SNOW, MARK POOLE

After a disappointing 2010 Nationals campaign, Chain Lightning has retooled and is looking to make another deep run in 2011. Losing big personalities in the game like AJ Tiersmith, Josh Ziperstein, Robert White, and John Hammond has made this team more athletic, more fundamentally sound, and more likeable throughout the Ultimate community. In its 29th year of existence, Chain has had another year to gel with its transplants from across the country and has picked up rookies that are ready to contribute. Chain has changed its look, its mindset, and personnel from years past, but one thing will stay the same...Chick's dig the long ball.

CONDORS

Santa Barbara, CA

CAPTAIN: MARK ELBOGEN

The Santa Barbara Condors first took the field in 1974. In 1977 they became the first National Champions in the sport. The Santa Barbara Condors is the longest running Club Ultimate team with the same name and background in the world. In 2000 and 2001, the Condors were National Champions and in 2002, the Condors became Club World Champions. Condors last made Club Nationals in 2008, with many players moving in new directions the year after. The players on Condors you see today are mostly new faces, but we still strive for the same hard work and level of excellence established by this elite program many years ago.

DOUBLEWIDE

Austin, TX

**CAPTAINS: MAX COOK, KURT GIBSON,
JEFF LOSKOM**

COACH: KURT DAHLBURG

Doublewide is an elite Frisbee club based in Austin, TX. We are a balanced team with all players committed to common goals: Play hard, fair, and with respect for our teammates and our opponents. Since its origin in 2001, Doublewide has won the Texas Section every year with one exception, won the South Region four times, and qualified for Nationals nine times. With a semi-finals birth in 2010, Doublewide's goal is nothing short of a national title in 2011. After winning Colorado Cup, Doublewide saw a lackluster performance at Labor Day, leaving the team hungry for the series. Combining new youth and athleticism to the team along with an experienced core, Doublewide will be a serious threat in Sarasota.

GOAT

Ontario, Canada

CAPTAINS: JOHN HASSELL, KIRK NYLEN

COACHES: SCOTT HASTIE, CHRIS LEE

Formed in 2002, GOAT is making a fifth trip to Nationals. The team is based out of Toronto, but also draws talent from Ottawa, Winnipeg and Montreal. In 2010, GOAT focused on developing young players and encouraging side projects. This year, the herd is corralled again, fired up for a strong fall run.

The 2011 incarnation is a blend of some crusty old guys hanging on and a quickly emerging core of young players who cut their teeth on GT and Roy in Toronto's three-tiered club system.

IRONSIDE

Boston, MA

CAPTAINS: MATT REBHOLZ, MIKE ZALISK

COACH: JOSH MCCARTHY

In 2007 elite Ultimate in Boston drastically changed its trajectory when DoG and Twisted Metal disbanded and reformed into what would become Ironside. Five years and two silver medals later, Ironside is still fighting for that elusive gold but has well represented the Northeast. While previous years have relied solely on strong performances from ex-Twisted and DoG players, the influx of new talent from Bodhi and the New England College Region has now reshaped this team's impressive roster. The latest additions include a boatload of young athletic studs who add ridiculous firepower to the already dangerous offensive and defensive cores. Together, fighting under the same banner with a larger and more deadly roster, and continued coaching from Josh 'Papa J-Mac' McCarthy, Ironside has once again armed its cannons and is on its way towards another successful post season.

JOHNNY BRAVO

Boulder, CO

CAPTAINS: RYAN FARRELL, JOSH ACKLEY

COACH: BOB KRIER

Johnny Bravo was founded in 1996 by Dan Ackersstein, Wes Williams and Dan "Jello" Revelle. (Note: Johnny Bravo was not named after the popular animated television series which first aired in 1997.) The team was founded on vengeance by castoffs from the top Boulder-area team, Secret Squirrel. Johnny Bravo quickly overtook their rivals and began their reign as the top elite team in Colorado, qualifying for Nationals in 1997. Bravo split into two teams (Bravo and Gun Club) in 1998 and failed to qualify for Nationals after falling to the Santa Barbara Condors in the final and Los Guapos from San Diego in the backdoor game. Bravo and Gun Club reunited in 1999 and took the name of the old Boulder team, Secret Squirrel. After a disappointing 15th-place finish at Nationals in 1999, the team reclaimed its Johnny Bravo identity in 2000. Bravo has qualified for Nationals every year since 2000, a feat matched by Seattle Sockeye and surpassed only by Raleigh's Ring of Fire (1997). Bravo broke into the quarterfinals in 2001 and has remained a top-tier team ever since. In the past few years, Bravo made three semifinals appearances and a finals appearance in 2007.

MADISON CLUB

Madison, WI

CAPTAINS: JOHN GAYNOR, TOM ANNEN

Over the years, open club ultimate in Madison has taken many forms. In the early 2000s, as G-Unit, Madison was a consistent fixture at club nationals. From 2004 - 2008, Madison Club was primarily a team of college kids getting ready for the spring college season. The recent resurgence of the team, with three consecutive nationals' appearances, is largely attributable to people sticking around Madison for their ultimate fix rather than commuting to Minneapolis to play ultimate on weekends. The team, as always, is made up of many of the top college players in the region with the occasional veteran sprinkled in for good measure. 2011 has been a season of firsts for Madison Club. The team has gone corporate, and is now officially sponsored by former teammate Paddy Guarasci. Club players coordinated and ran two ultimate skills clinics in Madison with the goal of increasing the level of play and transfer of ultimate knowledge within the Madison ultimate community. Club also had its first hurricane shortened regular season, but fully expects to be in peak form when we step onto the fields in Sarasota.

REVOLVER

San Francisco, CA

CAPTAINS: ROB CAHILL, MARTIN COCHRAN, RYO KAWAOKA, BART WATSON

COACH: ALEX GHESQUIERE

Revolver was established in the spring of 2006 when Nick Handler, Chris McManus, and Marc Weinberger came together to build a new Bay Area Ultimate program from scratch. The captains sought to install a team-first mentality, to build strong team chemistry, and to use the values of intensity, humility, and discipline to define the team ethic. Since then Revolver has continued striving to demonstrate these values.

In its inaugural season the team jumped on the National stage by qualifying third for Sarasota out of the cutthroat Northwest, and capped its debut year by claiming a 5th-place finish at Nationals. In 2009, Revolver followed its best regular season with a 2nd-place finish at Nationals, and finally in 2010 reached the peak of the sport, winning a double championship with gold at WUCC in Prague and a USA Ultimate title in Florida.

Building on the team's history and ethics, following the leadership of Farricker Award winning captains Rob Cahill and Bart Watson, and now bringing the confidence of being defending WUCC and national champions, Revolver has its sights set on the 2011 USA Ultimate championship and a rare berth at WUCC Worlds next year in Japan.

SOUTHPAW

Philadelphia, PA

CAPTAINS: TREY KATZENBACH, MATT SCHMUCKER, TIM GAULTON

COACHES: JEFF SNADER, MARC STACHOWSKI

2011 marks the second consecutive trip to the USA Ultimate Club Championships for Philadelphia-based Southpaw. The team finished tied for seventh in its inaugural season in 2010. Southpaw began as an effort to combine the best male Ultimate talent from the mixed, masters, open, and college divisions. Its formation continues the long tradition of Ultimate in the city, best exemplified by the Philadelphia Area Disc Alliance (PADA) which promotes the continual growth of the sport and the Spirit of the Game.

Southpaw takes its name from the fictional yet universally motivating figure of Rocky Balboa. It is his determination, mental grit, and underdog spirit that define the character and core values of the team. Simply stated, 'Nobody wants to fight a southpaw.' That's a shot!!!!

SUBZERO

Minneapolis, MN

CAPTAINS: DAN MILLER, DAN MCADAM, MARK SCHMELZLE, KYLE GILL

As a twelve-time Nationals qualifier, tradition runs deep with Sub Zero despite what appears to be its youngest roster in years. 2011 saw the further addition of top local college talent as well as the return of former frosty players to help complete Sub Zero's return to the top of the Central Region. The Minneapolis-based club team has created success by focusing on a season-long bigger picture goal of building a team before individual mentality and plans on rolling a massive cold front through the unsuspecting Sunshine State.

TRUCK STOP

Washington, D.C.

CAPTAINS: NOAH EDEN, SEAN MCCOMB, KEVIN MOLDENHAUER, TOMMY NICHOLSON

Truck Stop, mainly from the Baltimore-D.C.-Virginia area, is embarking on its sixth consecutive trip to Sarasota with expectations as high as ever. This season the Truck has reloaded and emerged from the winter garage with some new parts. The 2011 model of the Truck boasts a more balanced alignment, greater efficiency, towing capacity and increased horse power. Special parts have been ordered from Pittsburgh and Australia. The Truck has rolled into the finals of Colorado Cup and semifinals of the Emerald City Classic before hitting some rough patches of road. We've made some adjustments to the design; kinks have been worked out of the system. All season long the Truck has been making its way up the ramp, now it descends on Sarasota with 27,000 pounds of runaway force.

WOMEN'S TEAMS

BENT

New York, NY

CAPTAINS: CARA BROWN, KELLY HYLAND, REBECCA TUCKER, MEGAN RANDALL

COACH: ADAM GOFF

Bent is an elite women's team centered in New York City. Formed in 2009, Bent has had a successful start, placing tenth at Nationals in 2010 and returning this year to Sarasota, representing New York with pride. Despite flux in the team roster, we maintained the focus, energy, and determination required to compete with the best in the country. Our goal is to move ever upward while having fun both on and off the field. This year, a core of savvy returners welcomed a whole crew of talented, young players into the women's Ultimate community and saw them come into their own at North-east Regionals.

BRUTE SQUAD

Boston, MA

CAPTAINS: CHRISTIE KIM, DORY ZIPERSTEIN, LISA KANNER

COACH: BILL RODRIGUEZ

Formed in 2002 when a group of college-aged pioneers wanted to play club Ultimate AND have fun at the same time, Brute Squad has worked our way to the top of the Boston Ultimate scene. Along the way, we've turned blood-thirsty, intra-city college and club rivals into beloved friends, and more often than not, roommates. With half our team finding their on-the-field inspiration from dancing kitty cats, we somehow manage to balance a crisp, composed offense with a tenacious and suffocating defense. This year marks our ninth trip to the Club Championships – nine amazing seasons in which we've made the quarterfinals twice, the semifinals three times, and the finals once. We are the Brute Squad. Anybody want a peanut?

CAPITALS

Ontario, Canada

CAPTAINS: KAITLYN LOVATT, KRISTIN LAURIN

In its short six-year history, Capitals Ultimate has made a name for itself on the USA Ultimate scene. In 2005, top players from the Ottawa and Toronto competitive clubs joined to make a run at the series. After three days of competition in Sarasota, the Capitals shocked the crowds with a jump from 16th to 6th place. In its second and third seasons the team recorded two more top-eight finishes. With 2008 being a club world's year, Capitals lost a few key players to Team Canada and had a new core of players getting their feet wet for the first time in Sarasota. The result was a ninth-place finish in 2008. In 2009, the Capitals placed higher than ever before, losing its semifinal game by one point, and placing third. In 2010, the Capitals took the next step and made it to the finals, where they lost a hard-fought game to reigning champions Fury. This year, with most players having competed together in the Canadian championships, the Capitals are a unified team aiming to impress on the polo fields of Sarasota.

DESOTO

Nashville, TN

CAPTAINS: TOBEY BEAVER, COLLEEN CALLAGHAN, SARA GIBSON

In west Nashville, born and raised,
On a field is where DeSoto spent most their days,
Huckin' out flicks and skyin' all fools and sending other
teams to the B pool.

After that first year, we were bound to be good, and started
makin' trouble in our "regionhood."
We had one game to go, and we weren't scared, our de-
Noise and deFunk and deLove got us there.

We thought about the things that got us all here, dance
offs, lil' chubs and Spanish cheers.
Anyone could tell that this team was rare,
With believing in "YES" and our psych buddy pairs.

We pulled out from a seeding of seven or eight, and yelled
to Little Rock, "Yo! Catch ya later!"
Booked our flights to Flor'da, now we're finally there,
The first Tennessee women to raise nerf swords in the air.

WOMEN'S TEAMS

FURTHER

Eugene, OR

CAPTAINS: RYANN CROWLEY, CLAIRE SHARMAN, SHANNON MCDOWELL

Founded in 2010, Further is proudly named for the infamous colorful bus that Eugene local Ken Kesey and his band of Merry Pranksters drove cross-country during the 1960s. Further's unique approach to the game and community involvement has allowed them to build something much larger than a roster. While based in Eugene, Further also draws talent from Medford, Newport, Corvallis, Christmas Valley, and Arcata, California. In its second year, Further has been making a tie-dye splash on the Women's Club Ultimate scene with appearances at ECC and the Labor Day Championships. Combining a laid-back hippie attitude with competitive fire is Further's specialty and they are proud to represent Eugene, Oregon's re-emergence at the national club level. While several members of Further's roster have played at the college championships, it will be the very first club championships for every single Further player.

MOLLY BROWN

Boulder, CO

CAPTAINS: ANNA SCHOTT, ANNE POGORILER, LINDSEY CROSS

COACH: CATT WILSON

Late one night in 1912, in the cold waters of the Atlantic, the "Unsinkable" Molly Brown turned Lifeboat 6 around to search for survivors of the sinking Titanic. Even though being a passenger on this maiden voyage thrust her into the limelight, Molly was a pretty big deal in her own right. She strongly advocated for women's suffrage, rights of workers, and wounded veterans – the list goes on and on. Bottom line is, her activism and philanthropic efforts made the world a better place. Molly's motto: No person left behind.

This same fighting spirit is the heart of what MBT is all about. We build each other up and give love where it is due. Qualifying for the 2011 Club Championships is just the tip of the iceberg for Molly Brown. Although we may seem new to these uncharted waters we have the tools and personnel to steer us all the way to the Championship game. Coach Catt Wilson commands the ship at the helm while the MBT crew grinds it out in the galley. We have been training for this moment all year and you can bet there is no stopping us now. Full, Steam, Ahead!

NEMESIS

Chicago, IL

CAPTAINS: CHRISTINE DUBE, LIZZY SHIEL, COURTNEY KIESOW

COACHES: PFIL BROERING, AKIRA YAMAGUCHI

From the dawn of time we came, moving silently down through the centuries. Living many secret lives, struggling to reach the time of the Gathering, when the few who remain will battle to the last. Training on the moors of Chicago. Hucking on the highlands by day and strength conditioning in the dark of night (when the power goes out at the gym). No one has ever known we were among you....until now.

As our coach once told us (at the beginning of the season), "When only a few of us are left, we will feel an irresistible pull towards a faraway land, to fight for the Prize. Also, keep your head."

With this in mind and blade in hand Nemesis journeys to the Sarasota seascape. We are vigilant. We are relentless (like playing tennis against a wall you can't win). Nemesis finished Seventh at nationals last year, but make no mistake...

There can be only one.

WOMEN'S TEAMS

OZONE

Atlanta, GA

CAPTAINS: ANNA BUCHER, KATHERINE WOOTEN

Ozone is the Southeast's premiere women's ultimate team. Founded in 1984, we have qualified for Nationals continuously since 1987 – 25 years straight – appearing in finals twice and semis nine times. The championship trophy continues to tease the Atlanta women, however, so this season we'll be doing everything we can to bring it home. From a roster of 14 in 2010, Ozone doubled the ranks this year to round out our already formidable team. The economy may be down but the cost of living in Atlanta is great, so bribing standouts Liz Duffy (#37), Sarah Blyth (#13), and Lauren Childs (#29) to move to town was easy. In addition we managed to coax the best co-ed women in Atlanta to return to women's division and welcomed some long-lost Ozoners back into the fold. It's safe to say that 2011 is the best recruiting class anyone's ever seen this side of the Mississippi. Our rookies are the stuff legends are made of. We dig the long ball, egging out, and Coca-cola – and we do it all without sacrificing our good looks and impeccable Southern charm. Who says the South won't rise again?

Also...did we mention how pretty we are?

PHOENIX

Triangle Area, NC

CAPTAINS: CATE FOSTER, LEILA TUNNELL, LINDSEY HACK COACHES: TULLY BEATTY, NICOLE CHAUVIGNE

The Phoenix is a vibrant, mythical bird that will typically live 500 to 1000 years and then build a nest. The Phoenix will ignite the nest and burn fiercely until out of the embers and ashes a young Phoenix is reborn anew. This new Phoenix is destined to live as long as its old self.

A new Phoenix has been reborn in North Carolina women's Ultimate. This new Phoenix recognizes that a tradition of winning has been built by the sweat of previous generations. We respect and thank the women who have gone before us. It is with our deepest gratitude that we go forward, hoping that we may ignite a history of excellence as long as the previous.

Phoenix is a program dedicated to opportunity for play for women. Therefore, Ember was born. The Phoenix program's seven core values we live by are:

1. We play for the love of the game.
2. We play for our teammates.
3. We are relentlessly positive
4. We are coachable.
5. We believe in Spirit of the Game.
6. We believe that success and failure are not synonymous with winning and losing.
7. We believe that if you love what you do, you will never work a day in your life.

REVOLUTION

St. Louis, MO

CAPTAINS: MELISSA GIBBS, LAURA HALFMANN, TASHA PARMAN

In 2010, a new team formed full of talented athletes that loved the sport and wanted to compete on a women's team at a high level. After weeks of dilemma and hundreds of emails, the team decided to call themselves RevOLUTION to represent their quest to create a movement; driven to put a new face to Central Region women's Ultimate. In their inaugural year, they qualified to play as one of the top 16 teams in the nation. This team lacked a big name, a rich history, high level competition, and any sort of hype. However, what they did have was passion. They came into Nationals as the "clear 16th seed" but one win was good enough to break seed and get noticed. This year, the movement and that passion is the same even with new players. RevOLUTION will always strive to maintain passion for the game, for spirit, for respectful competition, and for each other. We have yet to reach our peak potential as a team and are excited to push through and create more upsets this year.

RIOT

Seattle, WA

CAPTAINS: GWEN AMBLER, SARAH GRIFFITH

2011 marks Riot's eleventh consecutive appearance at the Club Championships, representing Seattle and the Northwest Region with pride. The past two years have seen Riot bow out in the semi-finals in Sarasota, and this year the team is determined to regain the top spot on the podium. Our deep roster includes a veteran from the last Riot championship team in 2005, numerous players with national or world titles to their names, and a tremendously talented rookie class. We have benefitted from the incredible youth scene in Seattle and the team prioritizes giving back to the Ultimate community through coaching, youth scholarships, and clinics. Traveling to as many tournaments as possible this season, we have amassed a 42-6 record during the year — only posting losses to our NW rivals Fury and Traffic while beating all the other top seeds at the Club Championships. Channeling the mayhem of our namesake, the 1999 WTO riots in Seattle, we intend to wreak havoc on our opponents with stifling defense and an aggressive offensive attack. Playing with fire and heart, we are ready to battle for the title.

SCANDAL

Washington, D.C.

CAPTAINS: ALLISON MADDUX, MOLLY ROY

Since its inception in 2007, Scandal has been heating up faster than the debates on Capitol Hill. Younger, faster, and hotter than ever, this year's D.C. Scandal is showing up to Sarasota to make headlines after taking the Mid-Atlantic Region. We're hungry after last year's Nationals performance, and everyone else is looking pretty Scandelicious. Though hailing from D.C., our O- and D-lines are in bipartisan agreement about raising the ceiling on our level of play! No limit! Scandal, you know!

TRAFFIC

British Columbia, Canada

CAPTAINS: BETSY CHAN, KIRA FREW, AMY HODGINS

COACH: JEFF CRUICKSHANK

Traffic formed in 2007, represented Canada at worlds in 2008, and has competed in the USA Ultimate Club Championships every year since 2008. Traffic finished fifth at last year's tournament securing an extra bid for the loaded Northwest Region. They took the second seed out of region to qualify this year. The team is led by three player captains (Kira Frew, Amy Hodgins and Betsy Chan) as well as former Furious George great Jeff Cruickshank.

This year Traffic has some new faces from the college scene and outside Vancouver. Hot new players to look out for are Rachel '6 inch' Moens and Mira 'the beast' Donaldson. Seasoned veterans to watch out for are power house Candice Chan, the silent-but-deadly Lindsay Nettlefold and the 2010 Ultimate Canada athlete of the year, Kira Frew. This team is athletic, gritty and ready to take on anyone.

10 THINGS YOU SHOULD KNOW ABOUT SPIRIT OF THE GAME™

1. THE GOLDEN RULE: TREAT OTHERS AS YOU WOULD WANT TO BE TREATED.

Spirited games result from mutual respect among opponents. Assume the best of your opponent. Give him or her the benefit of a doubt. You would want the same for yourself. But if you are thick-skinned, do not assume that your opponent is. Maybe you should think of this rule as, "treat others as you would have them treat your mother."

2. CONTROL: SOTG TAKES REAL EFFORT.

SOTG is not just some abstract principle that everyone adopts and then games run smoothly without effort. Close calls are made in tight games. Hard fouls are committed. SOTG is about how you handle yourself under pressure: how you contain your emotionality, tame your temper, and modulate your voice. If you initiate or contribute to the unraveling of spirit, the concept falls apart quickly. If you act to mend things (or at least not exacerbate the situation) by following (1) above, the game heals itself.

3. HECKLING AND TAUNTING ARE DIFFERENT.

Ultimate has a long tradition of good-natured heckling. Heckles are friendly barbs, typically from non-playing spectators. Heckling can be fun, but taunting is unspirited and wrong. Harassing remarks after an opponent's foul call or close play are NOT heckling; they are abusive taunts which create unpleasant playing conditions and often escalate to acrimonious disputes.

4. SOTG IS COMPATIBLE WITH CHAMPIONSHIP PLAY.

It is a fallacy to argue that the stakes are so important that some aspect of SOTG can be cast aside. Time and again, great teams and star players have shown that you can bring all your competitive and athletic zeal to a game without sacrificing fair play or respect for your opponent.

5. DON'T "GIVE AS YOU GOT."

There is no "eye for an eye." If you are wronged, you have no right to wrong someone in return. In the extreme case where you were severely mistreated, you may bring the issue up with a captain, tournament director, or even lodge a complaint with the governing body. If you retaliate in kind, however, a complaint may be filed against you. We recall point (1): treat others as you would have them treat you, not as they have treated you. In the end, you are responsible for you.

6. BREATHE.

After a hard foul, close call, or disputed play, take a step back, pause, and take a deep breath. In the heat of competition, emotions run high. By giving yourself just a bit of time and space, you will gain enough perspective to compose yourself and concentrate on the facts involved in the dispute (was she in or out; did you hit his hand or the disc; did that pick affect the play). Your restraint will induce a more restrained response from your opponent. Conflagration averted, you may resume business as usual.

7. WHEN YOU DO THE RIGHT THING, PEOPLE NOTICE.

When you turn the other cheek, you know you've done the right thing. You may not hear praise, there may be no standing ovation, but people do notice. Eventually, their respect for you and their appreciation of the game will grow.

8. BE GENEROUS WITH PRAISE.

Compliment an opponent on his/her good catch. Remark to a teammate that you admire their honesty in calling themselves out of bounds. Look players in the eye and congratulate them when you shake their hands after a game. These small acts boost spirit greatly, a large payoff for little time and effort.

9. IMPRESSIONS LINGER.

Not only does the realization that your actions will be remembered for a long time serve to curb poor behavior, it can also inspire better conduct. Many old-timers enjoy the experience of meeting an elite player who remembers their first rendezvous on the field and recalls the event in detail. A good first encounter with an impressionable young player can have considerable long term positive impact.

10. HAVE FUN.

All other things being equal, games are far more fun without the antipathy. Go hard. Play fair. Have fun.
