WELCOME

"Equity, diversity and inclusion are critical to the integrity of our sport's culture and must be continually learned, fostered and enriched throughout our national, state and local communities."

USA Ultimate Strategic Plan

USA Ultimate's mission is to advance the sport of ultimate in the United States by enhancing and promoting Character, Community and Competition. We recognize that we cannot promote character and community without ensuring all individuals can bring their full selves to their participation in ultimate, as well as without intentionally addressing systems in place that continue to perpetuate discrimination in our society.

As the national governing body overseeing amateur ultimate activity across the country, we are striving to create and maintain a safe, welcoming and inclusive environment at all of our events. We are working with local host organizations to help ensure institutionalized racism and discrimination have no place at our events. Additionally, USA Ultimate expects all participants and spectators at this event to uphold the principles of Spirit of the Game with one another. Just as we hold our athletes to an expectation of "mutual respect among competitors" on and off the field, we expect all staff, event partners and attendees to show mutual respect towards one another regardless of whether you share similar beliefs, cultures or experiences.

Dear Coaches, Participants, and Spectators,

On behalf of our great city, it is truly my pleasure to welcome back the USA Ultimate Masters Championships at the Aurora Sports Park from July 16-18, 2021. Our 385,000-plus residents create a rich tapestry of languages and cultures. There's no doubt they serve as the backbone for the shops, restaurants, and arts venues that make this a thriving, welcome community.

Aurora offers a blend of unique finds and adventurous experiences, bound to please every visitor. We are proud to showcase over 250 international eateries serving up something delicious along Havana Street and all across Aurora. In addition, local boutiques and national retailers have found creative ways to deliver unique finds to you, taking the shopping experience to a whole new level from Stanley Marketplace to Southlands and everywhere in between.

Enjoying the great outdoors is always in style in Aurora. With two reservoirs and 113 parks, there's a place for everyone to play. Need a little more space? Try a visit to the 8,000 acres of open space for an outstanding view of the Rocky Mountains.

I must also mention our city's most valuable asset — our people. They are Aurora's most important ambassadors and will be sure to provide you with warm and genuine hospitality. I can assure you; this will be one of the many reasons you will want to return. Aurora is a place where you can explore and get a taste for something new.

Bringing over 100 teams from more than 26 states, we are honored to host this special event, and your support is pinnacle to the recovery of our unique venues, shops, and restaurants. In total, the expected economic impact is over \$1.1M to our community. Take pride in shopping small and stopping by the local businesses that make Aurora memorable. For more information and special offers, please go to VisitAurora.com.

Sincerely,

BRUCE DALTON

President | CEO

*Visit***AURORA**

Altitude Ultimate is very excited to be working with USA Ultimate and Visit Aurora to bring this great championship event back to Colorado!

We all have been through events inconceivable at our last club tournaments almost two years ago. We extend our deepest sympathy to all those who have suffered since then, and we offer humble gratitude for the opportunity to again gather and compete. Masters players already savor each opportunity to play, and now more than ever we won't take this privilege for granted.

Many community members and teams have asked about our relationship with the City of Aurora in light of national attention to police violence against Black citizens and protests there. We appreciate people speaking out and working to make things better and have taken steps to support these efforts. Details of our work are available here: https://www.altitudeyouthultimate.org/aurora_colorado_progress.

Our goals are both to constructively engage with BIPOC communities in Aurora and to represent and amplify the voices of our own players. We welcome feedback and hope you too will embrace this opportunity to promote positive change here in Aurora and back at home.

Finally, we feel ready to resume running top-notch tournaments that provide a great experience for the players, spectators and our host communities! Nothing could happen without all of our fabulous volunteers who make this weekend possible. Treat them right and be sure to thank them for their hard work. We also want to congratulate and thank the teams for qualifying and their display of spirit and competition.

Welcome back to the fields! Have a great weekend and enjoy your stay in Colorado!

Phil Lohre
President, AYU

COMPETITION RULES

- USA Ultimate Official Rules of Ultimate, 2021 -2022.
- All games to 15.
- Halftime is ten minutes.
- Each team has two timeouts per half.
- Hard time cap goes on at the end of round time on the schedule. Game is over at the end of the point in progress, unless tied. If tied, play one more point. **There will be no hard cap for semifinals and finals games.**
- Soft time cap goes on 20 minutes before the hard cap. Add two points to higher score after the first score after soft time cap. Game ends when first team reaches new game total or when first team reaches 15.
- Caps do not affect timeouts.

SITE RULES

NO GLASS!

DOGS MUST BE LEASHED! We would prefer that you leave the pooches at home, and certainly do not lock your pets in the car or tie them up in the sun either. So, if you must bring your dog, please leash it.

SPECTATORS AND EQUIPMENT MUST STAY AT LEAST THREE YARDS AWAY FROM SIDELINES! Where there are buffer lines, stay behind them. Where there are not buffer lines, stay back at least three yards.

TRASH AND RECYCLING. Place bottles and cans in the recycling receptacles and trash in the trash cans.

ALCOHOLIC BEVERAGES. Alcohol is not allowed in the park.

TOBACCO. USA Ultimate has a no tobacco policy at its championship events.

NO OVERNIGHT CAMPING ALLOWED!

NOISEMAKER GUIDELINES

The following guidelines for noisemakers will be applied at USA Ultimate events. They are designed to strike a balance between limiting artificial noise that adversely impacts the competition or the on-site experience of participants while allowing for noise that helps create an enthusiastic, fun and supportive environment. Players, teams and spectators are expected to abide by these guidelines while on site at the event.

- Powered noisemakers are not allowed at the event site. This includes, but is not limited to, air horns, sirens and electronic bullhorns.
- Novelty noisemakers are NOT permitted, except under the following conditions:
 - o Must remain outside of the equipment lines.
 - o May only be used between a goal being scored and the offense signaling readiness for the next point.
 - o May not be used during timeouts taken during active play.
 - o Novelty noisemakers include, but are not limited to, whistles, vuvuzelas, squeeze horns and musical instruments.
- Music-playing devices with external speakers are permitted under the following conditions:
 - o Must remain outside of equipment lines, except during warm-ups and half-time.
 - o Must remain at a reasonable volume considering other event participants and attendees.
 - o May not be used to play music with offensive lyrics or themes.
- No noisemaker of any kind is permitted that may present a safety hazard.
- Any noisemaker permitted above may be disallowed if the volume or content of the noise is deemed to be offensive or disruptive to the enjoyment of the event, or the noisemaker is used in an un-spirited manner such as to taunt, intimidate or give a team an undue competitive advantage, as determined by event staff.

Event staff and observers will inform teams and individuals of these guidelines as needed. Repercussions for violation of these guidelines may include confiscation of the noisemaker, removal of the individual from the event site and/or in-game sanctions associated with the Misconduct System.

ULTIMATE IN 10 SIMPLE RULES

1. THE FIELD: A rectangular shape with end zones at each end. A regulation field is 70 yards by 40 yards, with end zones 20 yards deep.

2. INITIATE PLAY: Each point begins with both teams lining up on the front of their respective end zone line. The defense throws ("pulls") the disc to the offense. A regulation game has seven players per team.

3. SCORING: Each time the offense completes a pass in the defense's end zone, the offense scores a point. Play is initiated after each score.

4. MOVEMENT OF THE DISC: The disc may be advanced in any direction by completing a pass to a teammate. Players may not run with the disc. The person with the disc ("thrower") has ten seconds to throw the disc. The defender guarding the thrower ("marker") counts out the stall count.

5. CHANGE OF POSSESSION: When a pass is not completed (e.g. out of bounds, drop, block, interception), the defense immediately takes possession of the disc and becomes the offense.

6. SUBSTITUTIONS: Players not in the game may replace players in the game after a score and during an injury timeout.

7. NON-CONTACT: No physical contact is allowed between players. Picks and screens are also prohibited. A foul occurs when contact is made.

8. FOULS: When a player initiates contact on another player, a foul occurs. When a foul disrupts possession, the play resumes as if the possession was retained. If the player committing the foul disagrees with the foul call, the play is redone.

9. SELF-OFFICIATING: Players are responsible for their own foul and line calls. Players resolve their own disputes.

10. SPIRIT OF THE GAME: Ultimate stresses sportsmanship and fair play. Competitive play is encouraged, but never at the expense of respect between players, adherence to the rules and the basic joy of play

Championship Bracket
Saturday & Sunday, July 16-17, 2022

* TIE BREAKER for 2/3 in Pools A & B

- 1) Head to head
- 2) Point differential against common opponent
- 3) Points scored against common opponent
- 4) Draw Elo

** TIE BREAKER POINT for Pools C & D

If the first two games in a three-team pool end with the exact same score (but different winners), one additional point should be played after the second game. The pulling team and the sides should be the same as at the beginning of the second half. This point will only count in the case of the otherwise unbreakable three-way tie, where each game results in the exact same score. If each team has a point differential of zero after the last game and all three games resulted in the same score, the additional point played after round two determines the first and third place teams.

HEALTH AND SAFETY

COVID-19

See <https://usaultimate.org/covid-19/> for more detailed information.

USA Ultimate requires that sanctioned events and activities follow all COVID-19 related federal, state, local, and facility health and safety standards. There is no longer a USA Ultimate requirement for participants or other attendees to provide proof of vaccination status or a negative test result prior to the event. Participants are not required to wear masks during play or in conjunction with participation in an event, unless they are determined to be close contacts and meet certain CDC-recommended conditions for being allowed to continue at the event.

USA Ultimate recognizes that, at this point, individuals have the resources and tools to mitigate their own risks, and state and local authorities have the information and perspective to impose additional community-wide or activity-specific requirements as needed. USA Ultimate encourages the use of vaccinations, boosters, and testing to limit risks to individuals and groups.

Athletes, organizers, coaches, staff and spectators are expected to NOT participate if they feel unwell, are symptomatic, or have been in close contact with someone that may be sick or may have tested positive for COVID-19 in the prior five days. Any event attendee who tests positive for COVID-19 prior to the event may not attend unless they have completed CDC and local health department requirements for isolation and return to activity. Any event attendee, including players, coaches, observers, volunteers, vendors and media partners, who tests positive during an event must report those results to the event organizer and follow CDC and local health department requirements for contact tracing and isolation.

Individuals and/or teams that do not comply with these or other event rules are subject to removal from the event and additional disciplinary action.

MEDICAL STAFF

Medical staff, including athletic trainers, will be on site at Tournament Central to treat injuries, handle emergencies and provide some preventative care. The event will provide standard athletic tape, pre-wrap, ice and some bandages. Other supplies, including special tape or bandages and anti-inflammatory drugs, must be provided by teams or may be charged by the training staff.

If there is an injury on a field that needs medical attention, inform a field marshal, and he or she will radio to the trainers.

If you have medical issues that require attention in the morning before play, please show up early to avoid long lines. The trainers will be at the fields two hours prior to game time each day.

CONCUSSIONS

EDUCATION

- USA Ultimate recommends the CDC "Heads Up Safety" program, a free one-hour online training: cdc.gov/concussion/headsup/youth.html.
- USA Ultimate's participant waiver includes important information from the CDC regarding concussion safety: usaultimate.org/resources/membership-waiver/

COACHING REQUIREMENTS

- Coaches at USA Ultimate events are required to have completed a concussion awareness and safety recognition program (like the CDC program above or other local or state-recommended course). Coaches should not submit records of course completion to USA Ultimate, but should maintain records on-site while coaching.

REMOVAL & RETURN TO PLAY

- All guidelines identified by the CDC must be strictly followed in the event of a suspected concussion.
 1. Remove the athlete from play.
 2. Ensure the athlete is evaluated by a health care professional trained in concussion diagnosis and management. Do not try to judge the seriousness of the injury yourself.
 3. If the athlete is a minor, inform the athlete's parents or guardians about the known or possible concussion and give them the fact sheet on concussions.
 4. Allow the athlete to return to play only with permission from an appropriate health care professional.

in the following conduct with athletes at any time (a more thorough description is available at www.usultimate.org/protection):

- o Bullying
- o Hazing
- o Harassment, including Sexual Harassment
- o Emotional Misconduct
- o Physical Misconduct
- o Sexual Misconduct, including Child Sexual Abuse
- With the passage of the recent federal legislation to protect amateur and minor athletes, all SafeSport trained individuals (including coaches, team support, USA Ultimate staff) are now mandatory reporters.
- If you have questions or would like to file a complaint with USA Ultimate, please contact Sam Callan at sam@hq.usultimate.org.

DOCTOR'S NOTE REQUIREMENT

- If, during a USA Ultimate event, an athlete receives care at a hospital, medical clinic or doctor's office, or is referred to a hospital or doctor by event medical staff, the athlete is barred from further competition in that event until he or she provides a doctor's note, on letterhead or prescription pad, to event medical staff stating that the athlete is authorized to return to competition.

ATHLETE PROTECTION

- USA Ultimate takes the protection of event participants seriously. In accordance with SafeSport and the USA Ultimate Conduct Policy, all USA Ultimate employees, volunteers, athletes, members, coaches and chaperones are prohibited from engaging

HEAT, NUTRITION AND HYDRATION

- Heat-related illnesses occur when the body's ability to cool itself by evaporation is limited. Sweating depletes the body's salt and moisture, which leads to dehydration. If a player recognizes any signs or symptoms of a heat-related illness, he or she should treat the problem immediately.
- Signs and symptoms of a heat illness can include changes in level of consciousness, abdominal cramps, nausea/vomiting, fatigue/tingling, chills, inability to spit, dry mucous membranes, decreased output and change in color of urine.

PREVENTION AND TREATMENT OF A HEAT ILLNESS

- Avoid alcohol, caffeine and carbonated beverages.
- Medications such as antihistamines, decongestants, certain asthma medications and diuretics can increase the risk for heat illness. Avoid them if possible.
- Avoid certain nutritional supplements (such as caffeine and ephedrine) that can dehydrate the body and/or increase metabolism and heat production.
- Know your body – be honest! Are you fit enough to perform under current conditions?
- Eat and drink (water AND sports drinks) optimally before, during and after play. Potassium is important; good sources include sports drinks, yogurt, grapefruit juice, bananas and oranges. Sodium is also important; good sources include sports drinks, vegetable juices, pretzels, nuts, cheese and crackers. After play, carbohydrates are important: foods such as potatoes, honey, cereal, white bread, corn chips, sports drinks, jelly beans, rice cakes, bagels, crackers and gummy candies.
- Don't drink too much. Over-hydrating can be dangerous if it leads to a fluid and electrolyte imbalance.
- Monitor your urine. Clear/copious = hydrated. Dark = Need water/electrolytes.
- Be sensitive to any prior illness. If you've been sick, your body may be more susceptible to dehydration.
- Rest and cool down after play. Find shade, wet the skin or get in front of a fan or breeze.

SIDELINE SAFETY

- Spectators and equipment must stay at least five yards away from the sidelines. Where there are buffer lines, respect them. Chairs, coolers, strollers, people and other objects must be at least three yards from the sidelines.

- If a player believes that an object on the sideline is not safe, he or she should inform event staff and refrain from playing until he or she is satisfied that safe conditions have been established.
- USA Ultimate and event staff reserve the right to move or remove objects or spectators from on or near the playing field if those conditions are, in the opinion of USA Ultimate or event staff, unsafe for players, staff or spectators.

LIGHTNING GUIDELINES

- Event staff will communicate with players and spectators via a PA system and through field marshals equipped with radios if there is a lightning danger. Play will then be stopped, and everyone should seek shelter.
- Safe shelter for players and spectators at the field site includes any fully enclosed building or vehicle with a hard top and closed windows.
- Event staff will be monitoring radar and listening for thunder. If lightning is occurring within 10 miles or thunder is audible, play will be suspended and all individuals should get in a safe shelter location.
- If you can't get to a safe shelter, try to avoid being the tallest object in an open field or on open water. Avoid other tall objects, metal objects and water. Assume a crouched position with only the balls of your feet touching the ground, your arms wrapped around your knees, and your head lowered. Minimize contact with the ground. Do not lie flat.
- Avoid using telephone land lines. Cell phones are safe, provided the person has followed other safety guidelines.
- Event staff will indicate to players when play is going to resume. Team captains should meet at Tournament Central to receive instructions for resuming play and any schedule modifications.

SPIRIT CIRCLES

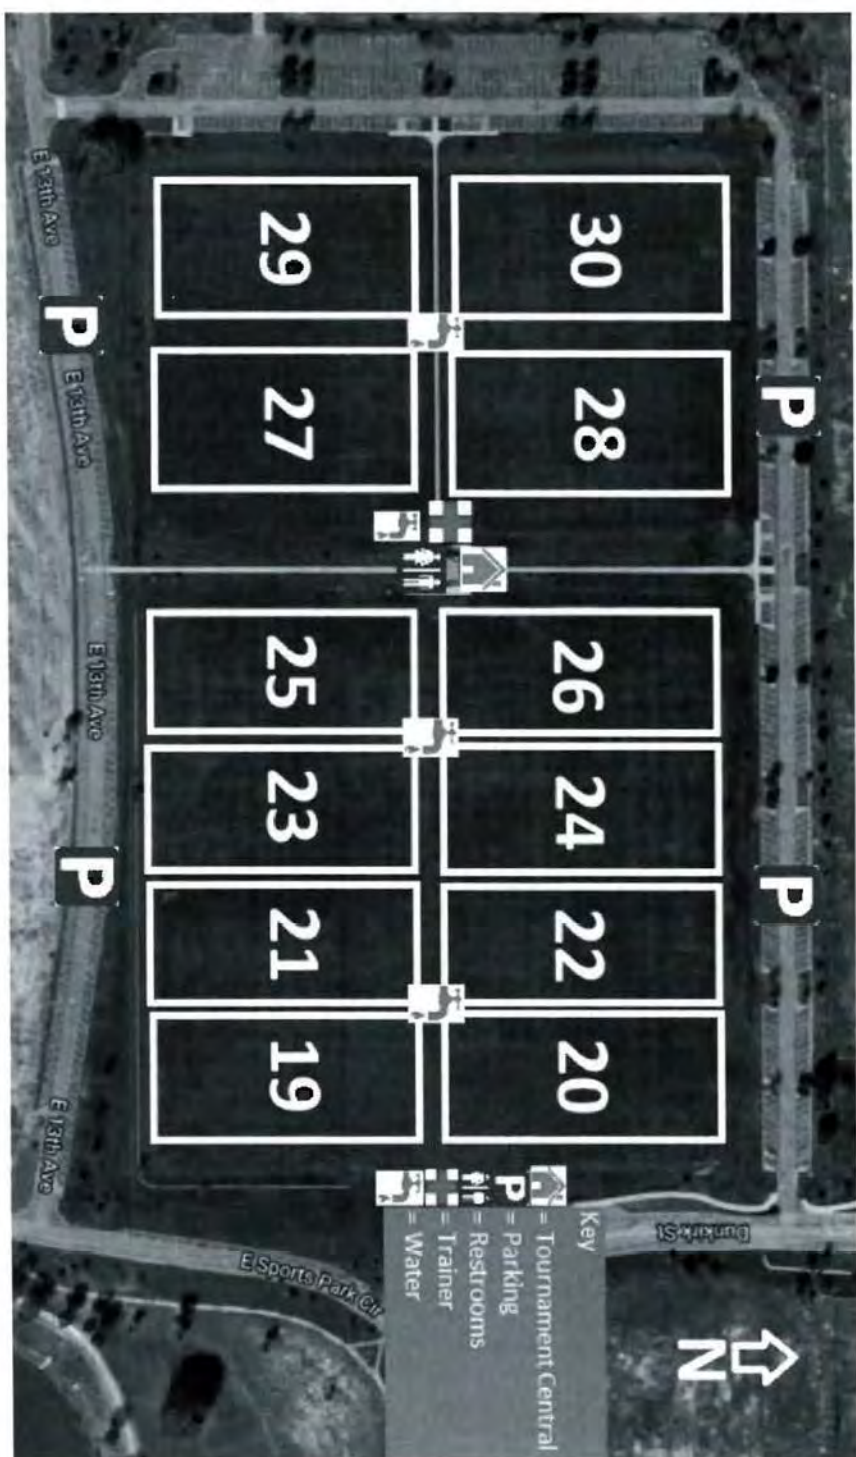

Spirit circles are an idea borrowed from international competitions throughout the ultimate world. For years, American teams have traveled to world championship events where they have not only done exceptionally well in each competition, but also have showed the international community the importance we place on respect for the game and for opponents. But, American players have also learned a lot from competing against teams from other countries, and invariably one of the most positive parts of the international experience has been the tradition of the post-game spirit circle. While there are a number of ways to do this, here are some quick tips to get your team started:

- Following each game, rather than lining up to slap hands, the two teams gather into a circle, alternating players on each team, facing inward, with arms around the shoulders of the person next to you.
- One or two people (often team captains or spirit captains) on each team will talk briefly about the game. Usually the losing team goes first, then the winning team.
- Things to talk about can include how the game went, how your own team played, what the other team did well, who on the other team played well and anything else that might be worth communicating, even if it's something you think could be done better (and don't forget to look in the mirror on this).
- After each team has had a chance to talk, the winning team takes a step into the circle and walks around counter-clockwise to slap hands with the players on the other team.

That's it! It's pretty simple and definitely an experience that brings teams together and puts the game and the experience in perspective. It's all about respect for each other and the experience of bringing out the best in each other through competition. It's also about building relationships and seeing opponents for who they really are: part of the same community that loves ultimate. Please note that this is not required and is not meant to replace other post-game traditions you may have (e.g., cheers, games, photos, gifts or trading gear). Good luck, and please let USA Ultimate staff and other event organizers how it goes!
