IMPORTANT INFORMATION CONCERNING THIS TOURNAMENT

- 1) Frisbees for the tournament are going to cost us. They will be 1st run Masters with a 1976 tournament label. There will be enough for every one on your team to have one. However there will be a \$15 entree fee per team to help cover the cost of frisbees.
- 2) Playing schedule is tight. We are planning consolation rounds for those teams that lose in the first round. So, the earlier you can get here the better. We would like to start the first round on Friday afternoon. Games are also scheduled for Friday night for teams that can't play in the afternoon.
- 3) We can accomodate 20 people per team with little hassle.

If you're going to bring a lot more than that.... well, we'll try to help out but can't promise anything.

- 4) Each team must have one person to either time or score their own games.
- 5) Players will have to cover their own food expenses. We're working on getting discounts at the colleges were you will be staying.
- 6) We're organizing a ~~Saturday~~ ^{FRIDAY} night bash for tournament participants.
- 7) By April 15 you will receive; a map of the area, A good times sheet (bars, cheap food, theatres, dancing, etc.), rooming arrangements, and hopefully a playing schedule.
- 8) Please return enclosed card no later than April 5.

Any questions call 413-542-5684 or 413-584-7195
