1980 National Ultimate
Championships
Atlanta, Georgia

Hosted By
THE ATLANTA FRISBEE CLUB
&
Sponsored By
THE ULTIMATE PLAYERS ASSOCIATION

Georgia Institute of Technology
Landis Field
November 28,29,30

the teams

GLASSBORO STATE- The New Jersey Nightmare. Current National and Mid Atlantic Champs. Bewildering zone defense. Like all the other Regional Champs excellent disc handlers and passers. Beware the rubber lizard.

SANTA BARBARA CONDORS- The perennial West coast threat. This is their 4th National Finals Tournament. Have gone through roster reorganization since last year. Beat Eugene, Ore.'s Dark Star to make it to Atlanta. Look for smooth methodical disc control.

BOSTON AERODISC- Big win up in the Northeast over last year Regional winner, Cornell. Experienced team consisting of some of Ultimate's earliest intercollegiate players.

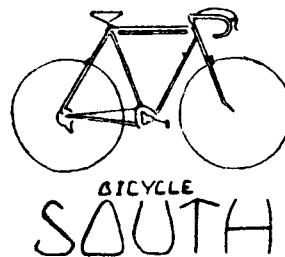

MICHIGAN STATE- With their double overtime victory over Yellow Springs (Ohio)-formerly in part Discos Volantes M.S.U. remains the perennial Midwest Regional Rep.

DALLAS/SKY PILOTS OF TEXAS- The Atlanta teams saw a tremendous comeback by this team against Gainesville in the Southern Regional Final. A composite of several Dallas teams they are poised and conditioned to represent the rapidly growing quality of Ultimate in the South.

MOST VALUABLE PLAYER

The Tournament's Most Valuable Player will be awarded a new Takara 10 speed bicycle compliments of the fine folks at Bicycle South.

access to ongoing video screening.

Sunday 11/30

1:30 Championship Game

4:00 Awards presentation for all five
teams.

MVP and Team Champion Trophies pre-
sented.

ULTIMATE

Ultimate Frisbee originated in 1968, at
Columbia High School in Maplewood N.J.
The first intercollegiate match was in
1972 between Rutgers and Princeton with
the former winning. In 1977 the first
East/West Championships were held in
L.A. where Santa Barbara defeated Penn.
State. 1978 saw Santa Barbara retain the
Championship title with their win over
Cornell at Santa Barbara. the 1979
National Championships were held in
Philadelphia. There an up-start
Glassboro State team overcame Santa
Barbara to bring the title to the
East Coast.

Ultimate is a sport played by two teams
of seven. With the throw-off or "pull"
the game begins. The receiving team
may elect to catch the disc and start
play or may choose to let it drop and
begin play from that point. The disc
is advanced from player to player down the
field. The thrower may not run with the
disc but the receiver may move to catch
it. All players are potential throwers
and receivers. A point is scored when
one player passes the disc across the
goal line to another player.

Contact is discouraged and allowed only
when incidental. Fouls are called by
the players. No referees are used on the
field. However observers may be used at
the discretion of the team captains. Their
role is arbitrary when they are asked to
make a call. However to date this role
has been minimal.

Games will be played to either a set number
of points or by a set time (until this year
time has been the norm).

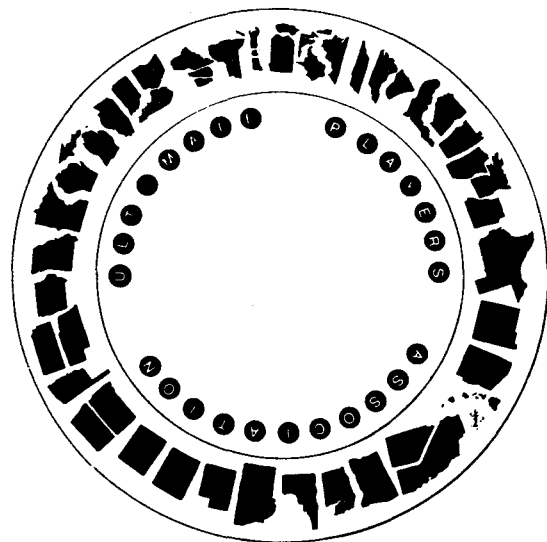

The field is 70 yds. long by 40 yds. wide
with 25 yds. end zones.

the Atlanta Frisbee Club

Now nearly four years old, the Atlanta Frisbee Club was started by several Emory U. students. Its primary activity has been Ultimate Frisbee. However there is significant interest in such events as Golf, Self-Caught Flight, Distance, Double Disc Court and of course Freestyle. The A.F.C. shelters both Ultimate teams, The Doctors of Disc and The Peaches. In this year's Regional Tournament in New Orleans the Doctors finished Fourth of eight teams while the Peaches tied for Fifth. In 1979 Atlanta Ultimate the only Atlanta team to go to the regionals in Gainesville, Fla., finished second to Orlando.

In the past the A.F.C. has hosted the 1978 National Disc Open at G. Tech, the 1979 North American Series Tournament at Piedmont Park, the 1980 N.A.S. Tournament (with the Athens Disc Golf Club) in Athens and the 1980 Sub-Sectional Tournaments at Georgia Tech. It is a great privilege to be hosting the 1980 National Championships, the first to be held in the fall and in the South.

If you would like to become involved with the Club, please contact Ross Snyder 458-1875 or Ward Silver 874-8505.

The Ultimate Players Association was created in the Spring of 1980 in response to a growing need among players to organize and communicate between themselves. To that end Santa Barbara's Tom Kennedy began the U.P.A. Newsletter. Published bi-monthly it contains regional reports and serves as the voice and conscience of the Ultimate community by discussing rule changes, philosophy of the sport, team profiles etc. Membership to the U.P.A. is \$5.00 and entitles the member to the newsletter and a vote.
