From the UPA

WELCOME!

I'd like to take this opportunity to welcome participants, spectators, and tournament staff to the 2001 UPA Club Ultimate Championships. A special congratulations to the players and teams who qualified through sectional and regional championships to reach The Show!

It's a tough road to the Championships...physically, mentally, and even administratively. Lots of hoops to jump through and challenges to overcome. But that's what makes it a true championship. The rules are laid out, and the teams that perform the best, given the rules, rise to the top. So, how can you be sure the folks at HQ and the other volunteer administrators understand both setting up the rules and having to follow them? Well we all play in the Series. As a matter of fact, Joey Gray and myself from HQ and National Directors Mel Ditz and Pete Giusti are playing with our teams this weekend! So, catch our ear, pick our brains, and remember, we're players just like you.

Speaking of playing, this year's championship presented some special challenges. With the Mixed Division back in the fall along with the other club divisions, this is the largest UPA championship event ever...60 teams, over 1200 participants! Deciding to come back to Sarasota was partly an easy call...big enough, sweet weather and fields. But to run things from HQ with half the staff playing in the tournament, we needed help.

It came in many forms. Butch Brown stepped up to coordinate on-site pre-tournament logistics. With Butch also playing this weekend, we brought in a tournament coordinator, Patty Sebby, to take care of everyone during the event. Dave Raflo came down to be the Competition Director, and a host of other volunteers stepped up to make it all come together. Look for these volunteers if you have a question while you're here, and be sure to thank them for their efforts.

Finally, I want to thank all of the volunteers throughout the fall Series who have stepped up to make it all happen. Your sectionals and regional coordinators do a lot of work so that you can have a Championship Series that means something. On top of that there are local tournament directors and their cohorts who make up the fabric of the UPA our sport. They all deserve a lot of credit and a lot of thanks.

That said, enjoy the weekend, play hard, play fair, and may the best teams win. I know who I'm pulling for...

Tournament Staff

If you have questions during the tournament, these are a few key people who should be able to help.

Tournament Coordinator - Patty Sebby
Competition Director - Dave Raflø
Merchandise - Joe Gorman
Head Observer - Romey Connell
Head Scorekeeper - Jen Christianson
Media Coordinator - Dave Samuels

Patty and Dave will be staying at the tournament hotel (Holiday Inn Lakewood Ranch). All tournament questions should be directed to the tournament staff listed above. Look for the folks in the purple shirts.

*Joey Gray (UPA Exec. Director) playing with Holes and Poles and Will Deaver (UPA Championship Director) playing with Johnny Bravo, will be available to chat about Ultimate and the UPA when not playing with their teams. Butch Brown, who helped set up the tournament, will be playing with Florida. Questions for him should initially be directed through Patty or other tournament staff.

Greetings from your National Masters Director

This has been a singular Fall season, to say the least. The term "distraction" comes to mind, but it is, of course, a gross understatement, and insulting. Much of what was crushingly important before seems trivial today. It is, and it is not. And here we are.

We have been admonished by our leaders to go about our normal business, and we will, and we will play. Play hard. Play to win. All the while, though, our thoughts and hearts will be with those who have lost their lives and lost their loves, and with those now making the continuing sacrifice to keep us as safe as is possible in these new days, so that we can go about our business of play. Those good people do not now have the luxury of play, so we will play on their behalf, as they fight on ours. And as we compete, I hope and trust that we will all do so with the spirit of unity and fraternity that has characterized our National response to the crimes of 9-11. Play hard. Play to win. But never forget that the player you're matched-up against is your brother.

Good luck to all.

- Peter Giusti, UPA NMD

Students from the Florida College of Natural Health will be giving massages to tournament participants and spectators on Friday and Saturday from 10AM til 2PM. Special Invite

What is the sound of a thousand shotguns shooting, Grasshopper? Merely the prelude to a thousand belches? Or something more? There's only one National Champ in each division, so winning can't be the only reason we play.

KWA hereby invites all Masters teams (and everyone else) to our second annual Glory Days Gun. Time and place: KWA's field after the last round of play on the first day of the tourney, Thursday. Bring yer own can of beer. We'll have some spares but not enough to go around (last year about 100 folks joined in).

Why? Because it is all about the beer? To see old friends? To heckle the spillers? To praise the inhalers? Or, just maybe, by injecting a little fun into the scene, to make it easier to respect, enjoy and honor our adversaries when we confront them in the heat of battle?

Whatever your pleasure, please join us in a salute to the spirit of the game, friendship and all of the non-winning reasons that keep our Ultimate addictions alive.

Player Packs

The captain of each team will be given a ticket for each player on his/her roster. These tickets can be exchanged for a player's pack at the merchandise tent. Player packs include commemorative nationals merchandise, program, and the latest issue of Ultimate Life magazine. If the captain misses the captain's meeting on Wednesday, he or she may pick up tickets for his/her whole team at the merchandise tent.

Spirit Awards

Ultimate has traditionally relied upon a spirit of sportsmanship which places the responsibility for fair play on the player himself. Highly competitive play is encouraged, but never at the expense of the bond of mutual respect between players, adherence to the agreed-upon rules of the game, or the basic joy of play.

- UPA 9th Edition Rules of Ultimate

Team Awards - Following every game, each team will be asked to rate its opponent on a scale of 1-5, with 5 being the rating for the highest level of sportsmanship. These ratings will be averaged and the team in each division with the highest rating will be awarded the Team Spirit Award after their division's finals.

Individual Awards - Teams will each be asked to nominate a player from their own team who they feel displays the highest level of spirit. The definition of spirit is up to each team, but might include elements of sportsmanship, leadership, perseverance, fire, etc. Choose the person whose attitude you wish other people on your team would emulate. Individual spirit winners will receive a medal, visor (courtesy of Gaia), and the latest issue of Chasing Plastic magazine during halftime of their division's finals.

All games are to 15/17. Listed game end-time is the cap-time and the cap (two points) is on after the first score after cap-time. Overtime: A game goes into overtime at 14-14, unless the game is capped so that the winning score is 15. Each team has two timeouts per half. Regardless of how many timeouts a team has used before overtime, during overtime each team has one timeout.

In a few years when our grandchil-
dren ask us to tell a story, we'll tell
the tale of our One Last Ditch Shot
at Glory, of America's team - red,
white, and blue, of how we played
frisbee and did other things too, of
how we enjoyed the freedoms of
this great nation and what excuses
we gave to go on this vacation!

The Ultra-StarTM

Discraft is celebrating the 20th anniversary of the introduction of our 175 Gram Ultra-StarTM. We are proud of the relationship that we have developed with players, tournaments, promoters and especially our involvement for the last 10 years with the Ultimate Players Association. We make every effort to ensure that each Ultra-StarTM that we produce meets the high standards that the world's top ultimate players and teams demand. 20 years ago we knew that the sport of Ultimate was here to stay and would some day grow to be a major sport. Each year thousands of new players worldwide play and help promote Ultimate and bring the sport to all corners of our planet. Discraft would like to thank each and every one of you for your support and we look forward to the next 20 years working to help with our common goal of growing the sport of Ultimate. "We work hard so you can play hard" Good Luck to All.
