## 2006 UPA CLUB CHAMPIONSHIPS

### Tournament Staff

A lot of fine volunteers will be working hard this weekend to ensure that the tournament runs smoothly. Look for tournament staff in the red staff shirts, and if you have a specific concern, ask a staff person for one of the following key people. They'll be able to help you out.

**Tim Naylor**  
**Matthew Bourland**  
*Site Coordinators*  
**David Raffo**  
*Competition Director*  
**Shiellah Quintos**  
*Volunteer Coordinator*  
**Greg Connelly**  
*Head Observer*  
**George Cooke**  
*Head Scorekeeper*  
**Ryan John**  
*Media Coordinator*

### UPA Headquarters Staff

The UPA staff will also be on hand at the event in various capacities. Feel free to grab one of them, if they aren't busy playing or running the event, to pass along ideas or just to say hey. We look forward to spending some time out of the office with the people we work hard for every day.

**Sandie Hammerly**  
*Executive Director*  
**Will Deaver (Johnny Bravo)**  
*Championship Director*  
**Kelley Kneib**  
*Administrative Assistant*  
**Ryan John**  
*Media Director*  
**Matthew Bourland**  
*Championship Series Manager*  
**Kyle Weisbrod (Johnny Bravo)**  
*Youth Development Director*

# Welcome

Welcome to the 2006 UPA Club Championships! Whether you are here as a player, fan, volunteer, or curious local, we hope that your time at the event is one that you'll always remember with a smile.

Obviously the focus of the weekend will be on the competition, which will feature the highest level of Ultimate in the world. All four UPA Champions from last year are returning to defend their titles, with three of the four entering as the top seed in their respective divisions. Although the Riot women may be seeded #2, you can bet they are still the favorite in many eyes to capture the elusive three-peat. Beyond the undisputed top teams in each division, there is probably more parity than ever in the pack of teams waiting to knock off one of this year's giants. It's why we play the games.

In addition to the action on the field, there will be lots of other happenings at the field site. UltiVillage will be capturing footage of the event and will provide daily highlight clips on the tournament website, as well as DVD coverage of each division. Maybe you'll make a Clip of the Day! Check out Gaja's official tournament merchandise and other Ultimate gear for sale at tournament central. Food vendors will have great grub available so you don't ever have to leave the complex. As always, free beer will be available each day in the Beer Garden. You must be 21+ with ID to enter, and you can't take beer you get there outside the Beer Garden area. You're welcome to bring your own beer to the event, but free tournament beer has to be consumed in the Beer Garden. Please drink responsibly and be respectful of the Beer Garden rules and staff.

After you leave the fields, enjoy yourselves around Sarasota and Siesta Key. Drink specials have been arranged at two places on Siesta Key for Friday and Saturday nights (see below). Regardless of what you do with your free evenings, please be respectful of the places you go, including where you are staying, or risk losing the privilege for you or others to stay there in the future. Good spirit.

Above all, enjoy yourselves, play with class, win or lose, and be respectful in everything you do on and off the field. Have a great weekend!

# Competition Rules

- All games to 15, win by two, cap at 17. Finals also to 15/17.
- Half-time is 10 minutes.
- Each team has two timeouts per half.
- Regardless of how many timeouts a team has used before overtime, during overtime each team has one timeout.
- Overtime: A game is in overtime if tied at one point less than original game total, and the winning score will exceed said game total. (e.g. In a game to 15 goals, overtime occurs when the score reaches 14-14 and the minimum winning score is determined to be 16.)
- Time-cap goes on at end of round time on schedule. Add two points to higher score after first score after time-cap. Play to that new point total (no more win by two), or to 15 (win by two), whichever comes first.
- Hard-cap will be put into effect for all pool and placement games (5th-16th). The hard-cap will go on 35 minutes after the time-cap for pool games and 20 minutes after the time-cap for placement games. When the hard-cap goes on, finish the point in progress and the game is over. If it's tied, play one more point.
- Caps do not affect timeouts

## Placement Game Rules (5-8 and 9-16 on Saturday)

### *For games that could affect the strength wildcard:*

- If a game will determine a strength wildcard, or leads to a game that might determine a strength wildcard, it must be played. If a team still chooses to forfeit such a game, that team's region/division will not be eligible for any nationals' wildcards the following year (size, strength, growth), unless given a specific exception by the National Division Director.
- Special case: In the first round of the 5-8 bracket, if there are exactly two teams in contention for a strength wildcard, those teams will play each other in that first round regardless of the originally scheduled match-ups.

### *For games that do not affect the strength wildcard:*

- If neither team wants to play a scheduled game that leads to another round (i.e. semis for the 5th, 9th, 13th brackets): Those two teams finish tied for the placement of the lower portion of their bracket and the other game is now for two higher spots. (e.g. In a 9-12 semifinal game, the two forfeiting teams would be tied for 11th and the other semifinal would become the game for 9/10.)
- If neither team wants to play a scheduled game that does not lead to another round: Both teams will finish tied for the higher placement, since they went out at the same time.
- If only one team wants to play a scheduled game that leads to another round (e.g. semis for the 5th, 9th, 13th brackets): The forfeiting team will finish at the bottom of its respective bracket (i.e. 8th, 12th or 16th).
- If only one team wants to play a scheduled game that does not lead to another round: The game will be treated as a loss for the forfeiting team and a win for the other team, with final placement reflecting that outcome.

## SITE RULES

**No Glass!!!!** This is important. We're at a world class polo facility. Some of these horses are worth more than your homes. If you are found on the fields with a glass container, you will be told to leave the polo club for the duration of the tournament.

**No Dogs!** Leave your dogs at home. In addition to normal problems caused by dogs at events, they can spook the horses, which could cause us to lose our privileges at the polo club.

### **Rima Viliamas-Boncha**

May 7, 1979 – Oct. 5, 2006

For those of us fortunate enough to have known Rima Viliamas-Boncha, we can tell you with great certainty that she was a living example of what being part of the ultimate community is about. She was the type of friend, teammate and advocate we all hope to be. Through Ultimate, we become more than competitors, we become family. It is in light of this sense of unity that we pay tribute to her this fall.

As a player, Rima had her hand in many aspects of the game – captaining college and club teams, coordinating series tournaments, running Cleveland summer league, organizing women's clinics and playing competitively at the club level. She had all the throws, and as her competitors know, that included a threatening huck, low-release break and unstoppable high-release backhand. As an advocate of Ultimate, Rima could often be found smiling and playing somewhere across the country, be it with teams in Austin, Hawaii, Mars, Poultry Days, Gender Blender, New Years Fest and more.

Beyond her contributions to Ultimate, what made Rima so special was the way she touched our lives. She was always there with a smile, whether it was a game, party or hanging out with friends. Her positive attitude made her uber fun to be around and the type of friend who showed us how to live life to the fullest.

In June, at age 27, Rima was diagnosed with an aggressive form of cancer. On July 7, she lived her dream of marrying Jeremiah Boncha in front of family and friends in Cleveland. Although she lost the fight to cancer after just four short months, we will continue to celebrate her life and will always remember her on and off the field.

---

On Oct. 1, 2006, two Ultimate Frisbee players from the Gendors, Will Wiersma and Doug Baker, were tragically killed in a solo vehicle accident on the way home from Regionals in Scottsdale, Ariz. where (to their great delight) they had just qualified for the UPA Club Championships.

### **Douglas Cameron Baker**

Nov. 25, 1980 - Oct. 1, 2006

Douglas Cameron Baker was born on Nov. 25, 1980 and was raised in Hoffman Estates, Ill. He is survived by his parents John and Marilyn, his sisters Jennifer and Melissa (Jamie) Howard, and his girlfriend of 6 years, Linda Strubbe. Doug received his B.S. in mathematics from the California Institute of Technology in 2002, and was a Ph.D. candidate in Mathematics - Functional Analysis at the University of California at Santa Barbara. He planned to become a professor of Mathematics. While in high school,

Doug participated in the state level mathematics competitions. During these competitions, the students would play Ultimate. Thus began his passion for the game.

# In Memoriam

As a Ph.D. student, Doug breezed through his examinations. He frequently received very high evaluation scores from students in his math classes at UCSB. His students and colleagues commented on Doug's patience, availability, willingness to help, and his in-depth preparation for the courses he taught. Doug participated in a weekly game of Bridge and enjoyed a good battle of Settlers of Catan or Magic. Those who had the good fortune to play with Doug would agree that he was very passionate, driven, stayed true to his principles, and exemplified the word 'teammate'. "Doug was a man of great integrity. He was the most committed and dedicated teammate that I have ever had. Doug never just 'showed up' - he always played with purpose, passion, and desire," said Sam Corbett (SB Gendor and LA Monster Teammate). "He would make fun of himself as much as he would make fun of others. He would never hold mistakes against you. He would never judge and always welcomed criticism. He was selfless and generous. His blunt honesty reflected a sincere, genuine individual who would do anything to support his friends and family," said Neda Bagheri (SB Gendor Teammate). A note from Doug to the Gendor's captain just a few days before sectionals read, "I can't tell you how fortunate I feel that the core gave me a chance to play with this team. I've enjoyed playing this season far more than any other club season." This would have been Doug's first trip to the UPA Club Championships.

## William Jae Wiersma

Sept. 8, 1983 - Oct. 1, 2006

William Jae Wiersma was born in Chung Joo, South Korea on Sept. 8, 1983 and grew up in Grand Rapids, Mich. He is survived by his younger sister, Natalie, and his parents Tom and Laura. He graduated magna cum laude in three years from Westmont College (Santa Barbara, Calif.) with a Political Science major / International Affairs emphasis. He then studied for a year at Oxford University (Oxford, UK) with a focus on Business, Philosophy and Economics. He intended to earn his MBA at a top-10 business school after he got his first job. He was hired and started that job at

Commission Junction in Santa Barbara on Sept. 25, 2006.

Will was a joyful and committed Christian. He was a kind and good-hearted guy who genuinely cared about his friends and his community. He was exceptionally sharp and motivated, and strove to make this world a better place by putting his words into actions. He got involved. Will was also an avid poker player and deeply passionate about Ultimate. He was a budding superstar, with feet and a flick as fast as lightning. Yet Will was extremely humble, and constantly strived to improve upon himself to contribute to the betterment of the team. A recent e-mail from Will to his team read, "Great playing with ya'll this weekend. We know we can compete with anyone, but we haven't really achieved anything yet. I keep asking myself - what can I do to help this team achieve something? I like this quote by Rafael Nadal: 'Stay humble; stay hungry.'" Will's view of 'team' is exemplified in a speech he wrote to his graduating college class, "We should never forget that there are others running the race...and that we are not alone. It is comforting to realize that there are others who are willing to support and help us along the way..." Will's vibrant view of life has touched those around him, as did his quirky smile and the laughter that would reach his eyes. His motto was one he lived up to: "Live each day as if it is your last." This would have been Will's first trip to the UPA Club Championships.

*\* On Sunday, following the Mixed final and before the start of the Women's final, a moment of silence will be observed to remember and honor Doug, Rima and Will.*

# Health and Safety

Medical staff (trainer and EMT) will be available through the event at Tournament Central. Please seek advice and assistance regarding prevention and treatment of injuries or illness.

Directions to the local hospital can be found in the “Directions” section of this program.

## Heat, Nutrition and Hydration

- Heat-related illness occurs where body cooling by evaporation is limited. Sweating depletes the body's salt and moisture, which leads to dehydration. If a player recognizes any signs or symptoms of heat-related illness, he or she should treat the problem immediately.
- Signs and Symptoms of Heat Illness can include change in level of consciousness, abdominal cramps, nausea/vomiting, fatigue/tingling, chills, inability to spit, dry mucous membranes, decreased urine output and change in color.
- Prevention and Treatment of Heat Illness
  - Avoid alcohol, caffeine, and carbonated beverages.
  - Medications such as antihistamines, decongestants, certain asthma medications, and diuretics can increase risk for heat illness. Avoid them if possible.
  - Avoid certain nutritional supplements (such as caffeine and ephedrine) that can dehydrate the body and/or increase metabolism and heat production.
  - Know your body – Be honest! Are you fit enough to perform under current conditions?
  - Drink and eat – Eat and drink (water AND sports drinks) “optimally” before, during, and after play. Potassium is important (good sources include: sports drinks, yogurt, grapefruit juice, bananas, oranges). Sodium is also important (good sources include: sports drinks, vegetable juices, pretzels, nuts, cheese and crackers). After play, carbohydrates are important; foods such as potatoes, honey, cereal, white bread, corn chips, sports drinks, jelly beans, rice cakes, bagels/crackers, gummy candies).
  - Don't drink too much – Over-hydrating can be dangerous if it leads to a fluid and electrolyte imbalance.
  - Monitor your urine – Clear/copious = hydrated. Dark = Need water/electrolytes.
  - Be sensitive to prior illness – If you've been sick, your body may be more susceptible to dehydration.
  - Rest and cool down after play – Find shade, wet the skin, get in front of a fan or breeze.

## Sideline Safety

- Players and spectators should make every effort to keep objects, including but not limited to bags, strollers, chairs, coolers and tents, as far away from the playing field as possible. If there are restraining lines around your field, keep all objects behind the lines.
- If a player feels that an object on the sideline is not safe, s/he should inform Event Staff and should refrain from playing until s/he is satisfied that safe conditions have been established.

# Health and Safety

- The UPA and Event Staff reserve the right to move or remove objects or spectators from on or near the playing field if those conditions are, in the opinion of the UPA or Event Staff, unsafe for players, staff, or spectators.

## Lightning Guidelines

- Event staff will communicate with players and spectators via PA system and field marshals equipped with radios that there is a lightning danger, play will be stopped, and everyone should seek shelter.
- Safe Shelter for players and spectators at the polo grounds include any enclosed building or fully enclosed vehicle with a hard top and closed windows.
- Event staff will use the Flash-to Bang method to determine when to send people to shelter. By the time the Flash-to-Bang count has reached 30 seconds, all individuals should be in a safe shelter location.
- If you can't get to a safe shelter, try to avoid being the tallest object in an open field or on open water. Avoid other tall objects, metal objects, and water. Assume a crouch position with only the balls of your feet touching the ground, your arms wrapped around your knees, and your head lowered. Minimize contact with the ground. Do not lie flat.
- Avoid using telephone land lines. Cell phones are safe provided the person has followed other safety guidelines.
- Event staff will indicate to players when play is going to resume. Team captains should meet at Tournament Central to receive instructions for resuming play and any schedule modifications.

# Spirit Awards

*Ultimate has traditionally relied upon a spirit of sportsmanship which places the responsibility for fair play on the player himself. Highly competitive play is encouraged, but never at the expense of the bond of mutual respect between players, adherence to the agreed-upon rules of the game, or the basic joy of play.*

- UPA 10th Edition Rules of Ultimate

**Team Awards** - Following every game, each team will be asked to rate its opponent on a scale of 1-5, with 5 being the rating for the highest level of sportsmanship. These ratings will be averaged and the team in each division with the highest rating will be awarded the Team Spirit Award after their division's finals.

**Individual Awards** - Teams will be each be asked to nominate a player from their own team who they feel displays the highest level of spirit. The definition of spirit is up to each team, but should include elements of sportsmanship, leadership, perseverance, fire, etc. Choose the person whose attitude you wish other people on your team would emulate and who other players off your team admire. Individual spirit winners will receive a medal, Discraft SuperColor Spirit of the Game disc, and a Five Ultimate fuzzy hat. Thanks to Discraft and Five Ultimate for their support of Spirit of the Game.

**Peter Farricker Spirit of the Game Award** - The spirit award in the Open Division is called the Farricker Spirit Award, named for Peter Farricker, a player who embodied Spirit of the Game to those who knew him and those who played with or against him. This award is given to a player in the Open Division of the UPA's Championship Series adjudged to have exhibited personal responsibility, integrity, and fairness combined with a high standard of playing ability. Each qualifying Open team nominates one player from their own team as the person who best represents the spirit of the game. At the Open Championship, each nominee is honored with a disc, pin or set of Mardi Gras beads. Our hope is that the people wearing the Mardi Gras beads will be connected to Pete, each other and the Spirit of the Game, and become role models for their teammates and opponents. A selection committee watches the open semis and selects one of the 4 semifinal nominees as the winner. The award will be presented after the Open Finals. Previous winners include Moses Rifkin, Andy Crews, Damien Scott, and Jeff Eastham-Anderson.

**Kathy Pufahl Spirit of the Game Award** - The introduction of the Kathy Pufahl Cande Spirit of the Game Award will build upon the foundations of SOTG that are reflected in the Farricker Spirit Award; Ability, Fairness, and Integrity. The Kathy Pufahl Cande Spirit Award will build upon that foundation by also recognizing those individuals who give back to our sport. The Kathy Pufahl Spirit Award is given to the player(s) adjudged to have exhibited personal responsibility, integrity, and selfless contribution to Ultimate, combined with a high standard of playing ability. Each qualifying Women's team nominates one player from their team as the person who best represents the spirit of the game and has contributed in a substantial way to their ultimate community. At the Club Championships, each of the 16 nominees is honored with a disc and a memento reflective of Kathy's love of horticulture. A vote of the qualifying teams will determine the recipient of the Pufahl Award, which will be presented after the Women's Finals. Previous winners include Vida Town and Kati Halmos.

**BAT**

Delton, MI

Captain(s): Rick Eikstadt, Angelo Petrino, Eric Geile

Big Ass Truck was formed in the later half of the 90's by consolidating players from all over Michigan. The Truck roster has varied over the years but you can still see a few of the old guys if you look hard enough. Even looking back to last year, BAT looks a lot different. Almost a half of the team is new to their BAT jerseys. This new blood includes a core of players from the U of M college team and the next generation of Michigan all-stars. One thing is for sure, Truckers, both rookie and veteran, are looking to do some damage at the Club Championships.

CHAIN LIGHTNING

## Chain Lightning

Atlanta, GA

Captain(s): John Hammond, Jay Hammond

Well it's not the year of the "lull" anymore...or is it? Historically using intimidation combined with a general goofiness to confuse our opponents, we have installed the O.S.W.U. to further our mental edge. Realizing that it isn't as much fun for the crowd when we "athletic" it in, we have now added the "crazy stallion" to complement the cerebral approach of our two Junior World Champions and alternate Olympic Kayaker. While our Junior World players preach team dedication and team unity, our veteran coaching staff prefers the freshness factor and individual preparation. Thus Corndog will be unveiled for the Club Championships. Apparently, our game isn't always text book. Usually eliciting responses such as, "What was that?" or, "Why did he do that?" We aim for the Shock and Awe approach to winning games. It's gotten us this far, so I guess we will see where it goes from here....or will we?

## Condors

Captain(s): Jim Regetz, Brandon Steets, Greg Husak

## Death or Glory

Boston, MA

Captain(s): Fortunat Mueller, Josh Ziperstein, Sam Rosenthal, Josh McCarthy  
Coach(es): Ted Munter, Nathan Wicks

Death or Glory (DoG) is one of the most successful teams in Ultimate history, winning six consecutive UPA Club Championships from 1994-1999 and being a major presence since then. DoG is known for conservative offensive play and a variety of defensive sets, and this year's edition is no different. A new wrinkle is the increased reliance on the entire roster, so look for DoG to get stronger through the tournament while other teams more reliant on a couple superstars falter.

The name, taken from a Clash song, signals the willingness to sacrifice all in one final battle for victory. It came after years of frustration at losing in the semifinals and finals.

## Furious George

Vancouver, BC

Captain(s): Jeff Cruickshank, Mike Grant, Andrew Lugsdin, Al Nichols, Oscar Pottinger

Furious George claimed its first UPA Club Championship in 2002. This followed with titles in 2003 and 2005. Nothing will satisfy this angry monkey but a championship in 2006.

## Johnny Bravo

Boulder, CO

Captain(s): Josh "Richter" Ackley, Colin "JV" Gottlieb

Johnny Bravo Ultimate was formed in 1996 under the premise that all players must be under 27 years of age. Since having disposed of that qualification, Bravo has long been a contender at the Club Championships though currently mired in a five year rut of exiting in the quarterfinals. Comprised largely of former University of Colorado (Mamabird) players, Bravo also draws from a diverse mix of college Ultimate backgrounds including Pittsburgh, William and Mary, LSU, Georgia, Wisconsin and Brown. Bravo incorporates talent from Denver, Boulder, and other cities along the front range of the Rocky Mountains.

Johnny Bravo's monicker comes from the stage name Greg Brady used while playing in the family band on the hit TV show *The Brady Bunch*.

## Machine

Chicago, IL

Captain(s): Tim Halt, Bill Finn, Tyson Park, Bill Bostrom

Machine 2006 is making the 22nd appearance of a Chicago Open Elite team at the UPA Club Championships. Windy City, Z, Second Wind, and Chicago Ultimate

## Open Team Info

have all competed in the UPA Series representing Chicago. A young crop of recent college grads joined the team in 2001 and Machine was born. Despite the gear-like logo on our jerseys, Machine refers to the infamous Chicago political structure, not to a mechanical or electrical device that performs or assists in the performance of human tasks.

### Metal

Cambridge, MA

Captain(s): Jeff Graham, Brian Stout, Jason Adams

Metal was born in 2002 as Twisted Metal over phone lines stretching from Amherst, MA to Washington, D.C. A team based on heart and fire, friendship and athleticism, began to take shape and that team has been growing ever since. Though just seven players remain from the Twisted Metal team of 2002, the belief that you don't need to sacrifice fun, sportsmanship and camaraderie to compete at the UPA Club Championships has only grown stronger. Metal is a collection of brothers who play this game for each other.

### LA Monster

Los Angeles, CA

Captain(s): Brian Calle, Will Arnold

Founded by the late Doug Baker in 2004, Monster sought to bring together the best Ultimate players in LA and Orange County to create a nationally competitive team. The team's first year was difficult and it almost

folded after season one. Going into 2005, Monster underwent reorganization with an influx of new players and two new captains, Alex Korb and Brian Calle. In 2005, the newly organized Monster focused on growing LA Ultimate, building a team and getting experience. The 2005 series ended with one thing clear: the team was on the ascent. In 2006, a sophomore member of the team, Will Arnold, joined the team's leadership and helped create a more intense and focused Monster. At the 2006 Southwest Regional Tournament, Monster qualified for the Club Championships by defeating two rivals, PBR and Sack Lunch, becoming the first LA team to make it to the Club Championships in nearly 20 years.

### Revolver

San Francisco, CA

Captain(s): Nick Handler, Chris McManus, Marc Weinberger

2006 brought about an upheaval in the San Francisco Bay Area Ultimate scene. Amidst this chaos, we wanted to start something new—a team with a young core, veteran leadership and a long-term vision rooted in trust, respect and unselfishness. Thus, Revolver was built around several groups of players who had spent years together on the Ultimate field. Though our players hailed from Kaos, Jam, the Oaks and local college programs, it was not long before we coalesced into a single strong unit. It became clear that while our abundance of talent would take us far, each person's willingness to be a role-player would make

# Open Team Info

Revolver the strongest team possible. That, paired with a heavy dose of nasty, blue-collar D, would become our identity. Qualifying for the Club Championships in our first season was a great accomplishment, but in no way are we ready to stop here. The Revolver moon is still rising.

**Rhino**  
Portland, OR

Captain(s): Paterson Seaton

This is our second year playing under the Rhino name, which we borrowed from the well-known Oregon team of the early 1990's. We are a very young team, mostly stocked with current or recent college players from Oregon, Oregon State, and smaller northwest schools. We look forward to going to Florida and having a chance to compete with the best. This will be the first trip to the Club Championships for nearly all of us. It has been five years since an Oregon team has qualified for the Club Championships, so we were very excited to qualify at NW Regionals. We hope to improve on Rhino's last trip in 1994, when they won a total of zero games. Unlike that year, we have no plans involving a security guard, a hotel pool, a gentle shove, and a great deal of trouble with the UPA. We have learned our lesson.

**Ring of Fire**  
Raleigh/Durham, NC

Captain(s): Josh Berkowitz, Dave Snoko

The Ring Nation is under new leadership this year with Dave Snoko and Josh Berkowitz at the helm, taking over for Kris Bass and Chris Hinkle. While they look to continue a tradition of excellence which has seen Ring of Fire qualify for 14 of the past 15 Club Championships, this new leadership duo is also making some changes. Ring's new logo for 2006 goes along with a new offense. Rest assured though, Ring of Fire will be at nationals playing its traditionally hard-nosed defense and athletic brand of Ultimate.

**Sockeye**  
Seattle, WA

Captain(s): Will Henry, Sam CK, Roger Crafts, Ben Wiggins

Sockeye returns in 2006! This year we looked inward, and found our navels staring back at us. We won a lot, which was good, but it was losing that showed us our only opponent is ourselves. Now it's almost over, and we can't see our navels for the targets on our chests. This year, we win and work harder. We're knocked down and come back for blood. We bring everything in every moment, and then stick it in the genius machine and flush it. We've trained our minds and bodies to execute a

## Open Team Info

flawless victory, but Sockeye isn't subtle or sublime. Sockeye doesn't know the answers to your fancy questions. Sockeye is a blunt instrument. We've sharpened our axes into sledgehammers because we like to beat people. We've found where we're going and how we'll get there. We've found the Fish and it is us.

### Sub Zero

Minneapolis, MN

Captain(s): Dave Truesdale, David Boardman, Randy Gage

Sub Zero was born in 1997, just missing the Club Championships in its first year. Since then, Zero has won the Central Region six times and placed second twice more. 1999 saw Sub Zero's lone semifinal appearance at the Club Championships, but there have been several quarterfinal chances since. Last year, Sub Zero finished 6th in Sarasota with a young team. That roster returns to Sarasota largely intact and with another year of experience. Make sure to cover your vegetables and turn up the heat, there is a frost advisory for Sarasota.

### Truck Stop

Washington, DC

Captain(s): Adam Croce, Joe Cuneo, Edward Van Leer

Coach(es): Tom "Worm" Glass

Formed less than two years ago, most considered Truck Stop to be just another Washington, DC team. With a young squad of athletes scattered around the Mid-

Atlantic region, the team hit up a few local tournaments before heading into the 2005 Capital Sectional tournament. After a close finals lost to the sectional powerhouse, Truck Stop limped into regionals and walked away disappointed. However, during the off-season, people started talking. Word spread up and down the coast, infiltrating college and club teams alike. The beginning of the 2006 season brought about a platoon of recruits and a crop of veteran leadership. Truck Stop finally came together at 2006 Furniture City Shootout and hasn't looked back since. The squad's sight was set on the Championships, but it's never enough. Never enough...

### Vicious Cycle

Gainesville, FL

Captain(s): Cyle Van Auken

Vicious Cycle is celebrating the 20th anniversary of its inception in 1986 with its seventh appearance at the Club Championships, including its fourth in the last five years. The team name is inspired and embodied by similar situations to the one that has created the 20th edition: a college town that churns out talented players that are destined to leave for greener pastures. As evidence, only 12 of the 22 players on the roster in 2006 were also on the 2005 Club Championship qualifying group, and only three played in '04, '05, and '06. With the latest crop arguably the most talented in Vicious' history, the hope is that the Cycle will only prove Vicious to the competition this year and for 20 years to come.

**Backhoe**

Raleigh/NC

Captain(s): Molly Doyle and Beth Stagner  
Coach(es): Brian Dobyns

Backhoe. Name passed down from large piece of excavating equipment.

We have a few new faces including a pediatric nurse, a history teacher, an MBA candidate, a good-hearted humanitarian, and a relocated Russian. Many of our veterans are, or masquerade as, programmers, computer professionals, sports performance gurus, new and established doctors, a physical therapist, a singer in a rising alt-country band, a speech therapist, a

Yoga geek who specializes in GIS, a mathematician, an environmental lawyer, a future lawyer, a model, a BED teacher, a graduate student, servers of food and drink, and one is working her way back to Utah. We are 23 who love to play Ultimate as one. Together, we are Backhoe. Coached by the best in the game. Backhoe 2006.

**Bnogo**

Washington, DC

Captain(s): Sarah Smith, Kim Kreitner  
Coach(es): Kim Kreitner

Once upon a time, in the Democratic Republic of Bnogo, there was a gathering of magical creatures of all shapes and sizes. The Frodos appeared first, a Centaur came next, (biologically confused by her place as both woman and horse), a Pegasus, Unicorn and Gay Black Cow followed. A Leprechaun, Gryphon and Nymph showed up. Of course, these are only the most common types of magical creatures, Bnogo has too, a Gizzle, a magical type of Corn that is helpful, Bertha, J-Ho, B1, Goldy, Bounce – and, of course, Magical Lesbians.

This Magical Roster is lead by a friendly and be-nubbed Ewok and fair Princess KK, who with ribbons streaming from her hair taught the Magical Creatures how to throw blades. The creatures dropped it like it was hot, seduced a local bar and dominated helpless men's teams at cups. Most of all, these creatures supported each other – and that's what makes them a Magical Team.

## Box Lunch

Denver/Boulder, CO

Captain(s): C. Keenan and Nicole Husdon

Box Lunch is a Rocky Mountain women's team formed in 2005. We are a talented group of women who hail from teams such as Bad Larry, Belladonna, DTL, Duff, Heroine, Kali, Shazam, PersuaDer, Rare Air, Syzygy, and WORM, among many others. Our goal is to compete at a high level and always have fun doing it.

Box Lunch first got its start when ladies from several Colorado mixed teams played together on a pickup team for the first Colorado Cup in 2003. The chemistry we experienced prompted us to put together a women's team for New Years Fest & Fools Fest in 2004. After those tournaments, we knew Box Lunch 2005 was inevitable.

Our goal in 2005 was to make the Club Championships – check. Our goal at the Club Championships was to make it to prequarters - check. Box Lunch 2006 plans to make this second trip to Sarasota a repeat of 2005 but with even more upsets.

## Brute Squad

Boston, MA

Captain(s): Chrissy Dobson, Erin Baumgartner

Coach(es): Paul Greff

In our fifth year, Brute Squad returns to Sarasota ready to best last year's quarterfinal finish. Led by Coach Paul Greff, we bring a young but experienced roster ready to

attack. Accustomed to (but not satisfied with) being the bridesmaid team from Boston in past years, Brute wrote team history this year with first place finishes at The Boston Invitational, East New England Sectionals, and Northeast Regionals. We are the namesake of Fezzik's motley crew from The Princess Bride.

## Capitals

Ontario, Canada

Captain(s): Josee Guibord & Danielle Fortin

For years, Ottawa's Stella and Toronto's Lotus have fought it out for the top spot in Canadian women's Ultimate. The past two years have seen the teams face off in the finals at the Canadian Ultimate Championships, with Stella winning in 2005 and Lotus bringing home the gold in 2006.

In 2005, after the Canadian season, the women joined forces to compete together in the UPA fall series. They formed the CAPITALS—Toronto being the capital of Ontario, and Ottawa being the capital of Canada. The team's first year was hugely successful. The CAPITALS went into the UPA Club Championships seeded 16th and wound up placing 6th, beating their seed by no less than 10 spots. 2006 marks the team's second year, and from the looks of it, it's shaping up to be a good one.

## Fury

San Francisco, CA

Captain(s): Stacey Schoemehl, Bryn Martyna, Erin Percival  
Coach(es): Matty Tsang

Fury started in 1997, when our youngest teammate was a wee 13-year-old and our oldest teammate already had a few championships under her belt. Fury's first Club Championship came just two years later, in 1999. The second UPA Club Championship came in 2003, a year after swallowing the bitter pill of a one-point loss in the 2002 final. The 2005 and 2006 seasons have been years of major change and growth for Fury – we have learned a new offense, renewed our focus on hard, intense defense, learned from two of the greatest coaches around, and felt a lot of team love and love of the battle. We are eager to face all the challenges ahead of us as a team. Fury. Team.

## GODIVA Lady Godiva

Boston, MA

Lady Godiva was formed in 1987 in Boston, MA, and is one of the longest running teams in women's Ultimate history. Over the years, Godiva has developed a disciplined style of play which has earned the Ladies a berth in the finals 13 times and brought home nine UPA Club Championships. This 2006 season is largely a rebuilding

and restructuring season for Godiva. With a return to the fundamentals, revamping of the team's highly efficient offense and tenacious defense, Godiva is looking to the future. Whatever this season may bring, Lady Godiva continues to raise the level of play in women's Ultimate and is always striving to be the best.

## Layuma

Gainesville, FL

Captain(s): Sara Puyana

Layuma is a Florida Women's Combo team consisting of ladies from Gainesville, Jacksonville, Melbourne, Orlando, Miami and St. Augustine. The team is composed of previous and current FUEL members (University of Florida women's team) and veteran Ultimate players.

Layuma is the natural tendency in humans to desire a higher quality of life.

## MOJO

Midwest

Captain(s): Sarah Zistler, Melanie Scheetz  
Coach(es): Deanna Ball

MOJO: Michigan Ohio Joint Operation. This is MOJO's second season. In 2005, we worked hard to get to know one another, after combining Clutch from Michigan and Collide from Ohio. This year we added six new faces so we decided to do it all over again. We reintroduced ourselves to each other at each tournament we attended. Finally, at regionals, we were all together. We rely on gut instinct, athleticism, and

# Women's Team Info

mojo to get every point and every victory. This trip to Sarasota will see the return of Sarah Zistler—out since July of 2005. Without her insistence and desire, MOJO 2006 would never have happened.

## Nemesis

Chicago, IL

Captain(s): Jessica Hellyer, Carrie Hixson  
Coach(es): Adam Goff

Established in 1986, Nemesis was known as a tough, gritty team from Chicago. Practices were often brutal, and tears sometimes flowed, but never as much as the cocktails afterward. This team coined the true meaning behind the term, "Bring It!" defined by a player who could hang on and off the field; no matter what happened the night before, the layout D was sure to follow the next morning. Never afraid to be "crusty", you often heard statements like "There is no crying in Ultimate", but that time-tested truth went hand-in-hand with fierce team loyalty. The name Nemesis is from the Greek goddess of divine justice and vengeance, whose anger is directed toward human transgression and the arrogance causing it. Nemesis pursues the insolent and the wicked with inflexible vengeance, and that's exactly what any team can expect if they disrespect Nemesis or the Central Region.

## Ozone

Atlanta, GA

Captain(s): Angela Lin, M. Allison Keltner

Ozone was born in 1984. Legends say that the founders ate only garbanzo beans, spare ribs, collards, and shrimp chips throughout the inaugural season. We have since transformed into a team who respects the food pyramid, believes in the barter system, utilizes compressed air canisters for purposes other than dusting, loves lightning storms, and hates getting chased by da po po.

## Rare Air

Boulder/Denver,  
Colorado

Captain(s): Anne Pogoriler, Allison Boyd  
Coach(es): Scott Gurst

In 1986 a group of athletic, fun-loving, Rocky Mountain women formed a team of friends called the Babylon Sisters. In 1991 the team received a clothing sponsorship and became DV8. This was the first year that the team qualified for the UPA Club Championships, held in sunny Florida. Since then the team has regularly appeared at The Show. The team name changed again in 1993 to Rare Air, a name which represented the rare qualities of the individuals on the team, their shared goal to leap for the stars, and their intense training in an oxygen-deprived environment. The name was also taken from the title of a book on an amazing athlete, Michael Jordan, which provided

# Women's Team Info

an endless supply of inspirational quotes, including our favorite: "When I step onto the court, I'm ready to play..."

## Riot

Seattle, WA

scatterriot

Captain(s): Miranda Roth, Jenn Willson

Inspired by the mayhem of the 1999 WTO riots in Seattle, Riot formed in 2000 and charged into the Northwest region. Building on the successful tradition of Seattle women's Ultimate established by Women on the Verge, Riot has earned one world and two UPA Club Championship titles. Our 2006 roster includes key veterans (and their babies!) returning after a year hiatus, players from 2005 looking stronger than ever, and our new teenage phenom. Riot believes success is found through pushing the limits of our abilities; respect, support and trust in our teammates; hard work and discipline; accountability and selflessness; and focusing on the present to gain success in the future.

## Safari

San Diego, CA

Captain(s): Shar Stuht

The BIG GAME hunt, Heads mounted on the wall. Men touting shotguns and others touting wide lenses and handfulls of film. Journeyman in pursuit on the African

plains. Is this the image of Safari?

Let us clarify: We are not men on a high-class hunt. We are women decorated with a name embodying both sides. Sometimes we are the hunters and sometimes we are the elusive prey.

Safari is a word derived from the Swahili verb meaning: to journey. As a team named Safari we all agreed to embark on a journey enriched with friends, experiences and struggles. Sacrifices undoubtedly were made. Time taken away from family and career. But, isn't it worth it? In the end isn't it the journey that defines? As the popular saying goes: "No journey worth taking is easy." But, it is worth taking none-the-less.

## Showdown

Texas

Captain(s): Katey Forth, Nathalie Guimard

After battling each other throughout the years in college and club, the tumbleweeds have finally aligned and the stars collided. Through the swinging saloon doors emerges a Texas unified, independent and ready for a showdown. We're a tight group on the field, track, dance floor and in the jailhouse, and we are ready to make our mark. Listen for the whistles, but don't wait for the dust to clear ...there's about to be a showdown.

## Wicked

Philadelphia, PA

Captain(s): Beth Pfeiffer, Sara Gifford,  
Mary Ellen Hoffinan

This team of fantastically attractive women springs from Connecticut, Central PA, New York, New Jersey and Philly to play disc. We love Lionshead beer, sunset walks on the beach and working it on the Ultimate fields. In this, our second year together, we look forward to our debut in Florida as a nationally ranked club team and to the great spirit and competition that is women's Ultimate.

**Bad Larry**  
Denver/Golden,  
Colorado

Captain(s): James Beeby, Julie Beeby

This is our seventh trip to the UPA Club Championships; our fifth with Matt Hynes. He still hasn't gotten the hint that he is cut. We could really use your assistance. If you see him looking for our team on Thursday morning, please inform him he has been cut. He's No.7. Thanks for the help.

**Amp**  
Philadelphia PA

Captains: Jeff Snader, Kathi Jenkins, Peter Knappenberger

Amp is based in Philly, and is proud to represent the Founders' section in Sarasota for a second straight year. Formerly known as Donkey Bomb from 2000-2005, we decided a name change was in order for 2006. We adopted Amp this spring at the Beth Coltman Tournament in Delaware. Simply put, several teammates drink way too much of the stuff, so we chanted Amp in the huddle. We liked the mantra-like sound, and the name stuck.

Amp's 2006 season is dedicated to the

**Brass Monkey**  
San Francisco, CA

Captain(s): Nathan Miller

Brass Monkey is a grouping of primates who converged in 2004, in an area primarily known as "The Bay". Although they may appear to be friendly and nice, many people believe that these monkeys should not be kept as, or thought of as, pets. This season, BM also discovered that: monkeys look good in jerseys, commuting is fun, nickel is the new black, acoustic versions of songs are gravy, dominoes are rad, and monkeys like to WEAVE!

# Mixed Team Info

## Deliverance

Tennessee

Captain(s): Derek Hagman, Garret Westlake

Mountains rising from mountains. The oldest mountains on the planet. Lands dark and deep with old trees and slopes that look inviting until you try to go up. Places settled only by the hardest of souls. Early Americans trying to carve a home on a rugged frontier. People trying to find Deliverance. From those hills comes the myth of the hillbilly, the toothless redneck who will kill you for trespassin'. But what would you do if the soil was too rocky to grow more than a couple of bushels of corn. You to might protect your hollar from outsiders when that hollar contains a still. The southern Appalachians and the state of Tennessee are home to generations of hardscrabble folks, making their way the only way they know how.

## **MOE** Flaming Moe

Minneapolis, MN

Captain(s): Anna Hagstrom and Dave Klink

Flaming Moe hails from Minnesota and practices in the Twin Cities. The team was conceived during the fall of 2000 and first found the field as Flaming Moe at Cooler 2001 led by Brad VanSpriell, Steve Moe, and Tom Walker. The name was at

least partly inspired by a certain popular animated TV show episode. With each season that followed, Moe has gotten a bit more organized and found greater success on the field, but still we strive to preserve the good-spirited camaraderie on which the team was founded. Team members are still chosen based on attitude and spirit, in addition to talent and skill. After five years of missing qualification (including several near-misses), Flaming Moe is extremely psyched to join in the big dance 2K6!

## Gendors

Santa Barbara, CA

Captain(s): Steve Dugan

## Hooray for Coed, Hooray

State College, PA

Captain(s): Tom Pribicko and Herschel Tubbs

Four years ago, Hooray for Coed, Hooray stormed onto the scene with no practices or tournaments, yet made it to the game-to-go in their first year. Originally, the team was composed of a very small roster of State College and Penn State men and women. In the past two years, the squad has changed drastically towards a younger and larger team that includes friends from around the Mid-Atlantic region. Players from Maryland, William and Mary, Swat, and George Washington were added to the original core of Penn State players providing this team great depth and success in 2K6.

## Mixed Team Info

Our team name is pretty self-explanatory: Hooray (we're excited)... (for what?) for coed, Hooray (we're really really excited)!

### Horse\$how

Portland, OR

Captain(s): Jeff Flynn, Stacy Hubbard

We have spent the entire season making things difficult for ourselves. These include but are not limited to: (1) changing our entire offense between Sectionals and Regionals; (2) losing (but only temporarily!) five key players to freak injuries; (3) moving practice to The Couv; and (4) having twins. We've got some teeth left.

### Mental Toss Flycoons

Missoula, MT

Captain(s): Michael Faris, Daphne Evans

The Mental Toss Flycoons hail from a relatively small town nestled at the center of five fabulous valleys. Our town's neighbor is the Rattlesnake Wilderness area, which is home to elk, moose, cutthroat trout, grizzly bears, and the occasional wolf. These vast open spaces and wild lands are exactly the things that motivate our team. Many of us make a living working in these wild places and the folks that don't work in them live in Missoula so we can recreate there. We spend some time on the Ultimate field but more time on skis, snowboards, rock faces, trails, or one of the many rivers in our area. All of these things meld into our name,

"The Mental Toss Flycoons" where Frank Zappa proclaims he is "moving to Montana soon". Though, we love visitors please, please think twice before moving to our own little icy wasteland.

### Mischief

Sunnyvale, CA

Captain(s): Kris McQueen, Brynne Speizer

Mischief is in its fourth year of existence, and has been steadily improving each year. Starting in 2003 as a rag-tag group formed from three Northern California mixed teams, Mischief qualified for Northwest Mixed Regionals, finishing in the bottom half. Through heavy recruiting efforts, including a polar bear and five infants, Mischief grew in strength, heart, and attractiveness. Our Club Championships journey of 2005 whetted our appetite for success, leading to extensive training of new techniques for crushing our opponents...in kabbadi. Yes, the beach is our domain, and since Florida has an estimated 1200 miles of beach, watch out!

# Mixed Team Info

## Mr. Briefcase

Chicago, IL

Captain(s): Tony Ruth

Mr. Briefcase debuted on the beach in Santa Monica at Lei Out 2005 as a Midwest/Bay Area combo to surprising success. After many different variations, we are now a Chicago Coed series team with three original cast members from that first tourney. The name was coined originally by Cleveland Indians catcher Jake Taylor as a reference to the pencil neck attorney who stole his ex-wife in the movie *Major League*. As Mr. Briefcase, we like to think that though we all spend too much time in the office/classroom/earthmover, but we can still step up and play some real Ultimate when it counts. Fun Fact: Lee Ritenours' "Mr. Briefcase" was the 21st video ever played on MTV, right up there with Pat Benatar and The Buggles.

## Puppet Regime

New York, NY

Captain(s): Alex Bellows, Kevin Cale, David Danzig

Common knowledge has led most to believe that with the end of the Cold War, the threat of a seemingly independent state operating at the behest of a more powerful entity lurking beneath the surface has disappeared. However, there continues to exist such a threat deep in the heart of Gotham. While

the rest of the Mixed Ultimate teams believe their fate lies in their throws, speed and hops, little do they all know that they are merely part of a force much greater than they – THE PUPPET REGIME. Pulling the strings on the Ultimate world, 27 (mostly) young athletes will take Sarasota by force in 2006, determining the fate of the masses. Prepared to return the past glory of Ultimate championships to New York, the old guard has brought in hordes of fresh talent to join in the reckoning. Fear the Puppet, and beware of the Meatball.

## Rival

Atlanta, GA

Captain(s): Michael Wood, Ned Coker

Man vs. Nature. Good vs. Evil. Pirate vs. Ninja. Since the beginning of time (approximately 6,000 years ago, according to our sources), opposing forces have pitted themselves against one another in a continuing battle of strength, will, and outlandish apparel. Much more than just a mixed Ultimate team, Rival sees itself as part of this comprehensive cosmic contest. While average citizens "go to work" and "wear clean underwear," Rival dedicates its time to seeking conflict in the world and, when unable to find it, creating it. Whether scoring a Callahan with a layout D or telling you that you look really fat in those jeans, Rival lives daily by the code that giving people hell is more than just an amusing way to pass the time; it's a way of life. Wherever there is peace, Rival will fight for strife. And vice versa.

### Mixed Team Info

## ¡The Salsa Police!

Northfield, MN

## Slow White

Boston, MA

Captain(s): Captain Polygon

Captain(s): Kris Kelly, Mike Miller

[illegible]

Slow White was born July 22nd, 2004, the brainchild of one Stephen Sullivan. The name was reached rather quickly after we discovered, to much chagrin, that our other choices "Good Larry", "Flaming Homer" and "The Gary Larson Experience" were all far too close to the names of teams already in existence. The 2004 season was one of discovery for us, as we fell short of our goal of reaching the UPA Championships, but in the process saw the great potential that lay within the core of our team. In 2005 we fortified our roster and after a fairytale run ended up finishing sixth in the country, earning a bid to Worlds 2006 in the process. This year Slow White looks to improve once again, and remember, winners win.

## Tandem

Somerville, MA

Captain(s): Jennifer Kim, Jon Jay

Conceived last year on the beach in Sarasota. Named Tandem, as in, "Yeah, we ride tandem."

## Ball and Chain

Atlanta, GA

Captain(s): Gregory Allpow

Ball and Chain finished second at East Coast Open Sectionals behind Chain Lightning. Middle Georgia's Smoke Shack gave us two great games (three-point differential both times) in pool play and for the second place spot. Also, another young Atlanta team, Urban Achievers, pushed us to a tie score and were beaten at the cap. At South Regionals, Ball and Chain finished first, but had to buckle down big time on Sunday with complete focus and utter determination to beat the "home team" Arkansas Swillbillies on Sunday after losing to them in pool play on Saturday.

## Above & Beyond

New York, NY

Captain(s): Dave "Flash" Fausel

Dave Fausel and Joe McHugh formed Above and Beyond in Brooklyn three years ago with the original goal of having no one on the team older than Chicken Joe. Since then that plan has been blatantly abandoned as we've gone Above and Beyond the age parameters to add Steve Mooney (48), Matt Jefferson (44) and a trio of 42-year-olds: Tommy Stoughton, David Goldemberg and Greg Phillips.

## Boise Big Sky

Boise, ID

Captain(s): Christopher S Eaton  
Coach(es): Pat Benson, Kerry Karter

We are from Boise Idaho. We've been beat by the best. Our region is tough! We drive many miles and sacrifice much time to play Ultimate here in Big Sky country. Always having difficulty getting numbers, being disliked, crushing, and getting crushed in the northwest, we've learned a lot. We're pretty tough dudes. We don't practice much and we're not very organized. But we'll be your gritty nemesis at least. Whatever the circumstance, we love this sport; playing,

watching, and heckling it. Nothing's more fun than going to battle with your buddies. Except for drinking beers with them afterward. We're all strong friends - for life. Fortunately, we've made other friends in the region over the years. We've acquired players from the Big Sky section, Bay Area, and Canada. To our benefit, we've aged and become wise. Now we're able to fill a roster AND compete at the UPA Club Championships as Masters.

## Boneyard

Durham, NC

Captain(s): Dwayne Purper

A visit to a graveyard in Haiti in 2005 prompted some unorthodox activities that resulted in the resurrection of Ultimate careers that were thought to be long dead. Boneyard comes at you with implacable zombie zeal.

## Chico's Bail Bonds

Indianapolis, IN

Captain(s): Michael Labellarte, Ed Lizak

We will be out to accomplish two Goals 1) Repeat as Spirit award Winners 2) Finish in the top-four or higher. We've added some new talent and speed and this Indy/Cincy combo team will be poised and ready to take it to the next level.

## GLUM

Ottawa, Ontario

Captain(s): Brad Rollo, Chris Keith (D Line), Andrew Morrissey (O Line)

GLUM was born in 2003 as an outlet for former Green Light Ultimate (Ottawa Open team) players to stay in the competitive hunt without all the hard work. In their inaugural year, GLUM placed ninth in Sarasota and really learned what it would take to do well at the UPA Club Championships. The team returned to the Club Championships in 2004, placing fifth and defeating the Miami Refugees in their last game as a team. 2005 was a massive disappointment one in which GLUM missed making the Big Dance. Despite our poor showing, GLUM used 2005 as a valuable learning experience, one where we learned we could no longer just show up at Northeast Regionals and expect to win. Back to business in 2006 and with something to prove, GLUM is here to improve on its previous finishes and become only the second Canadian based team to win a UPA Club Championship.

## Ironwood

Phoenix, AZ

Captain(s): Russel Trotter and Jack Smith

Here in the Southwest desert there grows a tree. We of the Southwest desert have adopted the tree as our force guide, Ironwood. The Ironwood tree grows for over 1500 years. Our team member's ages add up to a mere 984. And our combined

# Masters Team Info

Ultimate experience adds up to only 343 years. Guess we'll keep on growin' as well. Ironwood. It is the 2nd densest wood in the world. Yeah, well we're pretty damn dense too. Ironwood. A name for a name's sake? Perhaps. But I've seen these guys at tourneys. Ironwood.

## Old and in the Way

Boulder/Denver, Colorado

Captain(s): Bob Pease, Gary Foreman, Bo Esrey

This team has been the landing area for countless aging Colorado huckers, providing competition, camaraderie and cold beers for over 20 years. We have a great legacy – we've won two UPA Club Championships (1999 & 2005) and one WFDF World Championship (Heilbronn, Germany 2000) and have finished either first or second in the Master's division of the UPA Club Championships six out of the last seven years in the Masters division. We are proud of our record but also gain great satisfaction in being a great TEAM – familiar faces tackling new challenges every year. Good luck to all the teams in the 2006 UPA Club Championships Masters Division.

## Rust Belt

Pittsburgh, PA/New Jersey

Captain(s): Stu Snodgrass

Leave a bar of solid iron out in the elements and let it sit there for a year; it'll rust. That's what happened to Iron City Ultimate after our 2005 Club Championship appearance. Exposed to the harsh Western Pennsylvania winter, a change took place, and what emerged was a team that retains its core of Pittsburgh heavy metal, but now spreads across the country's historical industrial heart. From the stockyards of Chicago to the shipyards of New Jersey, this team draws its ethic, and its members, from the places that built America. We play like our predecessors worked: hard, together, and with pride in what we can produce when each man does his job and trusts his buddy to do the same.

People say the Rust Belt's best days are behind it--its factories shuttered, its furnaces quiet and cold--but there's strength in steel, even when time corrodes its surface, and Rust, as everyone knows, never sleeps.

## Silverbacks

Gainesville, FL

Captain(s): Scott Nolf, John Hassan, Joe Welch, Eric Lewis and Ted Kubisek

Coach(es):

We are a team made of many players who have played in the South most of their Ultimate lives - some as teammates and others as rivals. We are starting to have a lot of fun and plan to have much more at the Club Championships. We play with SPIRIT and we hope that it shows. We are a very intense group of players but always play clean and spirited Ultimate. It will be a great weekend to see old friends and meet some new ones. To all a great Club Championships and will see you on the fields.

Hasta SILVERBACKS

## Surly Ultimate

Minneapolis MN

Captain(s): Eric Enge, Jim Mott

Our team perennially claws its way off the Tundra, in a desperate attempt to escape (if even for a short while) the cold weather, screaming kids, and women who simply refuse to leave us be. Brown season started this week. The beautiful reds and golds of autumn are rotting in the gutter. Bare trees scratch at a leaden sky. When night falls, shivering Boy Scouts appear at our doors, selling green spray painted holiday wreaths for \$35 apiece. It snowed yesterday. Yes,

it snowed. If your fields were a muddy ice rink right now, how hard would you fight for a spot in Sarasota? Wonder why Genghis Khan made for Italy? Curious as to the Vikings' motivation as they set oar for southern France? I know. Eight years in this icy, sun-forsaken swamp, gives me a strong urge to grab my buddies, a few sharp sticks and raid the south myself.

## Throwback

Seattle, WA

Captain(s): Brook Martin

Things don't get any worse. The keg has run dry. The union bosses called for a strike, but some crossed the picket line. Who are these scabs, these throwbacks?

First and foremost, we are visionaries: We have strange apparitions of knocking turtles off of posts, of placing mental midgets on the chopping block. We have dreams of swinging from trees with mohawks, in white-washed jeans and loving acid rock. We have revelations of quibbling over de-evolution on the slow train to the Club Championships.

We have subscribed to a hardcore regimen of completely optional practices; of eventually, starting sooner in the season, and throwing back a few ale's after our wins. We do not approve of cute duck's.

Lastly, we are professional manipulators, masters of the age-old game within the game.

We are bringing a shrewd and devious agenda. We are already in your head.
