WELCOME

The culmination of the most competitive Ultimate season in the world, the 2012 USA Ultimate Club Championships, will showcase the best that the sport of Ultimate has to offer while providing an amazing finale to a season of hard work for 60 teams and 1,500 athletes from throughout North America. More than 650 teams and 13,000 players competed in the regular season and Championship Series, and only one team each division will walk away from Sarasota as champions.

All four 2011 champions are back to defend their titles, while a host of contenders will look to unseat them. The competition is going to be tougher than ever, with a very deep field of teams, courtesy of the new official regular season, rankings, and strength bids. In addition, teams in the Mixed, Open, and Women's divisions will be competing for spots in the Pro and Elite Flights of the 2013 USA Ultimate Triple Crown Tour. The best of the best will earn exciting opportunities for their teams in 2013, which will continue to help promote and grow the sport. Everyone has a shot, so every game matters. Check out details about this exciting new competition structure in the Triple Crown Tour brochure, included in your player pack, or available at the USA Ultimate Info tent.

Select games will be showcased each round on Field 12, both for fans at the event and those watching online. USA Ultimate looks forward to continuing to make these top teams and exciting action more accessible and more entertaining than ever. Check out the USA Ultimate website for coverage throughout the event, including video, photos, and daily write-ups.

In addition to the action on the field, there's a lot more to enjoy at the event, including great food and beverages, awesome tournament gear, and a host of exhibitors, games and activities. Five Ultimate is this year's official merchandiser, so go check them out at the main pavilion. Medical staff and massage therapists are available to get you ready to play and ease those aches and pains. We'll also be running a Learn to Play program on Saturday morning between quarters and semis for new players in the local community. Come by the USA Ultimate Info tent to learn more about how to get involved with learning about or helping to teach the sport.

While you're at the event, please remember to be respectful of the field site, other attendees, and event staff. Read and follow the site rules, including disposing of your trash and recycling, and following the rules for parking and the consumption of alcohol. While you're in Sarasota, please remember to be respectful of our host city, including the places you are staying and the businesses you patronize. We should always strive to have Ultimate leave a city with a great impression of the sport and the people who play it.

Finally, remember to compete in a way that earns the respect of your opponents and everyone watching, and that showcases the best that sport has to offer. Good luck to all the teams and athletes. We look forward to providing an amazing experience for you and fans of the sport.

- Half-time is 10 minutes.
- Each team has two timeouts per half.
- Regardless of how many timeouts a team has used before overtime, during overtime each team has one timeout.

2013 USA ULTIMATE TRIPLE CROWN TOUR

The USA Ultimate Triple Crown Tour is the new name and new structure for the USA Ultimate club season, including the summer Regular Season and the fall Championship Series for the Men's, Mixed, and Women's divisions. Teams in this structure qualify into one of four "Flights" based on their finish in the previous year's Championship Series. Qualification for the 2012 Club Championships means all teams at Nationals have earned their way into one of the two top

Flights (Pro or Elite) for 2013. At the 2012 Club Championships, quarterfinalists will earn one of 8 spots in the 2013 Pro Flight. Semifinalists will earn a bid to the 2013 U.S. Open Championships. The bottom 8 teams at Nationals will be placed into the Elite Flight for the 2013 Triple Crown Tour. For more details on this exciting new structure, please refer to the Triple Crown Tour insert in your player pack, or available at the USA Ultimate Info Tent.

2012 PLACEMENT GAMES

Rules governing the playing of placement games and their impact on the 2013 for all 4 divisions are detailed in the Competition Rules document, distributed to each team prior to the Club Championships and reviewed at the Captain's Meeting. Please check with your team captain or the Competition Director for questions or clarifications.

VC GREEN PROGRAM

USA Ultimate and VC Ultimate are once again partnering to make the 2012 Club Championships a green event. Clearly marked recycling containers are located throughout the facility. Please be sure to put recyclables and trash in the appropriate bins.

VC ULTIMATE GREEN PROGRAM AWARD

VC Ultimate is excited to be running the VC Green Program Award again for the 4th year straight. VC and USA Ultimate have worked tirelessly for the last past four years to offer recycling at the Club Championships. Again, we're asking for your help to make this program a success. Each team captain will receive two recycling bags when he/she checks-in at registration. More bags will be available throughout the weekend at the VC tent.

The team that returns the most recycling bags (minimum 60 percent

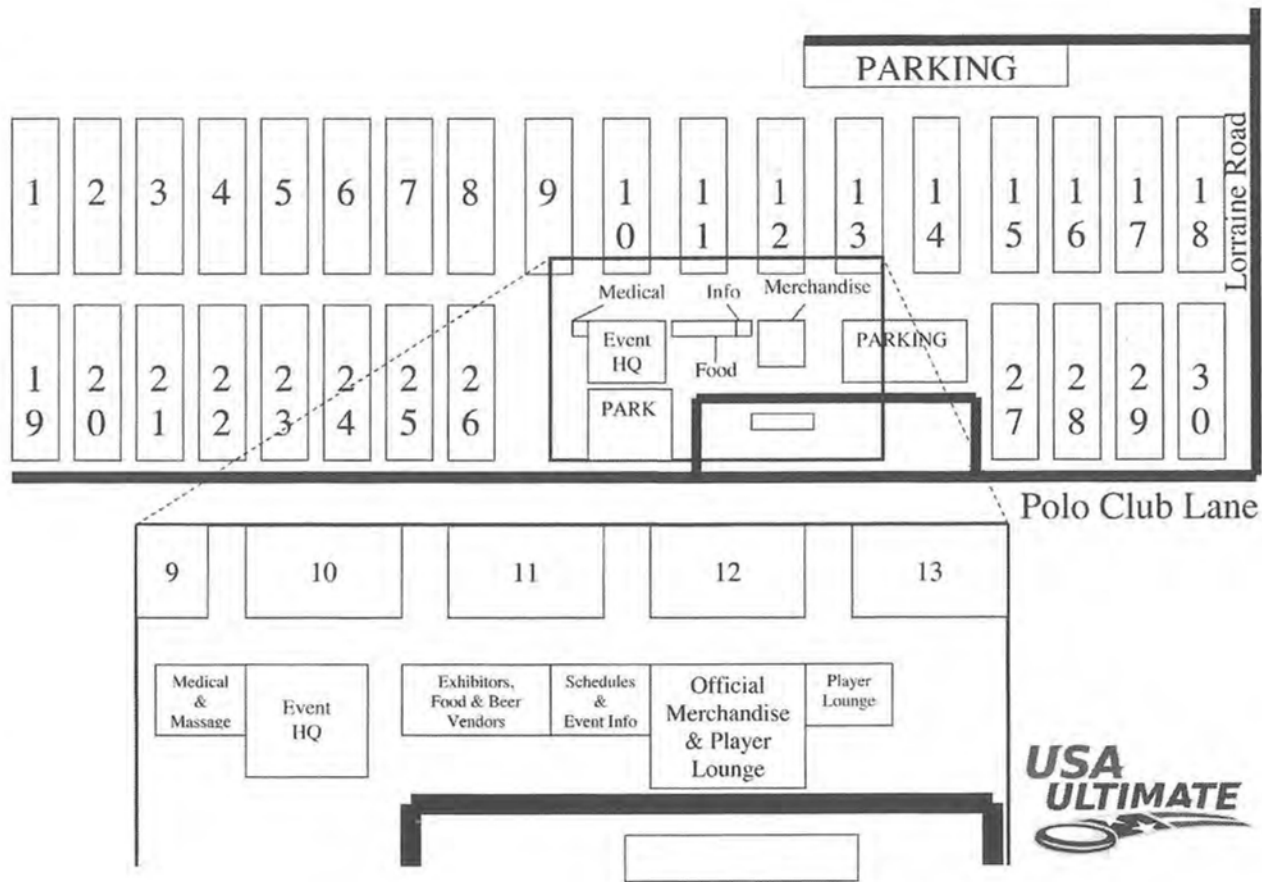

full) throughout the competition will be awarded the VC Green Program Award: A \$1000 VC Ultimate Gift Certificate!

Bags can be signed in behind the VC tent, where a running tally will be kept for each team. Aluminum, plastic, glass (reminder: glass items are not permitted to be used by participants and spectators) and cardboard will be accepted. The minimum contribution in order to be eligible for the award is 6 bags. Ideas for collection:

- Clean up your sidelines
- Replace a bag from a recycling container

The final count will be taken prior to half-time of the Masters finals, and the prize will be awarded immediately following the game. Thanks for your help in making this an even "greener" USA Ultimate Club Championships!

HEALTH AND SAFETY

Medical staff, including athletic trainers, will be on site at Tournament Central to treat injuries, handle emergencies, and provide some preventative care. The event will provide standard athletic tape, pre-wrap, ice and some bandages. Other supplies, including special tape/bandages and anti-inflammatory drugs, must be provided by teams or may be charged by the training staff. If there is an injury on a field that needs medical attention, inform a field marshal and he/she will radio to the trainers. If you have medical issues that require attention in the morning before play, please show up early to avoid long lines. The trainers will be at the fields by 7:30 a.m. each day. Directions to the local hospital can be found in the "Directions" section of this program.

CONCUSSIONS

- Concussions are brain injuries that can occur as a result of a blow to the head.
- Symptoms may include headache, nausea, vision problems, confusion, and balance problems.
- If you think you or one of your teammates might have a concussion, tell your coach and have the athlete see a medical professional. Medical staff members are on hand at Tournament Central.

HEAT, NUTRITION AND HYDRATION

- Heat-related illness occurs when body cooling by evaporation is limited. Sweating depletes the body's salt and moisture, which leads to dehydration. If a player recognizes any signs or symptoms of heat-related illness, he or she should treat the problem immediately.
- Signs and symptoms of heat illness can include changes in level of consciousness, abdominal cramps, nausea/vomiting, fatigue/tingling, chills, inability to spit, dry mucous membranes, decreased output and change in color of urine.
- Prevention and treatment of heat illness
 - Avoid alcohol, caffeine, and carbonated beverages.
 - Medications such as antihistamines, decongestants, certain asthma medications, and diuretics can increase risk for heat illness. Avoid them if possible.
 - Avoid certain nutritional supplements (such as caffeine and ephedrine) that can dehydrate the body and/or increase metabolism and heat production.
 - Know your body – Be honest! Are you fit enough to perform under current conditions?
 - Eat and drink (water AND sports drinks) optimally before, during and after play. Potassium is important (good sources include: sports drinks, yogurt, grapefruit juice, bananas and oranges). Sodium is also important (good sources include: sports drinks, vegetable juices, pretzels, nuts, cheese and crackers). After play, carbohydrates are important: foods such as potatoes, honey, cereal, white bread, corn chips, sports drinks, jelly beans, rice cakes, bagels, crackers and gummy candies).
 - Don't drink too much: Over-hydrating can be dangerous if it leads to a fluid and electrolyte imbalance.
 - Monitor your urine: Clear/copious = hydrated. Dark = Need water/electrolytes.

- Be sensitive to prior illness: If you've been sick, your body may be more susceptible to dehydration.
- Rest and cool down after play. Find shade, wet the skin, get in front of a fan or breeze.

SIDELINE SAFETY

- Spectators and equipment must stay at least 3 yards away from the sidelines. Where there are buffer lines, respect them. Chairs, coolers, strollers, you, etc., must be at least three yards from the sidelines.
- If a player believes that an object on the sideline is not safe, he or she should inform Event Staff and refrain from playing until he or she is satisfied that safe conditions have been established.
- USA Ultimate and Event Staff reserve the right to move or remove objects or spectators from on or near the playing field if those conditions are, in the opinion of USA Ultimate or Event Staff, unsafe for players, staff or spectators.

LIGHTNING GUIDELINES

- Event staff will communicate with players and spectators via PA system, and through field marshals equipped with radios, if there is a lightning danger. Play then will be stopped, and everyone should seek shelter.
- Safe shelter for players and spectators at the field site includes any fully enclosed building or vehicle with a hard top and closed windows.
- Event staff will use the "flash-to-bang" method to determine when to send people to shelter. By the time the flash-to-bang count has reached 30 seconds, all individuals should be in a safe shelter location.
- If you can't get to a safe shelter, try to avoid being the tallest object in an open field or on open water. Avoid other tall objects, metal objects and water. Assume a crouched position with only the balls of your feet touching the ground, your arms wrapped around your knees, and your head lowered. Minimize contact with the ground. Do not lie flat.
- Avoid using telephone land lines. Cell phones are safe, provided the person has followed other safety guidelines.
- Event staff will indicate to players when play is going to resume. Team captains should meet at Tournament Central to receive instructions for resuming play and any schedule modifications.

SPORTS MASSAGE THERAPY

The Florida State Massage Therapy Association Sports Massage Therapy Team will be available next to the medical tent near the pavilion. These professional Licensed Massage Therapists will be working on a \$1/minute pay-as-you-go system. They will provide Pre- and Post-Sports Massage Therapy from 8:00 a.m. through the end of games each day.

SPIRIT AWARDS

TEAM AWARDS

Following every game, each team will be asked to rate its opponent on a scale of 1-5, with 5 being the highest level of sportsmanship. These ratings will be averaged and the team in each division with the highest rating will be awarded the Team Spirit Award after their division's finals.

USA ULTIMATE SPIRIT RATINGS GUIDELINES

The ratings are ordered from 5 (indicating the highest level of spirit) through 1 (the lowest level of spirit):

5: Highest level of respect shown throughout the game towards opponents, officials, and spectators. For the level of play, showed excellent knowledge of the rules and abided by them throughout the game. Any conflicts were resolved amicably and without incident. Opposing team's conduct added to our enjoyment of the game. The opposing team unfailingly played fairly and with an excellent attitude.

4: Respect shown throughout the game towards opponents, officials, and spectators. For the level of play, showed above average knowledge of the rules and abided by them throughout the game. Any conflicts were resolved favorably and without incident. Opposing team's conduct did not detract from our enjoyment of the game. The opposing team played fairly and with a good attitude.

3: Generally exhibited respect towards opponents, officials, and spectators. For the level of play, showed adequate knowledge of the rules and abided by them during the game. Any conflicts were resolved plainly and without incident. Opposing team's conduct generally did not detract from our enjoyment of the game. The opposing team generally played fairly and with a decent attitude.

2: Exhibited a lack of respect towards opponents, officials, and/or spectators. For the level of play, showed a lack of knowledge of, or disregard for the rules at points during the game. Any conflicts were resolved heatedly or led to contentious incidents. Opposing team's conduct detracted somewhat from our enjoyment of the game. The opposing team played unfairly and/ or with a poor attitude.

1: Exhibited a major lack of respect towards opponents, officials, and/or spectators. For the level of play, exhibited no knowledge of the rules or blatantly disregarded them during the game. Conflicts were resolved acrimoniously or led directly to contentious incidents. Opposing team's conduct made the game basically unenjoyable. The opposing team played unfairly and their attitude was abysmal.

INDIVIDUAL AWARDS

Teams are asked to nominate a player from their own team who displays the highest level of spirit. The definition of spirit is up to each team, but should include elements of respect, sportsmanship, leadership, perseverance, intensity, etc. Teams are asked to choose the player whose attitude should be emulated by teammates and admired by opponents. Individual spirit winners will receive a medal, prize disc (courtesy of DISCRAFT).

Thanks to Discraft for their support of Ultimate and Spirit of the Game!

PETER FARRICKER SPIRIT OF THE GAME AWARD – The spirit award in the Open Division is named for Peter Farricker, a player who embodied Spirit of the Game to those who played with or against him. This award is given to a player in the Open Division of the USA Ultimate Championship Series deemed to have exhibited personal responsibility, integrity and fairness combined with a high standard of playing ability. Each qualifying Open team nominates one player from its roster who best represents the Spirit of the Game. At the Open Championship, each nominee is honored with a disc and a pin or set of Mardi Gras beads. The goal is that those wearing the Mardi Gras beads will be connected to Pete, each other and the Spirit of the Game, and become role models for their teammates and opponents. A selection committee watches the Open semifinal round and selects one of the four semifinal nominees as the winner. The award will be presented after the Open Finals. Previous winners include Moses Rifkin, Andy Crews, Damien Scott, Jeff Eastham-Anderson, Allan Cowan, Chase Sparling-Beckley, Josh McCarthy, Robbie Cahill, Bart Watson, and Matt Rebholz.

KATHY PUFAHL SPIRIT OF THE GAME AWARD – The Women's Division spirit award builds upon the foundations of SOTG that are reflected in the Farricker Spirit Award: ability, fairness and integrity. The Kathy Pufahl Spirit Award also recognizes those individuals who give back to our sport and is presented to the player deemed to have exhibited personal responsibility, integrity and selfless contribution to Ultimate, combined with a high standard of playing ability. Each qualifying Women's team nominates one player from its roster as the person who best represents the Spirit of the Game and has contributed in a substantial way to their Ultimate community. At the Club Championships, each of the 16 nominees is honored with a memento reflective of Kathy's love of horticulture. A vote of the qualifying teams will determine the recipient of the Pufahl Award, which will be presented during half-time of the Women's Finals. Previous winners include Vida Towne, Kati Halmos, Kristine Gill, Deanna Ball, Allison Boyd, Jody Dozono, Michelle Ng, and Gwen Ambler.

MARTY BAKKO SPIRIT OF THE GAME AWARD – In 2010, USA Ultimate added a new individual spirit award in the Masters Division to recognize one player in that division who stands out for their commitment and love of the game. The Masters Division spirit award honors players that embody the best attributes of Ultimate. Like Marty Bakko, these individuals: have an infectious sense of humor; possess a long-term passion for the sport of Ultimate; display a commitment to fair play, integrity and respect for their opponent; are shrewd, tactical innovators on the field; show an intense, competitive Spirit; and are leaders who inspire others to act. Each qualifying Masters team nominates one player from its roster as the person who best represents the Spirit of the Game and the qualities listed above. At the Club Championships, a vote of the qualifying teams will determine the recipient of the Marty Bakko Award, which will be presented during half-time of the Masters Finals. Previous winners include Blayne Ferguson and Russ Adams.

BURNSIDE

PORTLAND, OR

The bridge, the skatepark, the bluesman, the general with ridiculous sideburns. Portland's Burnside is born out of a collective search for that one last shot at glory. In early 2012 group organizers sent out an APB to gather the best that Portland had to offer with the hopes of prying men from their urban homesteading, chicken coop building, and micro brew filled weekends. Drawn in by the prospect of waking up in an October without rain jackets, the men came out of early forced retirements en masse and returned to the practice field.

When the dust settled not one, but two teams emerged: Burnside and its sibling, Sideburn. This natural, organic, free-range, system proved fruitful as both teams pushed each other to succeed and ultimately Burnside punched its first ever ticket to the big show.

Burnside is proud to represent the city where the young go to retire. After all, someone has to go to work.

CRAWL

PHOENIX, AZ

CAPTAINS: TIM STREIT, DIXON OATES, CHRIS BALDYGA, NATE AUSTIN

You have to walk before you run...

Over 10 years ago, some Phoenix players started the open team "Sprawl" in order to practice as a team, develop local players and play tournaments together. They lost a lot of games at first. Over the years they played against (and sometimes with) Desert competitors across Arizona and New Mexico. Slowly Sprawl built its strength in Phoenix. In 2012, some of the Sprawl players noticed an opportunity to play both with old teammates and alongside old opponents. Thus Crawl was created with players from Phoenix, Tucson and Santa Fe in order to best represent the strength of Desert Masters Ultimate. Our infant Crawl team is proud to represent the Southwest in the Master Division's final official rendezvous with the Sarasota Polo Fields.

You have to run before you Crawl.

FIG JAM

CALGARY, ALBERTA

CAPTAINS: CHRIS ARTIBELLO, AARON DOBSON

FIGJAM - a Calgary, Alberta based Masters Team - was assembled in the Summer of 2007 in attempt to claim Canada's bid for WUCG 2008. Aptly nicknamed the 'Buffalo Bills of Canadian Ultimate,' they have claimed 4 Canadian Ultimate Championship (CUC) Silver medals since their inception. Attracting players from across the NW Region, FIGJAM made its first appearance at the USA Ultimate Championships in 2010- finishing 5th overall and capturing the spirit award for the Masters Division. In 2011, they narrowly missed a second appearance in Sarasota, losing to eventual 5th place finisher Chaland in the game-to-go.

GLUM

OTTAWA, CANADA

CAPTAINS: BLAYNE FERGUSON, CHRIS KEITH, DEREK HODGSON

Green Light Ultimate Masters is returning to Sarasota to compete in our seventh Championship. GLUM is a three-time Canadian National Champion and is looking to return to form and improve on our previous appearance in Sarasota where we lost on universe point in the semifinals before finishing third in 2010. GLUM is led by a core of returning players from 2010 like Brett Taylor, Owen Lumley, Brent Cournoyer, Seton Stiebert, Chris Keith, Derek Hodgson, Eric Gross and Captain Blayne Ferguson but has also has seen the influx of new talent to its roster with Nick Kaulbach, John McArton, Matt Chelley and Peyton Leung making a significant impact towards GLUM's success. This is probably the deepest team GLUM has brought to the Championships in our seven trips to Sarasota.

GLUM is a close knit group that likes to play hard on the field and enjoys life to the fullest off the field.

JOHNNY ENCORE

BOULDER/DENVER, CO

CAPTAIN: WES WILLIAMS

The doors of the saloon swung open, a slender silhouette pausing in between them before moving in smoothly to the bar. "Barkeep, the McCloskey brothers are burning Silver Port over in Delta Sector. I rode all night to find the one man who can stand up to them, Johnny Bravo. He's the strongest, fastest, bravest fighter the system has ever seen."

The bartender looked uneasy. "I guess you haven't heard, ma'am, but Johnny's retired now, just a legend. You'll have to take your trouble on down the road."

Pounding her fist in frustration, she strode out the doors. Suddenly, like a ghost, a man was standing next to her.

"Easy there, miss. I might be able to help you. I can't abide how the McCloskey brothers treat decent folk."

The woman looked over the grizzled man and his holstered laser pistol. He had a sharp and commanding look in his eye. His intense gaze made the small of her back grow warm.

"Johnny? Johnny Bravo? Is that you?" her breath caught.

"Not anymore. I go by Johnny Encore now. I may not play the young man's game still, carousing every night, but I sure as hell ain't dead. Let's ride."

NO COUNTRY

BRATTLEBORO, VT

CAPTAIN: JIM OLSON

Initially hailing from the great state of Vermont (and to a lesser extent Massachusetts), we showed up at Nationals with 17 stations last year. While the number 17 was once a great age for our bodies, 17 is not a great number of aged bodies, particularly when many are on the wrong side of the GM line and may soon be put out to pasture. We learned that we would be able to score more with more bodies and it is the young and fast bodies that are really nice to have.

Luckily, the Tide rolled in and we found our nets full of just the catch we were looking for: a few more Maine-iacs to add to the Green Mountain Boys.

Next, we went north of the border to bring a more international flair to our squad. Scatter in a few strays from cities big and small to spice the mix and here we come again, hoping the lessons we learned pay off.

We look forward to seeing you on the fields and on the Koob court.

"For we have no enemies. We don't permit such a thing." (Cormac McCarthy, No Country for Old Men)

RECKON

TENNESSEE AND GEORGIA

CAPTAINS: DAN KONISKY, JON MEADE, JEREMY GOECKS

Reckon is a term we use to let you know we understand. A word used so much it has become culture. Reckon, ain't, y'all, you will hear 'em all. We hail from the dirty-dirty South: throw it down, A-town, Bama, Knox, Nooga, and Nash. We have a combination of bad air, big hair, soul music, and whack traffic. A place where neckties and flies converge on humid days and sultry nights. We are a proud group of almos and has-beens, ready to bring our high fives to some sun and surf, with intentions of grandeur, on some beautiful turf. Bless your heart, y'all better stand back, and stay clear, for we r 'bout to bring it, a reckoning...you hear? Y'all Reckon?

SURLY

MINNEAPOLIS, MN

CAPTAINS: JOHN CHANDLER, RANDY GAGE

Team History: Surly was formed in 2005 out of the ashes of Gray Expectations. In 2007 we lost in the championship game to DoG. Since then we've been lucky to play in the finals each year, winning in 2008, 2010 and 2011. We are inordinately proud of winning the Spirit Award in 2011 with a perfect score and trust that the beer we hand out in no way influenced our scores. We were honored to compete at the World Championships in Prague in 2010 and Japan in 2012. We dedicate every season to our teammate, Marty F. Bakko, who passed away in 2009 and gives his name and character to the Master's Division Spirit Award.

7 FIGURES

LOS ANGELES, CA

CAPTAINS: ERIKA SWANSON, ORIN MOORE, SAM REGNIER

The 3rd season for Hollywood's 7 Figures Golf and Polo Club brought with it the addition of 13 new club members and their assets. This new money mingled well with our club's established old money at the annual regional gala, resulting in a bullish return on investment and a second trip to Sarasota's Polo Fields, a place where we understandably feel most welcome. Indeed, in a break from a popular thesis voiced by the now deceased gentlemen known as Mr. Notorious B.I.G., we have discerned that more money does not create more problems.

To this end, you may find our dapper ladies and gentlemen celebrating the finer things in life such as speaking interesting English in swimming pools with movie stars, enjoying a smashing game of Guess Whom or chasing destiny in the form of Ultimate.

On the field we try as hard as we can. If we happen to meet you there this fine fall season our club endeavors to play your club in an agreeable, spirited match. That said, beware argyle.

For the Club!

AMERICAN BARBECUE

BAY AREA, CA

COACH: SANDY PARK

CAPTAINS: JASON SEIDLER, NOEL ARSENAULT, STEVEN CHANG, NICOLE BELLE ISLE, JACK MOXON, ANDY FISHER

American BBQ was created by the FDA in the 1920s to celebrate postwar enthusiasm for saucy meats and to help replenish a national void left from the massive casualties suffered by traditional BBQs during the great war. Touted for its unparalleled flavor, vilified for its coronary malfeasance, American BBQ sought to redefine itself by studying German Efficiency at Carleton College in the 1960s. It moved to California in the 70s and took graduate classes at UCLA before starting the now famous Guilt Free food movement. Feeling increasingly marginalized by more exotic BBQs, American BBQ released a tell-all memoir called "No Kimchi!" in 1987, extolling itself as the nation's leading cause of obesity and gastrointestinal vexation. ABBQ sang tenor for the massively popular boy band "Ellen DegeneSWAG" who had a number one hit in the late 90s with "Can I Dang On That Meat?" Currently residing in the San Francisco Bay Area, American BBQ hopes to one day become a Unesco world heritage site and a major world religion. ABBQ is a leading player in the race to create the first 100% Angus beef veggie patty and in its spare time plays "Ultimate" frisbee.

AMP

PHILADELPHIA, PA

CAPTAINS: JILL FURFARI, KEVIN MCCORMICK, PATRICK SHERLOCK

AMP is proud to represent the Founders' Section and Philadelphia at the Ultimate Club Championships for the eighth straight season. #brag. We have played a prominent role in the creation and popularization of SpikeJam, a game combining the skill of Spikeball, the speed of Honey Pot, and the plastic container from Kan-Jam into an action-packed team sport; always played to a top score of 1. #brag. Our teammate Bill Schrecker, unable to play this season due to injury, has nonetheless made every tournament and practice, encouraging the team relentlessly from the sideline. #brag. Without the support of Bill, and our friends, family and fans, AMP's success would not be possible.

BUCKET

ATLANTA, GA

CAPTAINS: COLIN BELLAIR, NATALIE ESPINO, TAYLOR NILAN,
CELINE SLEDGE, VICTOR WU
COACH: THE JEREMY MAJORS ACADEMY

Starting as a vendetta against the mixed Ultimate politburo of the dirty dirty, the Bucket Ultimate dream began in 2008 in a dingy apartment on North Decatur road. Armed with has-beens and never-weres, the grassroots uprising of Bucket was born, capped by a Nationals run in its first year of existence. As Bucket matured, as all great American corporations do, it outsourced its operations to China. Learning the value of prayers and vanilla rice, Bucket improved but hit a quarterfinal ceiling in '09 and '10, leaving itself with a yellow tint to its collar that needed bleaching. Approaching top American Ultimate executives in 2011, Bucket hired the well-known firm of Echterhoff, Hammond, and Blanco to push the team to the next level. But along the way, Bucket forgot its original blue collar-ways, needing to recommit itself to the 99%. Bucket now has one goal in mind for 2012: OCCUPY SOTA. This year, Bucket is not afraid to do work. Not afraid to sleep on your lawn, grow a beard, forgo personal hygiene, or stop showering. So when the dust settles, and everyone is left asking, "What's that smell?" You'll know without a doubt, it's the A-T-L.

THE CHAD LARSON EXPERIENCE

AMES, IOWA

CAPTAINS: NEAL HANKE, KEVIN SEILER

We would have no team history if it weren't for the players who came before us, building a strong team foundation that made others want to Experience what Chad had to offer. Thank you to them for their hard work that helped make this team what it is today. Thank you to our family and friends who have supported us on our quest to become a national champion. At times we have neglected you in favor of Ultimate, but you have shown understanding and patience, even if you don't get why we spend all of our time and money on "that frisbee game". Thank you to the members of Gnar-whal, ISUC, Woman Scorned, and the Ames pickup crew for providing us with an opportunity to stay practiced.

The Chad Larson Experience is making a fourth straight nationals appearance. Lifetime, the team has two second place finishes, 2 losses in semis, and one seventh place finish at USAU Mixed Club Championships. The team has represented the United States at two Club Worlds tournaments, finishing tenth in 2006 in Australia and earning gold in 2010 in The Czech Republic.

This will be Carver Misra's first Nationals experience.

COSA NOSTRA

AUSTIN, TX

CAPTAINS: CHARLIE STAVLO, EMILY SCHOLTEN, PAUL HANNA

Cosa Nostra is an Austin-based team that also includes several talented Texans from other cities. We are excited to represent the South Central region. This is our second year as a team and our first trip together to Nationals, led by some former Doublewide guys who realized mixed can be pretty darn fun. Cosa Nostra comes from a name for the Sicilian mafia. Translated as "our thing," it made sense since we have so much in common with The Family. Bidding, running (from the cops), laundering things, making offers you can't refuse. We're looking forward to bringing our Texas Mafia family to the lush green fields of Sarasota to play some Ultimate!

DRAG'N THRUST

MINNEAPOLIS, MN

CAPTAINS: ANNA HETTLER, AUSTIN LIEN, JOSH HEMMESCH

Someone once said that four forces act together to cause a disc's flight: gravity, lift, drag and thrust. Drag'n Thrust -- burninating since 2009. Drag'n is based out of the Twin Cities. Now in our fourth year, we're excited to return many veteran fire-breathers while also nurturing some promising dragonlings. Most of us didn't select our college for the Ultimate team, and as such we had to temper our claws against the minions of perennial mid-regionals finishers. Now together, we've found our wings, and we ascend -- ready to scorch the fields and all who dare oppose us, obsessed by an insatiable hunger for shiny objects, sacrificial offerings, and a secret desire for acceptance.

MISCHIEF

BAY AREA, CA

CAPTAINS: MATT WEST, KEVIN SMITH

Mischief. It means trickery, chicanery, and spirited fun. It means winning games with our legs, and when our legs can't run any more, going the last mile with heart. It means always having more in the tank. It means putting everything on the line for your team, feeling the high of every victory, the heartbreak of every loss, and bouncing back stronger than ever. It means making superheroes out of ordinary people. It means rewarding the fans for sticking with us 'til the very end, and then boat racing all who dare challenge us.

Old hands and fresh faces make this tenth-year team a Bay Area staple and a force to be reckoned with. And if you doubt? In the words of Ochocinco, "Child, please."

ODYSSÉE

MONTREAL, QUEBEC, CANADA

CAPTAINS: CHRISTIAN MATHIEU, JEAN-LÉVY CHAMPAGNE, CAROLINE CADOTTE, SIMON-PHILIPPE LEBEL, PHILIPPE CAMIRÉ

This is only the second year that Odysée has been together but most of the men have been teammates in the open division for many years and most of the women have been teammates in the women's division for a long time too. At the beginning, we wanted to regroup the best players from Montreal (with a few outsiders of course) to win the 2011 Nationals and represent our country at the WUGC 2012 in Japan. Unfortunately, we fell short and lost in the finals.

But we had so much fun and attended great tournaments; in consequence, we made the decision to keep the team together. Our new goal for the 2012 season was to qualify for the USA Ultimate Club Championships in Florida. This year was a great one for us, we had the chance to fly to Colorado and play against the top teams in the USA at the U.S. Open, we also won our Canadian National Championship in Vancouver and now, we are going to Sarasota! A lot of our players have been playing for a decade or more and this is the first time they have qualified for Sarasota. It is awesome and we are looking forward to play against the best!

OVERHAUL

MICHIGAN, IL

CAPTAINS: PATRICK COLLINS, ALEX EDINGER, JESSICA SIPPERLEY, COLIN MCINTYRE

Overhaul started in 2010 and returns to Sarasota for its third year in a row. Based primarily in southeastern Michigan, our roster consists largely of alumni of local universities, as well as some current college players from the area. We've enjoyed assembling some of the top players in the state to practice and travel to tournaments for another season, and we're looking forward to competing with the best mixed teams in the country.

POLAR BEARS

CAPTAINS: GREG MARLIAVE, AN-CHI TSOU

Polar Bears are normally found in the circumpolar north, one of the coldest areas on Earth. However in 2010, a group of Polar Bears was discovered in the East Bay of Northern California. They have remained in the area for three years, continuing to show atypical behavior such as occasional migration around the U.S. to play in confined rectangular spaces, trolling, and maintaining a diet consisting greatly of oversized burritos. Although these bears do not seem particularly athletic or coordinated, they often show displays of hard work and chemistry, which many times ends in demonstrations of coordinated paw clapping. In this third year of their presence we have seen some new faces added to the core of the group and an increased hunger for Ultimate. For a glimpse of this unique group of Polar Bears, be sure to check out the fields of Sarasota this fall to capture their unusual behavior before their hibernation begins once again in the safety of their Northern Californian dens.

SLOW WHITE

BOSTON, MA

COACHES: MARSHALL GOFF

CAPTAINS: MERIDEN D'ARCY, DAVE TRUESDALE

Slow White has qualified for Nationals an unprecedented eight consecutive times, and only finished outside of the top eight once. Face it, we're h4x as heck. Despite losing impact players to the likes of Ironside, Phoenix and Brute Squad, we've re-tooled, and re-loaded and are looking to break through and claim the national championship that has eluded us for so long. Over the years we've loved stuff and hated quail, we've worn jorts and grown mustaches, we drank Powerthirst while watching Wizard People, we always play like we party, and we're all huge fans of Vin Diesel. This year we're a baby elephant walking, 50 shades of the JMan reading group of #bestbuds going ham all over Sarasota. And you know we're all DTML. Dayum, Dayum, DAYUM!

WILD CARD

LEXINGTON, MA

CAPTAINS: MATT MACKEY, ANDREW APPLGATE, SCOTT GATTO

Based out of Lexington, MA, but pulling players from New Hampshire and Maine as well, Wild Card is a first-year team that formed in the ashes of multiple disbanded Club teams and consisting primarily of former and current New England college players from schools such as Dartmouth, University of Maine-Farmington, University of New Hampshire, Tufts, and Boston College. With a team built around bringing together fun, hard-working players willing to do the work to play elite-level Ultimate, this ragtag group of underdogs has been learning and growing with every game they play. They are very excited to prove themselves against the best in Sarasota with a roster of 27 Club Nationals rookies.

BOOST MOBILE

BAY AREA, CA

CAPTAINS: ALEX DRILICA-WAGNER, NICK GREENFIELD, JAMES YEAGER

COACHES: ARIEL JACKSON, DAN SILVERSTEIN

Boost Mobile was first established in 2010 as a player-focused team, built from current Stanford players and recent graduates. The early tenets of the Boost program were development, learning, and the promotion of competitive Ultimate for the younger generation of Ultimate players. Boost saw some success in this first year winning the local Discos Calientes tournament in Chico, CA and placed 5th in the very tough (former) Northwest Region.

2011 saw Boost make its appearance on the national scene, competing in the Colorado Cup tournament, and even notching a win over Nationals qualifier Sub Zero. Following that season, there was growing discussion of expanding the roster to the greater Bay Area and shooting for a Nationals birth.

Young players were pulled in - adding graduates from Berkeley to Santa Cruz to Davis and beyond. The contributions from all 27 players across the roster helped Boost throughout the season. Although Boost is excited about the successes of this season, it continues to be forward-looking, hoping to become a strong national program over many years. The strong focus on learning and development should serve them well.

CHAIN LIGHTNING

ATLANTA, GA.

CAPTAINS: RUSSELL SNOW, DYLAN TUNNELL, MARK POOLE

After a disappointing 2011 Nationals campaign, Chain Lightning has retooled and is looking to make another deep run in 2012. Losing dance-floor studs Grant Lindsley and Kiran Thomas has made this year's team generally less attractive and less likable throughout the Ultimate community. The loss of Peter Dempsey has also decreased the athleticism Atlanta Ultimate is known for. Instead, Chain is a year slower, adding Jared Inselmann and Tyler Conger in honor of the club's 30th birthday. The guys have been training with EDGE Ultimate professionals and top-notch equipment. Overall, Chain has changed its look and mindset from years past, but one thing will stay the same...Chicks dig the long ball.

MICHAEL NATENBERG, JEFF LOSKORN

Doublewide is an elite Ultimate club based in Austin, TX. We are a balanced team with all players committed to common goals: Play hard, fair, and with respect for our teammates and our opponents. Since its origin in 2001, Doublewide has won the Texas Section every year with one exception and is now the South Central Region's first champion. Doublewide saw a solid performance at ECC and a semi-finals appearance at Labor Day. Combining new youth and athleticism to the team along with an experienced core, Doublewide will be a serious threat in Sarasota.

IRONSIDE

BOSTON, MA

CAPTAINS: MATT REBHOLZ & GEORGE STUBBS

COACHES: JOSH MCCARTHY & MICHAEL ZALISK

After a disappointing conclusion to last year's season, it was pretty much unspoken that the vast majority of Ironside would be returning for the 2012 campaign; in fact, 23 players from last year's silver medal squad have again set sail with the Sarasota polo fields as their Ultimate destination. With a bolstering of its ranks by the return of Will Neff, and the additions of veteran elite player Miles Montgomery-Butler together with fresh talent in Alex Cooper and Alex Simmons, Ironside is more like a never-ending armada of warships rather than a single boat. Featuring a powerful defensive line, and an offense that has played together for yet another season, Ironside appears poised for another deep run into Nationals.

With the invaluable assistance of Tim Morrill, Ultimate's premier strength and conditioning coach, Ironside has redoubled its efforts to become the top conditioned team attending the championships. Among the rewards for its hard work, Ironside has also built a stronger sense of camaraderie both within the team and with Brute Squad (who also trains with Morrill). Together, these teams have set their sights on once again competing in the finals and this time bringing back that elusive gold to Boston. #getwet

JOHNNY BRAVO

BOULDER, CO

CAPTAINS: RYAN FARRELL, JOSH ACKLEY, JACK MCSHANE

COACHES: BOB KRIER

Johnny Bravo was founded in 1996 by Dan Ackerstein, Wes Williams and Dan "Jello" Revelle. (Note- Johnny Bravo was not named after the popular animated television series which first aired in 1997.) The team was founded on vengeance by castoffs from the top Boulder-area team, Secret Squirrel. Johnny Bravo quickly overtook their rivals and began their reign as the top elite team in Colorado, qualifying for Nationals in 1997. Bravo split into two teams (Bravo and Gun Club) in 1998 and failed to qualify for Nationals after falling to the Santa Barbara Condors in the final and Los Guapos from San Diego in the backdoor game. Bravo and Gun Club reunited in 1999 and took the name of the old Boulder team, Secret Squirrel. After a disappointing 15th place finish at nationals in 1999, the team reclaimed their Johnny Bravo identity in 2000. Bravo has qualified for Nationals every year since 2000, a feat matched by Seattle Sockeye and surpassed only by Raleigh's Ring of Fire (1997). Bravo broke into the quarterfinals in 2001 and has remained a top tier team ever since. In the past few years, Bravo made three semifinals appearances and a finals appearance in 2007.

MACHINE

CHICAGO, IL

CAPTAINS: ANDREW NEILSEN, WALDEN NELSON, CRAIG POEPPLEMAN, GEOFF SEREDNESKY

Machine has qualified for its seventh consecutive trip to Sarasota, a streak that began with the team's first youth movement in 2006. This year, Machine earned the only bid from the newly formed Great Lakes region, and its second regional championship in three seasons.

2012 saw Machine return to ECC with strong results and a first trip to Labor Day in Santa Cruz where a one-point loss denied them a shot at the semifinals.

For the Club Championships, Machine features 26 athletes who form a cutter-heavy offensive attack and tall and stingy defense. This year, Machine looks to improve on its 9th place finish in 2011 with a trip to the quarterfinals. Hoot!

PONY

NEW YORK, NY

CAPTAINS: MICHAEL HENNESSY, JACK MARSH

PoNY was formed in New York in 2005, in the interest in building a competitive team in a city where field space and free time were becoming notoriously difficult to come by. PoNY has since maintained its benevolently competitive ethos while evolving as the City welcomes new, weird, talented players each year. 2012 is our Year of the Rat: part teamwork, part hustle, part grimy infestation. In its 8th season, the Pone is psyched to come storming out of the Northeast Region and rumble with the field in Sarasota.

REVOLVER

SAN FRANCISCO, CA

CAPTAINS: MARTIN COCHRAN, RYO KAWAKOA, BEAU KITTREDGE
COACHES: ALEX GHESQUIERE, JOSH GREENOUGH

Revolver was established in 2006 when Nick Handler, Chris McManus, and Marc Weinberger came together to build a new Bay Area Ultimate program from scratch. The captains sought to install a team-first mentality, to build strong team chemistry, and to use the values of intensity, humility, and discipline to define the team ethic. Since then Revolver has continued striving to demonstrate these values.

In its inaugural season in 2006 the team claimed a surprise 5th-place finish at Nationals, continuing to grow and develop through to its first finals appearance in 2009. In 2010 Revolver captured a double-championship winning a Worlds gold medal at WUGC and a USA Ultimate gold in Florida thereafter. In 2011 Revolver repeated as champions and earned the right to wear the jersey of team USA at WUGC in Japan, where it won gold again - the first USA Open Gold since 2000.

Building on the team's history and ethics, following the leadership of Farricker Award-winning players Rob Cahill and Bart Watson, and now bringing the confidence of being defending WUGC, WUGC, and 2-time USAU club champions, Revolver has their sights set on something not done yet this century: a three-peat of the USAU championship.

Formed in 2002 when a group of college-aged pioneers wanted to play club Ultimate AND have fun at the same time, Brute Squad has worked our way to the top of the Boston Ultimate scene. Along the way, we've turned blood-thirsty, intra-city college and club rivals into beloved friends -- and more often than not, roommates. Under the advisory of our coach Bill Rodriguez, we've developed a crisp, composed offense with a tenacious and suffocating defense. This year marks our 10th trip to the Club Championships, a decade of amazing seasons in which we've made the quarterfinals twice, the semifinals three times, and the finals once. We are the Brute Squad. Also, the #glutesquad. OH-KAY, Boston!

CAPITALS

OTTAWA/TORONTO, ON, CANADA

CAPTAINS: ANNE MERCIER, CARLA DI FILIPPO,
MALISSA LUNDGREN

In its seven-year history, Capitals Ultimate has made a name for itself on the UPA scene. In 2005, top players from the Ottawa and Toronto competitive clubs joined to make a run at the series. After three days of competition in Sarasota, the Capitals shocked the crowds with a jump from 16th to 6th place. In its second and third seasons the team recorded two more top 8 finishes (7th/5th). With 2008 being a world clubs year, Capitals lost a few key players to Team Canada and had a new core of players getting their feet wet for the first time in Sarasota. The result was a 9th place finish in 2008. In 2009, the Capitals placed higher than ever before, losing their semi-final game by one point, and placing third. In 2010, the Capitals took the next step and made it to the finals, where they lost a hard-fought game to reigning champions Fury. 2011 saw another semi finals appearance from the Capitals. This year, after a core of players representing Canada at Worlds in Japan, the Capitals are back for another fall season aiming to impress on the polo fields of Sarasota.

FURY

SAN FRANCISCO, CA

COACH: MATTY TSANG

CAPTAINS: NANCY SUN, LAKSHMI NARAYAN

Having recently had the honor of helping lead a clinic in Colombia through Ultimate Peace and then competing against some of the best and most spirited players in the world at WUGC in Japan, Fury is humbled by the amazing peace-creating work being done around the world through Ultimate and fired up for USAU Nationals. Japan's tight, disciplined playing style, Canada's speed and athleticism, Singapore's complete and total domination in the realm of the post-game cheer, the maze of subways the team navigated to and from the field complex each day, the heat, and the humidity all combined to test Fury's resilience throughout Worlds. Japan taught the team a great deal about their own strengths and weaknesses, and this fall Fury has been appreciating and continually strengthening relationships between teammates in order to be able to be able to push each other to their individual and collective bests. A fantastic rookie crew is building chemistry with a strong set of veteran leaders, and Fury will keep putting in the work to be the best Ultimate players, communicators, and supporters of Spirit of the Game that we can be.

Heist formed in Madison, Wisconsin to give women the opportunity to play the game closer to home; however, our players come from Madison, WI, Iowa City, IA, Chicago, IL, Ames, IA and Lincoln, NE. Our love of the game keeps us at University Bay Fields longer than anyone else in town. Our history is being written by 26 selfless, determined, and gritty teammates who have put in the time and dedication to come out on top. Who is Heist? We have an athletic style of play with huge bids and feisty Heist-D, use strong language, give Eskimo kisses, make pudgy pies, and want to see the sport of Ultimate grow in the Midwest. We are hungry to win and to improve, we have no past to contend with, and we have magic within ourselves. Heist might be a new team, but we aren't going anywhere.

HOT METAL

PITTSBURGH, PA

COACH: DAVID OFFNER

CAPTAINS: CHRISTIE LAWRY, AMANDA DAVIS, KELSEY LENARD

Hot Metal formed from steel in 2010. As a new team, Hot Metal's goals were to build a sustainable program that could compete at the highest potential by gathering some vets and taking on new athletic talent from area colleges and high schools. The belief was that by combining experience with young talent, we'd create an atmosphere of learning, winning and, equally as important, looking good.

With no one on the team being older than 29, the age range spanned 12 years, with an average age of 22 and exactly half a roster that had never played club Ultimate before. 2011 proved similar, with influxes of talented young players. In 2012, the average age reached a record-breaking high at 23, and team drive has escalated. Taking on a new region, a new coach, and a bid to Nationals in year 3, Hot Metal is a happy crew and isn't looking back.

MOLLY BROWN

DENVER, CO

COACH: CATT WILSON / CAPTAINS: LINDSEY CROSS, LAUREN BOYLE

A new elite women's Ultimate team was formed in 2010, in an attempt by Denver/Boulder-area women's Ultimate players to put together a superstar roster of players in the area. After roughly 39,201 lines of Google spreadsheet doc debate, the team name was cemented: a tribute to a 20th century Colorado suffragette and survivor Maggie "Molly" Brown.

The Unsinkable Molly Brown is most well known for being a survivor of the 1912 Titanic disaster, who's noble (but tragically futile) efforts to return to attempt to save any remaining iceberg-victims became the stuff of legend. What many don't know that she left quite a legacy as both a philanthropist, advocate for workers and children, and women's rights activist in the early 20th century, as well. She married a young entrepreneur, and together they grew quite wealthy in Leadville, Colorado, and later in Denver. Maggie remained committed to advocating for the less fortunate throughout her life, and was far ahead of her time on women's rights issues, remaining friends and equals with her husband after their divorce, and even running for political office.

In Molly Brown's inaugural season in 2010, we placed 9th at Club Nationals, an impressive entree for a fledgling team. In 2011 we advanced in skills, chemistry, and intensity and ended the season with a 7th place finish. In 2012 we retain the insight and direction of Coach Catt, a core of experienced and savvy athletes, and an extremely impressive roster of new players, both young and old.

NEMESIS

CHICAGO, IL

COACH: RON KOBALANZA

CAPTAIN: CHRISTINE DUBE

"It does not seem, however, that Nemesis had her home with the gods. [It is said] that only when men have become completely wicked will Nemesis-- her beautiful face veiled in white raiment-- leave the wide-wayed earth and depart to the company of the immortals" (1). Until that time, she shall continue as she has for countless years before this one-- armed with a tireless defense, an un-improvised offense, and a scourge-- exacting her righteous revenge under the guise of an Ultimate Frisbee team hailing from North Chicago, South Chicago, and Chicago proper.

OZONE

ATLANTA, GA

COACH: KATE LESLIE

CAPTAINS: ELISABETH DUFFY, MEREDITH LEAHY, ALLISON SNOW

Ozone has history, as well as tradition. From our founding in 1984 we have qualified for Nationals continuously since 1987 - 26 years running. This season is a special one, however. We have made changes in our leadership with the addition of Coach Kate Leslie. We've got new and improved uniforms and partnered with Edge Ultimate to train. Ozone has also raised the bar, both in how we play the game and how we build a team. This year we rededicated ourselves to the idea that building a team and a system takes time, grit, and work. Our offense is graceful, but our defense is no-nonsense. And when the Youth of America line up with the wily veterans of the AARP, incredible things happen. Once again we've inspired the best of the best to choose Ozone. Nationals isn't the end of the season for us, it's the beginning of a new tradition in Atlanta. Thank you to the teams that have made us better along the way, and thank you to our teammates who believe when we play together, we win together.

Ozone 2012: When we work harder, we get better.

PHOENIX

THE TRIANGLE, NORTH CAROLINA

COACH: TULLY BEATTY

CAPTAINS: LINDSAY HACK, SHARON TUCKER, SARA CASEY

Phoenix was created in 2010 based on seven core values. The team is named after the mythical bird, a symbol of rebirth and immortality, which rises up out of its own ashes. Since the team's creation, Phoenix has focused on building a program by bringing together and developing women's Ultimate in North Carolina. The team's strength comes from a blending of the wisdom and a wealth of experience from seasoned club veterans and the explosive talent of local college standouts. In its first season the team made quarterfinals of the Club Championships. In its second season the team reached the semifinals.

Phoenix's Core Values:

1. We play for the love of the game.
2. We play for our teammates.
3. We are relentlessly positive
4. We are coachable.
5. We believe in Spirit of the Game.
6. We believe that success and failure are not synonymous with winning and losing.
7. We believe that if you love what you do, you will never work a day in your life.

RIOT

SEATTLE, WA

CAPTAINS: GWEN AMBLER, KATE KINGERY, ROHRE TITCOMB

Since its formation in 2000, Riot has become a perennial powerhouse in the women's club division. In fact, over the past decade, Riot has the lone distinction of making the semi-finals or finals in every single tournament the team has attended. We also won Club Worlds in 2002 and earned back-to-back UPA Club Championship titles in 2004 and 2005 along the way. This season, fifteen players return from the silver medalist roster of 2011 and the squad has reloaded with remarkable talent and athleticism, especially benefitting from the strength of the college programs in the Northwest. We are fortunate to be in one of the toughest regions in North America with rival club teams that push us to train harder and be smarter each year as we take pride in being the best team we can be.

SCHWA

PORTLAND, OR

CAPTAINS: DELIA CHIU, JENNY TIBBALS, BECKIE ZIPP

This year marks Schwa's return to the national stage after six long years and the team couldn't be more excited! After forming in 1996, Schwa went to Nationals in nine of its first ten seasons and played for the championship in three of those appearances, helping establish the Northwest as the most formidable region in the women's division. The last few years have seen a period of growth and renewal, with mostly new names gracing the Schwa roster. Not only the dedication of our players and our strategist, Danny Quarrell, but also the tenacity and skills of all of our Northwest neighbors, have helped us grow into the team we are today. We are proud to represent the name Schwa, Oregon, and the Pacific Northwest, and are looking forward to leaving it ALL on the fields in Sarasota.

AUSTIN, TX

COACH: MARK KRASNIEWSKI

CAPTAINS: SHELBY KUNI, CARA CROUCH, HOLLY GREUNKE

"You see, in this world there's two kinds of people, my friend: Those with loaded guns and those who dig. You dig."

Texas Showdown was founded in 2006, and this year is their 6th appearance on the beloved Sarasota Polo Club grounds. Intense defense, quick-moving offense, fearless captains, and the right mix of Butch Cassidy's and Sundance Kids make this team one to be reckoned with. Is it the bracelets they wear that give them such spirit? Their trusty Moose-steed that gives them such strategy? Alls I know is, they are lookin' good, and they aren't fixing to stop neither.

"Baby sister, I was born game and I intend to go out that way."

UNDERGROUND

SEATTLE, WA

CAPTAINS: ERIN CRIDER, TARYN LANGLOIS

Founded in 2009, Seattle Underground (UG) quickly established a reputation as a team characterized by speed, skill, athleticism, work ethic, tenacity, teamwork and Spirit. While UG struggled in its first three years to get out of the highly competitive Northwest Region, the team took advantage of the 2012 restructure and played a challenging regular season schedule to help the region earn four bids to Nationals. This year, with the team's largest number of returning players and it's most talented rookies, UG finally realized its goal of competing at Nationals and proving the Seattle area has the talent to support two top-sixteen teams.

10 THINGS YOU SHOULD KNOW ABOUT SPIRIT OF THE GAME™

1. THE GOLDEN RULE: TREAT OTHERS AS YOU WOULD WANT TO BE TREATED.

Spirited games result from mutual respect among opponents. Assume the best of your opponent. Give him or her the benefit of a doubt. You would want the same for yourself. But if you are thick-skinned, do not assume that your opponent is. Maybe you should think of this rule as, "treat others as you would have them treat your mother."

2. CONTROL: SOTG TAKES REAL EFFORT.

SOTG is not just some abstract principle that everyone adopts and then games run smoothly without effort. Close calls are made in tight games. Hard fouls are committed. SOTG is about how you handle yourself under pressure: how you contain your emotionality, tame your temper, and modulate your voice. If you initiate or contribute to the unraveling of spirit, the concept falls apart quickly. If you act to mend things (or at least not exacerbate the situation) by following (1) above, the game heals itself.

3. HECKLING AND TAUNTING ARE DIFFERENT.

Ultimate has a long tradition of good-natured heckling. Heckles are friendly barbs, typically from non-playing spectators. Heckling can be fun, but taunting is unspirited and wrong. Harassing remarks after an opponent's foul call or close play are NOT heckling: they are abusive taunts which create unpleasant playing conditions and often escalate to acrimonious disputes.

4. SOTG IS COMPATIBLE WITH CHAMPIONSHIP PLAY.

It is a fallacy to argue that the stakes are so important that some aspect of SOTG can be cast aside. Time and again, great teams and star players have shown that you can bring all your competitive and athletic zeal to a game without sacrificing fair play or respect for your opponent.

5. DON'T "GIVE AS YOU GOT."

There is no "eye for an eye." If you are wronged, you have no right to wrong someone in return. In the extreme case where you were severely mistreated, you may bring the issue up with a captain, tournament director, or even lodge a complaint with the governing body. If you retaliate in kind, however, a complaint may be filed against you. We recall point (1): treat others as you would have them treat you, not as they have treated you. In the end, you are responsible for you.

6. BREATHE. After a hard foul, close call, or disputed play, take a step back, pause, and take a deep breath. In the heat of competition, emotions run high. By giving yourself just a bit of time and space, you will gain enough perspective to compose yourself and concentrate on the facts involved in the dispute (was she in or out; did you hit his hand or the disc; did that pick affect the play). Your restraint will induce a more restrained response from your opponent. Conflagration averted, you may resume business as usual.

7. WHEN YOU DO THE RIGHT THING, PEOPLE NOTICE. When you turn the other cheek, you know you've done the right thing. You may not hear praise, there may be no standing ovation, but people do notice. Eventually, their respect for you and their appreciation of the game will grow.

8. BE GENEROUS WITH PRAISE. Compliment an opponent on her good catch. Remark to a teammate that you admire their honesty in calling themselves out of bounds. Look players in the eye and congratulate them when you shake their hands after a game. These small acts boost spirit greatly, a large payoff for little time and effort.

9. IMPRESSIONS LINGER. Not only does the realization that your actions will be remembered for a long time serve to curb poor behavior, it can also inspire better conduct. Many old-timers enjoy the experience of meeting an elite player who remembers their first rendezvous on the field and recalls the event in detail. A good first encounter with an impressionable young player can have considerable long term positive impact.

10. HAVE FUN. All other things being equal, games are far more fun without the antipathy. Go hard. Play fair. Have fun.
