## USA ULTIMATE TRIPLE CROWN TOUR

The USA Ultimate Triple Crown Tour is a competition structure, introduced in 2013, for the USA Ultimate club season, including the summer regular season and the fall Championship Series for the men’s, mixed and women’s divisions. Teams in this structure qualify into one of four “Flights” based on their finish in the most recent Championship Series. Qualification for the 2017 National Championships means that all participating teams have earned their way into one of the two top Flights (Pro or Elite) for 2018.

At the 2017 National Championships, the top eight finishers will comprise the 2018 Pro Flight. Pro Flight teams will also earn bids to the 2018 U.S. Open Championships and the 2018 Pro Championships. The bottom eight teams at Nationals will comprise the 2018 Elite Flight, and will earn bids to the 2018 Elite-Select Challenge and 2018 Pro-Elite Challenge events.

## PLACEMENT GAMES

### Schedule Clarifications

#### Triple Crown Tour (TCT) Pro-Flight Qualification

- 5th Semis Bracket:
  - o 5\* through 8\* are quarterfinal losers in order of post-regionals ranking.
- 9th Quarters Bracket:
  - o 9\* through 12\* are pre-quarters losers in order of post-regionals ranking.
  - o 13\* through 16\* are pool play losers in order of post-regionals ranking.
- Pro Flight Play-In:
  - o Each fifth-place semifinal loser will match up against a ninth- place semifinal winner to compete for one the final two spots in the 2018 Pro Flight. Winners of these two games will qualify for the last two spots in the Pro Flight.

#### 2018 WFDF World Ultimate Club Championships (WUCC) Qualification

The WFDF Ultimate Committee recently approved the bid allocation list for national federations interested in participating in the 2018 World Ultimate Club Championships, to be held July 14-21, 2018, in Cincinnati, Ohio. To date, USA Ultimate has been awarded 10 bids – four in the women’s division, three in the mixed division, and three in the men’s division.

All finalists, both women’s semifinalists, and winners of the men’s and mixed third-place games will earn an invitation to compete at WUCC 2018. If a team declines their bid to WUCC, or if USA Ultimate receives additional bids to WUCC, vacant bids will be awarded in order of finish at the 2017 National Championships.

SPECTATOR INFO

# ULTIMATE IN 10 SIMPLE RULES

**1. THE FIELD:** A rectangular shape with end zones at each end. A regulation field is 70 yards by 40 yards, with end zones 25 yards deep.

**2. INITIATE PLAY:** Each point begins with both teams lining up on the front of their respective end zone line. The defense throws (“pulls”) the disc to the offense. A regulation game has seven players per team.

**3. SCORING:** Each time the offense completes a pass in the defense’s end zone, the offense scores a point. Play is initiated after each score.

**4. MOVEMENT OF THE DISC:** The disc may be advanced in any direction by completing a pass to a teammate. Players may not run with the disc. The person with the disc (“thrower”) has ten seconds to throw the disc. The defender guarding the thrower (“marker”) counts out the stall count.

**5. CHANGE OF POSSESSION:** When a pass is not completed (e.g. out of bounds, drop, block, interception), the defense immediately takes possession of the disc and becomes the offense.

**6. SUBSTITUTIONS:** Players not in the game may replace players in the game after a score and during an injury timeout.

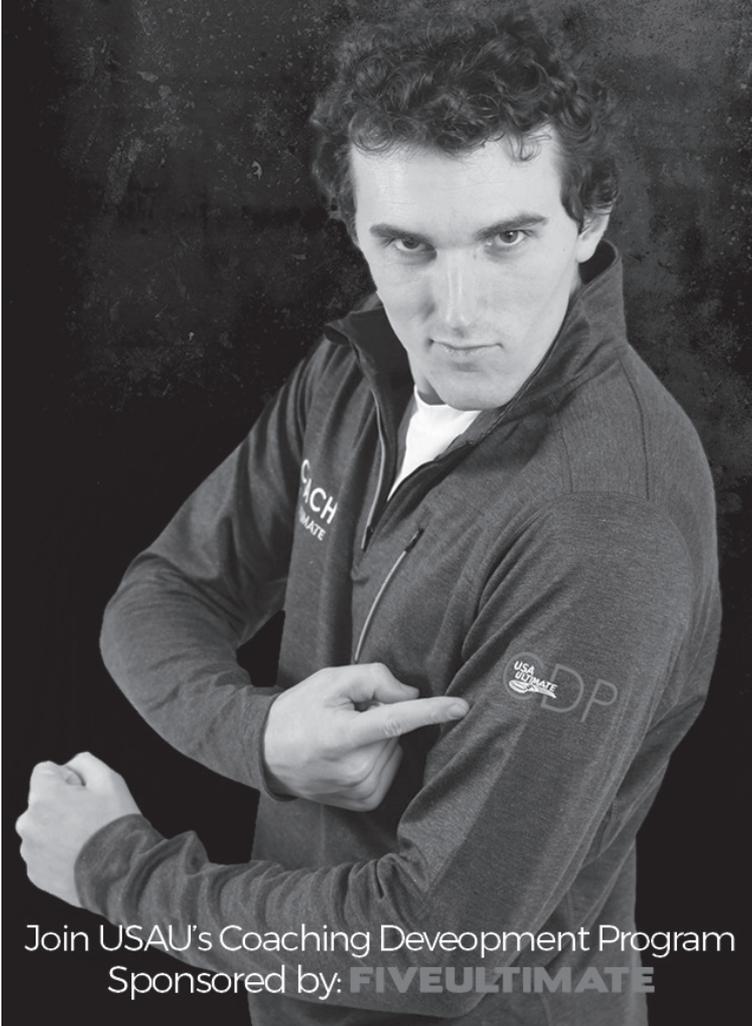

**7. NON-CONTACT:** No physical contact is allowed between players. Picks and screens are also prohibited. A foul occurs when contact is made.

**8. FOULS:** When a player initiates contact on another player a foul occurs. When a foul disrupts possession, the play resumes as if the possession was retained. If the player committing the foul disagrees with the foul call, the play is redone.

**9. SELF-OFFICIATING:** Players are responsible for their own foul and line calls. Players resolve their own disputes.

**10. SPIRIT OF THE GAME:** Ultimate stresses sportsmanship and fair play. Competitive play is encouraged, but never at the expense of respect between players, adherence to the rules, and the basic joy of play.

# COMMON ULTIMATE TERMS

**BREAKMARK** – a throw made to other side of the field from what is being forced by the marker

**BRICK** – the spot where play may be initiated when a pull lands out of bounds, typically 15 or 20 yards from the front of the offense’s end zone and in the center of the field (yardage varies based on individual tournament rules); players have the option of making this call or taking the disc on the sideline closest to where it lands

**CALLAHAN** – a defensive score, occurs when a defender catches the disc in the end zone he or she is attacking

**CUP** – the wall of defenders that surround the thrower in a zone defense; the wall typically consists of 3 players, but variations with 2 or 4 defenders are also common

**FLICK** – forehand, thrown outside, away from the handler’s body

**FORCE** – side of the field to which throws should be contained; the marker will attempt to take away throws to one part of the field and is said to be “forcing” throws to go up in a certain direction

**GREATEST** – a jump, throw, catch combination that occurs when the disc is out-of-bounds, but a player jumps from in-bounds, catches the disc and successfully throws it back in-bounds to a teammate

**HAMMER** – an overhead throw that starts above the shoulders where the disc turns over in the air and lands upside-down

**HUCK** – a long throw

**POACH** – a defensive decision to leave a designated one-on-one matchup, usually temporarily, to clog a cutting lane or help defend a player other than the original

**PULL** – the “kick-off” of each point in which the defensive team throws the disc from their own end zone down the field toward the offensive team

**STALL** – the 10-second count for which a player is allowed to maintain possession of the disc; the opposing, defensive player must count the 10-seconds aloud; a “stall” occurs if the disc is held for more than the 10-second count

**STRIP** – occurs when a disc is knocked out of a player’s hands after they have stopped rotation and achieved possession

# 10 THINGS YOU SHOULD KNOW ABOUT SPIRIT OF THE GAME™

## **1. THE GOLDEN RULE: TREAT OTHERS AS YOU WOULD WANT TO BE TREATED.**

Spirited games result from mutual respect among opponents. Assume the best of your opponent. Give him or her the benefit of a doubt. You would want the same for yourself. But if you are thick-skinned, do not assume that your opponent is. Maybe you should think of this rule as, “treat others as you would have them treat your mother.”

## **2. CONTROL: SOTG TAKES REAL EFFORT.**

SOTG is not just some abstract principle that everyone adopts and then games run smoothly without effort. Close calls are made in tight games. Hard fouls are committed. SOTG is about how you handle yourself under pressure: how you contain your emotionality, tame your temper, and modulate your voice. If you initiate or contribute to the unraveling of spirit, the concept falls apart quickly. If you act to mend things (or at least not exacerbate the situation) by following (1) above, the game heals itself.

## **3. HECKLING AND TAUNTING ARE DIFFERENT.**

Ultimate has a long tradition of good-natured heckling. Heckles are friendly barbs, typically from non-playing spectators. Heckling can be fun, but taunting is unspirited and wrong. Harassing remarks after an opponent’s foul call or close play are NOT heckling; they are abusive taunts which create unpleasant playing conditions and often escalate to acrimonious disputes.

## **4. SOTG IS COMPATIBLE WITH CHAMPIONSHIP PLAY.**

It is a fallacy to argue that the stakes are so important that some aspect of SOTG can be cast aside. Time and again, great teams and star players have shown that you can bring all your competitive and athletic zeal to a game without sacrificing fair play or respect for your opponent.

## **5. DON’T “GIVE AS YOU GOT.”**

There is no “eye for an eye.” If you are wronged, you have no right to wrong someone in return. In the extreme case where you were severely mistreated, you may bring the issue up with a captain, tournament director, or even lodge a complaint with the governing body. If you retaliate in kind, however, a complaint may be filed against you. We recall point (1): treat others as you would have them treat you, not as they have treated you. In the end, you are responsible for you.

**6. BREATHE.**

After a hard foul, close call, or disputed play, take a step back, pause, and take a deep breath. In the heat of competition, emotions run high. By giving yourself just a bit of time and space, you will gain enough perspective to compose yourself and concentrate on the facts involved in the dispute (was she in or out; did you hit his hand or the disc; did that pick affect the play). Your restraint will induce a more restrained response from your opponent. Conflagration averted, you may resume business as usual.

**7. WHEN YOU DO THE RIGHT THING, PEOPLE NOTICE.** When you turn the other cheek, you know you've done the right thing. You may not hear praise, there may be no standing ovation, but people do notice. Eventually, their respect for you and their appreciation of the game will grow.

**8. BE GENEROUS WITH PRAISE.**

Compliment an opponent on her good catch. Remark to a teammate that you admire their honesty in calling themselves out of bounds. Look players in the eye and congratulate them when you shake their hands after a game. These small acts boost spirit greatly, a large payoff for little time and effort.

**9. IMPRESSIONS LINGER.**

Not only does the realization that your actions will be remembered for a long time serve to curb poor behavior, it can also inspire better conduct. Many old-timers enjoy the experience of meeting an elite player who remembers their first rendezvous on the field and recalls the event in detail. A good first encounter with an impressionable young player can have considerable long term positive impact.

**10. HAVE FUN.**

All other things being equal, games are far more fun without the antipathy. Go hard. Play fair. Have fun.

@digultimate

The Dig project began in May of 2016, aiming to relieve Boston of a massive talent congestion problem. It is a story with a Dark history, and it is our pleasure to bring it to Light (RIP). Once upon a time, the road to Nationals in Boston was one team wide.

With the men's highway blocked by iron railings, players were branching off the Maine artery seeking alternate routes. Then the unthinkable happened, and like a large legendary bird, Dig emerged, building inroads and bridging together landlubbers with those lost at sea. With vague and dubious ties to a forgotten dynasty, Dig comes to Sarasota with a singular notion of success. Death is Glory.

## HIGH FIVE

### MICHIGAN & OHIO

Captains: Paul Arters, Phil Cherosky, Mike Dagher-Margosian, Tyler Kinley

@highfiveulti

Once the battleground of the "Great" Michigan-Ohio War, the Michigan/Ohio border now serves as a welcoming conduit bringing together some of the top talent in the Great Lakes Region. After battling each other for many years on the college and club scenes, thanks to the 2015 Treaty of Versailles (Ohio,

not France), many former adversaries are now great friends, bound together as brothers in arms.

In 2015, High Five qualified for Nationals for the first time. With another year of chemistry and playing together, we again qualified for Nationals in 2016 and finished as Pro Flight team. We intend to build upon our Nationals appearances and solidify High Five as a national mainstay.

## IRONSIDE

### BOSTON, MA

Captains: Jack Hatchett, Will Neff, Alex Simmons  
 Coaches: Josh McCarthy, Danny Clark, Jacob Luria  
 @Boston\_Ironside

For their tenth season on these rough and ragged seas, the proud sailors of Ironside return to Nationals, sights set on glory. The whipping winds of Sarasota have scuttled many a fine vessel, and only the bravest can navigate these treacherous waters. While several long oarsmen from a prior crew have since retired into

the gilded sunset, new recruits have swelled the ranks in a quest to defend their hard-fought treasure from looting raiders.

The voyage has been long. Out from the doldrums of the off-season, through rampant scurvy, and past the clawing grasps of sea-beasts have our sailors gone a-battling. With high spirit and spirit high, the Ship is humming once again with the power of 26 souls working in tandem and heaving as one to cast their sails, catch the bursting gust, and set forth on a journey anew. Amidst the crashing waves, you'll hear the sailors exclaim "Huzzah! Her sides are made of Iron" as we load our broadsides and prepare to fire the cannons.

Ironside stands with the women of the ultimate community and is committed to the gender equity movement in our sport.

As times have changed, PoNY has evolved with them. Over are the days of five-paneled hats, referring to throws as “biscuits,” and jumping shoulder bumps. Let's take a moment to inventory what's “In” and “Out” in our beloved community.

Out: Moving to a new city for ultimate. In: Moving to a new country for medical tourism.

Out: Having a massage therapist at nationals. In: Having a “chili guy.”

Out: Jokey twitter accounts. In: Radical self-care.

Out: Active warmups. In: Passive income in 43 easy steps.

Out: Spirit circles. In: Human centipedes.

Out: Throwing flicks and hammers. In: Throwing loopers, weak-side jim jams, “sorry son, couldn't make it to your baseball game, work's been crazy” daddios, and backhands.

## REVOLVER

### SAN FRANCISCO, CA

Captains: Lucas Dallmann, Grant Lindsley, George Stubbs, Nathan White  
 Coaches: Mike Payne, Devon Anderson  
 revolverultimate.com  
 @revolverult

Revolver was established in 2006 when Nick Handler, Chris McManus and Marc Weinberger came together to build a new ultimate program from scratch. They sought a team where young players could learn from veterans and where the goal was to get better in every practice and game.

Although Revolver did not set out to win championships, the program's focus on young talent, role playing and spirited competition created a foundation for a successful program. In its early years, Revolver established itself as a nationally competitive program, qualifying for Nationals in three of its first four years. In 2009, Revolver reached the finals but lost to Chain Lightning. From that point, the program continued to rise, and over the next five years, captured four USAU national championships, two WUCC world championships, and one WUGC world championship.

## BFG

### SEATTLE, WA

Captains: Lili Gu, Alexa Kirkland, Tommy Li

@SeattleBFG

BFG was founded in 2016 by Lili Gu and Alexa Kirkland by bringing together players without other club plans mid-season. We're a diverse squad of players from different divisions with the common goal of having a supportive, fun team environment while competing at a high level. We're all about positivity and process. We had a great first season, but as a first-year team, we were unable to participate in any major tournaments to earn a bid for our region. We ended up just short of Nationals while ranked #10 overall in the country. This year, we've worked hard to earn a bid and feel fortunate to have done well enough in our talented region to qualify for Nationals. This will be a first Nationals appearance for a large contingent of our team. We're all grateful for the opportunity to compete at one more tournament together this season!

Mischief. It means trickery, chicanery and spirited fun. It means winning games with our legs and, when our legs can't run any more, going the last mile with heart. It means always having more in the tank. It means putting everything on the line for our team and taking pride in being the best we are capable of

becoming. Above all, it means love and family.

Mischief was founded in 2003, and our goal is to foster a supportive and fun environment that motivates us to work hard, commit and sacrifice for each other to compete at the highest level. This will be Mischief's 10th appearance at Nationals, and we are looking to build off a successful semifinal finish in 2016.

## NO TOUCHING!

### MINNEAPOLIS, MN

Captains: Paul Norgaard, Sam Valesano, Graham Brayshaw

@notouchingult

As overheard on the shame. sideline during Colorado Cup, No Touching! is "a bunch of washed-up old ringers who still want to play ultimate." We couldn't have said it better ourselves!

After our unanticipated success in 2016, we found ourselves in uncharted territory. Younger, talented players were coming out of the woodwork in an attempt to join the team. After a grueling tryout process (consisting of sending us an email), we settled on picking new teammates who exhibited an enduring love of ultimate, were renowned for good sportsmanship and "seemed the most fun." While traveling to TCT tournaments has limited this season's appearances of the Banana Stand, you can still expect No Touching! to bring our "tragically effective" offense, undeniably complex defense, and Bad Decision Bow Tie with us on our quest to #keepnationalsfun.

Slow White, the sports team (The Team) from Massachusetts (MA), was founded in Common Era (CE) 2004. It continues to exist up through CE 2017 so far. It is The Team's hope that it continues to exist beyond CE 2017, maybe even through CE 2025 and beyond if things continue to go well. The Team is able to travel

to the majority of its practices and tournaments via Route 2, a popular major state highway that runs east and west across MA, from New York (NY) to Cambridge, MA. It is well maintained and very smooth – a real pleasure on which to drive. The Team won the USA Ultimate (USAU) National Championship in the mixed division in CE 2016. The Team does not know if it will win the USAU National Championship in CE 2017, but it certainly hopes to.

@cincysfb

Steamboat was formed in 2008 and is based out of Cincinnati, Ohio. In our 10th season, Steamboat remains one of the longest-standing mixed teams in the Great Lakes Region and increasingly draws players from

outside southwest Ohio. We captured our third regional championship this year in West Chester, Ohio, to claim a bid to the National Championships, with our other Nationals appearances coming in 2013 and 2016. The 2016 season was historically successful for the program, with a 41-3 record and a fifth-place finish at Nationals. In 2017, we continued our development and grew as a team with a full slate of TCT events. We look forward to another opportunity to test ourselves at Nationals and build on our past results and experiences. It's anchors away as this Boat has sights set for Sarasota! #AllAboard #SFB2017

## TORO

### DURHAM, NC

Captains: Dylan Shields, Christine Bookhout, George Guthrie  
@ToroUltimate

Many years ago, there was a men's team in North Carolina called LOS, the best team that never made it to Nationals, despite actually qualifying once (then accidentally playing in and losing a non-required game to go) and blowing a 14-9 lead in another game to go. Many players were so devastated that they quit ultimate for years or settled for playing on other little-known local teams such as Ring of Fire. Toro has revived the spirit of LOS, but made the wise decision to play mixed with some baller women and additional male talent, who have finally managed to break the LOS curse and carry these poor men to the USAU National Championships.

Born in 2012 from the idea that diverse talent with focused, hard work can achieve great things, Wild Card returns to Nationals for a fifth time. This trip to Sarasota is the culmination of a two-year process that began with incorporating 17 new players into the 2016 roster, and the 2017 edition is excited to bring 14 players to their first National Championships. This year's Wild Card squad comes into Sarasota well-travelled and battle-tested after trips to the Select Flight Invite in Columbus and the Elite-Select Challenge in Appleton. A young, determined team, Wild Card looks to build their season one point at a time, always supporting each other by creating a positive atmosphere while honoring their opponent and the spirit of competition on the field. Keep rising!

## 6IXERS

### TORONTO, ON

Captains: Jeannette Quach, Jessie Wu, Jordan Meron

Coaches: Carla Difilippo, Evan Phillips

@6ixersultimate

The 6ixers were founded in 2016, following the disbanding of Canadian powerhouse Capitals, in an effort to focus on a Toronto-based team that would develop elite players through top-tier coaching and leadership. In our first year, we shocked the ultimate scene by winning both the Elite-Select Challenge and the Select Flight Invite, going undefeated in the regular season. Unfortunately we were unable to clinch the deal and fell in the game to go at Northeast Regionals in an upset loss to Quebec Iris. This year, we have come back stronger, with more depth and even more motivation. Again we shocked the ultimate scene by pulling off an upset win at the 2017 Canadian Ultimate Championships against powerhouse Vancouver Traffic, earning a bid to the 2018 WUCCs. We are coming into our first-ever USAU National Championships hungry to prove ourselves for the first time on ultimate's biggest stage.

@100percentBS

Brüte Squad was founded eight years after the incomparable Kiss From a Rose by Seal was first released in 1994, and has been living in its shadow ever since. Our main focuses this year are empathy, redrum, nautical wordplay and what happens when a coach names his new baby after a TEAM dog. Brüte Squad's namesake film is 30 this year, making it as old as Brüte's four oldest players: real mom, TEAM mom, grillmaster mom and schwam-bomb-mom.

We are still amped to be part of the conversation, action, and change that is happening in this sport as the gender equity movement grows in ultimate. As athletes and as females, we are happy we get to see our peers get the spotlight they deserve.

Jewsquad is sad that #SukkotInSarasota isn't a thing, but all of Brüte is ready to bring power, pleasure and pain into every point at this year's Nationals.

@HeistUltimate

Heist was formed in 2012 to provide women in the Midwest a greater opportunity to compete in the women's division. At that time, the only options were in major cities: Minneapolis and Chicago. Robyn Wiseman (Fennig), Corinne McKittrick (Wade) and Georgia Bosscher dreamt of providing an opportunity for women who are not located in those bigger cities to compete against other top-tier women, while building community in the Midwest: Heist was born. Interest in and support for Heist grows every year, as we increase our competitiveness, commitment to growth and investment in ourselves and the team. We balance traveling to National-caliber elite tournaments with competing in regional tournaments to build women's ultimate in the Midwest.

## MOLLY BROWN

### DENVER, CO

Captains: Claire Chastain, Becca Miller

Coach: Joe Durst

facebook.com/MollyBrownTown

@MollyBrownTown

A new elite team was formed in 2010, in an attempt by Denver/Boulder-area women's ultimate players to put together a superstar roster of players in the area. After roughly 39,201 lines of Google spreadsheet doc debate, the team name was cemented: a tribute to 20th century Colorado suffragette and survivor Mag-

gie "Molly" Brown.

In Molly Brown's inaugural season in 2010, we placed ninth at the National Championships. In 2011, we advanced to a seventh-place finish. In 2012, Molly Brown improved again and finished fifth. In 2013, Molly Brown finished 11th. In 2014, Molly Brown had yet another early exit out of the bracket and tied for ninth. After finally breaking through the quarterfinals in 2015, Molly Brown has lost to Brute Squad in the semifinals of Nationals for the past two years and are looking to get to finals and win a National Championship.

## OZONE

### ATLANTA, GA

Captains: Emily Lloyd, Haley Reese

Coach: Martin Aguilera

@ozoneultimate

Ozone is proud to continue a long tradition of women's ultimate in the Southeast. We are dedicated to pursuing equity in our sport. Our commitment to community is measured by the time we give

coaching college, high school and YCC teams in our region. 2017 marks our 31st consecutive appearance at Nationals (going strong since 1987) as well as the addition of our first legacy player (young stunna Marie Perivier's mom was original Ozone!). We are proud of our veterans Haley Reese and Katherine Wooten who helped earn Team U.S.A. gold medals at WCBU in June, and we are thrilled that (re)rookie Jin-Mi Matsunaga will be competing for Team U.S.A. next! We have a truly inspired devotion to incorporating carrots and tacos into all team activities!

One of the things that makes ultimate unique is our history of identifying and pursuing equity within our community. While we are committed to maintaining gender equity as a guiding characteristic and tenet of USAU's vision for our sport (and we are grateful to all players and advocates fighting for the same), we expect the conversation of equity in our sport to include racial and economic equities as well.

## RIVAL

### COLUMBUS, OH

Captains: Janine Walker, Becky Moore, Caitlin Harley

Coaches: DeAnna Ball, Andy Theiss

rivalultimate.com

@RivalUltimate

Just in time for the 2015 club season, a group of alumni and current players from two Midwest ultimate programs, Ohio State Fever and Michigan Flywheel, joined forces and set out to establish a new nationally competitive club women's team in the Great Lakes Region fittingly titled Rival. After laying the groundwork throughout our inaugural season, we continued to grow and define our team throughout year two and raised the bar as we took the Nationals stage for the first time in 2016! Year three has brought more growth in our program, a second consecutive regional championship and another chance to take the fields together at Nationals. We can't wait!

Scandal comes to Sarasota ready to dive into the morass and make waves.

Seattle Underground was formed out of Seattle Viva in 2009 as a new opportunity for the growing women's ultimate scene in the Seattle metropolitan area. We have 13 rookies mined from the motherlode of talent from the Northwest youth and college scene, but don't mistake this as a rebuilding year. Six different players from the original 2009 team have come back to the fold these last two years, and they bring a wealth of club experience with them. Underground reached the National Championships in 2012 and again in 2014. This will be our third trip to Nationals, and we believe this combination of experienced legends and dynamic rookies will help us have our best showing yet!

# SPIRIT AWARDS

**Peter Farricker Spirit of the Game Award** – The spirit award in the men's division is named for Peter Farricker, a player who embodied Spirit of the Game to those who played with or against him. This award is given to a player in the men's division of the USA Ultimate Championship Series deemed to have exhibited personal responsibility, integrity and fairness combined with a high standard of playing ability. Each qualifying men's team nominates one player from its roster who best represents the Spirit of the Game. Each nominee is honored with a disc and a pin or set of Mardi Gras beads. The goal is that those wearing the Mardi Gras beads will be connected to Pete, each other and the Spirit of the Game, and become role models for their teammates and opponents. A selection committee selects one of the four semifinal nominees as the winner. Previous winners include Moses Rifkin, Andy Crews, Damien Scott, Jeff Eastham-Anderson, Allan Cowan, Chase Sparling-Beckley, Josh McCarthy, Robbie Cahill, Bart Watson, Matt Rebholz, Martin Cochran, Beau Kittredge, Danny Clark, Ashlin Joye and Owen Westbrook.

**Kathy Pufahl Spirit of the Game Award** – The women's division spirit award builds upon the foundations of Spirit of the Game that are reflected in the Farricker Spirit Award: ability, fairness and integrity. The Kathy Pufahl Spirit Award also recognizes those individuals who give back to our sport and is presented to the player deemed to have exhibited personal responsibility, integrity and selfless contribution to ultimate, combined with a high standard of playing ability. Each qualifying women's team nominates one player from its roster as the person who best represents the Spirit of the Game and has contributed in a substantial way to their ultimate community. At the National Championships, each of the 16 nominees is honored with a memento reflective of Kathy's love of horticulture. A vote of the qualifying teams will determine the recipient of the Pufahl Award, which will be presented after the women's final. Previous winners include Vida Towne, Kati Halmos, Kristine Gill, Deanna Ball, Allison Boyd, Jody Dozono, Michelle Ng, Gwen Ambler, Lauren Casey, Nancy Sun, Leila Tunnell, Alex Snyder and Anna Nazarov.

**Spirit and Equity Award** – The mixed division spirit award is given to one one female- and one male-identified player (for the purpose of satisfying on-field gender ratios) each year. Each mixed team that qualifies for the National Championships nominates one male and female who best represent Spirit of the Game and show a dedication to equity both on the field and in the community. This award is given to the players determined by Nationals-qualifying mixed teams to have exhibited personal integrity, responsibility and fairness, along with a commitment to enhancing equity in play and in their communities. Allysha Dixon and David Protter were the inaugural recipients of the Spirit and Equity Award in 2016.

# SPIRIT CIRCLES

USA Ultimate has recommended post-game “spirit circles” to teams at the Youth Club Championships since 2010. It’s an idea borrowed from international competitions throughout the ultimate world. For years, American teams have traveled to world championships where they have not only done exceptionally well in each competition, but showed the international community the importance we place on respect for the game and their opponents. But American players have also learned a lot from competing against teams from other countries, and invariably one of the most positive parts of the international experience has been the tradition of the post-game spirit circle. While there are a number of ways to do this, here are some quick tips to get your team started:

- Following each game, rather than lining up to slap hands, the two teams gather into a circle, alternating players on each team, facing inward, with arms around the shoulders of the person next to you.
- One or two people (often team captains or spirit captains) on each team will talk briefly about the game. Usually the losing team goes first, then the winning team.
- Things to talk about can include how the game went, how your own team played, what the other team did well, who on the other team played well, and anything else that might be worth communicating...even if it’s something you think could be done better (and don’t forget to look in the mirror on this).
- After each team has had a chance to talk, the winning team takes a step into the circle and walks around counter-clockwise to slap hands with the players on the other team.

That’s it! It’s pretty simple and definitely an experience that brings teams together and puts the game and the experience in perspective. It’s all about respect for each other and the experience of bringing out the best in each other through competition. It’s also about building relationships and seeing opponents for what they really are: part of the same community that loves ultimate. Please note that this is not meant to replace other post-game traditions you may have (e.g., cheers, games, photos, gifts or trading gear). Good luck, and please let USA Ultimate staff and other event organizers how it goes!

# HEALTH AND SAFETY

Medical staff, including athletic trainers, will be on site at Tournament Central to treat injuries, handle emergencies and provide some preventative care. The event will provide standard athletic tape, pre-wrap, ice and some bandages. Other supplies, including special tape or bandages and anti-inflammatory drugs, must be provided by teams or may be charged by the training staff.

If there is an injury on a field that needs medical attention, inform a field marshal, and he or she will radio to the trainers.

If you have medical issues that require attention in the morning before play, please show up early to avoid long lines. The trainers will be at the fields two hours prior to game time each day.

## CONCUSSIONS

### EDUCATION

- USA Ultimate recommends the CDC “Heads Up Safety” program, a free one-hour online training: [cdc.gov/concussion/headsup/youth.html](http://cdc.gov/concussion/headsup/youth.html).
- USA Ultimate’s participant waiver includes important information from the CDC regarding concussion safety: [usaultimate.org/membership/usa\\_ultimate\\_membership\\_forms.aspx](http://usaultimate.org/membership/usa_ultimate_membership_forms.aspx)

### COACHING REQUIREMENTS

- Coaches at USA Ultimate events are required to have completed a concussion awareness and safety recognition program (like the CDC program above or other local or state-recommended course). Coaches should not submit records of course completion to USA Ultimate, but should maintain records on-site while coaching.

### REMOVAL & RETURN TO PLAY

- All guidelines identified by the CDC must be strictly followed in the event of a suspected concussion.
  1. Remove athlete from play.
  2. Ensure athlete is evaluated by a health care professional trained in concussion diagnosis and management. Do not try to judge the seriousness of the injury yourself.
  3. If a minor, inform athlete’s parents or guardians about the known or possible concussion and give them the fact sheet on concussion.
  4. Allow athlete to return to play only with permission from an appropriate health care professional.

## DOCTOR’S NOTE REQUIREMENT

If, during a USA Ultimate event, an athlete receives care at a hospital, medical clinic or doctor’s office, or is referred to a hospital or doctor by event medical staff, the athlete is barred from further competition in that event until he or she provides a doctor’s note, on letterhead or prescription pad, to event medical staff stating that the athlete is authorized to return to competition.

## HEAT, NUTRITION AND HYDRATION

- Heat-related illness occurs when body cooling by evaporation is limited. Sweating depletes the body’s salt and moisture, which leads to dehydration. If a player recognizes any signs or symptoms of heat-related illness, he or she should treat the problem immediately.
- Signs and symptoms of heat illness can include changes in level of consciousness, abdominal cramps, nausea/vomiting, fatigue/tingling, chills, inability to spit, dry mucous membranes, decreased output and change in color of urine.
- Prevention and Treatment of Heat Illness
  - Avoid alcohol, caffeine and carbonated beverages.
  - Medications such as antihistamines, decongestants, certain asthma medications and diuretics can increase risk for heat illness. Avoid them if possible.

- Avoid certain nutritional supplements (such as caffeine and ephedrine) that can dehydrate the body and/or increase metabolism and heat production.
- Know your body – be honest! Are you fit enough to perform under current conditions?
- Eat and drink (water AND sports drinks) optimally before, during and after play. Potassium is important (good sources include sports drinks, yogurt, grapefruit juice, bananas and oranges). Sodium is also important (good sources include sports drinks, vegetable juices, pretzels, nuts, cheese and crackers). After play, carbohydrates are important: foods such as potatoes, honey, cereal, white bread, corn chips, sports drinks, jelly beans, rice cakes, bagels, crackers and gummy candies).
- Don't drink too much. Over-hydrating can be dangerous if it leads to a fluid and electrolyte imbalance.
- Monitor your urine. Clear/copious = hydrated. Dark = Need water/electrolytes.
- Be sensitive to prior illness. If you've been sick, your body may be more susceptible to dehydration.
- Rest and cool down after play. Find shade, wet the skin, get in front of a fan or breeze.

## SIDELINE SAFETY

- Spectators and equipment must stay at least three yards away from the sidelines. Where there are buffer lines, respect them. Chairs, coolers, strollers, you, etc., must be at least three yards from the sidelines.
- If a player believes that an object on the sideline is not safe, he or she should inform event staff and refrain from playing until he or she is satisfied that safe conditions have been established.
- USA Ultimate and event staff reserve the right to move or remove objects or spectators from on or near the playing field if those conditions are, in the opinion of USA Ultimate or event staff, unsafe for players, staff or spectators.

## LIGHTNING GUIDELINES

- Event staff will communicate with players and spectators via PA system and through field marshals equipped with radios if there is a lightning danger. Play then will be stopped, and everyone should seek shelter.
- Safe shelter for players and spectators at the field site includes any fully enclosed building or vehicle with a hard top and closed windows.
- Event staff will use the “flash-to-bang” method to determine when to send people to shelter. By the time the flash-to-bang count has reached 30 seconds, all individuals should be in a safe shelter location.
- If you can't get to a safe shelter, try to avoid being the tallest object in an open field or on open water. Avoid other tall objects, metal objects and water. Assume a crouched position with only the balls of your feet touching the ground, your arms wrapped around your knees, and your head lowered. Minimize contact with the ground. Do not lie flat.
- Avoid using telephone land lines. Cell phones are safe, provided the person has followed other safety guidelines.
- Event staff will indicate to players when play is going to resume. Team captains should meet at Tournament Central to receive instructions for resuming play and any schedule modifications.
