San Diego is a destination that truly has something for everyone. With an average temperature of 72 degrees, we hope that you're able to enjoy our 70+ miles of coastline including scenic vistas in La Jolla and Sunset Cliffs. If you're bringing the family, be sure to check out the world-renowned San Diego Zoo or SeaWorld San Diego. The Gaslamp Quarter is popular for fine dining and nightlife, and we certainly can't leave out the cultural hubs of San Diego including Balboa Park and Old Town.

We're sincerely excited to host the National Championships and hope you'll enjoy San Diego!

All the best,

NOISEMAKER GUIDELINES

The following guidelines for noisemakers will be applied at USA Ultimate events. They are designed to strike a balance between limiting artificial noise that adversely impacts the competition or the on-site experience of participants with allowing for noise that helps create an enthusiastic, fun and supportive environment. Players, teams and spectators are expected to abide by these guidelines while on site at the event.

- Powered noisemakers are not allowed at the event site. This includes, but is not limited to, air horns, sirens and electronic bullhorns.
- Novelty noisemakers are NOT permitted, except under the following conditions:
 - Must remain outside of the equipment lines.
 - May only be used between a goal being scored and the offense signaling readiness for the next point.
 - May not be used during timeouts taken during active play.
 - Novelty noisemakers include, but are not limited to, whistles, vuvuzelas, squeeze horns and musical instruments.
- Music-playing devices with external speakers are permitted under the following conditions:
 - Must remain outside of equipment lines, except during warm-ups and half-time.
 - Must remain at a reasonable volume considering other event participants and attendees.
 - May not be used to play music with offensive lyrics or themes.
- No noisemaker of any kind is permitted that may present a safety hazard.
- Any noisemaker permitted above may be disallowed if the volume or content of the noise is deemed to be offensive or disruptive to the enjoyment of the event, or the noisemaker is used in an un-spirited manner such as to taunt, intimidate or give a team an undue competitive advantage, as determined by event staff.

Event staff and observers will inform teams and individuals of these guidelines as needed. Repercussions for violation of these guidelines may include confiscation of the noisemaker, removal of the individual from the event site and/or in-game sanctions associated with the Misconduct System.

USA ULTIMATE TRIPLE CROWN TOUR

The USA Ultimate Triple Crown Tour is a competition structure, introduced in 2013, for the USA Ultimate club season, including the summer regular season and the fall Championship Series for the men's, mixed and women's divisions. Teams in this structure qualify into one of four "Flights" based on their finish in the most recent Championship Series. Qualification for the 2019 National Championships means that all participating teams have earned their way into one of the two top Flights (Pro or Elite) for 2020.

At the 2019 National Championships, the top eight finishers will comprise the 2020 Pro Flight. Pro Flight teams will also earn bids to the 2020 U.S. Open Championships and the 2020 Pro Championships. The bottom eight teams at Nationals will comprise the 2020 Elite Flight, and will earn bids to the 2020 Elite-Select Challenge and 2020 Pro-Elite Challenge events.

PLACEMENT GAMES

Schedule Clarifications

 - 13* through 16* are pool play losers in order of post-regionals ranking.

ULTIMATE IN 10 SIMPLE RULES

- 1. THE FIELD:** A rectangular shape with end zones at each end. A regulation field is 70 yards by 40 yards, with end zones 20 yards deep.
- 2. INITIATE PLAY:** Each point begins with both teams lining up on the front of their respective end zone line. The defense throws (“pulls”) the disc to the offense. A regulation game has seven players per team.
- 3. SCORING:** Each time the offense completes a pass in the defense’s end zone, the offense scores a point. Play is initiated after each score.
- 4. MOVEMENT OF THE DISC:** The disc may be advanced in any direction by completing a pass to a teammate. Players may not run with the disc. The person with the disc (“thrower”) has ten seconds to throw the disc. The defender guarding the thrower (“marker”) counts out the stall count.
- 5. CHANGE OF POSSESSION:** When a pass is not completed (e.g. out of bounds, drop, block, interception), the defense immediately takes possession of the disc and becomes the offense.
- 6. SUBSTITUTIONS:** Players not in the game may replace players in the game after a score and during an injury timeout.
- 7. NON-CONTACT:** No physical contact is allowed between players. Picks and screens are also prohibited. A foul occurs when contact is made.
- 8. FOULS:** When a player initiates contact on another player a foul occurs. When a foul disrupts possession, the play resumes as if the possession was retained. If the player committing the foul disagrees with the foul call, the play is redone.
- 9. SELF-OFFICIATING:** Players are responsible for their own foul and line calls. Players resolve their own disputes.
- 10. SPIRIT OF THE GAME:** Ultimate stresses sportsmanship and fair play. Competitive play is encouraged, but never at the expense of respect between players, adherence to the rules, and the basic joy of play.

COMMON ULTIMATE TERMS

BREAKMARK – a throw made to other side of the field from what is being forced by the marker

BRICK MARK – the spot where play may be initiated when a pull lands out of bounds, typically 15 or 20 yards from the front of the offense's end zone and in the center of the field (yardage varies based on individual tournament rules); players have the option of making this call or taking the disc on the sideline closest to where it lands

CALLAHAN – a defensive score, occurs when a defender catches the disc in the end zone he or she is attacking

CUP – the wall of defenders that surround the thrower in a zone defense; the wall typically consists of 3 players, but variations with 2 or 4 defenders are also common

FLICK – forehand, thrown outside, away from the handler's body

FORCE – side of the field to which throws should be contained; the marker will attempt to take away throws to one part of the field and is said to be "forcing" throws to go up in a certain direction

GREATEST – a jump, throw, catch combination that occurs when the disc is out-of-bounds, but a player jumps from in-bounds, catches the disc and successfully throws it back in-bounds to a teammate

HAMMER – an overhead throw that starts above the shoulders where the disc turns over in the air and lands upside-down

HUCK – a long throw

POACH – a defensive decision to leave a designated one-on-one matchup, usually temporarily, to clog a cutting lane or help defend a player other than the original

PULL – the "kick-off" of each point in which the defensive team throws the disc from their own end zone down the field toward the offensive team

STALL – the 10-second count for which a player is allowed to maintain possession of the disc; the opposing, defensive player must count the 10-seconds aloud; a "stall" occurs if the disc is held for more than the 10-second count

STRIP – occurs when a disc is knocked out of a player's hands after they have stopped rotation and achieved possession

@ATLchain

Founded in 1981, Chain Lightning has been illuminating the Southeast for the past 38 years. We took a small hiatus, but have struck the big stage once again with two Club Nationals appearances these past few seasons. Some say that lightning never strikes in the same place twice. We'll see about that.

Captains: Noah Backer, Mac Hecht, Willie Stewart
 Coaches: Josh McCarthy, Nathan Wicks, Jacob Luria
 @DigUltimate

Coming off a last place finish in San Diego last year, this team's expectations were down in the dumps. They walked away feeling like absolute garbage. Amongst all the trash, however, two ancient artifacts were found: a DoG scented Air-Wick and old McCarthyism poster framed in iron. The team

embraced the rare rubble and formed a new identity to match. From the city built upon trash, Boston DiG comes back in its fourth iteration to prove that one team's trash is another team's treasure.

JOHNNY BRAVO

BOULDER, CO

Captains: Bennett Lohre, Elliott Erickson, Kevin Johnson
Coach: Jim Schoettler

Johnny Bravo was founded in 1996 by Dan Ackers-stein, Wes Williams and Dan "Jello" Revelle. The team was founded on vengeance by castoffs from the top Boulder-area team. Soon, Johnny Bravo overtook their rivals and began their reign as the top elite team in Colorado. By cultivating a strong relationship

with local college teams (notably Colorado and Colorado State) and drawing top talent from across the nation, Johnny Bravo grew from a national afterthought, to a perennial quarterfinalist and, finally, to a title contender. Johnny Bravo's base is solidified by a group of players who recognize that natural talent and athleticism can get you to the next level, but hard work and brotherhood will help you transcend that level.

 @RevolverIHD

Revolver was established in the spring of 2006 when Nick Handler, Chris McManus and Marc Weinberger came together to build a new Bay Area ultimate program from scratch. They sought a team where young players could learn from veterans, where lasting friendships can be made and where the goal was to

get better in every practice and game – rise.

Although Revolver did not set out to win championships, it quickly became apparent that the program's focus on young talent, role playing and great spirit had great potential, leading to five national and two world championships over the last decade.

This year's Revolver team brings in 11 new faces, but the same core values that have shaped the team throughout the years still ring true – intensity, humility and discipline.

The core of this year's Crash are an age-spanning roster. Rhino has been in the club division since 1990, a year in which 80% of the current roster were not yet even a glimmer. Future and present Rhino aside, this team has a long history of representing Oregon in the open division, and the range of personalities over the past several decades has lent itself to becoming quite the clown-car of a team.

Planet Earth (Season 3, Episode 1) - narrated by Dr. Emily J. Shields:

In autumn, the dusty hues of the desert are brought to life with the arrival of a FLAMboyant seasonal visitor. Flamingos. They have migrated to the plateaus of San

Diego for one purpose: a spectacular dance. Fueled by a diet of spotted lantern flies, goldfish and toast, the flamingos are prepared for competition. Cries of 'Caw!' and 'Haw!' echo from the flock. As the sun sets on hot girl summer, flamingo fall spreads its wings.

AMP is proud to represent the Founders Section and Philadelphia. Since 2006, AMP has qualified for 14 USA Ultimate National Championships and competed at the 2010 and 2018 World Ultimate Club Championships.

COLUMBUS, OH

Captain: Jeffery Brauning

 @cbusmixed

We are a competitive mixed ultimate Frisbee team based out of the Columbus, Ohio area. Columbus Cocktails was formed in 2016 after the city was missing a competitive mixed team for over a year. The first year, the team was focused on a spirited and fun season. Very shortly into the first year, the team

realized its potential and has since been working towards a greater goal -- making Club Nationals. Even though Club Nationals became a common goal, we never lost sight of our origin and strive to provide a spirited and competitive atmosphere. Each year, the program has progressed and continues to place higher each year at regionals. This year, we defended our regional title and are so excited to go back to Club Nationals.

Mischief. It means trickery, chicanery and spirited fun. It means winning games with our legs, and when our legs can't run anymore, it means going the last mile with heart. It means always having more in the tank. It means putting everything on the line for our team and taking pride in the best we are capable of becoming. Above all, it means love and family.

Mischief was founded in 2003 and our goal is to foster a supportive and fun environment that motivates us to work hard, commit and sacrifice for each other to compete at the highest level.

MOONDOG

MONTANA

Captains: Kyla Crisp, Kari Shelkey, Caleb Stanek, Matt Konen, Ethan Yourd
@MoonDogUltimate

Montana Ultimate was first put on the map when 2001's Trigger Hippy and the 2008 Mental Toss Flycoons won Club Nationals. Through roster turnover and rebrandings, the elite ultimate scene in Montana was lost in the wind, like Cold Smoke on the Ridge at Bridger Bowl. But desire does not lay dormant

long, and soon a new drive to compete against the elite was reforged, just as Anduril was remade from the fragments of Narsil. The bond between elves and men was made anew as Bozeman Bozos and Missoula Mental Toss Flycoons laid down their arms to challenge darkness. Together, these men and women united under one flag, the MOONDOG. Bound to no master, the MOONDOGS have created the most exciting pre-ski-season hype in a decade.

@slowwhite_

Slow is a team whose average age changes like the direction of a school of fish. This year, Slow finds itself closer to its beginnings, some 15 odd years ago, with a bunch of college kids -- kids who act like they're still in college -- and your odd grand-

parent or two. There are some new faces to the crew and others who have returned to travel the yellow brick road for another year (oh sorry, wrong story). What we know for sure though is that this team doesn't look like dwarves at all (very tall) and would much prefer leeks to apples.

@SuperLameUlfii

Superlame, formerly the second team named Mix-fits registered with USA Ultimate, is based loosely in Asheville, N.C., with players residing across the Southeast and up the Eastern Seaboard. Our namesake mostly says it all, and the rest has been perfectly summed up by everyone else. In case you aren't on Twitter, though, you'd probably like to

know that everyone on our team is close to grand masters age. Our primary training focus is adding a second half twist to our goldfish's floor routine (*flush*), and years of team sunglasses decision-making has been validated with a trip to more sunshine. To close, in truth, we are excited and honored to represent our region on the national stage and look forward a memorable weekend with the wild and whacky crowd that makes up our great sport.

Coach: Michael MacKenzie (H)

@wildcardult

Born in 2012 from the idea that diverse talent with focused, hard work can achieve great things, Wild Card returns to Club Nationals for a sixth time after a one-year absence. With unfinished business from last year, Wild Card returns 24 players to this year's roster ready to keep building together. The team arrives in San

Diego well-traveled and battle-tested, notching tournament victories at the Elite-Select Challenge and the Northeast Club Mixed Regional Championship. Despite having more 30-year-olds on its roster than any other time in team history, Wild Card is excited to still be bringing 10 players to their first Club Nationals. Wild Card always looks to build its season one point at a time, supporting each other by creating a positive atmosphere while honoring its opponents and the spirit of competition on the field. Keep rising!

@100percentbs

Boston Brüt Squad was founded eight years after "Kiss From a Rose" by Seal was first released in 1994, and we've been living in its shadow ever since. We are two-time National Champions (2015, 2016) and five-time National Finalists (2009, 2015, 2016, 2017 and 2018) who pride ourselves on

our gritty defense, attacking mentality and ability to find joy and ridiculousness in our TEAMmates. We are also proud to be part of the conversation, action and change surrounding gender equity in our sport.

When not playing ultimate, Brutes can be found cheering on the Yard Goats, honing their tennis skills, catching up on "Are You the One" and carefully pronouncing chicken cordon bleu. We seek to bring a double dose of butter as well as power, pleasure and PANIC into everything we do this season, and we are ever striving to be the neon light that hits the gloom on the grey.

SPIRIT AWARDS

Peter Farricker Spirit of the Game Award – The spirit award in the men’s division is named for Peter Farricker, a player who embodied Spirit of the Game to those who played with or against him. Each qualifying men’s team nominates one player from its roster who best represents Spirit of the Game and who exhibits personal responsibility, integrity and fairness, combined with a high standard of playing ability. At the National Championships, each nominee is honored with a disc and a pin or set of Mardi Gras beads. The goal is that those wearing the Mardi Gras beads will be connected to Pete, each other and the Spirit of the Game, and become role models for their teammates and opponents. Previous winners include Moses Rifkin, Andy Crews, Damien Scott, Jeff Eastham-Anderson, Allan Cowan, Chase Sparling-Beckley, Josh McCarthy, Robbie Cahill, Bart Watson, Matt Rebholz, Martin Cochran, Beau Kittredge, Danny Clark, Ashlin Joye, Owen Westbrook, Jay Froude and Grant Lindsley.

Kathy Pufahl Spirit of the Game Award – The Kathy Pufahl Spirit Award recognizes those individuals in the women’s division who give back to our sport and is presented to the player deemed to have exhibited personal responsibility, integrity and selfless contribution to ultimate, combined with a high standard of playing ability. Each qualifying women’s team nominates one player from its roster as the person who best represents Spirit of the Game and who has contributed substantially to their ultimate community. At the National Championships, each of the 16 nominees is honored with a memento reflective of Kathy’s love of horticulture. Previous winners include Vida Towne, Kati Halmos, Kristine Gill, Deanna Ball, Allison Boyd, Jody Dozono, Michelle Ng, Gwen Ambler, Lauren Casey, Nancy Sun, Leila Tunnell, Alex Snyder, Anna Nazarov, Amber Sinicrope and Chip Chang.

Spirit and Equity Award – The mixed division spirit award is given to one female- and one male-identified player (for the purpose of satisfying on-field gender ratios) each year. Each mixed team that qualifies for the National Championships nominates one male and female player who best represent Spirit of the Game and show a dedication to equity both on the field and in the community. This award is given to the players who have exhibited personal integrity, responsibility and fairness, along with a commitment to enhancing equity in play and in their communities. Previous winners include Allysha Dixon and David Protter, Kate Kingery and Paul Utesch, and Lili Gu and Andrew Hagen.

SPIRIT CIRCLES

Spirit circles are an idea borrowed from international competitions throughout the ultimate world. For years, American teams have traveled to world championship events where they have not only done exceptionally well in each competition, but also have showed the international community the importance we place on respect for the game and for opponents. But, American players have also learned a lot from competing against teams from other countries, and invariably one of the most positive parts of the international experience has been the tradition of the post-game spirit circle. While there are a number of ways to do this, here are some quick tips to get your team started:

- Following each game, rather than lining up to slap hands, the two teams gather into a circle, alternating players on each team, facing inward, with arms around the shoulders of the person next to you.
- One or two people (often team captains or spirit captains) on each team will talk briefly about the game. Usually the losing team goes first, then the winning team.
- Things to talk about can include how the game went, how your own team played, what the other team did well, who on the other team played well and anything else that might be worth communicating, even if it's something you think could be done better (and don't forget to look in the mirror on this).
- After each team has had a chance to talk, the winning team takes a step into the circle and walks around counter-clockwise to slap hands with the players on the other team.

That's it! It's pretty simple and definitely an experience that brings teams together and puts the game and the experience in perspective. It's all about respect for each other and the experience of bringing out the best in each other through competition. It's also about building relationships and seeing opponents for who they really are: part of the same community that loves ultimate. Please note that this is not required and is not meant to replace other post-game traditions you may have (e.g., cheers, games, photos, gifts or trading gear). Good luck, and please let USA Ultimate staff and other event organizers how it goes!

Please engage in spirit circles and other post-game activities after you have filled out the spirit score sheets.

HEALTH AND SAFETY

NEAREST HOSPITAL:

Scripps Memorial Hospital Encinitas, 354 Santa Fe Drive, Encinitas CA 92024

Phone: (760) 633-6501

Medical staff, including athletic trainers, will be on site at Tournament Central to treat injuries, handle emergencies and provide some preventative care. The event will provide standard athletic tape, pre-wrap, ice and some bandages. Other supplies, including special tape or bandages and anti-inflammatory drugs, must be provided by teams or may be charged by the training staff.

If there is an injury on a field that needs medical attention, inform a field marshal, and he or she will radio to the trainers.

If you have medical issues that require attention in the morning before play, please show up early to avoid long lines. The trainers will be at the fields two hours prior to game time each day.

CONCUSSIONS

EDUCATION

- USA Ultimate recommends the CDC "Heads Up Safety" program, a free one-hour online training: cdc.gov/concussion/headsup/youth.html.
- USA Ultimate's participant waiver includes important information from the CDC regarding concussion safety: usaultimate.org/membership/usa_ultimate_membership_forms.aspx

COACHING REQUIREMENTS

- Coaches at USA Ultimate events are required to have completed a concussion awareness and safety recognition program (like the CDC program above or other local or state-recommended course). Coaches should not submit records of course completion to USA Ultimate, but should maintain records on-site while coaching.

REMOVAL & RETURN TO PLAY

- All guidelines identified by the CDC must be strictly followed in the event of a suspected concussion.
 1. Remove the athlete from play.
 2. Ensure the athlete is evaluated by a health care professional trained in concussion diagnosis and management. Do not try to judge the seriousness of the injury yourself.
 3. If the athlete is a minor, inform the athlete's parents or guardians about the known or possible concussion and give them the fact sheet on concussions.
 - State of California Law for Under 18
 - IF removed from play for suspected concussion, no same day return to play.
 - IF determined NOT to have a concussion, must have a written doctor's note to present to the tournament staff in order to be allowed to return to play.
 - IF determined to HAVE a concussion, would not be allowed to return to during the tournament and must complete graded return to play protocol before competing in the future.
 4. Allow the athlete to return to play only with permission from an appropriate health care professional.

DOCTOR'S NOTE REQUIREMENT

- If, during a USA Ultimate event, an athlete receives care at a hospital, medical clinic or doctor's office, or is referred to a hospital or doctor by event medical staff, the athlete is barred from further competition in that event until he or she provides a doctor's note, on letterhead or prescription pad, to event medical staff stating that the athlete is authorized to return to competition.

ATHLETE PROTECTION

- USA Ultimate takes the protection of event participants seriously. In accordance with SafeSport and the USA Ultimate Conduct Policy, all USA Ultimate employees, volunteers, athletes, members, coaches and chaperones are prohibited from engaging in the following conduct with athletes at any time (a more thorough description is available at www.usultimate.org/protection):
 - Bullying
 - Hazing
 - Harassment, including Sexual Harassment
 - Emotional Misconduct
 - Physical Misconduct
 - Sexual Misconduct, including Child Sexual Abuse
- With the passage of the recent federal legislation to protect amateur and minor athletes, all SafeSport trained individuals (including coaches, team support, USA Ultimate staff) are now mandatory reporters.
- If you have questions or would like to file a complaint with USA Ultimate, please contact Tom Manewitz at tom.manewitz@hq.usultimate.org.

HEAT, NUTRITION AND HYDRATION

- Heat-related illness occurs when body cooling by evaporation is limited. Sweating depletes the body's salt and moisture, which leads to dehydration. If a player recognizes any signs or symptoms of heat-related illness, he or she should treat the problem immediately.
- Signs and symptoms of heat illness can include changes in level of consciousness, abdominal cramps, nausea/vomiting, fatigue/tingling, chills, inability to spit, dry mucous membranes, decreased output and change in color of urine.
- Prevention and Treatment of Heat Illness
 - Avoid alcohol, caffeine and carbonated beverages.
 - Medications such as antihistamines, decongestants, certain asthma medications and diuretics can increase risk for heat illness. Avoid them if possible.
 - Avoid certain nutritional supplements (such as caffeine and ephedrine) that can dehydrate the body and/or increase metabolism and heat production.
 - Know your body – be honest! Are you fit enough to perform under current conditions?
 - Eat and drink (water AND sports drinks) optimally before, during and after play. Potassium is important (good sources include sports drinks, yogurt, grapefruit juice, bananas and oranges). Sodium is also important (good sources include sports drinks, vegetable juices, pretzels, nuts,

cheese and crackers). After play, carbohydrates are important: foods such as potatoes, honey, cereal, white bread, corn chips, sports drinks, jelly beans, rice cakes, bagels, crackers and gummy candies).

- Don't drink too much. Over-hydrating can be dangerous if it leads to a fluid and electrolyte imbalance.
- Monitor your urine. Clear/copious = hydrated. Dark = Need water/electrolytes.
- Be sensitive to prior illness. If you've been sick, your body may be more susceptible to dehydration.
- Rest and cool down after play. Find shade, wet the skin, get in front of a fan or breeze.

SIDELINE SAFETY

- Spectators and equipment must stay at least three yards away from the sidelines. Where there are buffer lines, respect them. Chairs, coolers, strollers, you, etc., must be at least three yards from the sidelines.
- If a player believes that an object on the sideline is not safe, he or she should inform event staff and refrain from playing until he or she is satisfied that safe conditions have been established.
- USA Ultimate and event staff reserve the right to move or remove objects or spectators from on or near the playing field if those conditions are, in the opinion of USA Ultimate or event staff, unsafe for players, staff or spectators.

LIGHTNING GUIDELINES

- Event staff will communicate with players and spectators via a PA system and through field marshals equipped with radios if there is a lightning danger. Play will then be stopped, and everyone should seek shelter.
- Safe shelter for players and spectators at the field site includes any fully enclosed building or vehicle with a hard top and closed windows.
- Event staff will be monitoring radar and listening for thunder. If lightning is occurring within 10 miles or thunder is audible, play will be suspended and all individuals should get in a safe shelter location.
- If you can't get to a safe shelter, try to avoid being the tallest object in an open field or on open water. Avoid other tall objects, metal objects and water. Assume a crouched position with only the balls of your feet touching the ground, your arms wrapped around your knees, and your head lowered. Minimize contact with the ground. Do not lie flat.
- Avoid using telephone land lines. Cell phones are safe, provided the person has followed other safety guidelines.
- Event staff will indicate to players when play is going to resume. Team captains should meet at Tournament Central to receive instructions for resuming play and any schedule modifications.
