WELCOME

On behalf of the Sports San Diego, congratulations on qualifying for the 2023 USA Ultimate Club Championships and welcome to San Diego!

San Diego is a destination that truly has something for everyone. With favorable temperatures throughout the year, we hope that you're able to enjoy our 70+ miles of coastline including scenic vistas in La Jolla and Sunset Cliffs. If you're bringing the family, be sure to check out the world-renowned San Diego Zoo or SeaWorld San Diego and their Halloween themed festivities. The Gaslamp District is popular for fine dining and nightlife, and we certainly can't leave out the cultural hubs of San Diego including Balboa Park and Old Town. If you're still looking for other recommendations to fill your stay with, we hope you're able to play one of our 70+ golf courses, attend the San Diego International Film Festival, Mr. Jack O' Lanterns Pumpkin Patch, The Scream Zone at the Del Mar Fairgrounds, or so much more.

We're sincerely excited to host the Club Championships. We hope that you enjoy San Diego and come back for vacation. Best of luck!

Best regards,

Mark Neville

USA Ultimate Commitment to Equity, Diversity & Inclusion

“USA Ultimate values the contributions and perspectives that a truly diverse community provides our sport and its culture. Equity, diversity and inclusion (EDI) are critical to the integrity of our sport, and USA Ultimate is committed to increasing access to and participation in the sport, particularly amongst youth in underrepresented communities.”

USA Ultimate Inclusion Statement

USA Ultimate's mission is to advance the sport of ultimate in the United States by enhancing and promoting Character, Community and Competition. We recognize that we cannot promote character and community without ensuring all individuals can bring their full selves to their participation in ultimate, as well as without intentionally addressing systems in place that continue to perpetuate discrimination in our society. In valuing the contributions and perspectives that a truly diverse community brings to our sport and its culture, we remain unequivocally committed to our equity, diversity and inclusion efforts and believe they are critical to the continued integrity of our sport.

As the national governing body overseeing amateur ultimate activity across the country, we are striving to create and maintain a safe, welcoming and inclusive environment at all of our events. We are working with local host organizations to help ensure institutionalized racism and discrimination have no place at our events. USA Ultimate expects all participants and spectators at this event to uphold the principles of Spirit of the Game. Just as we hold our athletes to an expectation of “mutual respect among competitors” on and off the field, we expect all staff, event partners and attendees to show mutual respect towards one another regardless of whether you share similar beliefs, cultures or experiences.

In addition, USA Ultimate is committed to showing support for trans athletes and the principles outlined in our gender inclusion policy. As a wave of anti-transgender legislation continues to pass through state governments, USA Ultimate steadfastly supports an individual's right to participate in our sport in a manner that respects and celebrates their gender identity without being subject to harassment, abuse or ridicule. All participants should be allowed to experience the joy of ultimate as their authentic and true selves. USA Ultimate has designed and implemented various measures that illustrate this ongoing support. USA Ultimate stands by all transgender athletes and participants in our community and remains committed to ensuring everyone has the right to experience the sport in a positive and supportive way.

EVENT PARTNERS

ULTIMATE IN 10 SIMPLE RULES

- 1. THE FIELD:** A rectangular shape with end zones at each end. A regulation field is 70 yards long by 40 yards wide, with end zones 20 yards deep.
- 2. INITIATE PLAY:** Each point begins with both teams lining up on the front of opposing end zone lines. The defense throws (“pulls”) the disc to the offense. A regulation game has seven players per team.
- 3. SCORING:** Each time the offense completes a pass in the defense’s end zone, the offense scores a point. Play is initiated after each score
- 4. MOVEMENT OF THE DISC:** The disc may be advanced in any direction by completing a pass to a teammate. Players may not run with the disc. The person with the disc (“thrower”) has ten seconds to throw the disc. The defender guarding the thrower (“marker”) counts out the stall count.
- 5. CHANGE OF POSSESSION:** When a pass is not completed (e.g., out of bounds, drop, block, interception), the defense immediately takes possession of the disc and becomes the offense.
- 6. SUBSTITUTIONS:** Players not in the game may replace players in the game after a score or during an injury timeout.
- 7. NON-CONTACT:** No physical contact is allowed between players. Players must attempt to avoid physical contact during play. Picks and screens are also prohibited.
- 8. FOULS:** When a player initiates contact that affects the play, a foul occurs. When a foul causes a player to lose possession, the play resumes as if the possession was retained. If the player that the foul was called against disagrees with the foul call, the play is redone.
- 9. SELF-OFFICIATING:** Players are responsible for their own foul and line calls. Players resolve their own disputes.
- 10. SPIRIT OF THE GAME:** The foundation of the rules of ultimate is Spirit of the Game, which places the responsibility for fair play on the players. Competitive play is encouraged, but never at the expense of respect between players, adherence to the rules, and the basic joy of play.

COMPETITION RULES

Competition Rules All Games except Semifinals, Finals, and Final Placement Games:

- Half cap is 45 minutes. If the half time target has not been reached, finish the current point. Then add one (1) to the higher score to set the new halftime target.
- Half time is 7 minutes. At the end of half time Rule 9.c. applies for restarting play.
- Soft cap is at 90 minutes. If no team has scored 15 points, finish the current point then add one (1) to the higher score to establish the new game target
- Hard cap is at 105 minutes. Finish the current point. If the game is tied, play one more point.
- The current point begins when a point is scored.
- All Games to 15
- 2 timeouts per half

Competition Rules - Semifinals, Finals, and Final Placement Games:

- Half cap is at 52 minutes. If the half time target has not been reached, finish the current point. Then add one (1) to the higher score to set the new halftime target.
- Half time is 7 minutes. At the end of half time Rule 9.c. applies for restarting play.
- Soft cap is at 105 minutes. If no team has scored 15 points, finish the current point then add one (1) to the higher score to establish the new game target
- No Hard Cap
- The current point begins when a point is scored.
- All Games to 15
- 2 timeouts per half

Mixed Division Gender Ratio Rules:

1. Determining the ratio
 - a. All Mixed games will use the "prescribed ratio" rule (also known as Rule A in the official WFDF Rules of Ultimate 2022-2024 – APPENDIX v1.0:
 - b. Ratio Rule A ("prescribed ratio" rule):
 - c. At the start of the game, after the first disc flip, an additional disc flip happens with the winner selecting the gender ratio for the first point. For the second and third points the ratio must be the reverse of the first point. For the fourth and fifth points the ratio must be the same as the first point. This pattern of alternating the ratio every two points repeats until the end of the game (half time has no impact on the pattern).
2. All Mixed games will use the "majority pull" rule"
 - a. Each point, a player representing the gender match-up with four players on the field must pull for that point. That is, if there are four women-matching players a woman-matching player must pull.
3. For all Mixed games, if a team cannot match the on-field personnel ratio of all seven players on the team determining the personnel ratio for the point, then it must play with fewer than seven players, but no less than 5, matching the personnel ratio with as many players as possible.

4. Personnel Ratio Violation

- a. Violations of the prescribed personnel ratio and how they are handled are described in 2022-2023 Official Rules of Ultimate (9.B.3.a).
- b. Majority Pull Violation: Violations of the majority pull rule will be handled the same as an offsidess violation (9.B.4.d), but instead of calling "offsides," the offense should call "majority pull violation." Like with offsidess violations, after the first majority pull violation, any subsequent majority pull violations should be handled as described in 9.B.4.d.2. Majority pull rule violations accumulate separately from offsidess/false start violations. In games with observers, either the observer or a player on the field may call the violation.

5. Substitutions

- a. Player substitutions can be completed only:
 - i. after a goal and before the substituting team has signaled readiness; or
 - ii. to replace injured players, replace players with illegal equipment, or to resolve an incorrect personnel violation. In this case, the opposing team may substitute a like number of, or fewer, players. In the Mixed Division the substituting players must be of the same gender match as the player they are replacing.

SITE RULES

- No alcohol except in designated areas. Alcohol is prohibited at Canyon Crest Academy.
- No Tobacco.
- No Glass.
- No Firearms or weapons.
- No Abusive Language.
- Players cannot be on the fields at Surf Cup until 8:00 am.
- No amplified music at Surf Cup before 9:00 am.
- Observe parking restrictions and designated handicap/staff areas.
- No use of drones without prior written permission from USA Ultimate.
- You must have your wristbands for everyone in the car to park for free. Without them you **MUST** pay admission
- Spectators, props, and equipment must stay at least 5 yards away from sidelines! Where there are buffer lines, respect them. Where there are no buffer lines, stay back at least 5 yards.
- Trash and Recycling – Place recyclables in the recycling receptacles, and place trash in the trash cans.
- Use Restroom Facilities provided

GLOSSARY OF ULTIMATE TERMS

BREAKMARK — a throw made to the other side of the field from what is being forced by the marker

BRICK MARK — the sport where play may be initiated when a pull lands out of bounds, typically 15 or 20 yards from the front of the offense's end zone and in the center of the field (yardage varies by individual tournament rules); players have the option of making this call or taking the disc on the sideline closest to where it lands

CALLAHAN — a defensive score, occurs when a defender catches the disc in the end zone they are attacking

CUP — the wall of defenders that surround the thrower in a zone defense; the wall typically consists of three players, but variations with two or four defenders are also common

FLICK — forehand, thrown outside, away from the handler's body

FORCE — side of the field which throws should be contained; the mark will attempt to take away throws to one part of the field and is said to be “forcing” throws to go up in a certain direction

GREATEST — a jump, catch, throw combination that occurs when the disc is out-of-bounds, but a player jumps from in-bounds, catches the disc and successfully throws it back in-bounds to a teammate

HAMMER — an overhead throw that starts above the shoulders where the disc turns over in the air and lands upside-down

HUCK — a long throw

POACH — a defensive decision to leave a designated one-one-one matchup, usually temporarily, to clog a cutting lane or help defend a player other than the original

PULL — the “kick-off” of each point in which the defensive team throws the disc from their own end zone down the field towards the offensive team

STALL — the 10-second count for which a player is allowed to maintain a possession of the disc; the opposing, defensive player must count the 10-second count aloud; a “stall” occurs if the disc is held for more than the 10 seconds

STRIP — occurs when a disc is knocked out of a player's hands after they have stopped rotation and achieved possession
