WELCOME

On behalf of the Sports San Diego, congratulations on qualifying for the 2024 USA Ultimate National Championships and welcome to San Diego!

San Diego is a destination that truly has something for everyone. With favorable temperatures throughout the year, we hope that you're able to enjoy our 70+ miles of coastline including scenic vistas in La Jolla and Sunset Cliffs. If you're bringing the family, be sure to check out the world-renowned San Diego Zoo or SeaWorld San Diego and their Halloween themed festivities. The Gaslamp District is popular for fine dining and nightlife, and we certainly can't leave out the cultural hubs of San Diego including Balboa Park and Old Town. If you're still looking for other recommendations to fill your stay with, we hope you're able to play one of our 70+ golf courses, attend the Halloween Aglow at Birch Aquarium, Dia De Los Muertos Celebration, or so much more.

We're sincerely excited to host the Club National Championships. We hope that you enjoy San Diego and come back for vacation. Best of luck!

Best regards,

Mark Neville

USA Ultimate Commitment to Diversity, Equity & Inclusion

“USA Ultimate values the contributions and perspectives that a truly diverse community provides our sport and its culture. Diversity, equity and inclusion (DEI) are critical to the integrity of our sport, and USA Ultimate is committed to increasing access to and participation in the sport, particularly amongst youth in underrepresented communities.”

USA Ultimate Inclusion Statement

USA Ultimate’s mission is to advance the sport of ultimate in the United States by enhancing and promoting Character, Community and Competition. We recognize that we cannot promote character and community without ensuring all individuals can bring their full selves to their participation in ultimate, as well as without intentionally addressing systems in place that continue to perpetuate discrimination in our society. In valuing the contributions and perspectives that a truly diverse community brings to our sport and its culture, we remain unequivocally committed to our equity, diversity and inclusion efforts and believe they are critical to the continued integrity of our sport.

As the national governing body overseeing amateur ultimate activity across the country, we are striving to create and maintain a safe, welcoming and inclusive environment at all of our events. USA Ultimate expects all participants and spectators at this event to abide by its code of conduct and actively foster an inclusive environment for all members of the community, no matter race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability. We are working with local host organizations to help ensure institutionalized racism and discrimination have no place at our events. Just as we hold our athletes to an expectation of “mutual respect among competitors” on and off the field, we expect all staff, event partners and attendees to show mutual respect towards one another regardless of whether you share similar beliefs, cultures or experiences.

In addition, USA Ultimate is committed to showing support for trans and gender diverse athletes and the principles outlined in our gender inclusion policy. As a wave of anti-transgender legislation continues to pass through state governments, USA Ultimate steadfastly supports an individual’s right to participate in our sport in a manner that respects and celebrates their gender identity without being subject to harassment, abuse or ridicule. All participants should be allowed to experience the joy of ultimate as their authentic and true selves. USA Ultimate stands by all transgender and gender diverse athletes and participants in our community and remains committed to ensuring everyone has the right to experience the sport in a positive and supportive way.

COMPETITION RULES

- 2024-2025 Official Rules of Ultimate will be in effect.
- All games to 15.
- Halftime is reached when the first team scores 8 points
- Halftime cap is halfway to soft cap (45 minutes after the beginning of the game for all games except ICC semifinals and finals, 52:30 for semifinals and finals). If neither team has reached seven or more points, one point is added to the highest score after the completion of the point. Halftime will be taken once a team reaches the new halftime score.
- Halftime is seven minutes.
 - Halftime length does not include the time between pulls.
- Soft time cap is at 90 minutes for all games except ICC semifinals and finals. Add one point to the higher score after the point during which the cap goes off is completed. Game ends when the first team reaches the new game total or when the first team reaches 15, whichever comes first.
 - Soft cap for ICC Semifinals and Finals will be at 105 minutes.
- Hard time cap goes on at the end of the round time listed in the schedule (105 minutes). Finish the point in progress and the game is over unless tied. If tied, play one more point.
 - Hard caps will not be used for the adult (ICC) semifinals and any (ICC and YCC) finals.
- Each team has two timeouts per half.
- Caps do not affect timeouts.
- Mixed Division Personnel Ratio Rules:
 - As noted in the 2023 Youth Guidelines and Club Guidelines, YCC and ICC use WFDF's Rule A, alternating which gender has 4 on the field every two points, after the first point.
 - Additionally, YCC and ICC use the "majority pull" rule, with a player from the gender majority for that point required to pull.

SITE RULES

- No alcohol except in designated areas. Alcohol is prohibited at Canyon Crest Academy.
- No Tobacco.
- No Glass.
- No Firearms or weapons.
- No Abusive Language.
- Players cannot be on the fields at Surf Cup until 8:00 am.
- No amplified music at Surf Cup before 9:00 am.
- Observe parking restrictions and designated handicap/staff areas.
- No use of drones without prior written permission from USA Ultimate.
- You must have your wristbands for everyone in the car to park for free. Without them you **MUST** pay admission
- Spectators, props, and equipment must stay at least 5 yards away from sidelines! Where there are buffer lines, respect them. Where there are no buffer lines, stay back at least 5 yards.
- Trash and Recycling – Place recyclables in the recycling receptacles, and place trash in the trash cans.
- Use Restroom Facilities provided.

ULTIMATE IN 10 SIMPLE RULES

- 1. THE FIELD:** A rectangular shape with end zones at each end. A regulation field is 70 yards long by 40 yards wide, with end zones 20 yards deep.
- 2. INITIATE PLAY:** Each point begins with both teams lining up on the front of opposing end zone lines. The defense throws (“pulls”) the disc to the offense. A regulation game has seven players per team.
- 3. SCORING:** Each time the offense completes a pass in the defense’s end zone, the offense scores a point. Play is initiated after each score
- 4. MOVEMENT OF THE DISC:** The disc may be advanced in any direction by completing a pass to a teammate. Players may not run with the disc. The person with the disc (“thrower”) has ten seconds to throw the disc. The defender guarding the thrower (“marker”) counts out the stall count.
- 5. CHANGE OF POSSESSION:** When a pass is not completed (e.g., out of bounds, drop, block, interception), the defense immediately takes possession of the disc and becomes the offense.
- 6. SUBSTITUTIONS:** Players not in the game may replace players in the game after a score or during an injury timeout.
- 7. NON-CONTACT:** No physical contact is allowed between players. Players must attempt to avoid physical contact during play. Picks and screens are also prohibited.
- 8. FOULS:** When a player initiates contact that affects the play, a foul occurs. When a foul causes a player to lose possession, the play resumes as if the possession was retained. If the player that the foul was called against disagrees with the foul call, the play is redone.
- 9. SELF-OFFICIATING:** Players are responsible for their own foul and line calls. Players resolve their own disputes.
- 10. SPIRIT OF THE GAME:** The foundation of the rules of ultimate is Spirit of the Game, which places the responsibility for fair play on the players. Competitive play is encouraged, but never at the expense of respect between players, adherence to the rules, and the basic joy of play.

GLOSSARY OF ULTIMATE TERMS

BREAKMARK – a throw made to the other side of the field from what is being forced by the marker

BRICK MARK – the spot where play may be initiated when a pull lands out of bounds, typically 15 or 20 yards from the front of the offense’s end zone and in the center of the field (yardage varies by individual tournament rules); players have the option of making this call or taking the disc on the sideline closest to where it lands

CALLAHAN – a defensive score, occurs when a defender catches the disc in the end zone they are attacking

CUP – the wall of defenders that surround the thrower in a zone defense; the wall typically consists of three players, but variations with two or four defenders are also common

FLICK – forehand, thrown outside, away from the handler’s body

FORCE – side of the field which throws should be contained; the mark will attempt to take away throws to one part of the field and is said to be “forcing” throws to go up in a certain direction

GREATEST – a jump, catch, throw combination that occurs when the disc is out-of-bounds, but a player jumps from in-bounds, catches the disc and successfully throws it back in-bounds to a teammate

HAMMER – an overhead throw that starts above the shoulders where the disc turns over in the air and lands upside-down

HUCK – a long throw

POACH – a defensive decision to leave a designated one-one-one matchup, usually temporarily, to clog a cutting lane or help defend a player other than the original

PULL – the “kick-off” of each point in which the defensive team throws the disc from their own end zone down the field towards the offensive team

STALL – the 10-second count for which a player is allowed to maintain a possession of the disc; the opposing, defensive player must count the 10-second count aloud; a “stall” occurs if the disc is held for more than the 10 seconds

STRIP – occurs when a disc is knocked out of a player’s hands after they have stopped rotation and achieved possession
