WELCOME

On behalf of the Sports San Diego, congratulations on qualifying for the 2025 USA Ultimate National Championships and welcome to San Diego!

San Diego is a destination that truly has something for everyone. With favorable temperatures throughout the year, we hope that you're able to enjoy our 70+ miles of coastline including scenic vistas in La Jolla and Sunset Cliffs. If you're bringing the family, be sure to check out the world-renowned San Diego Zoo or SeaWorld San Diego and their Halloween themed festivities. The Gaslamp District is popular for fine dining and nightlife, and we certainly can't leave out the cultural hubs of San Diego including Balboa Park and Old Town. If you're still looking for other recommendations to fill your stay with, we hope you're able to play one of our 70+ golf courses, attend the Halloween Aglow at Birch Aquarium, Dia De Los Muertos Celebration, or so much more.

We're sincerely excited to host the Club National Championships. We hope that you enjoy San Diego and come back for vacation. Best of luck!

USA Ultimate Commitment to Diversity, Equity & Inclusion

“USA Ultimate values the contributions and perspectives that a truly diverse community provides our sport and its culture. Diversity, equity and inclusion (DEI) are critical to the integrity of our sport, and USA Ultimate is committed to increasing access to and participation in the sport, particularly amongst youth in underrepresented communities.”

USA Ultimate Inclusion Statement

USA Ultimate’s mission is to advance the sport of ultimate in the United States by enhancing and promoting Character, Community and Competition. We recognize that we cannot promote character and community without ensuring all individuals can bring their full selves to their participation in ultimate, as well as without intentionally addressing systems in place that continue to perpetuate discrimination in our society. In valuing the contributions and perspectives that a truly diverse community brings to our sport and its culture, we remain unequivocally committed to our diversity, equity and inclusion efforts and believe they are critical to the continued integrity of our sport.

As the national governing body overseeing amateur ultimate activity across the country, we strive to create and maintain a safe, welcoming and inclusive environment at all of our events. USA Ultimate expects all participants and spectators to abide by its code of conduct and actively foster an inclusive environment for all, no matter race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability. We are working with our local host organizations to help ensure institutionalized racism and discrimination have no place at our events. Just as we hold our athletes to an expectation of “mutual respect among competitors” on and off the field, we expect all staff, event partners and attendees to show mutual respect towards one another, regardless of whether you share similar beliefs, cultures or experiences.

In addition, USA Ultimate remains committed to showing support for trans athletes and the principles outlined in our gender inclusion policy. As anti-transgender legislation continues to pass through the federal and state governments, USA Ultimate steadfastly supports an individual’s right to participate in our sport in a manner that respects and celebrates their gender identity without being subject to harassment, abuse or ridicule. All participants should be allowed to experience the joy of ultimate as their authentic and true selves. USA Ultimate stands by all transgender athletes and participants in our community and continues to be committed to ensuring everyone has the right to experience the sport in a positive and supportive way.

The current point begins when a point is scored, all Games to 15, 2 timeouts per half, caps do not affect the number of timeouts a team has.

Mixed Division Gender Ratio Rules:

Determining the ratio:

All Mixed games will use the "prescribed ratio" rule (also known as Rule A in the official WFDF Rules of Ultimate 2022-2024 – APPENDIX v1.0:

Ratio Rule A ("prescribed ratio" rule):

At the start of the game, after the first disc flip, an additional disc flip happens with the winner selecting the gender ratio for the first point. For the second and third points the ratio must be the reverse of the first point. For the fourth and fifth points the ratio must be the same as the first point. This pattern of alternating the ratio every two points repeats until the end of the game (half time has no impact on the pattern).

All Mixed games will use the "majority pull" rule":

Each point, a player representing the gender match-up with four players on the field must pull for that point. That is, if there are four women-matching players a woman-matching player must pull.

For all Mixed games, if a team cannot match the on-field personnel ratio of all seven players on the team determining the personnel ratio for the point, then it must play with fewer than seven players, but no less than 5, matching the personnel ratio with as many players as possible.

For all Mixed games –

- 1) Personnel Ratio Violation: Violations of the prescribed personnel ratio and how they are handled are described in 2024-2025 Official Rules of Ultimate (9.B.3.a).
- 2) Majority Pull Violation: Violations of the majority pull rule will be handled the same as an offsidess violation/false start violation (9.B.4.d), but instead of calling "offsidess," a player should call "majority pull violation." Like with offsidess violations, after the first majority pull violation, any subsequent majority pull violations should be handled as described in 9.B.4.d.2. Majority pull rule violations accumulate separately from offsidess/false start violations. In games with observers, either the observer or a player on the field may call the violation.

Substitutions

Player substitutions can be completed only:

after a goal and before the substituting team has signaled readiness; or to replace injured players, replace players with illegal equipment, or to resolve an incorrect personnel violation. In this case, the opposing team may substitute a like number of, or fewer, players. In the Mixed Division the substituting players must be of the same gender match as the player they are replacing.

SITE RULES

- No alcohol except in designated areas. Alcohol is prohibited at Canyon Crest Academy.
- No Tobacco.
- No Glass.
- No Firearms or weapons.
- No Abusive Language.
- Players cannot be on the fields at Surf Cup until 8:00 am.
- No amplified music at Surf Cup before 9:00 am.
- Observe parking restrictions and designated handicap/staff areas.
- No use of drones without prior written permission from USA Ultimate.
- You must have your wristbands for everyone in the car to park for free. Without them you **MUST** pay admission
- Spectators, props, and equipment must stay at least 5 yards away from sidelines! Where there are buffer lines, respect them. Where there are no buffer lines, stay back at least 5 yards.
- Trash and Recycling – Place recyclables in the recycling receptacles, and place trash in the trash cans.
- Use Restroom Facilities provided.

ULTIMATE IN 10 SIMPLE RULES

1. THE FIELD: A rectangular shape with end zones at each end. A regulation field is 70 yards long by 40 yards wide, with end zones 20 yards deep.

2. INITIATE PLAY: Each point begins with both teams lining up on the front of opposing end zone lines. The defense throws (“pulls”) the disc to the offense. A regulation game has seven players per team.

3. SCORING: Each time the offense completes a pass in the defense’s end zone, the offense scores a point. Play is initiated after each score

4. MOVEMENT OF THE DISC: The disc may be advanced in any direction by completing a pass to a teammate. Players may not run with the disc. The person with the disc (“thrower”) has ten seconds to throw the disc. The defender guarding the thrower (“marker”) counts out the stall count.

5. CHANGE OF POSSESSION: When a pass is not completed (e.g., out of bounds, drop, block, interception), the defense immediately takes possession of the disc and becomes the offense.

6. SUBSTITUTIONS: Players not in the game may replace players in the game after a score or during an injury timeout.

7. NON-CONTACT: No physical contact is allowed between players. Players must attempt to avoid physical contact during play. Picks and screens are also prohibited.

8. FOULS: When a player initiates contact that affects the play, a foul occurs. When a foul causes a player to lose possession, the play resumes as if the possession was retained. If the player that the foul was called against disagrees with the foul call, the play is redone.

9. SELF-OFFICIATING: Players are responsible for their own foul and line calls. Players resolve their own disputes.

10. SPIRIT OF THE GAME: The foundation of the rules of ultimate is Spirit of the Game, which places the responsibility for fair play on the players. Competitive play is encouraged, but never at the expense of respect between players, adherence to the rules, and the basic joy of play.

LAST YEAR'S CHAMPIONS

ANN ARBOR HYBRID 15, LEXINGTON SPROCKET 9
2024 National Championships - Mixed Division
October 27, 2024 - San Diego, CA

It's the first title for Ann Arbor Hybrid as the team from Michigan breaks through after taking second in 2021 and 2023. Led by head coach Bailey Besser, Hybrid entered as the seven-seed but went undefeated in pool play, taking down Austin Disco Club, Moondog and Rally. The Great Lakes roster, captained by Adam Stautberg, Katrina McGuire and Mark Whitton, held nothing back in the bracket taking down tenth-seed Slow in quarters and third-seed Drag'n Thrust by five and six points, respectively. The finals held an interesting challenge with eighth-seed Sprocket into its first finals. A three-goal, three-assist performance from Aaron Bartlett and excellent games from Sara Nitz and Maketa Mattimore helped Ann Arbor take home the program's first title in 2024.

SAN FRANCISCO FURY 15, WASHINGTON SCANDAL 12
2024 National Championships - Women's Division
October 27, 2024 - San Diego, CA

The all-time tally for championships in the club division continues to add up for San Francisco Fury, who added a 13th title in San Diego. The No. 1 seed took down all foes and won its first title since 2021. Competition couldn't stack up in pool play as Fury defeated Flipside, Traffic and Nemesis with an average differential of 8 points. Coached by Matty Tsang, Meeri Chang and Sarah Griffith, the team finished 21-1 on the season and won in impressive fashion in quarters over tenth-seed Sixers. The semis brought a classic match-up with Molly Brown but San Francisco moved to the finals. Scandal made its second straight final and Fury, captained by Maggie Ruden, Shayla Harris and Marisa Mead, was back. A three-goal, three-assist day from Carolyn Finney and solid showings from McKinley McQuaide, Cree Howard and Sarah VonDoepp put the finishing touches on another championship for the winningest program in club history.

PORTLAND RHINO 15, NEW YORK PONY 6
2024 National Championships - Men's Division
October 27, 2024 - San Diego, CA

It was another first-time title in 2024 as Rhino captured the crown in San Diego. Coached by Timmy Perston, Rhino had never made it to the championship game, finishing 3rd in 1992, 1993 and 2022. This Rhino team was unstoppable in 2024 however, ripping off back-to-back universe point wins in pool play over Furious George and Chain Lightning before beating Johnny Bravo. In quarters, Rhino defeated sixth-seed Truck Stop and in semis, a massive win over one-seed Chicago Machine. A match-up in the finals with tenth-seed PoNY made for the lowest combined seed final in men's history. A historic win ensued as Rhino issued the largest margin of victory in a men's final in the 15-point era. Captained by Vinh Bui, Daniel Lee, David Sealand and Trevor Smith, Rhino made all kinds of history in 2024 and brought home its first championship in program history.
