WELCOME

On behalf of USA Ultimate, Minnesota Youth Ultimate and the Twin Cities ultimate community, I welcome you to the 10th-annual USA Ultimate Youth Club Championships.

This year, we have over 60 teams in five divisions from more than 20 states. Growth has always been a part of YCC, but this year exceeds them all. You should expect to see the best of youth ultimate.

YCC takes place at the National Sports Center in Blaine, Minn. The NSC is one of the largest sports facilities in America and continues to grow. Ultimate is played here every summer by TCUL, the local adult league, and Minnesota Youth Ultimate holds its state championship here in early June. In 2014, we also hosted USA Ultimate's U.S. Open Championships and Convention.

The Saturday night social event will be held in the Schwan Center at the NSC and will feature food, a swap meet and other excitements. Traditionally, we organize an exhibition game between coaches which is always very popular.

The Twin Cities of Minneapolis and St. Paul are home to many major and minor league sports teams, including Minnesota United FC who plays in the stadium by the Schwan Center. For the ultimate shopper, the Mall of America is in Bloomington, Minn., not far from the Minneapolis/St. Paul International Airport.

The Youth Club Championships only happens because lots of people volunteer their time. They will be keeping score, running the social event and performing many other tasks around the fields. Be sure to acknowledge their hard work. When you see a volunteer, give them a high five.

Have a great tournament!

COMPETITION RULES

USA Ultimate Official Rules of Ultimate (11th Edition) will be used with the following additions:

- End zone size - End zone length will be shortened to 20 yards.
- Contact Call - If contact occurs between the thrower and marker that would constitute a foul under XVI.H.3.a but the thrower does not release the disc, "contact" may be called. Play does not stop, and the marker resumes the stall count at "one." Other than resetting the stall count to "one" after the first instance, the "contact" call is treated as any other marking violation. The marker may contest the "contact" call by calling "violation," which stops play. If the thrower calls "contact" after beginning the throwing motion and subsequently releases the disc, it is treated as if the thrower called "foul."
- All games to 13, point cap at 15 except U-16 boys' Pool A & U-19 boys' Pool F which will play to 15 with a point cap at 17.
- Halftime is 5 minutes.
- Each team has two timeouts per half.
- Regardless of how many timeouts a team has used before overtime, during overtime, each team has one timeout.
- Overtime: a game is in overtime if tied at one point less than original game total (e.g., in a game to 13 goals, overtime occurs when the score reaches 12-12).
- Soft time caps will not be used.
- Hard time cap goes on at end of round time on schedule. Game is over at the end of the point in progress, unless tied. If tied, play one more point.
- The cap does not affect timeouts.

ATLANTA ATLIENS

Atlanta, GA

Captains: Sebastian DiFrancesco, Nathan Haskell, Anders Olsen, Jacques Perivier

Coaches: Matthew Knowles, Chris Goodson, Michael Arenson

The **gauntlet** has been thrown, and we plan to storm the fields of Minnesota like **Vikings**. Though **grueling** practices in the **dawg** days of summer in Atlanta have taught us how to handle the heat, in OutKast's words, the ATLiens are "cooler than a polar bear's toenails" and looking to defend our 2013 YCC title in southernplayalistic style! These **disc devils** came from Georgia looking for a show to steal, so get your popcorn ready because we'll be spreading our buttery-smooth throws all over this Land O'Lakes.

Massachusetts has a rich history in youth ultimate, and BUDA is thrilled to continue that tradition by sending teams to all three U-19 divisions at YCC. Players from all three teams have spent the last year playing with and against each other in various youth leagues across Massachusetts. The caliber of BUDA players is high – as evidenced by previous YCC Championships and finals appearances, as well as several players who are nationally and internationally competitive. But the level of camaraderie is also high, as most players know each other off the field as well as on it, and non-ultimate team activities have become a regular part of the BUDA YCC experience. BUDA's coaches, chaperones and team leaders are all very proud of the young adults coming out of the program, and the whole BUDA family is looking forward to a fantastic YCC experience in 2014!

CHICAGO U-19 ELITE

Chicago, IL

Qualifying League: At-Large

Website: chicagoycc.weebly.com

Coaches: Andy Neilsen, Michael Shiel, Geoff Serednesky

This is the fifth year that Chicago is sending teams to YCC, and for the first time, Chicago has elected to send multiple teams representing the city. In an effort to encourage more participation, Chicago split into regions. However, knowing the competitiveness of the U-19 division, Illinois Youth Ultimate chose to create an "elite" team for the U-19s. This team represents players from a plethora of cities within the Chicagoland area, including Chicago, Naperville, Algonquin, Downers Grove, Geneva and Lake Zurich. In addition, we made coaching adjustments to meet the higher-level needs for these players and brought on former Machine captains to bring the players to a new level. We're thrilled to be back representing our great city and playing with the best youth players in the country. It's always a great weekend, and we're thrilled to be a part of it!

MINNESOTA SUPERIOR A

Twin Cities, MN

Qualifying League: Minnesota Youth Ultimate
 Captains: Nick Vogt, Marty Adams, Kristian Johnson
 Coaches: Dan Rydel, Ian Andre-Knudsen,
 Nick Simonelli, Josh Klane

With the largest youth ultimate scene in the country, Minnesota is looking to return to top form after a down year. They bring a veteran squad, with 80 percent of the players having previous YCC experience, as well as 16 guys from last year's team.

They're led by WJUC player Charlie Schuweiler, as well as seven players from state champions Edina Green Lantern and four from regional champs Hopkins HUrt. With only a month of practice, this team will live and die with team chemistry. The roster includes 26 players from 13 different high schools. As the host team, they look to use their advantage by using spirit and relying on the home crowd to give them the extra oomph needed to win Superior's second championship.

Over the last decade, the New York metropolitan area has given birth to an incredibly vibrant youth ultimate scene - pick-up games, clubs, recognized varsity teams, elite high school programs and leagues of every form. This year, players

from these many discrete backgrounds have come together to form New York's YCC teams. In a city of scarce field space and scarcer permits, we practice in the shadows of skyscrapers and bridges, huck amidst the honking of cabs and cars, and play with spirit on every strip of turf we can find. We are the best in the Big Apple, and we are ready to take on the national stage!

After three strong seasons of the U-16 open program here in the Triangle, as well as growing participation in area high schools, we had enough players for Carolina Sky to see its first season as the TYUL U-19 open B team in 2013.

Having a core of U-16 YCC veterans plus additional talent allowed us to be competitive in every game and place 12th.

Despite losing all but three players from last season, this year, we are significantly stronger and want to improve on last year's finish. Sean Murray, Brian Malucci and Everett Dang lead a very athletic and skilled team looking to make some noise and enjoy the spirit of YCC in Blaine!

Massachusetts has a rich history in youth ultimate, and BUDA is thrilled to continue that tradition by sending teams to all three U-19 divisions at YCC. Players from all three teams have spent the last year playing with and against each other in

various youth leagues across Massachusetts. The caliber of BUDA players is high - as evidenced by previous YCC Championships and finals appearances, as well as several players who are nationally and internationally competitive. But the level of camaraderie is also high, as most players know each other off the field as well as on it, and non-ultimate team activities have become a regular part of the BUDA YCC experience. BUDA's coaches, chaperones and team leaders are all very proud of the young adults coming out of the program, and the whole BUDA family is looking forward to a fantastic YCC experience in 2014!

We are so excited to be the first-ever Chicago girls YCC team. Over the last four years, efforts have been made to start a girls' team in Chicago, but we didn't have the numbers until this year. This is a testament to

the recent growth of youth ultimate in Chicago, especially in the girls' division. We represent six high schools from all over the Chicago area and hope to grow even more next year. The girls are pumped to play in Blaine, Minn., for the first time and can't wait to meet other girls' club players from all over the nation.

Massachusetts has a rich history in youth ultimate, and BUDA is thrilled to continue that tradition by sending teams to all three U-19 divisions at YCC. Players from all three teams have spent the last year playing with and against each other in

various youth leagues across Massachusetts. The caliber of BUDA players is high - as evidenced by previous YCC Championships and finals appearances, as well as several players who are nationally and internationally competitive. But the level of camaraderie is also high, as most players know each other off the field as well as on it, and non-ultimate team activities have become a regular part of the BUDA YCC experience. BUDA's coaches, chaperones and team leaders are all very proud of the young adults coming out of the program, and the whole BUDA family is looking forward to a fantastic YCC experience in 2014!

 Captains: Justin Tran, Tiffani Teng
 Coaches: Sara Rubin, David Blancha

Over the last decade, the New York metropolitan area has given birth to an incredibly vibrant youth ultimate scene – pick-up games, clubs, recognized varsity teams, elite high school programs and leagues of every form. This year, players from these many discrete backgrounds have come together to form New York's YCC teams. In a city of scarce field space and scarcer permits, we practice in the shadows of skyscrapers and bridges, huck amidst the honking of cabs and cars, and play with spirit on every strip of turf we can find. We are the best in the Big Apple, and we are ready to take on the national stage!

Last year, Chicago was unable to field a U-16 team, and in addition to never being able to field a girls' team, we elected to divide our city into regions to encourage more participation. The U-16 program is based on location and proximity

to practice facilities. This year, there will be two Chicago U-16 teams, one based out of Naperville and ours out of Algonquin, to ensure all those interested in practicing and playing have an opportunity, without having to drive hours to play. Former Machine, Chicago Club, Haymaker and Iowa player Alex Rummelhart is coaching this squad, and he brings a wealth of knowledge to the field. The team is composed of players from Dundee Middle School, Jacobs High School, York High School, Geneva High School and Lake Zurich High School.

CINCINNATI FLYING PIGLETS

Cincinnati, OH

Qualifying League: CUPA

Website: cincyselectultimate.com

Captains: Chase Gregory, Luke Monnin

Coaches: William Cilley, Larry Dean, Pete Luttmann

The Flying Piglets date back to 1,500 B.C., when the first Flying Piglet, Hamlet, was born from a condor and a wild boar and took to the air with a disc in his hooves and claiming a great game called "ultimate" to be held at the first ever Olympic Games.

Mocked for their game, Hamlet and his followers were forced to flee. They settled on the banks of the Ohio River where they set up a beautiful metropolis. There they lived and honed their ultimate skills in peace. Fast forward to the dark days of 1788, when humans discovered their lair and called it "Cincinnati." It wasn't long before the piglets and humans could no longer live in peace. Hamlet and his followers are now here in Minnesota to fulfill the dream of a Youth Club Championship, fight injustices such as Wendy's Double Baconator cheeseburgers, and return to Cincinnati victorious.

Qualifying League: Denver/Boulder Youth League
Coaches: Buzz Ellsworth, Fin Waugh

Colorado Fry is a first-year U-16 boys' division team from Denver. On a squad of 19, we have players coming together from 13 different high schools, and we've been working hard this summer. We are

excited to see how well we can represent the state of Colorado and are proud to be the first group of younger players in the state to do this. We chose Fry as our name because it's an uncommon but distinctive name for smaller, younger fish and keeps with the Colorado tradition of naming our YCC teams for our state fish, the Colorado Cutthroat.

MAKING ULTIMATE STRONGER

Our mission is to support ultimate, and good coaches are an integral part of the development of the sport.

So take a moment to appreciate the coaches. Heck, take a plenty of moments. We really can't thank them enough for the work they do!

Five Ultimate is proud to sponsor the 2014 USA Ultimate Coaching Development Program.

PLAY HARD. HAVE FUN.

HEALTH & SAFETY

Medical staff, including athletic trainers, will be on site at Tournament Central to treat injuries, handle emergencies and provide some preventative care. The event will provide standard athletic tape, pre-wrap, ice and some bandages. Other supplies, including special tape/bandages and anti-inflammatory drugs, must be provided by teams or may be charged by the training staff. If there is an injury on a field that needs medical attention, inform a field marshal, and he or she will radio to the trainers. If you have medical issues that require attention in the morning before play, please show up early to avoid long lines. The trainers will be at the fields by 7:30am each day. Directions to the local hospital can be found in the “Directions” section of this program.

CONCUSSIONS

EDUCATION

- USA Ultimate recommends the CDC “Heads Up Safety” program, a free one-hour online training: cdc.gov/concussion/headsup/youth.html.
- USA Ultimate’s participant waiver includes important information from the CDC regarding concussion safety: usultimate.org/membership/usa_ultimate_membership_forms.aspx

COACHING REQUIREMENTS

- Coaches at USA Ultimate events are required to have completed a concussion awareness and safety recognition program (like the CDC program above or other local or state-recommended course). Coaches should not submit records of course completion to USA Ultimate, but should maintain records on-site while coaching.

REMOVAL & RETURN TO PLAY

- All guidelines identified by the CDC must be strictly followed in the event of a suspected concussion:
 1. Remove athlete from play.
 2. Ensure athlete is evaluated by a health care professional trained in concussion diagnosis and management.
 - Do not try to judge the seriousness of the injury yourself.
 3. If a minor, inform athlete’s parents or guardians about the known or possible concussion and give them the fact sheet on concussion.
 4. Allow athlete to return to play only with permission from an appropriate health care professional.

HEAT, NUTRITION AND HYDRATION

- Heat-related illness occurs when body cooling by evaporation is limited. Sweating depletes the body’s salt and moisture, which leads to dehydration. If a player recognizes any signs or symptoms of heat-related illness, he or she should treat the problem immediately.
- Signs and symptoms of heat illness can include changes in level of consciousness, abdominal cramps, nausea/vomiting, fatigue/tingling, chills, inability to spit, dry mucous membranes, decreased output and change in color of urine.
- Prevention and Treatment of Heat Illness:
 - Avoid alcohol, caffeine and carbonated beverages.
 - Medications such as antihistamines, decongestants, certain asthma medications and diuretics can increase risk for heat illness. Avoid them if possible.

HEALTH & SAFETY CONTINUED

- Avoid certain nutritional supplements (such as caffeine and ephedrine) that can dehydrate the body and/or increase metabolism and heat production.
- Know your body – be honest! Are you fit enough to perform under current conditions?
- Eat and drink (water AND sports drinks) optimally before, during and after play. Potassium is important (good sources include sports drinks, yogurt, grapefruit juice, bananas and oranges). Sodium is also important (good sources include sports drinks, vegetable juices, pretzels, nuts, cheese and crackers). After play, carbohydrates are important: foods such as potatoes, honey, cereal, white bread, corn chips, sports drinks, jelly beans, rice cakes, bagels, crackers and gummy candies).
- Don't drink too much. Over-hydrating can be dangerous if it leads to a fluid and electrolyte imbalance.
- Monitor your urine. Clear/copious = hydrated. Dark = Need water/electrolytes.
- Be sensitive to prior illness. If you've been sick, your body may be more susceptible to dehydration.
- Rest and cool down after play. Find shade, wet the skin, get in front of a fan or breeze.

SIDELINE SAFETY

- Spectators and equipment must stay at least 3 yards away from the sidelines. Where there are buffer lines, respect them. Chairs, coolers, strollers, you, etc., must be at least three yards from the sidelines.
- If a player believes that an object on the sideline is not safe, he or she should inform Event Staff and refrain from playing until he or she is satisfied that safe conditions have been established.
- USA Ultimate and Event Staff reserve the right to move or remove objects or spectators from on or near the playing field if those conditions are, in the opinion of USA Ultimate or Event Staff, unsafe for players, staff or spectators.

LIGHTNING GUIDELINES

- Event Staff will communicate with players and spectators via PA system and through field marshals equipped with radios if there is a lightning danger. Play then will be stopped, and everyone should seek shelter.
- Safe shelter for players and spectators at the field site includes any fully enclosed building or vehicle with a hard top and closed windows.
- Event Staff will use the “flash-to-bang” method to determine when to send people to shelter. By the time the flash-to-bang count has reached 30 seconds, all individuals should be in a safe shelter location.
- If you can't get to a safe shelter, try to avoid being the tallest object in an open field or on open water. Avoid other tall objects, metal objects and water. Assume a crouched position with only the balls of your feet touching the ground, your arms wrapped around your knees, and your head lowered. Minimize contact with the ground. Do not lie flat.
- Avoid using telephone land lines. Cell phones are safe, provided the person has followed other safety guidelines.
- Event Staff will indicate to players when play is going to resume. Team captains should meet at Tournament Central to receive instructions for resuming play and any schedule modifications.

10 THINGS YOU SHOULD KNOW ABOUT SPIRIT OF THE GAME™

1. THE GOLDEN RULE: TREAT OTHERS AS YOU WOULD WANT TO BE TREATED.

Spirited games result from mutual respect among opponents. Assume the best of your opponent. Give him or her the benefit of a doubt. You would want the same for yourself. But if you are thick-skinned, do not assume that your opponent is. Maybe you should think of this rule as, “treat others as you would have them treat your mother.”

2. CONTROL: SOTG TAKES REAL EFFORT.

SOTG is not just some abstract principle that everyone adopts and then games run smoothly without effort. Close calls are made in tight games. Hard fouls are committed. SOTG is about how you handle yourself under pressure: how you contain your emotionality, tame your temper, and modulate your voice. If you initiate or contribute to the unraveling of spirit, the concept falls apart quickly. If you act to mend things (or at least not exacerbate the situation) by following (1) above, the game heals itself.

3. HECKLING AND TAUNTING ARE DIFFERENT.

Ultimate has a long tradition of good-natured heckling. Heckles are friendly barbs, typically from non-playing spectators. Heckling can be fun, but taunting is unspirited and wrong. Harassing remarks after an opponent’s foul call or close play are NOT heckling: they are abusive taunts which create unpleasant playing conditions and often escalate to acrimonious disputes.

4. SOTG IS COMPATIBLE WITH CHAMPIONSHIP PLAY.

It is a fallacy to argue that the stakes are so important that some aspect of SOTG can be cast aside. Time and again, great teams and star players have shown that you can bring all your competitive and athletic zeal to a game without sacrificing fair play or respect for your opponent.

5. DON’T “GIVE AS YOU GOT.”

There is no “eye for an eye.” If you are wronged, you have no right to wrong someone in return. In the extreme case where you were severely mistreated, you may bring the issue up with a captain, tournament director, or even lodge a complaint with the governing body. If you retaliate in kind, however, a complaint may be filed against you. We recall point (1): treat others as you would have them treat you, not as they have treated you. In the end, you are responsible for you.

6. BREATHE.

After a hard foul, close call, or disputed play, take a step back, pause, and take a deep breath. In the heat of competition, emotions run high. By giving yourself just a bit of time and space, you will gain enough perspective to compose yourself and concentrate on the facts involved in the dispute (was she in or out; did you hit his hand or the disc; did that pick affect the play). Your restraint will induce a more restrained response from your opponent. Conflagration averted, you may resume business as usual.

7. WHEN YOU DO THE RIGHT THING, PEOPLE NOTICE.

When you turn the other cheek, you know you've done the right thing. You may not hear praise, there may be no standing ovation, but people do notice. Eventually, their respect for you and their appreciation of the game will grow.

8. BE GENEROUS WITH PRAISE.

Compliment an opponent on her good catch. Remark to a teammate that you admire their honesty in calling themselves out of bounds. Look players in the eye and congratulate them when you shake their hands after a game. These small acts boost spirit greatly, a large payoff for little time and effort.

9. IMPRESSIONS LINGER.

Not only does the realization that your actions will be remembered for a long time serve to curb poor behavior, it can also inspire better conduct. Many old-timers enjoy the experience of meeting an elite player who remembers their first rendezvous on the field and recalls the event in detail. A good first encounter with an impressionable young player can have considerable long term positive impact.

10. HAVE FUN.

All other things being equal, games are far more fun without the antipathy. Go hard. Play fair. Have fun.

SPIRIT AWARDS

Ultimate has traditionally relied upon the spirit of sportsmanship, which places the responsibility for fair play on the player. Highly competitive play is encouraged, but never at the expense of mutual respect among competitors, adherence to the agreed upon rules of the game, or the basic joy of play. - 11th Edition USA Ultimate Rules of Ultimate.

INDIVIDUAL AWARDS

Teams will each be asked to nominate a player from their own team who they feel displays the highest level of Spirit. The definition of Spirit is up to each team but should include elements of sportsmanship, leadership, perseverance, fire, etc. Choose the person whose attitude you wish other people on your team would emulate and who other players off your team admire. Individual Spirit winners will receive a medal and prize disc (courtesy of DISCRAFT). Thanks to Discraft for their support of ultimate and Spirit of the Game!

TEAM AWARDS

Following every game, each team will be asked to rate its opponent using the World Flying Disc Federation's spirit scoring system.

WFDF SPIRIT SCORING (from www.wfdf.org)

The objectives of the Spirit of the Game (SOTG) scoring sheet are:

- 1) Educate players on what Spirit of the Game is.
- 2) Help teams to improve specific parts of their Spirit.
- 3) Celebrate SOTG by awarding a prize to the team that gets the highest score.

To achieve this, every team needs to score in a similar fashion. We recognize that SOTG is hard to capture exactly, and the specifics and the examples may vary by country, competition level, etc., but if players adhere to the guidelines below, the objectives of the scoring system will be achieved.

HOW TO FILL IN THE SCORES

- Filling in the scores is a team effort. This helps in educating your players too. While this might take several minutes the first few times, it will take only a minute after you get used to it.
- It is expected that teams display normal, good spirit. The system was designed in accordance with this expectation. Therefore the baseline in each category is "Good" which equals 2 Points. For each game, determine if the other team was better than, worse than, or the same as just a regular game and score accordingly.
- Focus on each question and answer that question only. Do not start with an overall score in mind and work backwards to get that score.
- There might be many times that nothing out of the ordinary occurred at a game. As such, each category should get 2 points. A final score of 10 points is considered Good Spirit.
- Give a real score that reflects the items detailed on the sheet; do not score a team because you felt the team was 'nice' or because they made a funny game in the circle.
- Do your part of the job and bring back the sheet when requested by the TD.

LOGISTICS:

- Teams will receive a sample scoring sheet and explanation at the captain's meeting.
- Scorekeepers will hand out the four-team scoring sheet during your first rounds of play each day.
- After your last round of play, return the scoring sheet to the score keeper of your last game.

SPIRIT CIRCLE

USA Ultimate has recommended post-game “spirit circles” to teams at the Youth Club Championships since 2010. It’s an idea borrowed from international competitions throughout the ultimate world. For years, American teams have traveled to world championships where they have not only done exceptionally well in each competition, but showed the international community the importance we place on respect for the game and their opponents. But American players have also learned a lot from competing against teams from other countries, and invariably one of the most positive parts of the international experience has been the tradition of the post-game spirit circle. While there are a number of ways to do this, here are some quick tips to get your team started:

- Following each game, rather than lining up to slap hands, the two teams gather into a circle, alternating players on each team, facing inward, with arms around the shoulders of the person next to you.
- One or two people (often team captains) on each team will talk briefly about the game. Usually the losing team goes first, then the winning team.
- Things to talk about can include how the game went, how your own team played, what the other team did well, who on the other team played well, and anything else that might be worth communicating...even if it’s something you think could be done better (and don’t forget to look in the mirror on this).
- After each team has had a chance to talk, the winning team takes a step into the circle and walks around counter-clockwise to slap hands with the players on the other team.

That’s it! It’s pretty simple and definitely an experience that brings teams together and puts the game and the experience in perspective. It’s all about respect for each other and the experience of bringing out the best in each other through competition. It’s also about building relationships and seeing opponents for what they really are: part of the same community that loves ultimate. Please note that this is not meant to replace other post-game traditions you may have (e.g., cheers, games, photos, gifts or trading gear). Good luck, and please let USA Ultimate staff and other event organizers how it goes!

USA ULTIMATE SPIRIT OF COACHING

BACKGROUND: The role of the coach at all levels of ultimate is unique in a sport that places on-field player authority above non-player influence. As a non-player, the coach's authority must not extend to the on-field officiating process. Coaches may be faced with situations where they are able to correct the self-officiating process and ensure the correct outcome to a given play. In this situation, coaches must not interfere in the officiating process, in order to ensure that players learn and take responsibility for officiating. Coach interference in the decision-making process, even in the most egregious violations, will indicate to players that the coach – and not the players – has the ultimate responsibility for ensuring the inherent fairness of the game. Teaching players the rules and how to implement them should be done at practices or off the field. It is the coach's responsibility to ensure that the players understand their own responsibilities as players and teach players how to handle those responsibilities.

GUIDELINES:

- Coaches should introduce themselves to the other coaches prior to a game and discuss concerns. This could potentially include the level of play, the level of intensity (e.g. spiking and rushing the field), and possible modifications to the captain's clause (e.g. prohibiting zone for new teams or foot-blocking).
- Because the potential for misperception is high, spiking is prohibited at the youth level unless otherwise agreed upon by the coaches or captains. Spiking in a disrespectful manner is never acceptable at any level.
- Coaches will not make calls from the sideline or offer their opinion on a play. Coaches should encourage players to come to a resolution on their own, and if asked during a dispute, coaches may offer rules clarifications. After a dispute a coach may talk to his or her own player about the dispute and offer opinions.
- Youth coaches will make an effort to educate parents about Spirit of the Game and work to create a sideline atmosphere that respects Spirit of the Game.
- Coaches will teach and give players opportunities to practice knowledge of the rules of ultimate.
- Coaches will always exhibit respect for opposing players, other coaches and observers.
- Coaches will model Spirit of the Game at all times.

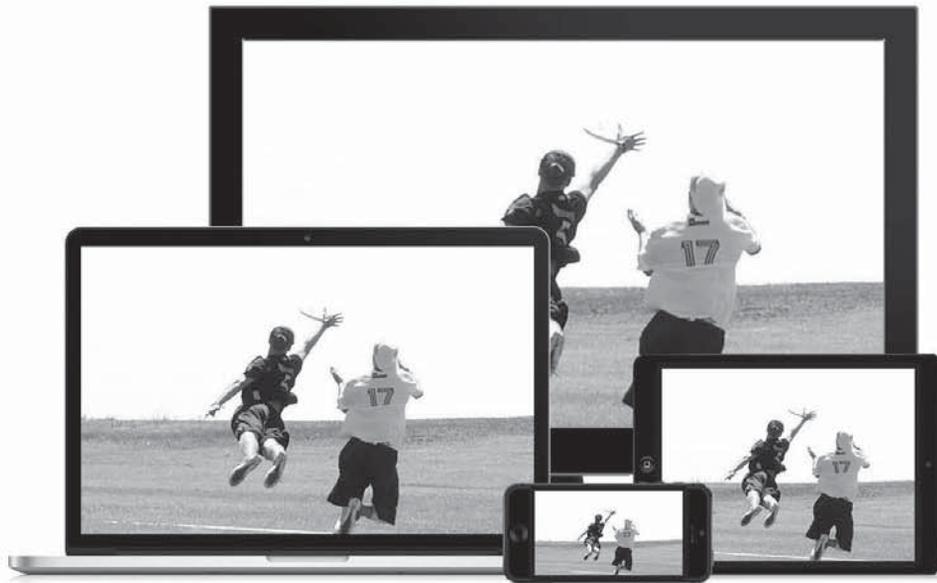

SUMMARY: The coach's goal in terms of Spirit of the Game is to create an environment where players are responsible for upholding the rules and ensuring that the outcomes of plays and games are fair.

2014 USA ULTIMATE COACHING CERTIFICATION INFORMATION

During games at USA Ultimate Championship events where field access is restricted, teams with coaching staffs are required to have at least one Level-1 Certified coach or a coach who has attended the USA Ultimate Coaching Ethics Workshop in order for coaching staff to have player-level field access. All coaches must pass an NCSI background check, be current coach-level members of USA Ultimate and must read, sign and agree to abide by the USA Ultimate Coaching Code of Ethics and Spirit of Coaching Statement. All other non-player support staff with player-level or limited field access must read, sign and agree to abide by the USA Ultimate Coaching Code of Ethics and Spirit of Coaching Statement. Limits on number of coaches and other non-player support staff will be determined by specific event guidelines.

For more information on USA Ultimate's Spirit of Coaching or Coaching Certification Requirements, please contact USA Ultimate Manager of Youth & Education Programs Mike Lovinguth at mike@hq.usultimate.org, or visit the USA Ultimate website at usultimate.org.
