USA ULTIMATE WELCOME

USA Ultimate would like to extend a warm welcome to the athletes, coaches, convention attendees, parents, fans and all participants of the 2017 U.S. Open Ultimate Championships and Convention. We are especially excited to have you here for our inaugural combined Youth Club Championship (YCC) and International Club Championship (ICC), all part of the US Open. This one-of-a-kind event is a celebration of our organization's mission, with a special focus on enhancing and promoting community, character and competition. You will no doubt find all three in Minnesota this week, as top teams and ultimate enthusiasts from the local community and all over the world come together to learn from each other, compete and showcase the best of the sport. We want to send an especially warm welcome to Italy and Mexico, as first time participants! Benvenuto and Bienvanida!

The U.S. Open Championships is a key leg in USA Ultimate's Triple Crown Tour (TCT) season for America and Canada's top teams. This year, the top four Pro Flight teams from each of the men's, mixed and women's divisions will be facing off against each other and the field of top-notch international teams, as well as other Pro and Elite Flight teams looking to make their moves in the 2017 season. Each will be in the hunt for a U.S. Open Championship which comes with a \$2,000 cash prize and brings teams one step closer to winning the Triple Crown, a feat accomplished by winning the U.S. Open, Pro Championship and National Championship. San Francisco Revolver was the first, and so far only, Triple Crown Champion, taking home a total of \$7,500 in prize money during the 2013 and 2015 seasons. Will we see another Triple Crown winner in 2017? Second-place teams will also receive prize money at this year's U.S. Open - \$1,000 will be awarded to the runners-up in each division.

The Youth Club Championships (YCC) welcomes 90 top youth teams from all over the United States, as well as two teams from Colombia, to see who is the best of the best in 2017. This is the largest YCC in our history and we hope that many of the teams and athletes from both YCC and ICC will find their way to watch and root for their respective home teams. Again, we hope this event will be a strong annual contributor to enhancing the community component of our mission, and through Spirit of the Game exemplified by all, the great character of our community. We know the competition will be awesome!!

The 2017 U.S. Open Convention schedule promises

LTIMATE

attendees a wealth of information on topics ranging from growing youth programs, to operating within the new national Safe Sport parameters, to building our national infrastructure as well as building and sustaining programs for girls and other underrepresented groups, all from a slate of top-notch presenters. This will be the second year our new State-Based Organizations (SBOs) will be present to describe their progress and learn from one another. Check out the schedule to see a list of available sessions.

USA Ultimate is proud to again have ESPN, the worldwide leader in sports, as its broadcast partner, and we are especially excited to have our mixed division final be live on ESPN2! Wow! This partnership brings with it an opportunity to continue building unprecedented visibility for the sport. We are also excited to be partnering with Ultiworld to provide live coverage of early tournament action. We have also made an investment with Fulcrum media to stream more women's and mixed games than ever before, and produce post event highlight packages. By showcasing ultimate's top players' and teams' athleticism, skill and sportsmanship (SOTG), we create positive awareness for the sport that helps lay the foundation for future growth.

When it comes to growth, it's all about local disc organizations and their ability to provide instruction and create playing opportunities for players of all ages, but especially for youth. Minnesota Ultimate is our gracious host and one of our SBOs. Through its own programs and USA Ultimate's Learn to Play and Girls' Ultimate Movement (GUM) programs, Minnesota Ultimate will be instrumental in growing youth ultimate across the state. As the host organization for the 2017 U.S. Open, Minnesota Ultimate is not only organizing an incredible event, they are laying the groundwork for continued growth of the sport, both locally and beyond. USA Ultimate is excited to continue this partnership with Minnesota Ultimate and other local disc organizations as we continue to develop a vibrant national and global ultimate community.

We are glad you are here and hope you will take advantage of all there is to experience. We begin Thursday with the Convention all day. In the evening we continue with the Discraft welcome reception and captains meeting for the ICC at the National Sports Center.

Friday features exciting International Club competition all day. Simultaneously, the Youth Athlete Talent ID camp takes place all afternoon. Don't miss the ICC showcase game at 5:30 on U2, and please join us for the Girls Ultimate Movement update.

Saturday kicks off the YCC competition and includes more exciting ICC competitive pool play action as well as the first of the ICC semi-finals broadcast live on ESPN. Saturday also features free GUM (gum.usaultimate. org) and Learn to Play clinics. Also on Saturday we host the highly-anticipated Discraft Trade night in the east stadium bleachers while watching the ICC semifinals. A delicious dinner is also served to all ICC teams during the semi-finals. On Saturday night after the last semifinal, we are hosting a player-led, USA Ultimatesponsored Gender Equity Forum. Thank you to Chip Chang, Claire Chastain, Emma Poirier and Heather Ann Brauer for their help in organizing and leading this forum!

Sunday brings full days of competition in both the YCC and ICC tourneys, as well as the remaining semis and all three of the ICC division finals. An incredibly important night in the history of Ultimate, we hope everyone joins us and GETS LOUD for our first ever mixed championship game LIVE on ESPN2...we want to rock the sports world!! (and don't forget dinner for all YCC teams courtesy of Discraft)

On Monday, it's all about the Youth Club Championships with continued competition all day, wrapping up with the semis and finals and awards ceremonies. Whew...what a weekend!

Once again, welcome to the event. Please be safe and respectful in all you do, on and off the field. Have a great time, leave a great impression on Minnesota, and help us show off the best of the sport to the world.

TD WELCOME

On behalf of USA Ultimate and Minnesota Ultimate, I welcome you to the 2017 edition of the U.S. Open Club Championships; a combination of the 13th Annual Youth Club Championships (YCC) and the International Club Championships (ICC).

YCC has 90 youth teams, and ICC has 36 adult club teams from the U.S. and several foreign countries. You should expect to see the world's best of youth and adult club ultimate.

The event takes place at the National Sports Center (NSC) in Blaine, Minn., one of the largest sports facilities in world. Ultimate is played here every summer by the local adult league and Minnesota Ultimate holds its High School State Championships here in early June.

An organizers convention is scheduled for the Thursday before games begin, and there will be several social gatherings across the days of the event.

The Twin Cities of Minneapolis and St. Paul are home to many major and minor league sports teams, unequalled shopping at the Mall of America is in Bloomington, Minn., not far from the Minneapolis/St. Paul International Airport and numerous world-class arts and entertainment venues.

This event only happens because hordes of people volunteer their time. They will be keeping score, running the social events and performing many other tasks to keep things running smoothly. When you see a volunteer, give them some appreciation.

Have a great tournament!

The event will provide standard athletic tape, prewrap, ice and some bandages. Other supplies, including special tape or bandages and anti-inflammatory drugs, must be provided by teams or may be charged by the training staff.

If there is an injury on a field that needs medical attention, inform a field marshal, and he or she will radio to the trainers.

If you have medical issues that require attention in the morning before play, please show up early to avoid long lines. The trainers will be at the fields two hours prior to game time each day.

CONCUSSIONS

Education

- USA Ultimate recommends the CDC "Heads Up Safety" program, a free one-hour online training: cdc.gov/concussion/headsup/youth.html.
- USA Ultimate's participant waiver includes important information from the CDC regarding concussion safety: usaultimate.org/membership/usa_ultimate_membership_forms.aspx

Coaching Requirements

• Coaches at USA Ultimate events are required to have completed a concussion awareness and safety recognition program (like the CDC program above or other local or state-recommended course). Coaches should not submit records of course completion to USA Ultimate, but should maintain records on-site while coaching.

Removal & Return to Play

- All guidelines identified by the CDC must be strictly followed in the event of a suspected concussion.
 - 1. Remove athlete from play.
 - 2. Ensure athlete is evaluated by a health care professional trained in concussion diagnosis and management.

Do not try to judge the seriousness of the injury yourself.

- 3. If a minor, inform athlete's parents or guardians about the known or possible concussion and give them the fact sheet on concussion.
- 4. Allow athlete to return to play only with permission from an appropriate health care professional.

Doctor's Note Requirement

• If, during a USA Ultimate event, an athlete receives care at a hospital, medical clinic or doctor's office, or is referred to a hospital or doctor by event medical staff, the athlete is barred from further competition in that event until he or she provides a doctor's note, on letterhead or prescription pad, to event medical staff stating that the athlete is authorized to return to competition.

Heat, Nutrition and Hydration

• Heat-related illness occurs when body cooling by evaporation is limited. Sweating depletes the body's salt and moisture, which leads to dehydration. If a player recognizes any signs or symptoms of heat-related illness, he or she should treat the problem immediately.

• Signs and symptoms of heat illness can include changes in level of consciousness, abdominal cramps, nausea/vomiting, fatigue/tingling, chills, inability to spit, dry mucous membranes, decreased output and change in color of urine.

Prevention and Treatment of Heat Illness

- Avoid alcohol, caffeine and carbonated beverages.
- Medications such as antihistamines, decongestants, certain asthma medications and diuretics can increase risk for heat illness. Avoid them if possible.
- Avoid certain nutritional supplements (such as caffeine and ephedrine) that can dehydrate the body and/ or increase metabolism and heat production.
- Know your body be honest! Are you fit enough to perform under current conditions?
- Eat and drink (water AND sports drinks) optimally before, during and after play. Potassium is important; good sources include sports drinks, yogurt, grapefruit juice, bananas and oranges. Sodium is also important; good sources include sports drinks, vegetable juices, pretzels, nuts, cheese and crackers. After play, carbohydrates are important: foods such as potatoes, honey, cereal, white bread, corn chips, sports drinks, jelly beans, rice cakes, bagels, crackers and gummy candies.
- Don't drink too much. Over-hydrating can be dangerous if it leads to a fluid and electrolyte imbalance.
- Monitor your urine. Clear/copious = hydrated. Dark = Need water/electrolytes.
- Be sensitive to prior illness. If you've been sick, your body may be more susceptible to dehydration.
- Rest and cool down after play. Find shade, wet the skin, get in front of a fan or breeze.

Sideline Safety

- Spectators and equipment must stay at least three yards away from the sidelines. Where there are buffer lines, respect them. Chairs, coolers, strollers, you, etc., must be at least three yards from the sidelines.
- If a player believes that an object on the sideline is not safe, he or she should inform event staff and refrain from playing until he or she is satisfied that safe conditions have been established.
- USA Ultimate and event staff reserve the right to move or remove objects or spectators from on or near the playing field if those conditions are, in the opinion of USA Ultimate or event staff, unsafe for players, staff or spectators.

Lightning Guidelines

- Event staff will communicate with players and spectators via PA system and through field marshals equipped with radios if there is lightning danger. Play then will be stopped, and everyone should seek shelter.
- Safe shelter for players and spectators at the field site includes any fully enclosed building or vehicle with a hard top and closed windows.
- Event staff will use the "flash-to-bang" method to determine when to send people to shelter. By the time the flash-to-bang count has reached 30 seconds, all individuals should be in a safe shelter location.
- If you can't get to a safe shelter, try to avoid being the tallest object in an open field or on open water. Avoid other tall objects, metal objects and water. Assume a crouched position with only the balls of your feet touching the ground, your arms wrapped around your knees and your head lowered. Minimize contact with the ground. Do not lie flat.
- Avoid using telephone land lines. Cell phones are safe, provided the person has followed other safety guidelines.
- Event staff will indicate to players when play is going to resume. Team captains should meet at Tournament Central to receive instructions for resuming play and any schedule modifications.

SPIRIT OF THE GAME

10 THINGS YOU SHOULD KNOW ABOUT SPIRIT OF THE GAME™

1. THE GOLDEN RULE: TREAT OTHERS AS YOU WOULD WANT TO BE TREATED.

Spirited games result from mutual respect among opponents. Assume the best of your opponent. Give him or her the benefit of a doubt. You would want the same for yourself. But if you are thick-skinned, do not assume that your opponent is. Maybe you should think of this rule as, "treat others as you would have them treat your mother."

2. CONTROL: SOTG TAKES REAL EFFORT.

SOTG is not just some abstract principle that everyone adopts and then games run smoothly without effort. Close calls are made in tight games. Hard fouls are committed. SOTG is about how you handle yourself under pressure: how you contain your emotionality, tame your temper, and modulate your voice. If you initiate or contribute to the unraveling of spirit, the concept falls apart quickly. If you act to mend things (or at least not exacerbate the situation) by following (1) above, the game heals itself.

3. HECKLING AND TAUNTING ARE DIFFERENT.

Ultimate has a long tradition of good-natured heckling. Heckles are friendly barbs, typically from nonplaying spectators. Heckling can be fun, but taunting is unspirited and wrong. Harassing remarks after an opponent's foul call or close play are NOT heckling: they are abusive taunts which create unpleasant playing conditions and often escalate to acrimonious disputes.

4. SOTG IS COMPATIBLE WITH CHAMPIONSHIP PLAY.

It is a fallacy to argue that the stakes are so important that some aspect of SOTG can be cast aside. Time and again, great teams and star players have shown that you can bring all your competitive and athletic zeal to a game without sacrificing fair play or respect for your opponent.

5. DON'T "GIVE AS YOU GOT."

There is no "eye for an eye." If you are wronged, you have no right to wrong someone in return. In the extreme case where you were severely mistreated, you may bring the issue up with a captain, tournament director, or even lodge a complaint with the governing body. If you retaliate in kind, however, a complaint may be filed against you. We recall point (1): treat others as you would have them treat you, not as they have treated you. In the end, you are responsible for you.

6. BREATHE.

After a hard foul, close call, or disputed play, take a step back, pause, and take a deep breath. In the heat of competition, emotions run high. By giving yourself just a bit of time and space, you will gain enough perspective to compose yourself and concentrate on the facts involved in the dispute (was she in or out; did you hit his hand or the disc; did that pick affect the play). Your restraint will induce a more restrained response from your opponent. Conflagration averted, you may resume business as usual.

7. WHEN YOU DO THE RIGHT THING, PEOPLE NOTICE.

When you turn the other cheek, you know you've done the right thing. You may not hear praise, there may be no standing ovation, but people do notice. Eventually, their respect for you and their appreciation of the game will grow.

8. BE GENEROUS WITH PRAISE.

Compliment an opponent on her good catch. Remark to a teammate that you admire their honesty in calling themselves out of bounds. Look players in the eye and congratulate them when you shake their hands after a game. These small acts boost spirit greatly, a large payoff for little time and effort.

9. IMPRESSIONS LINGER.

Not only does the realization that your actions will be remembered for a long time serve to curb poor behavior, it can also inspire better conduct. Many old-timers enjoy the experience of meeting an elite player who remembers their first rendezvous on the field and recalls the event in detail. A good first encounter with an impressionable young player can have considerable long term positive impact.

10. HAVE FUN.

All other things being equal, games are far more fun without the antipathy. Go hard. Play fair. Have fun.

Special thanks to Eric Zaslow and members of the 2005 Conduct Committee (Jeff Dunbar, Kate Bergeron, Eric Zaslow, Will Deaver) for the development of this document. Adopted by USA Ultimate Executive Committee, March 29, 2005.

SPIRIT CIRCLES

Spirit Circles are an idea borrowed from international competitions throughout the ultimate world. For years, American teams have traveled to world championship events where they have not only done exceptionally well in each competition, but showed the international community the importance we place on respect for the game and their opponents. But American players have also learned a lot from competing against teams from other countries, and invariably one of the most positive parts of the international experience has been the tradition of the post-game spirit circle. While there are a number of ways to do this, here are some quick tips to get your team started:

- Following each game, rather than lining up to slap hands, the two teams gather into a circle, alternating players on each team, facing inward, with arms around the shoulders of the person next to you.
- One or two people (often team captains or spirit captains) on each team will talk briefly about the game. Usually the losing team goes first, then the winning team.
- Things to talk about can include how the game went, how your own team played, what the other team did well, who on the other team played well and anything else that might be worth communicating, even if it's something you think could be done better (and don't forget to look in the mirror on this).
- After each team has had a chance to talk, the winning team takes a step into the circle and walks around counterclockwise to slap hands with the players on the other team.

That's it! It's pretty simple and definitely an experience that brings teams together and puts the game and the experience in perspective. It's all about respect for each other and the experience of bringing out the best in each other through competition. It's also about building relationships and seeing opponents for what they really are: part of the same community that loves ultimate. Please note that this is not required and is not meant to replace other post-game traditions you may have (e.g., cheers, games, photos, gifts or trading gear). Good luck, and please let USA Ultimate staff and other event organizers how it goes!

CUSB La Fotta was founded in 1992 by some Rimini (hometown of Paganello) players who came to Bologna for university. Since then, ultimate in Bologna has been growing exponentially, with a very young community of 500 players in the city and 10 teams. That happened thanks to the efforts of Davide Morri and all the CUSB organization (University Sport Center of Bologna), who go daily to the schools of the city to teach fundamentals and values of the sport.

La Fotta has won eight Italian Championships (seven of the last eight) and has always played many international tournaments, winning Tom's Tourney five times

and playing in the final at Windmill twice. La Fotta played in the final of Euros in 2015 and 2016, losing only to Clapham Ultimate in both seasons.

The average age of the team is under 24, and many members of the team will go to Perth to play at the U-24 World Championships in January.

Once the battleground of the "Great" Michigan-Ohio War, the Michigan/Ohio border now serves as a welcoming conduit, bringing to-

gether some of the top talent in the Great Lakes Region. After battling each other for many years in the college and club scenes, thanks to the 2015 Treaty of Versailles (Ohio, not France), many former adversaries are now great friends, bound together as brothers in arms.

In 2015, High Five qualified for Nationals for the first time. With another year of

chemistry and playing together, we qualified for Nationals in 2016. We intend to build upon our Nationals appearances and solidify High Five as a national mainstay.

In 2008, a formidable group of scallywags set a new course for adventure. Riding the fair winds and following seas, Ironside has

stormed to Nationals every year since on the wings of rollicking shanties. This year, the crew has amassed talents both new and old to raise the flag, set the jib flying and let loose the boom against their opponents. The team admirality has inspired a stalwart, if murderous, attitude amongst

the crew. These sailors are hungry for gold, and woe is the enemy who stands in their path.

Ironside would like to pay special attention to all of the pirate women, who have for too long been asked to plunder harder than men for their share of the loot we all found together. We invite you to join us as we batten down the hatches and weather this storm together.

REVOLVER

San Francisco, CA

Captains: Lucas Dallmann, Grant Lindsley, George Stubbs, Nathan White Spirit Captain: Simon Higgins Coaches: Mike Payne, Devon Anderson @revolverult www.revolverultimate.com

Revolver was established in 2006 when Nick Handler, Chris Mc-Manus and Marc Weinberger came together to build a new ultimate program from scratch.

They sought a team where young players could learn from veterans and where the goal was to get better in every practice and game.

Although Revolver did not set out to win championships, the program's focus on young talent, role playing and spirited

competition created a foundation for a successful program. In its early years, Revolver established itself as a nationally competitive program, qualifying for Nationals in three of its first four years. In 2009, Revolver reached the finals but lost to Chain Lightning. From that point, the program continued to rise, and over the next five years, captured four USAU national championships, two WUCC world championships, and one WUGC world championship.

Mischief. It means trickery, chicanery and spirited fun. It means winning games with our legs and, when our legs can't run any more,

going the last mile with heart. It means always having more in the tank. It means putting everything on the line for our team and taking pride in being the best we are capable of becoming. Above all, it means love and family.

Mischief was founded in 2003, and our goal is to foster a supportive and fun en-

vironment that motivates us to work hard, commit and sacrifice for each other to compete at the highest level. Mischief has been a consistent force in mixed for over a decade, and we are looking to build off a successful semifinal finish at the 2016 National Championships.

Captains: Catherine Hui, Jessica Rockliff, Laura Mason, Michelle Ning, Rachel Moens Spirit Captain: Laura Mason Coach: Michael Caldwell @traffic_ulti http://traffic-ultimate.com

Traffic was formed in the Pacific Northwest in beautiful British Columbia. Since its inception in 2007, Traffic has proven year after

UNO

Aichi, Japan

Captain: Yu Kanai Spirit Captain: Ruoxi Xin www.facebook.com/viva.uno.1ban

UNO was founded in 2005 by Chukyo University graduates. Our name comes from the idea of becoming the premier team in the

world. We have trained night and day since then to make this goal come true. Five years after UNO was founded, we became the strongest team in Japan, and have won 6 All Japan Championships since 2010. We have also placed second in the Women's Ultimate Club Championships. But we haven't become champions of the world. Since our beginning, members of this team have changed, but "being the strongest team in the world" has never changed. We will try our best to achieve our goal.

First-year YCC team based out of Austin, Texas. A lot of players have either played together on other YCC club teams in the past or have played against each other in various spring leagues and state tournaments. We've had a ton of fun building chemistry and learning each other's styles of play, and we've become a fairly tightknit group of guys. In our first-ever tournament playing all together as a team, we went 5-3, losing only to much more experienced, out-of-high-school, club teams. With that said, our team is very excited to go to nationals this August and see how we compare to the best of the best in youth ultimate.

The team chosen to represent Seattle and DiscNW leagues for the U-20 boys' division was born in the late winter months in Seattle. Long before school teams take the field for their first spring practice, those who want to be selected for our traveling team need to go through a rigorous month-long tryout process. This year's team, Splash, is one of the most diverse teams we've put together, representing many schools from all over the Puget Sound area. We've been training hard since spring, against local elite players and YCC alumni, and donating our time and knowledge at local youth clinics and camps. We are excited to be representing the greater Seattle area, and we look forward to playing everyone this

FORGE

Philadelphia, PA

Captains: CJ Dawson, Amelia Marx, Victoria Lee Spirit Captain: Amelia Marx Coaches: Alisa Li, Chris Vanni @GirlsForge

Four years ago, a renegade coach and 20 girls from five different schools founded a team destined for YCC. They joined togeth-

er to challenge themselves at the next level, improve their skills and create a better community. Scrimmaging against local college teams and attending a few college tournaments allowed this band of go-getters to push Philadelphia Girls' Ultimate forward.

After two years of sending mixed teams,

our vision is finally fully realized. Philadelphia is sending our first ever girls' team to YCC. Perhaps just as important, a sustainable process is in place to ensure the future.

Many thanks to those early adopters who helped blaze the path and to those who continue to carry the torch today.

Forging a team! Forging a vision!! Forging the future!!!

The team chosen to represent Seattle and DiscNW leagues for the U-20 girls' division was born in the late winter months in Se-

attle. Long before school teams take the field for their first spring practice, those who want to be selected for our traveling team need to go through a rigorous monthlong tryout process. This year's team. Narwhal, is looking to continue our tradition of excellence at YCC. We've been training hard since spring and helping to pass on our knowledge to those younger than us by

volunteering time at camps and elementary school tournaments. We are excited to be representing the greater Seattle area, and we look forward to playing everyone this August.

In 2016, D.C. Justice was created to represent the D.C./Maryland/Virginia contingent of youth women's ultimate. Subsequent-

ly, the DMV began secret construction on a new club team even more powerful than the first dreaded Justice. A rebel alliance formed between members of D.C. Justice and D.C. Swing Vote, and D.C. ROGUE was born. Judge them not by their size: These girls can outrun discs in less than 12 parsecs. The circle was almost complete, but

the learners could not yet become the masters without the coaching of Jenny Fey and Julia Petro. Both are first-time YCC coaches, who find lack of spirited play disturbing. D.C. Rogue looks forward to restoring freedom to the galaxy, becoming one with the force

Massachusetts has a rich history in youth ultimate, and BUDA is thrilled to continue that tradition by sending teams to four divisions of the 2017 US

Open Club Championships: U17 Girls; U17 Boys; U20 Girls; U20 Boys. Players from all four teams have spent the last year playing with and against each other in various youth leagues across Massachusetts. The caliber of the BUDA players is high - evidenced by previous YCC Championships

and finals appearances, as well as several players who are nationally and internationally competitive - but the teams also emphasize camaraderie, giving back to the community and spirit of the game. BUDA's coaches, chaperones and team leaders are all very proud of the young adults coming out of the program and the whole BUDA family is looking forward to a fantastic YCC experience in 2017!

LUCKY PUNCS

Durham, NC

Coaches: Schuyler Kylstra, Michael Avila, Tim Brooks

In 2016, Triangle Ultimate ran into a unique problem: With the growing talent pool in N.C., how can we provide more opportunities for our young players to compete

at a high level?

After viewing the success of their two existing teams, Triforce and NC Hammer, TU decided to follow that same format by creating another U-16 program: Lucky PuNC's.

PuNC's goals are simple:

- · Facilitate growth within each player.
- Compete at a high level while maintaining great spirit and sportsmanship.

With a style of play that emphasizes a "faceless army" model, PuNC looks for contributions from all 20 players on the roster. For us, the phrase "know your role" has never been truer

PuNCs is excited to be returning to Blaine, Minn., in 2017 and to improve on last year's finish.

The team chosen to represent Seattle and DiscNW leagues for the U-17 boys' division was born in the late winter months in Seattle. Long before school teams take the field for first their spring practice, those who want to be selected for our traveling team need to go through a rigorous month-long tryout process. This year saw over 100 boys compete for 20-22 spots on our U-17 team, and from them, Oblivion was born. We've been training hard ever since and helping to pass on our knowledge to those younger than us by volunteering time at camps and elementary school tournaments. We are ex-

As it is our inaugural year for the DEVYL U-17 team, there's not much of a history here, but we intend to make our mark in year one. Known

as the Baby Valks, we look to follow in our sisters' footsteps out to YCC and intend to create a legacy of our own. All the girls on this team have trained tirelessly with the hopes of proving themselves as a new team and setting the standard for years to come!

Towards the beginning of our season, we workshopped our team's ideal themes and values, concluding that our end goal is unstoppability, both in spirit and game. We come to Minnesota this year with this ingrained in our minds and hearts. In the three previous years, the U-16/U-17 division has existed, the DiscNW-sponsored girls' team has taken

home both the spirit award and tournament plaque each year. We hope only to build from this legacy in our 2017 season, fueled by our commitment to being connected, challenged, confident and competitive.
