USA ULTIMATE WELCOME

USA Ultimate would like to extend a warm welcome to the athletes, coaches, convention attendees, parents, fans and all participants of the 2018 U.S. Open Ultimate Championships and Convention. We are excited to have you here for our second combined Youth Club Championship (YCC) and International Club Championship (ICC), all part of the U.S. Open. This one-of-a-kind event is a celebration of our organization's mission, with a special focus on enhancing and promoting community, character and competition. You will no doubt find all three in Minnesota this week, as top teams and ultimate enthusiasts from the local community and all over the world come together to learn from each other, compete and showcase the best of the sport. We want to send an especially warm welcome to the Black Widows, Southeast Asia's women's all-star team, for being first-time participants!

The U.S. Open Championships is a key leg in USA Ultimate's Triple Crown Tour (TCT) season for America's and Canada's top teams. This year, the top four Pro Flight teams from each of the men's, mixed and women's divisions will be facing off against each other and the field of top-notch international teams, as well as other Pro and Elite Flight teams looking to make their moves in the 2018 season. Each team will be in the hunt for a U.S. Open Championship which comes with a \$2,000 cash prize and brings teams one step closer to winning the Triple Crown, a feat accomplished by winning the U.S. Open, Pro Championship and National Championship. Second-place teams will also receive prize money: \$1,000 will be awarded to the runners-up in each division.

The Youth Club Championships (YCC) welcomes 94 youth teams from all over the United States, as well as two teams from Canada. The division continues to grow, and this year it is once again the largest YCC in our history. We hope many of the teams and athletes from both the YCC and ICC divisions will find their way to watch and root for their respective home teams. We are excited for this event to be a strong annual contributor to enhancing the community component of our mission and, through Spirit of the Game exemplified by all, the great character of our community. We know the competition will be awesome!

The 2018 U.S. Open Convention schedule features a slate of informative sessions and engaging activities for leaders from across the spectrum of organizers

who are dedicated to advancing and operating ultimate programs. Join us for key updates and conversations with USA Ultimate staff, as well as highlights from affiliate and state-based organizations (SBOs) around the nation.

USA Ultimate is proud to again have ESPN, the worldwide leader in sports, as its broadcast partner, and we are especially excited to have our women's division final broadcast live on ESPN2! This partnership brings with it an opportunity to continue building unprecedented visibility for the sport. We are also excited to bring you 31 live streams of early round action on USA Ultimate's social media platforms produced by Fulcrum Media. By showcasing ultimate's top players' and teams' athleticism, skill and spirit of the game, we create positive awareness for the sport that helps lay the foundation for future growth.

When it comes to growth, it's all about local disc organizations and their ability to provide instruction and create playing opportunities for players of all ages, but especially for youth. Minnesota Ultimate is our gracious host and one of our SBOs. Through its own programs as well as USA Ultimate's Learn to Play and Girls' Ultimate Movement (GUM) programs, Minnesota Ultimate will be instrumental in growing youth ultimate across the state. As the host organization for the 2018 U.S. Open, Minnesota Ultimate is not only organizing an incredible event, but also they are laying the groundwork for the continued growth of the sport, both locally and beyond. USA Ultimate is excited to continue this partnership with Minnesota Ultimate and other local disc organizations as we continue to develop a vibrant national and global ultimate community.

We are glad you are here and hope you will take advantage of all there is to experience. We begin Thursday with convention sessions all day. In the evening, we continue with the Discraft welcome reception for ICC teams at the National Sports Center.

Friday features exciting international club competition all day. Simultaneously, the Youth Athlete Talent ID camp takes place all afternoon. On Friday evening, beginning at 5:00 p.m., a player- and speaker-led equity and diversity forum will be held in the player and spectator lounge tent. After you've attended the forum, make your way over to the ICC showcase game at 6:30 p.m. on field U2.

Saturday kicks off YCC competition and includes more exciting ICC competitive pool play action as well as the first of the ICC semifinals broadcast live on

ESPN. Saturday also features free clinics where kids of all ages can learn to play ultimate. In the evening, a delicious dinner will be served to all athletes during the ICC semifinals.

Sunday brings a full day of competition in both the YCC and ICC divisions, headlined by the remaining semifinals and finals in the ICC men's, mixed and women's divisions. We hope everyone joins us and GETS LOUD, particularly for the women's championship game LIVE on ESPN2 - we want to rock the sports world! We will also host the highly anticipated Discraft Trade Night while watching the ICC finals.

On Monday, it's all about the Youth Club Championships with continued competition all day, wrapping up with the semifinals, finals and awards ceremonies. Whew - what a weekend!

Once again, welcome to the event. Please be safe and respectful in all you do, on and off the field. Have a great time, leave a great impression on Minnesota and help us show off the best of the sport to the world.

TD WELCOME

On behalf of USA Ultimate and Minnesota Ultimate, I welcome you to the 2018 edition of the U.S. Open Club Championships (USOCC), consisting of the 14th annual Youth Club Championships (YCC) and the seventh annual International Club Championships (ICC), formerly known as the U.S. Open.

This year, YCC has grown to 94 youth teams from across the U.S. as well as teams from Canada, while the ICC division has 36 teams from the U.S., U.K., Japan, Colombia and Germany, plus a multi-national team from Southeast Asia. You should expect to see the world's best youth and adult club ultimate at this event. The two divisions overlap, with ICC competition from Friday through Sunday and YCC competition from Saturday through Monday. An evening social event is planned for Saturday for both youth and adult participants, so look out for details.

An organizers' convention is scheduled for Thursday, before competition begins, and there will be numerous social gatherings across the five days of the event as a whole.

The USOCC takes place at the National Sports Center (NSC) in Blaine, Minn., one of the largest sports facilities in the world. Ultimate is played here every summer by the local adult leagues, and Minnesota Ultimate holds its High School State Championships here in early June. The NSC continues to grow, so you will see a lot of construction this year and many changes from last year.

The Twin Cities of Minneapolis and St. Paul are home to several major and minor league sports teams. Spectacular shopping can be found at the Mall of America in Bloomington, Minn., not far from the Minneapolis/St. Paul International Airport, and the metro area boasts many world class arts and entertainment venues.

This event only happens because hundreds of people volunteer their time. They will be keeping score, taking tickets at social events and performing many other tasks to keep things running smoothly. When you see a volunteer, be sure to say thanks.

Have a great tournament!

- All games to 15, point cap at 17 (Check divisional schedules for any exceptions).
- Halftime is 5 minutes for all games except adult (ICC) semis and finals (10 minutes).
- Each team has two timeouts per half.
- Regardless of how many timeouts a team has used before overtime, during overtime, each team has one timeout.

NOISEMAKER GUIDELINES

The following guidelines for noisemakers will be applied at USA Ultimate events. They are designed to strike a balance between limiting artificial noise that adversely impacts the competition or the on-site experience of participants with allowing for noise that helps create an enthusiastic, fun and supportive environment. Players, teams and spectators are expected to abide by these guidelines while on site at the event.

- Powered noisemakers are not allowed at the event site. This includes, but is not limited to, air horns, sirens and electronic bullhorns.
- Novelty noisemakers are NOT permitted, except under the following conditions:
 - o Must remain outside of the equipment lines.
 - o May only be used between a goal being scored and the offense signaling readiness for the next point.
 - o May not be used during timeouts taken during active play.
 - o Novelty noisemakers include, but are not limited to, whistles, vuvuzelas, squeeze horns and musical instruments.
- Music-playing devices with external speakers are permitted under the following conditions:
 - o Must remain outside of equipment lines, except during warm-ups and half-time.
 - o Must remain at a reasonable volume considering other event participants and attendees.
 - o May not be used to play music with offensive lyrics or themes.
- No noisemaker of any kind is permitted that may present a safety hazard.
- Any noisemaker permitted above may be disallowed if the volume or content of the noise is deemed to be offensive or disruptive to the enjoyment of the event, or the noisemaker is used in an un-spirited manner such as to taunt, intimidate or give a team an undue competitive advantage, as determined by event staff.

Event staff and observers will inform teams and individuals of these guidelines as needed. Repercussions for violation of these guidelines may include confiscation of the noisemaker, removal of the individual from the event site and/or in-game sanctions associated with the Misconduct System.

HEALTH AND SAFETY

NEAREST HOSPITAL:

North Memorial Health Urgency Center, 11855 Ulysses St NE #120, Blaine, MN 55434
Phone: 763-785-8500

Medical staff, including athletic trainers, will be on site at Tournament Central to treat injuries, handle emergencies and provide some preventative care. The event will provide standard athletic tape, pre-wrap, ice and some bandages. Other supplies, including special tape or bandages and anti-inflammatory drugs, must be provided by teams or may be charged by the training staff.

If there is an injury on a field that needs medical attention, inform a field marshal, and he or she will radio to the trainers.

If you have medical issues that require attention in the morning before play, please show up early to avoid long lines. The trainers will be at the fields two hours prior to game time each day.

CONCUSSIONS

EDUCATION

- USA Ultimate recommends the CDC “Heads Up Safety” program, a free one-hour online training: cdc.gov/concussion/headsup/youth.html.
- USA Ultimate’s participant waiver includes important information from the CDC regarding concussion safety: usaultimate.org/membership/usa_ultimate_membership_forms.aspx

COACHING REQUIREMENTS

- Coaches at USA Ultimate events are required to have completed a concussion awareness and safety recognition program (like the CDC program above or other local or state-recommended course). Coaches should not submit records of course completion to USA Ultimate, but should maintain records on-site while coaching.

REMOVAL & RETURN TO PLAY

- All guidelines identified by the CDC must be strictly followed in the event of a suspected concussion.
 1. Remove the athlete from play.
 2. Ensure the athlete is evaluated by a health care professional trained in concussion diagnosis and management. Do not try to judge the seriousness of the injury yourself.
 3. If the athlete is a minor, inform the athlete’s parents or guardians about the known or possible concussion and give them the fact sheet on concussions.
 4. Allow the athlete to return to play only with permission from an appropriate health care professional.

DOCTOR'S NOTE REQUIREMENT

- If, during a USA Ultimate event, an athlete receives care at a hospital, medical clinic or doctor's office, or is referred to a hospital or doctor by event medical staff, the athlete is barred from further competition in that event until he or she provides a doctor's note, on letterhead or prescription pad, to event medical staff stating that the athlete is authorized to return to competition.

ATHLETE PROTECTION

- USA Ultimate takes the protection of event participants seriously. In accordance with SafeSport and the USA Ultimate Conduct Policy, all USA Ultimate employees, volunteers, athletes, members, coaches and chaperones are prohibited from engaging in the following conduct with athletes at any time (a more thorough description is available at www.usultimate.org/protection):
 - o Bullying
 - o Hazing
 - o Harassment, including Sexual Harassment
 - o Emotional Misconduct
 - o Physical Misconduct
 - o Sexual Misconduct, including Child Sexual Abuse
- With the passage of the recent federal legislation to protect amateur and minor athletes, all SafeSport trained individuals (including coaches, team support, USA Ultimate staff) are now mandatory reporters.
- If you have questions or would like to file a complaint with USA Ultimate, please contact Dan Raabe at dan@hq.usultimate.org.

HEAT, NUTRITION AND HYDRATION

- Heat-related illnesses occur when the body's ability to cool itself by evaporation is limited. Sweating depletes the body's salt and moisture, which leads to dehydration. If a player recognizes any signs or symptoms of a heat-related illness, he or she should treat the problem immediately.
- Signs and symptoms of a heat illness can include changes in level of consciousness, abdominal cramps, nausea/vomiting, fatigue/tingling, chills, inability to spit, dry mucous membranes, decreased output and change in color of urine.

PREVENTION AND TREATMENT OF A HEAT ILLNESS

- Avoid alcohol, caffeine and carbonated beverages.
- Medications such as antihistamines, decongestants, certain asthma medications and diuretics can increase the risk for heat illness. Avoid them if possible.
- Avoid certain nutritional supplements (such as caffeine and ephedrine) that can dehydrate the body and/or increase metabolism and heat production.
- Know your body – be honest! Are you fit enough to perform under current conditions?
- Eat and drink (water AND sports drinks) optimally before, during and after play. Potassium is important; good sources include sports drinks, yogurt, grapefruit juice, bananas and oranges. Sodium is also important; good sources include sports drinks, vegetable juices, pretzels, nuts, cheese and crackers. After play, carbohydrates are important: foods such as potatoes, honey, cereal, white bread, corn chips, sports drinks, jelly beans, rice cakes, bagels, crackers and gummy candies.

- Don't drink too much. Over-hydrating can be dangerous if it leads to a fluid and electrolyte imbalance.
- Monitor your urine. Clear/copious = hydrated. Dark = Need water/electrolytes.
- Be sensitive to any prior illness. If you've been sick, your body may be more susceptible to dehydration.
- Rest and cool down after play. Find shade, wet the skin or get in front of a fan or breeze.

SIDELINE SAFETY

- Spectators and equipment must stay at least five yards away from the sidelines. Where there are buffer lines, respect them. Chairs, coolers, strollers, people and other objects must be at least three yards from the sidelines.
- If a player believes that an object on the sideline is not safe, he or she should inform event staff and refrain from playing until he or she is satisfied that safe conditions have been established.
- USA Ultimate and event staff reserve the right to move or remove objects or spectators from on or near the playing field if those conditions are, in the opinion of USA Ultimate or event staff, unsafe for players, staff or spectators.

LIGHTNING GUIDELINES

- Event staff will communicate with players and spectators via a PA system and through field marshals equipped with radios if there is a lightning danger. Play will then be stopped, and everyone should seek shelter.
- Safe shelter for players and spectators at the field site includes any fully enclosed building or vehicle with a hard top and closed windows.
- Event staff will be monitoring radar and listening for thunder. If lightning is occurring within 10 miles or thunder is audible, play will be suspended and all individuals should get in a safe shelter location.
- If you can't get to a safe shelter, try to avoid being the tallest object in an open field or on open water. Avoid other tall objects, metal objects and water. Assume a crouched position with only the balls of your feet touching the ground, your arms wrapped around your knees, and your head lowered. Minimize contact with the ground. Do not lie flat.
- Avoid using telephone land lines. Cell phones are safe, provided the person has followed other safety guidelines.
- Event staff will indicate to players when play is going to resume. Team captains should meet at Tournament Central to receive instructions for resuming play and any schedule modifications.

SPIRIT OF THE GAME

10 THINGS YOU SHOULD KNOW ABOUT SPIRIT OF THE GAME™

1. THE GOLDEN RULE: TREAT OTHERS AS YOU WOULD WANT TO BE TREATED.

Spirited games result from mutual respect among opponents. Assume the best of your opponent. Give him or her the benefit of a doubt. You would want the same for yourself. But if you are thick-skinned, do not assume that your opponent is. Maybe you should think of this rule as, “treat others as you would have them treat your mother.”

2. CONTROL: SOTG TAKES REAL EFFORT.

SOTG is not just some abstract principle that everyone adopts and then games run smoothly without effort. Close calls are made in tight games. Hard fouls are committed. SOTG is about how you handle yourself under pressure: how you contain your emotionality, tame your temper, and modulate your voice. If you initiate or contribute to the unraveling of spirit, the concept falls apart quickly. If you act to mend things (or at least not exacerbate the situation) by following (1) above, the game heals itself.

3. HECKLING AND TAUNTING ARE DIFFERENT.

Ultimate has a long tradition of good-natured heckling. Heckles are friendly barbs, typically from non-playing spectators. Heckling can be fun, but taunting is unspirited and wrong. Harassing remarks after an opponent's foul call or close play are NOT heckling; they are abusive taunts which create unpleasant playing conditions and often escalate to acrimonious disputes.

4. SOTG IS COMPATIBLE WITH CHAMPIONSHIP PLAY.

It is a fallacy to argue that the stakes are so important that some aspect of SOTG can be cast aside. Time and again, great teams and star players have shown that you can bring all your competitive and athletic zeal to a game without sacrificing fair play or respect for your opponent.

5. DON'T “GIVE AS YOU GOT.”

There is no “eye for an eye.” If you are wronged, you have no right to wrong someone in return. In the extreme case where you were severely mistreated, you may bring the issue up with a captain, tournament director, or even lodge a complaint with the governing body. If you retaliate in kind, however, a complaint may be filed against you. We recall point (1): treat others as you would have them treat you, not as they have treated you. In the end, you are responsible for you.

6. BREATHE.

After a hard foul, close call, or disputed play, take a step back, pause, and take a deep breath. In the heat of competition, emotions run high. By giving yourself just a bit of time and space, you will gain enough perspective to compose yourself and concentrate on the facts involved in the dispute (was she in or out; did you hit his hand or the disc; did that pick affect the play). Your restraint will induce a more restrained response from your opponent. Conflagration averted, you may resume business as usual.

7. WHEN YOU DO THE RIGHT THING, PEOPLE NOTICE.

When you turn the other cheek, you know you've done the right thing. You may not hear praise, there may be no standing ovation, but people do notice. Eventually, their respect for you and their appreciation of the game will grow.

8. BE GENEROUS WITH PRAISE.

Compliment an opponent on her good catch. Remark to a teammate that you admire their honesty in calling themselves out of bounds. Look players in the eye and congratulate them when you shake their hands after a game. These small acts boost spirit greatly, a large payoff for little time and effort.

9. IMPRESSIONS LINGER.

Not only does the realization that your actions will be remembered for a long time serve to curb poor behavior, it can also inspire better conduct. Many old-timers enjoy the experience of meeting an elite player who remembers their first rendezvous on the field and recalls the event in detail. A good first encounter with an impressionable young player can have considerable long term positive impact.

10. HAVE FUN.

All other things being equal, games are far more fun without the antipathy. Go hard. Play fair. Have fun.

SPIRIT CIRCLES

Spirit Circles are an idea borrowed from international competitions throughout the ultimate world. For years, American teams have traveled to world championship events where they have not only done exceptionally well in each competition, but showed the international community the importance we place on respect for the game and their opponents. But American players have also learned a lot from competing against teams from other countries, and invariably one of the most positive parts of the international experience has been the tradition of the post-game spirit circle. While there are a number of ways to do this, here are some quick tips to get your team started:

- Following each game, rather than lining up to slap hands, the two teams gather into a circle, alternating players on each team, facing inward, with arms around the shoulders of the person next to you.
- One or two people (often team captains or spirit captains) on each team will talk briefly about the game. Usually the losing team goes first, then the winning team.
- Things to talk about can include how the game went, how your own team played, what the other team did well, who on the other team played well and anything else that might be worth communicating, even if it's something you think could be done better (and don't forget to look in the mirror on this).
- After each team has had a chance to talk, the winning team takes a step into the circle and walks around counter-clockwise to slap hands with the players on the other team.

That's it! It's pretty simple and definitely an experience that brings teams together and puts the game and the experience in perspective. It's all about respect for each other and the experience of bringing out the best in each other through competition. It's also about building relationships and seeing opponents for what they really are: part of the same community that loves ultimate. Please note that this is not required and is not meant to replace other post-game traditions you may have (e.g., cheers, games, photos, gifts or trading gear). Good luck, and please let USA Ultimate staff and other event organizers how it goes!

Captain: Masashi Koike

@osakaspirits

Osaka Spirits has existed for over 20 years. In Japan, people from Osaka are known for being friendly and funny. Our team brings that energy to the field. In our national tournament this year, Osaka finished third behind the Buzz Bullets and our rivals, the Nomadic Tribe. Even though we had beat Nomadic Tribe the past two meetings, we Spirits fell to them in the semifinals of the tournament. Unfortunately, injuries sustained during the tournament kept a couple players out of the U.S. Open.

noiseultimate.wordpress.com/

Who is safe and when? No One Is Safe Ever! NOISE began in 2009 by uniting players from the Madison and Milwaukee area who were interested in playing more competitively. Since that first year, NOISE has been the top mixed team in Wisconsin, progressively finishing higher at regionals each season until becoming the first mixed club team to qualify for Nationals out of Wisconsin in 2015. The "tabletop" logo signifies that no one is safe, but we are NOISE in a literal sense as well. We love to be loud and hope you can hear us cheering from fields away. TURN UP!

SLOW WHITE

@slowwhite_

Slow White is a sports team that plays ultimate and started in 2004. It formed around players from Boston University, a private research university located in Boston, Massachusetts. It is a fine institution located in a city rich in history and lousy with Dunkin' Donuts and Bank of America ATMs. Over the years, the team has included players that graduated from other schools as well, with little to no friction. The team has enjoyed many successes and suffered many failures, and it has rostered players of several different heights. The 2018 version of the team looks to continue its proud tradition of representing several different heights.

Steamboat was formed in 2008 and is based out of Cincinnati, Ohio. In our 11th season, Steamboat remains one of the longest-standing mixed teams in the Great Lakes region and draws players from Southwest Ohio and beyond. We captured our third regional championship in 2017 to claim a bid to the National Championships, with our other Nationals appearances coming in 2013 and 2016. The 2016 season was one of the most successful in program history, with a fifth-place finish at Nationals, a 41-3 record and championships won at five of seven tournaments played, including the Elite-Select Challenge and Select Flight Invite of the Triple Crown Tour. We continued to grow as a team in 2017 and are looking forward to a full slate of TCT events to test a reloaded roster in 2018. It is anchors away as this Boat has its sights set for another great season!

Boston Brutesquad was founded eight years after the incomparable Kiss From a Rose by Seal was first released in 1994 and has been living in its shadow ever since. We are two time national champions (2015, 2016) and four time national finalists (2009, 2015, 2016, 2017) who pride ourselves on our gritty defense, attacking mentality and ability to find the joy and ridiculousness in our teammates.

Brutesquad is excited to be part of the conversation, action and change that is happening in our sport around gender equity. As athletes and as females, we are happy that our peers are starting to get the spotlight they deserve.

Brute is also pumped about bringing a double dose of butter as well as power, pleasure and pain into everything we do this season, and we are striving to be the bright neon light that hits the gloom on the grey.

Coaches: Luis Torres, Mike French, Michael Massad, John Nguyen
@Austin_Amigos

The Amigos were founded in 2017 by a group of Austin ultimate players looking for highly competitive ultimate. In our first showing at Nationals, we were initially seeded 27th and were told the highest we could get was 17th. We didn't like that too much, so we played with a chip on our shoulder the entire tournament. We ended up going 7-0 and winning a D-II National Championship, effectively showing everyone that we were not a team to be overlooked. This year, we hope to back up last year's showing with even better ultimate, and aim to solidify our place in YCC.

Captains: Hayden Austin-Knab, Aidan Downey, Matthew Shu

Coaches: Cate Woodhurst, Ryan Simmons, Stan Birdsong
@ATLIensYCC

2018 marks the ninth YCC appearance for ATLIens since their inception in 2005. After winning a championship in 2013, the ATLIens have steadily finished the tournament at least in the quarterfinals. This year's squad looks to continue the trend, having already finished fifth in the June club tournament, ATL Classic, with only two-thirds of their roster. ATLIens is packed with talent from seven schools across metro Atlanta, including co-captains Hayden Austin-Knab, Aidan Downey and Matthew Shu, nine veterans from the 2017 roster return and eight ATLas players from last year's U-17. Players from the team will be attending Duke (Albright), Emory (Johnson, Shu), University of Virginia (Dillard), Georgia Tech (Pearlstein), Kennesaw State (Hill, Marshall), University of Georgia (Austin-Knab) and UNC-Wilmington (O'Kelley) in the fall.

Massachusetts has a rich history in youth ultimate, and BUDA is thrilled to continue that tradition by sending teams to four divisions of the 2018 US Open Club Championships: U17 Girls, U17 Boys, U20 Girls and U20 Boys. Players from all four teams have spent the last year playing with and against each other in various youth leagues across Massachusetts. The caliber of the BUDA players is high - evidenced by previous YCC Championships and finals appearances, as well as several players who are nationally and internationally competitive - but the teams also emphasize camaraderie, community service and Spirit of the Game. BUDA's coaches, chaperones and team leaders are all very proud of the young adults coming out of the program, and the whole BUDA family is looking forward to a fantastic YCC experience in 2018!

The club has existed since 2012 and it's been on and off because of the situation in Quebec (it's the only province with a provincial team). Through the years, the team made it in the top four at Canadian Nationals but was never able to go on the podium. The program (Hydro and Aéra) has won the Spirit Award a few times in the past, and it's always been an important part of our play.

LITTLE PONY

New York, NY

Captain: Eric Lam

Coach: Matthew Weintraub

Little PoNY is in its fifth year of existence. Our play style is a simple system that relies on every player on the field being on the same mental page and running at 100 percent, even if that means selflessly clearing space for their teammates. It doesn't matter if the defense knows what we are trying to do, because we will do it well and take advantage of what they gives us. We put spirit at the forefront of our priorities because there is no point in competing if we don't have the respect of our opponents and aren't having fun.

Year One, one win. Year Two, two wins. Year Three, three wins. This is Year Four. If we stay at this trajectory that means 12 wins. We have a deeper, bigger and more thunderous roster than ever before. The only thing holding us back is the amount of games we are scheduled for. They say lightning doesn't strike the same place twice, but when we strike up line, you're going to be shocked. Missouri can produce some very blustery storms, and we are no exception. We are coming to Blaine with plenty of weather analogies and ultimate skills. Teams should be ready for both.

Massachusetts has a rich history in youth ultimate, and BUDA is thrilled to continue that tradition by sending teams to four divisions of the 2018 US Open Club Championships: U17 Girls, U17 Boys, U20 Girls and U20 Boys. Players from all four teams have spent the last year playing with and against each other in various youth leagues across Massachusetts. The caliber of the BUDA players is high - evidenced by previous YCC Championships and finals appearances, as well as several players who are nationally and internationally competitive - but the teams also emphasize camaraderie, community service and Spirit of the Game. BUDA's coaches, chaperones and team leaders are all very proud of the young adults coming out of the program, and the whole BUDA family is looking forward to a fantastic YCC experience in 2018!

The team chosen to represent Seattle and DiscNW leagues for the U-20 girls division was formed after a rigorous tryout process. This year's team, Sauce, is looking to continue our tradition of excellence, leadership and inclusion at YCC. We've been training hard since spring, against local elite players and YCC alumni, and donating our time and knowledge at local youth clinics and camps. We are excited to be representing the greater Seattle area, and we look forward to playing everyone this August.

With one of the biggest youth high school programs in the country, Minnesota has gone through a rapid growth in the past few years. That growth has been highlighted in the women's U20 YCC team with dramatic changes each year. The players on the team have demonstrated great care for the sport on and off the field. Many of the players on this team helped launch the Girls Ultimate Player Initiative (GUPI) in an effort to promote gender equity in ultimate.

Texas Tango is a girls YCC team with players coming from Austin, Dallas, Plano and San Antonio. This year, Tango has a ton of new players on their roster with ages ranging from 18 to as young as 13. They will be traveling to Minnesota this August to compete in the Youth Club Championships. Last year, they finished in sixth place overall. Their most frequently asked question is if they know how to tango. This is yet to be learned, but it is one of the big goals of the season. The team is looking forward to their trip to Minnesota where they hope to stun everyone with their ultimate skills and their dancing talent.

SKYSCRAPERS

New York, NY

Coaches: Cameron Albert-Deitch, Gus Preston
@DiscNewYork
discny.org

This group of pigeon enthusiasts is led by a strong core of returning players and New York high school standouts. They're looking to take a huge flap of the wings forward in the program's third consecutive year at YCC. Expect great spirit, relentless effort and (cough) towering athletic plays from these Skyscrapers as they work toward (ahem) building a stronger ultimate community. Did we say pigeons? We meant sky rats. New York, do work!

Youngin's, there's a need to layout
I said, youngin's, this is what it's about
I said, youngin's, time to get up and shout
Let's play Frisbee at Y-C-C
Youngin's, let us prove what we know
I said, youngin's, let us put on a show
You can stay there, and I'm sure you will find
Many ways to have a good time
It's fun to play with S-O-T-A
They have everything for the youth to enjoy
You can hang out and have the joys
It's fun to play with S-O-T-A
Let's play through the rain and hop on the
break train
They'll always remember our name
Youngin's, are you listening to me?

I said, youngin's, wanna go throw the Frisbee?
I said, youngin's, you can make real your dreams
But you gotta know this one thing
No one does it all by themselves
I said, youngin's, put your pride on the shelf
And just go there, to the MinneSOTA
I'm sure they can play you today
It's fun to play with S-O-T-A!

LUCKY PUNCS

Triangle, NC

Coaches: CJ Colicchio, Daniel Mott, Walker Matthews
@LuckyPuNCs

In 2016, Triangle Ultimate (TU) ran into a unique problem. With the growing talent pool in N.C., how can we provide more high-level competition for our young players?

After viewing the success of their two existing teams, Triforce and NC Hammer, TU decided to follow that same format by creating another U-17 program: Lucky PuNCs.

The team goals are simple: facilitate growth within each player and compete at a high level while maintaining great spirit and sportsmanship.

With just 15 rostered players, the PuNCs have worked hard all season and are ready to bring their best to Blaine once again.

OAK SPARKS

Oakland, CA

Captains: Jackson Heglie, Julian Korchin, Kevin Romero, Marcus Kenton
Coaches: Valerio Iani, Jeremy Dolezal-Ng, Michael Peng, Cameron Beck
facebook.com/OaklandUltimate

Oakland Ultimate, founded in the fall of 2017 by Valerio Iani, international coach and former Youth and Education Director at BADA, debuted with two U15 teams at the snowy USAU Western Championships where they finished third but won the Spirit Award. Since then, over 150 players have participated in OAK's programs. OAK Sparks held tryouts in the winter, developing a core of middle school talents. With round two in May, we added several high school players. OAK Sparks' 22 players hail from 16 local schools. Our coaching staff features former YCC and college stars Jeremy Dolezal-Ng, Michael Peng and Cameron Beck. In this building year we expect tough competition and we've worked like pros:

twice weekly practices with a full practice team pushing us hard, speed classes, video game analysis, a training program and tournaments in three states (Wash., Calif. and Utah). Our team (average age 14.7) aims to learn to perform under pressure and earn respect for the quality of our California style of play.

Coach: Joel Dehlin
@utahswarm

Utah has produced competitive high school and U20 YCC boys, girls and mixed teams for the last few years. This U17 Swarm team started playing together last year as a U15 team, taking second place in Western Regionals in Spokane, WA. The team retooled half of the players this spring and added some older players to prepare to compete as Utah's first U17 YCC team. YCC will be the first tournament the entire team has played together, but many of the players played together at the Youth Quake tournament in Salt Lake City, going 3-2. They won three games 13-1, 13-2 and 13-3, and lost narrowly to Boise U20 and Oregon Eruption! U17.

INSIDIOUS

Seattle, WA

Captains: Jackie Nguyen, Leana Girtton
Coaches: Vida Towne, Nariah Belle Sims, Ryan Segal
DiscNWYCCU19G

West coast-born and bred, we are a team comprised of girls from all over Seattle. Although many of us played against each other in our school seasons, we have now come together to form a team to be reckoned with. We have worked hard all summer, training rigorously at and outside of practices. Not only are we gritty and determined to fight until the very end, but we've also spent a lot of time fundraising to support all players on the six Seattle YCC teams. We value the importance of creating a safe and appreciative environment for everyone. We are competitively minded but also believe strongly in being spirited, being able to take risks and communicating well with each other and other players. We are subtle, we are treacherous, but, most of all, we are Insidious.

The rATLers are bATLready, making phATLayouts and dropping high velocity dimes as if they are armed with atIATLs (look it up). Coming from 12 different middle and high schools, the rATLers come together like a beATles melody and charm with their Spirit of the Game.
