USA ULTIMATE WELCOME

USA Ultimate would like to extend a warm welcome to the athletes, coaches, convention attendees, parents, fans and all participants of the 2019 U.S. Open Ultimate Championships and Convention. We are excited to have you here for our third combined Youth Club Championship (YCC) and International Club Championship (ICC), all part of the U.S. Open. This one-of-a-kind event is a celebration of our organization's mission, with a special focus on enhancing and promoting community, character and competition. You will no doubt find all three in Minnesota this week, as top teams and ultimate enthusiasts from the local community and all over the world come together to learn from each other, compete and showcase the best of the sport. We want to send an especially warm welcome the following first-time international participants: Comunidad el Oso (Colombia), MAKAWUA (Colombia) and Nomadic Tribe (Japan) in the men's division, Chaos (Japan) and Crazy (Japan) in the mixed division, and the German National Team and HUCK (Japan) in the women's division.

The U.S. Open Championships is a key leg in USA Ultimate's Triple Crown Tour (TCT) season for America's and Canada's top teams. This year, the top four Pro Flight teams from each of the men's, mixed and women's divisions will be facing off against each other and the field of top-notch international teams, as well as other Pro and Elite Flight teams looking to make their moves in the 2019 season. Each team will be in the hunt for a U.S. Open Championship which comes with a \$2,000 cash prize and brings teams one step closer to winning the Triple Crown, a feat accomplished by winning the U.S. Open, Pro Championship and National Championship. Second-place teams will also receive prize money: \$1,000 will be awarded to the runners-up in each division.

The Youth Club Championships (YCC) welcomes 88 youth teams from all over the United States and Canada. The International Club Championships (ICC) welcomes 36 teams from the United States, as well as teams from Australia, Colombia, Germany and Japan. We hope many of the teams and athletes from both the YCC and ICC divisions will find their way to watch and root for their respective home teams. We are excited for this event to be a strong annual contributor to enhancing the community component of our mission and, through Spirit of the Game exemplified by all, the great character of our community. We know the competition will be awesome!

The 2019 U.S. Open Convention schedule features a slate of informative sessions and engaging activities for leaders from across the spectrum of organizers who are dedicated to advancing and operating ultimate programs. Join us for key updates and conversations with USA Ultimate staff, as well as highlights from affiliate and state-based organizations (SBOs) around the nation.

USA Ultimate is proud to again have ESPN, the worldwide leader in sports, as its broadcast partner, and we are especially excited to have our men's division final broadcast live on ESPN2! This partnership brings with it an opportunity to continue building unprecedented visibility for the sport. We are also excited to bring you 22 live streams of early round action on USA Ultimate's social media platforms produced by Fulcrum Media and Ultiworld. By showcasing ultimate's top players' and teams' athleticism, skill and Spirit of the Game, we create positive awareness for the sport that helps lay the foundation for future growth.

When it comes to growth, it's all about local disc organizations and their ability to provide instruction and create playing opportunities for players of all ages, but especially for youth. Minnesota Ultimate is our gracious host and one of our SBOs. Through its own programs as well as USA Ultimate's Learn to Play and Girls' Ultimate Movement (GUM) programs, Minnesota Ultimate will be instrumental in growing youth ultimate across the state. As the host organization for the 2019 U.S. Open, Minnesota Ultimate is not only organizing an incredible event, but also they are laying the groundwork for the continued growth of the sport, both locally and beyond. USA Ultimate is excited to continue this partnership with Minnesota Ultimate and other local disc organizations as we continue to develop a vibrant national and global ultimate community.

We are glad you are here and hope you will take advantage of all there is to experience. We begin Thursday with convention sessions all day. In the evening, we continue with the Discraft welcome reception for ICC teams at the National Sports Center.

Friday features exciting international club competition all day. On Friday evening, after ICC rounds are complete, Zara Cadoux (co-founder of the Girls' Ultimate Movement and owner of Cadoux Consulting) and Albert Alarcon will be leading an Equity & Diversity Forum on the intersection of implicit bias and microaggressions in the sport of ultimate. The forum will take place in the player/spectator lounge tent on Field 21. After you've attended the forum,

make your way over to the ICC showcase game at 6:30 p.m. on field 60.

Saturday kicks off YCC competition and includes more exciting ICC competitive pool play action, as well as the four of the six ICC semifinals broadcast live on ESPN3. Saturday afternoon also features free youth clinics where kids of all ages can learn to play ultimate. In the evening, a delicious dinner will be served to all athletes during the ICC semifinals. Also happening Saturday evening at the stadium tent is the second-annual GUM Ball where you can meet your favorite female and non-binary ultimate players. Lastly, we will host highly anticipated Discraft Trade Night on Saturday evening.

Sunday brings a full day of competition in both the YCC and ICC divisions, headlined by the finals in the ICC men's, mixed and women's divisions. We hope everyone joins us and GETS LOUD, particularly for the men's championship game LIVE on ESPN2 and the mixed and women's championship games LIVE on ESPN3 - we want to rock the sports world!

On Monday, it's all about the Youth Club Championships with continued competition all day, wrapping up with the semifinals, finals and awards ceremonies. Whew - what a weekend!

Once again, welcome to the event. Please be safe and respectful in all you do, on and off the field. Have a great time, leave a great impression on Minnesota and help us show off the best of the sport to the world.

TD WELCOME

Welcome to Minnesota for the 2019 U.S. Open Club Championships (USOCC) and convention, hosted by USA Ultimate and Minnesota Ultimate. This is the 15th annual Youth Club Championships (YCC) and eighth annual International Club Championships (ICC). The tournament is set at the National Sports Center, a premier sports venue in Blaine, Minnesota.

The USOCC is a unique opportunity for the world's best adult and youth athletes in ultimate to compete at the same venue. This year's Youth Club Championship field consists of 88 youth club teams from across the United States and Canada vying for championships in five divisions. The International Club Championship field consists of 36 adult club teams from Australia, Colombia, Germany, Japan and the United States, competing for championships in three divisions. I encourage everyone to take advantage of this one-of-a-kind event by checking out games from all divisions and participating in off-field activities throughout the weekend!

When you're not playing or watching ultimate, there are plenty of other fun activities in Minneapolis and St. Paul that you can enjoy. The Twin Cities are home to several exciting sports teams that are in season, including the Minnesota Twins and Saint Paul Saints baseball teams, the Lynx basketball team and Minnesota United FC soccer team (now playing games in our brand new stadium). There are outstanding museums, theaters and music venues; stellar restaurants and endless shopping opportunities, including the Mall of America. Check out the Visit Saint Paul, Meet Minneapolis and City Pages websites for more information about local events.

I would like to personally thank all of the participants and local organizers for all the work you do to make it possible for your teams to attend this tournament.

I especially want to thank the hundreds of volunteers that make this event possible, as well as staff from USA Ultimate and Minnesota Ultimate. Please be sure to thank the volunteers and staff that you see on the fields this weekend!

Good luck to all and have a competitive and spirited weekend!

NOISEMAKER GUIDELINES

The following guidelines for noisemakers will be applied at USA Ultimate events. Players, teams and spectators are expected to abide by these guidelines while on site at the event.

- Powered noisemakers are not allowed at the event site. This includes, but is not limited to, air horns, sirens and electronic bullhorns.
- Novelty noisemakers are NOT permitted, except under the following conditions:
 - o Must remain outside of the equipment lines.
 - o May only be used between a goal being scored and the offense signaling readiness for the next point.
 - o May not be used during timeouts taken during active play.
 - o Novelty noisemakers include, but are not limited to, whistles, vuvuzelas, squeeze horns and musical instruments.
- Music-playing devices with external speakers are permitted under the following conditions:
 - o Must remain outside of equipment lines, except during warm-ups and half-time.
 - o Must remain at a reasonable volume considering other event participants and attendees.
 - o May not be used to play music with offensive lyrics or themes.
- No noisemaker of any kind is permitted that may present a safety hazard.
- Any noisemaker permitted above may be disallowed if the volume or content of the noise is deemed to be
 offensive or disruptive to the enjoyment of the event, or the noisemaker is used in an un-spirited manner
 such as to taunt, intimidate or give a team an undue competitive advantage, as determined by event staff.

Event staff and observers will inform teams and individuals of these guidelines as needed. Repercussions for violation of these guidelines may include confiscation of the noisemaker, removal of the individual from the event site and/or in-game sanctions associated with the Misconduct System.

ULTIMATE IN 10 SIMPLE RULES

- **1. THE FIELD:** A rectangular shape with end zones at each end. A regulation field is 70 yards by 40 yards, with end zones 20 yards deep.
- **2. INITIATE PLAY:** Each point begins with both teams lining up on the front of their respective end zone line. The defense throws ("pulls") the disc to the offense. A regulation game has seven players per team.
- **3. SCORING:** Each time the offense completes a pass in the defense's end zone, the offense scores a point. Play is initiated after each score.
- **4. MOVEMENT OF THE DISC:** The disc may be advanced in any direction by completing a pass to a teammate. Players may not run with the disc. The person with the disc ("thrower") has ten seconds to throw the disc. The defender guarding the thrower ("marker") counts out the stall count.
- **5. CHANGE OF POSSESSION:** When a pass in not completed (e.g. out of bounds, drop, block, interception), the defense immediately takes possession of the disc and becomes the offense.
- **6. SUBSTITUTIONS:** Players not in the game may replace players in the game after a score and during an injury timeout.
- **7. NON-CONTACT:** No physical contact is allowed between players. Picks and screens are also prohibited. A foul occurs when contact is made.
- **8. FOULS:** When a player initiates contact on another player a foul occurs. When a foul disrupts possession, the play resumes as if the possession was retained. If the player committing the foul disagrees with the foul call, the play is redone.
- **9. SELF-OFFICIATING:** Players are responsible for their own foul and line calls. Players resolve their own disputes.
- **10. SPIRIT OF THE GAME:** Ultimate stresses sportsmanship and fair play. Competitive play is encouraged, but never at the expense of respect between players, adherence to the rules, and the basic joy of play.

CONCUSSIONS

EDUCATION

- USA Ultimate recommends the CDC "Heads Up Safety" program, a free one-hour online training: cdc.gov/concussion/headsup/youth.html.
- USA Ultimate's participant waiver includes important information from the CDC regarding concussion safety: usaultimate.org/membership/usa_ultimate_membership_ forms.aspx

COACHING REQUIREMENTS

 Coaches at USA Ultimate events are required to have completed a concussion awareness and safety recognition program (like the CDC program above or other local or state-recommended course). Coaches should not submit records of course completion to USA Ultimate, but should maintain records on-site while coaching.

REMOVAL & RETURN TO PLAY

- All guidelines identified by the CDC must be strictly followed in the event of a suspected concussion.
 - 1. Remove the athlete from play.
 - 2. Ensure the athlete is evaluated by a health care professional trained in concussion diagnosis and management. Do not try to judge the seriousness of the injury yourself.
 - 3. If the athlete is a minor, inform the athlete's parents or guardians about the known or possible concussion and give them the fact sheet on concussions.
 - 4. Allow the athlete to return to play only with permission from a doctor on the event medical staff.

DOCTOR'S NOTE REQUIREMENT

 If, during a USA Ultimate event, an athlete receives care at a hospital, medical clinic or doctor's office, or is referred to a hospital or doctor by event medical staff, the athlete is barred from further competition in that event until cleared by a doctor on the event medical staff.

ATHLETE PROTECTION

- USA Ultimate takes the protection of event participants seriously. In accordance with SafeSport and the USA Ultimate Conduct Policy, all USA Ultimate employees, volunteers, athletes, members, coaches and chaperones are prohibited from engaging in the following conduct with athletes at any time (a more thorough description is available at www. usaultimate.org/protection):
 - o Bullying
 - o Hazing
 - o Harassment, including Sexual Harassment
 - o Emotional Misconduct
 - o Physical Misconduct
 - o Sexual Misconduct, including Child Sexual Abuse
- With the passage of the recent federal legislation to protect amateur and minor athletes, all SafeSport trained individuals (including coaches, team support, USA Ultimate staff) are now mandatory reporters.
- If you have questions or would like to file a complaint with USA Ultimate, please contact Tom Manewitz at tom.manewitz@hq.usaultimate.org.

HEAT, NUTRITION AND HYDRATION

- Heat-related illnesses occur when the body's ability to cool itself by evaporation is limited.
 Sweating depletes the body's salt and moisture, which leads to dehydration. If a player recognizes any signs or symptoms of a heat-related illness, he or she should treat the problem immediately.
- Signs and symptoms of a heat illness can include changes in level of consciousness, abdominal cramps, nausea/vomiting, fatigue/tingling, chills, inability to spit, dry mucous membranes, decreased output and change in color of urine.

PREVENTION AND TREATMENT OF A HEAT ILLNESS

- Avoid alcohol, caffeine and carbonated beverages.
- Medications such as antihistamines, decongestants, certain asthma medications and diuretics can increase the risk for heat illness. Avoid them if possible.
- Avoid certain nutritional supplements (such as caffeine and ephedrine) that can dehydrate the body and/or increase metabolism and heat production.
- Know your body be honest! Are you fit enough to perform under current conditions?
- Eat and drink (water AND sports drinks) optimally before, during and after play. Potassium is important; good sources include sports drinks, yogurt, grapefruit juice, bananas and

oranges. Sodium is also important; good sources include sports drinks, vegetable juices, pretzels, nuts, cheese and crackers. After play, carbohydrates are important: foods such as potatoes, honey, cereal, white bread, corn chips, sports drinks, jelly beans, rice cakes, bagels, crackers and gummy candies.

- Don't drink too much. Over-hydrating can be dangerous if it leads to a fluid and electrolyte imbalance.
- Monitor your urine. Clear/copious = hydrated. Dark = Need water/electrolytes.
- Be sensitive to any prior illness. If you've been sick, your body may be more susceptible to dehydration.
- Rest and cool down after play. Find shade, wet the skin or get in front of a fan or breeze.

SIDELINE SAFETY

- Spectators and equipment must stay at least five yards away from the sidelines. Where there are buffer lines, respect them. Chairs, coolers, strollers, people and other objects must be at least three yards from the sidelines.
- If a player believes that an object on the sideline is not safe, he or she should inform event staff and refrain from playing until he or she is satisfied that safe conditions have been established.
- USA Ultimate and event staff reserve the right to move or remove objects or spectators from
 on or near the playing field if those conditions are, in the opinion of USA Ultimate or event
 staff, unsafe for players, staff or spectators.

LIGHTNING GUIDELINES

- Event staff will communicate with players and spectators via a PA system and through field marshals equipped with radios if there is a lightning danger. Play will then be stopped, and everyone should seek shelter.
- Safe shelter for players and spectators at the field site includes any fully enclosed building or vehicle with a hard top and closed windows.
- Event staff will be monitoring radar and listening for thunder. If lightning is occurring within 10 miles or thunder is audible, play will be suspended and all individuals should get in a safe shelter location.
- If you can't get to a safe shelter, try to avoid being the tallest object in an open field or on open water. Avoid other tall objects, metal objects and water. Assume a crouched position with only the balls of your feet touching the ground, your arms wrapped around your knees, and your head lowered. Minimize contact with the ground. Do not lie flat.
- Avoid using telephone land lines. Cell phones are safe, provided the person has followed other safety guidelines.
- Event staff will indicate to players when play is going to resume. Team captains should meet at Tournament Central to receive instructions for resuming play and any schedule modifications.

SPIRIT CIRCLES

Spirit Circles are an idea borrowed from international competitions throughout the ultimate world. For years, American teams have traveled to world championship events where they have not only done exceptionally well in each competition, but showed the international community the importance we place on respect for the game and their opponents. But American players have also learned a lot from competing against teams from other countries, and invariably one of the most positive parts of the international experience has been the tradition of the post-game spirit circle. While there are a number of ways to do this, here are some quick tips to get your team started:

- Following each game, rather than lining up to slap hands, the two teams gather into a circle, alternating players on each team, facing inward, with arms around the shoulders of the person next to you.
- One or two people (often team captains or spirit captains) on each team will talk briefly about the game. Usually the losing team goes first, then the winning team.
- Things to talk about can include how the game went, how your own team played, what the other team did well, who on the other team played well and anything else that might be worth communicating, even if it's something you think could be done better (and don't forget to look in the mirror on this).
- After each team has had a chance to talk, the winning team takes a step into the circle and walks around counter-clockwise to slap hands with the players on the other team.

That's it! It's pretty simple and definitely an experience that brings teams together and puts the game and the experience in perspective. It's all about respect for each other and the experience of bringing out the best in each other through competition. It's also about building relationships and seeing opponents for what they really are: part of the same community that loves ultimate. Please note that this is not required and is not meant to replace other postgame traditions you may have (e.g., cheers, games, photos, gifts or trading gear). Good luck, and please let USA Ultimate staff and other event organizers how it goes!

MISCHIEF

San Francisco, CA

Captains: Gina Schumacher, Robin Meyers, Cody Kirkland Coach: Andrew Berry mischiefultimate.com @mischief nation

Mischief. It means trickery, chicanery and spirited fun. It means winning games with our legs and, when our legs can't run anymore, going the last mile with heart. It means always having more in the tank. It means putting everything on the line for our team and taking pride in being the best we are capable of becoming. Above all, it means love and family.

Mischief was founded in 2003, and our goal is to foster a supportive and fun environment that motivates us to work hard, commit and sacrifice for each other to compete at the highest level.

We are two-time national champions (2015, 2016) and five-time national finalists (2009, 2015, 2016, 2017, 2018) who pride ourselves on our gritty defense, attacking mentality and ability to find joy and ridiculousness in our TEAMmates. We are also proud to be part of the conversation, action and change surrounding gender equity in our sport.

When not playing ultimate, Brutes can be found cheering on the Yard Goats, honing their tennis skills and carefully pronounc-

BUDA

Boston, MA

Coaches: Dan Hourigan, Jake Smart, Marcel Oliart @BUDA OpenU20 buda.org/ycc

Massachusetts has a rich history in youth ultimate, and BUDA is thrilled to continue that tradition by sending teams to four divisions of the 2019 U.S. Open Club Championships: U-17 girls, U-17 boys, U-20 girls and U-20 boys. Players from all four teams have spent the last year playing with and against each other in various youth leagues across Massachusetts. The caliber of the BUDA players is high - evidenced by previous YCC Championships and finals appearances, as well as several players who are nationally and internationally competitive – but the teams also emphasize camaraderie, giving back to the community and Spirit of the Game.

TOAST

Austin, TX

Captains: Luke Broderick, Luke Stipanovic Coaches: Noah Chambers, Jakes Sames, **Andrew Stewart** @txtoast_ulti

Texas toast is a toasted bread with butter, and often garlic, that is often made from a type of packaged bread that has been sliced at double the average thickness of most sliced breads. The Texas toast loaf itself is often more square-ish compared to most sliced breads, which have a more curved side and top. While Texas toast bread can be used in the same manner as ordinary bread slices - such as in sandwiches - it is especially useful for dishes involving liquids, such as barbecue sauce, or where extra thickness could improve the product, such as French toast. In addition, the often increased thickness

Players from all four teams have spent the last year playing with and against each other in various youth leagues across Massachusetts. The caliber of the BUDA players is high — evidenced by previous YCC Championships and finals appearances, as well as several players who are nationally and internationally competitive – but

HYPNOSIS

Chicago, IL

Captains: Erin Kuehner, Linda Liu, Xuan Feldman

Coaches: Halley McLean, Sara Miller, Anri Brod, Libby Cravens

Hypnosis is a human condition involving focused attention, reduced peripheral awareness and an ultimate team. During hypnosis, players from Chicago, Philadelphia and North Carolina are said to have heightened focus and concentration. It is a peculiar condition of the nervous system, induced by a fixed and abstracted attention of the mental and visual eye on one object. The real origin and essence of the hypnotic condition is the induction of a habit of abstraction or mental concentration, in which the powers of the mind are so much engrossed with a single idea or train of thought to render the individual unconscious of, or indifferently conscious to, all other ideas, impressions or trains of thought.

Captains: Ellie Cubrilovic, Alyssa Ehrhardt, Lanie O'Neill, Jennifer Wang Coaches: Mike Shyu, Ken Rehder, Elisabeth Parker, Rebecca Fagan, Becky Widmayer @TU_Warhawks triangleultimate.org/

Despite losing half of our roster, the Warhawks are stronger than ever and ready for a 10th year of competing at YCC. With players from across North Carolina, including the Triangle area, Boone and Charlotte, we have worked hard to create a cohesive team that performs at the highest level. Working hard on our team chemistry, we competed against club teams in the Triangle and tournaments during the summer. Our amazing group of coaches, including grand masters and college players, push us to think outside of the box, forcing us to run new plays at every practice and test our lefties in scrimmages. We

are confident in the cohesion of our team and coaches, and we are ready

to leave it all out on the field.

BLACKOUT

Baltimore, MD

Coaches: Keven Moldenhauer, Nicole La Due, Joseph Ricks, Cara Murray

Baltimore Blackout is in its very first year as a team. When long standing members of our local ultimate community got together to try and promote youth ultimate in Maryland, our YCC U-20 mixed team was born. "Blackout" comes from the historic town of St. Michaels, Maryland. Known as "the town that fooled the British" during the war of 1812, the townsfolk hoisted lanterns into the trees each time the British Navy fired their cannons over and beyond the town. Giving the appearance from afar that the town was being destroyed. The British then sailed away with only striking one house in the town.

CONNECTICUT HARPOON

Hartford, CT

Captains: John Clyde, Theresa Yu, Owen Cordes

Coaches: Todd Larese, Liana Michaud @CTharpoon ctultimate.com

Connecticut is excited, for the first year, to send a full U-20 mixed team to YCC. This is our third year in the mixed division, but we haven't previously been able to fill a full roster. We have pulled players from areas outside of Connecticut to fill the roster in the past — in 2017 pulling girls from Seattle and Boston, and in 2018 combining teams with Wisconsin. Due to our boys' team not getting a bid and our great number of girls, this year we are sending a strong mixed team to compete at YCC.

What To Do During A Volcanic Eruption

Follow the evacuation order issued by authorities and evacuate immediately from the volcano area to avoid flying debris, hot gases, lateral blast and lava flow.

Be aware of mudflows. The danger from a mudflow increases near stream channels and with prolonged heavy rains. Mudflows can move faster than you can walk or run. Look upstream before crossing a bridge and do not cross the bridge if a mudflow is approaching.

Avoid river valleys and low-lying areas.

Remember to help your neighbors who may require special assistance - infants, elderly people and people with access and functional needs.

STORM

Chicago, IL

Captains: Fischer Dastrup, Lucas DeMatteis Coaches: Chris van Benthuysen, Brad Bolliger

@chicagoU17boys

Warm air has a lower density than cool air. so warmer air rises upwards and cooler air settles at the bottom. Clouds form as relatively warmer air, carrying moisture, rises within cooler air. The moist air rises and, as it does so, it cools and some of the water vapor in that rising air condenses. When the moisture condenses, it releases energy known as latent heat of condensation, which allows the rising pocket of air to cool less than the cooler surrounding air, continuing the cloud's ascension. If enough instability is present in the atmosphere, this process will continue long enough for cumulonimbus clouds to form and produce lightning and thunder. It is

cooler by the lake, but watch out for the Chicago Storm.

This is the first year that the Madison MUFAbots U-17 girls team will play at YCC, which is a reflection of the growing youth ultimate scene in and around Madison, Wisconsin. Collectively, among the Madison MUFAbots teams and the Madison Marahute team, there are more Madison-area female-identifying teams and players at YCC than male-identifying teams and players.

The MUFAbots value growth, inclusivity and fun. Though a very young team, the MUFAbots are here to work hard and share

MinnesotaUltimate.org

In its fifth year competing in the U-17 girls division, Minnesota Superior is looking to showcase its continued growth and development. Fifteen different high school and middle school programs from around the metro area are represented in Minnesota's largest roster to date. The returning core group gives Superior a more veteran look, but it still has enough youth to build on with next year. As hosts, we are excited for the opportunity to represent our state and to participate in competitive and spirited games with teams from around the country.

TARGETED EDI EFFORTS

At the 2018 National Championships last October, USA Ultimate launched a new strategic plan for 2019-2021. The first guiding principle in the new strategic plan focuses on equity efforts at USA Ultimate: "Equity, diversity and inclusion are critical to the integrity of our sport's culture and must be continually learned, fostered and enriched throughout our national, state and local communities." To help us reach our goals, USA Ultimate hired equity, diversity and inclusion (EDI) consultants in January 2019 to focus on the organization's EDI efforts. To keep the community abreast of the EDI work we are doing, we are sending out regular updates via social media.

GENDER PRONOUNS

We have engaged paid Community Liaison Volunteers who identify across the LGBTQIA+ spectrum and asked them to weigh in on a range of topics. One of the first topics we tackled this summer was gender pronouns, specifically as they relate to properly identifying players in media broadcasts and publications at our championship events. After multiple rounds of feedback and discussions, we created a new process for athletes to share their pronouns and indicate whether they would like those pronouns sent to media, reflected in the event guide or both. We introduced this new process with the ICC division at the 2019 U.S. Open Club Championships, so you will see the pronouns of the athletes who have opted in reflected in this event guide. This is an evolving process, and as with any EDI efforts, we appreciate your feedback at equity@usaultimate.org.

COLOR OF ULTIMATE

We are super excited to be a supporter of the Color of Ultimate: Atlanta showcase game. We sent Nathan Kolakovic to the event to capture highlights and create a highlight video that we can use as part of targeted outreach efforts. We are also championing the group that put on the event, AFDC: Project Diversity, as well as TNReels, who created the amazing documentary for the event. We are excited to show the documentary and the highlight reel at various points throughout the U.S. Open Club Championships. We will also recognize the athletes from the event who are in attendance this weekend on the stadium field on Saturday evening. We are proud to continue to support the athletes and organizers of this incredible event, the first of its kind in the U.S.
