WELCOME

USA Ultimate Commitment to Equity, Diversity & Inclusion

“Equity, diversity and inclusion are critical to the integrity of our sport’s culture and must be continually learned, fostered and enriched throughout our national, state and local communities.”

USA Ultimate Strategic Plan

USA Ultimate’s mission is to advance the sport of ultimate in the United States by enhancing and promoting Character, Community and Competition. We recognize that we cannot promote character and community without ensuring all individuals can bring their full selves to their participation in ultimate, as well as without intentionally addressing systems in place that continue to perpetuate discrimination in our society.

As the national governing body overseeing amateur ultimate activity across the country, we are striving to create and maintain a safe, welcoming and inclusive environment at all of our events. We are working with local host organizations to help ensure institutionalized racism and discrimination have no place at our events. Additionally, USA Ultimate expects all participants and spectators at this event to uphold the principles of Spirit of the Game with one another. Just as we hold our athletes to an expectation of “mutual respect among competitors” on and off the field, we expect all staff, event partners and attendees to show mutual respect towards one another regardless of whether you share similar beliefs, cultures or experiences.

The United States, and Minnesota in particular, has seen far too many instances of police violence against Black, Indigenous and People of Color (BIPOC) in our communities. Minnesota Ultimate condemns those acts of violence and is steadfast in continuing staff development and active community engagement to help create a truly inclusive path forward, not just for Minnesota Ultimate but for the broader Minnesota community. Minnesota Ultimate and USA Ultimate are committed to creating a safe and inclusive environment for BIPOC at the U.S. Open Club Championships and beyond. We look forward to collaborating with all participants this weekend, as well as all members of the Minnesota Ultimate community, to work toward creating positive change in our community.

We are excited to reboot this event after a year off in 2020! This is the 16th annual Youth Club Championships (YCC) and ninth annual International Club Championships (ICC). The tournament is set at the National Sports Center, a premier sports venue in Blaine, Minnesota.

The USOCC is a unique event in which the world's best adult and youth athletes in ultimate compete at the same venue. This year's Youth Club Championship field consists of 44 teams from across the United States vying for championships in four divisions. The International Club Championship field looks different this year without international teams in attendance and with domestic teams in some divisions opting to focus more on later season events. However, we are very excited to host an expanded 20-team Men's division this year. I encourage everyone to take advantage of this one-of-a-kind event by checking out games from all divisions throughout the weekend!

When you're not playing or watching ultimate, there are plenty of other fun activities in Minneapolis and St. Paul that you can enjoy. The Twin Cities are home to several exciting sports teams that are in season, including the Minnesota Twins and Saint Paul Saints baseball teams, the Lynx basketball team, and Minnesota United FC soccer team. There are outstanding museums, theaters, and music venues; stellar restaurants and endless shopping opportunities, including the Mall of America. Check out the Twin Cities Gateway, Visit Saint Paul, Meet Minneapolis, and City Pages websites for more information about local events.

I would like to personally thank all the participants and local organizers for the work you do, especially during a worldwide pandemic, to make it possible for your teams to safely attend this tournament.

I especially want to thank the many volunteers that make this event possible, as well as staff from USA Ultimate and Minnesota Ultimate. Please be sure to thank the volunteers and staff that you see on the fields this weekend!

Good luck to all, have a competitive and spirited weekend!

DISC GOLF AT THE U.S. OPEN

In addition to the above, USA Ultimate is also pleased to present Ultimate Disc Golf at the U.S. Open Club Championships

Building on our collaboration with the Professional Disc Golf Association (PDGA) from last fall, we will be having an Ultimate Disc Golf competition in Blaine. Anyone who appears on a roster at the Open (ICC, YCC, coach, player, chaperone) is eligible to compete for prizes.

Ultimate disc golf is just the same as regular disc golf, except you play with a “lid” (175g UltraStar or other USAU approved 175g disc) instead of disc golf discs. Junior players can play with a USAU approved youth level disc.

Play will follow the PDGA rules with the following approved waivers:

- a. Players may only use USAU approved 175g ultimate discs from the Championship or General list. Youth participants under the age of 15 may opt to use any of the approved Youth Level discs.
- b. Mandos (mandatory throwing lanes) and out-of-bounds will be limited to those required for course safety (avoiding dangerous areas, hitting people, etc.).
- c. We will have four competition divisions: Adult Open, Adult Women*, Youth (under 20) Open, and Youth (under 20) Girls*.
*The women's and girls' divisions are inclusive of participants identifying as female, non-binary, gender fluid, transgender and/or those using other self-identifying terms.
- d. Scoring will be done according to PDGA rules.
 - i. Count how many throws (strokes) it takes for you to get from the teepad into the basket for each of the holes.
 - ii. Add up your total number of throws to get your total score.
 - iii. As with ball golf, the lower your score, the better.
 - iv. Players may play multiple rounds on each course. Only a player's best round score for each course should be reported to USAU using the Google Form.
 - v. Submit your scores by scanning the QR code below. You will need to fill out the form separately for each course if you play both.

There are two disc golf courses near the NSC that we will be using for our competition (you don't have to play both courses, but you can):

Coon Rapids Disc Golf Course – 21 holes, located 4 miles from the NSC at Woodcrest Dr NW, Coon Rapids, MN 55433.

Lochness Disc Golf Course – 9 holes, located 4.2 miles from the NSC at Lexington Ave NE, Blaine, MN 55449

These courses are open to the public with no fees for use, so you can go and play a round whenever you have time during your stay in Blaine. At the Lochness course, it is recommended that you park in the north parking lot as it tends to be less crowded.

Bring your own water and disc! Each person playing should have their own lid to use.

In order to be entered into the competition for prizes, scores must be submitted by 8:30pm Central time (MN time) on Sunday, August 8th.

Prizes (18 total)

Lochness course: 1st and 2nd place in each division, plus one course prize for the player with the most aces.

Coon Rapids course: 1st and 2nd place in each division, plus one course prize for the player with the most aces.

COMPETITION RULES

- USA Ultimate 2020-2021 Official Rules of Ultimate.
 - All games to 15.
 - Halftime is five minutes for all games.
 - Each team has two timeouts per half.
 - Halftime cap: Goes on 55 minutes after the start of the round. Add one point to the higher score after the first score following halftime cap horn. Half ends when first team reaches new half total (or 8).
 - Soft time cap: Goes on 15 minutes before the hard cap. Add one point to the higher score after the first score following soft time cap horn. Game ends when first team reaches new game total (or 15).
 - Hard time cap: Goes on at end of round time on schedule. Game is over at the end of the point in progress, unless tied. If tied, play one more point.
 - Caps do not affect timeouts.
 - Hard caps will not be used for the adult (ICC) semifinals or any (ICC and YCC) finals, unless determined necessary prior to game by organizers due to scheduling constraints.
-

SITE RULES

- No alcohol except for what is offered at the NSC.
 - No tobacco.
 - No glass.
 - No pets.
 - No firearms or weapons.
 - No abusive language.
 - Observe parking restrictions and handicap/staff spots.
 - Spectators and equipment must stay at least five yards away from sidelines. Where there are buffer lines, respect them. Where there are not buffer lines, stay back at least five yards.
-

NOISEMAKER GUIDELINES

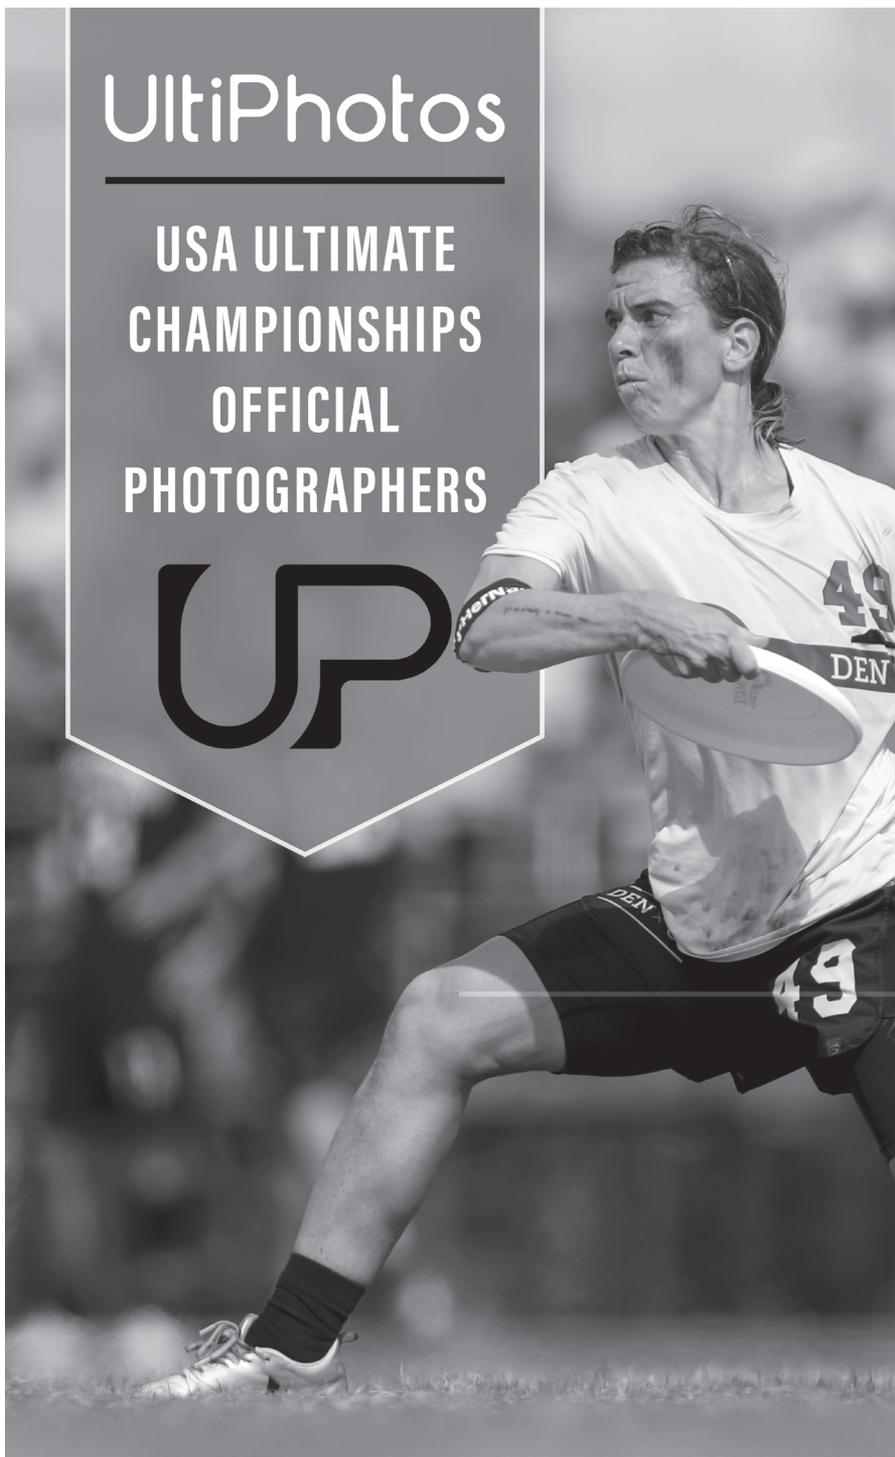

The following guidelines for noisemakers will be applied at USA Ultimate events. They are designed to strike a balance between limiting artificial noise that adversely impacts the competition or the on-site experience of participants with allowing for noise that helps create an enthusiastic, fun and supportive environment. Players, teams and spectators are expected to abide by these guidelines while on site at the event.

- Powered noisemakers are not allowed at the event site. This includes, but is not limited to, air horns, sirens and electronic bullhorns.
- Novelty noisemakers are NOT permitted, except under the following conditions:
 - o Must remain outside of the equipment lines.
 - o May only be used between a goal being scored and the offense signaling readiness for the next point.
 - o May not be used during timeouts taken during active play.
 - o Novelty noisemakers include, but are not limited to, whistles, vuvuzelas, squeeze horns and musical instruments.
- Music-playing devices with external speakers are permitted under the following conditions:
 - o Must remain outside of equipment lines, except during warm-ups and half-time.
 - o Must remain at a reasonable volume considering other event participants and attendees.
 - o May not be used to play music with offensive lyrics or themes.
- No noisemaker of any kind is permitted that may present a safety hazard.
- Any noisemaker permitted above may be disallowed if the volume or content of the noise is deemed to be offensive or disruptive to the enjoyment of the event, or the noisemaker is used in an un-spirited manner such as to taunt, intimidate or give a team an undue competitive advantage, as determined by event staff.

Event staff and observers will inform teams and individuals of these guidelines as needed. Repercussions for violation of these guidelines may include confiscation of the noisemaker, removal of the individual from the event site and/or in-game sanctions associated with the Misconduct System.

ULTIMATE IN 10 SIMPLE RULES

- 1. THE FIELD:** 1. A rectangular shape with end zones at each end. A regulation field is 70 yards by 40 yards, with end zones 20 yards deep.
 - 2. INITIATE PLAY:** Each point begins with both teams lining up on the front of their respective end zone line. The defense throws (“pulls”) the disc to the offense. A regulation game has seven players per team.
 - 3. SCORING:** Each time the offense completes a pass in the defense’s end zone, the offense scores a point. Play is initiated after each score.
 - 4. MOVEMENT OF THE DISC:** The disc may be advanced in any direction by completing a pass to a teammate. Players may not run with the disc. The person with the disc (“thrower”) has ten seconds to throw the disc. The defender guarding the thrower (“marker”) counts out the stall count.
 - 5. CHANGE OF POSSESSION:** When a pass is not completed (e.g. out of bounds, drop, block, interception), the defense immediately takes possession of the disc and becomes the offense.
 - 6. SUBSTITUTIONS:** Players not in the game may replace players in the game after a score and during an injury timeout.
 - 7. NON-CONTACT:** No physical contact is allowed between players. Picks and screens are also prohibited. A foul occurs when contact is made.
 - 8. FOULS:** When a player initiates contact on another player, a foul occurs. When a foul disrupts possession, the play resumes as if the possession was retained. If the player committing the foul disagrees with the foul call, the play is redone.
 - 9. SELF-OFFICIATING:** Players are responsible for their own foul and line calls. Players resolve their own disputes.
- SPIRIT OF THE GAME:** Ultimate stresses sportsmanship and fair play. Competitive play is encouraged, but never at the expense of respect between players, adherence to the rules and the basic joy of play.

HEALTH AND SAFETY

Medical staff, including athletic trainers, will be on site at Tournament Central to treat injuries, handle emergencies and provide some preventative care. The event will provide standard athletic tape, pre-wrap, ice and some bandages. Other supplies, including special tape or bandages and anti-inflammatory drugs, must be provided by teams or may be charged by the training staff.

If there is an injury on a field that needs medical attention, inform a field marshal, and he or she will radio to the trainers.

If you have medical issues that require attention in the morning before play, please show up early to avoid long lines. The trainers will be at the fields two hours prior to game time each day.

CONCUSSIONS

EDUCATION

- USA Ultimate recommends the CDC “Heads Up Safety” program, a free one-hour online training.
- USA Ultimate’s participant waiver includes important information from the CDC regarding concussion safety.

COACHING REQUIREMENTS

- Coaches at USA Ultimate events are required to have completed a concussion awareness and safety recognition program (like the CDC program above or other local or state-recommended course). Coaches should not submit records of course completion to USA Ultimate, but should maintain records on-site while coaching.

REMOVAL & RETURN TO PLAY

- All guidelines identified by the CDC must be strictly followed in the event of a suspected concussion.
 1. Remove the athlete from play.
 2. Ensure the athlete is evaluated by a healthcare professional trained in concussion diagnosis and management. Do not try to judge the seriousness of the injury yourself.
 3. If the athlete is a minor, inform the athlete’s parents or guardians about the known or possible concussion and give them the fact sheet on concussions.
 4. Allow the athlete to return to play only with permission from a doctor on the event medical staff.

DOCTOR’S NOTE REQUIREMENT

- If, during a USA Ultimate event, an athlete receives care at a hospital, medical clinic or doctor’s office, or is referred to a hospital or doctor by event medical staff, the athlete is barred from further competition in that event until cleared by a doctor on the event medical staff.

ATHLETE PROTECTION

- USA Ultimate takes the protection of event participants seriously. In accordance with SafeSport and the USA Ultimate Conduct Policy, all USA Ultimate employees, volunteers, athletes, members, coaches and chaperones are prohibited from engaging in the following conduct with athletes at any time (a more thorough description is available at www.usultimate.org/protection):
 - Bullying
 - Hazing
 - Harassment, including Sexual Harassment
 - Emotional Misconduct
 - Physical Misconduct
 - Sexual Misconduct, including Child Sexual Abuse
- With the passage of the recent federal legislation to protect amateur and minor athletes, all SafeSport trained individuals (including coaches, team support, USA Ultimate staff) are now mandatory reporters.
- If you have questions or would like to file a complaint with USA Ultimate, please contact Sam Callan at sam@hq.usultimate.org.

HEAT, NUTRITION AND HYDRATION

- Heat-related illnesses occur when the body’s ability to cool itself by evaporation is limited. Sweating depletes the body’s salt and moisture, which leads to dehydration. If a player recognizes any signs or symptoms of a heat-related illness, he or she should treat the problem immediately.
- Signs and symptoms of a heat illness can include changes in level of consciousness, abdominal cramps, nausea/vomiting, fatigue/tingling, chills, inability to spit, dry mucous membranes,

PREVENTION AND TREATMENT OF A HEAT ILLNESS

- Avoid alcohol, caffeine and carbonated beverages.
- Medications such as antihistamines, decongestants, certain asthma medications and diuretics can increase the risk for heat illness. Avoid them if possible.
- Avoid certain nutritional supplements (such as caffeine and ephedrine) that can dehydrate the body and/or increase metabolism and heat production.
- Know your body – be honest! Are you fit enough to perform under current conditions?
- Eat and drink (water AND sports drinks) optimally before, during and after play. Potassium is important; good sources include sports drinks, yogurt, grapefruit juice, bananas and oranges. Sodium is also important; good sources include sports drinks, vegetable juices, pretzels, nuts, cheese and crackers. After play, carbohydrates are important: foods such as potatoes, honey, cereal, white bread, corn chips, sports drinks, jelly beans, rice cakes, bagels, crackers and gummy candies.
- Don't drink too much. Over-hydrating can be dangerous if it leads to a fluid and electrolyte imbalance.
- Monitor your urine. Clear/copious = hydrated. Dark = Need water/electrolytes.
- Be sensitive to any prior illness. If you've been sick, your body may be more susceptible to dehydration.
- Rest and cool down after play. Find shade, wet the skin or get in front of a fan or breeze.

SIDELINE SAFETY

- Spectators and equipment must stay at least five yards away from the sidelines. Where there are buffer lines, respect them. Chairs, coolers, strollers, people and other objects must be at least three yards from the sidelines.
- If a player believes that an object on the sideline is not safe, he or she should inform event staff and refrain from playing until he or she is satisfied that safe conditions have been established.

- USA Ultimate and event staff reserve the right to move or remove objects or spectators from on or near the playing field if those conditions are, in the opinion of USA Ultimate or event staff, unsafe for players, staff or spectators.

LIGHTNING GUIDELINES

- The National Sports Center has a lightning detection system called ThorGuard that will determine if delays are needed. When play is to be suspended, the ThorGuard system will issue a long horn blast (and, where visible, blink blue lights). We will also communicate with players and spectators via a PA system and/or through field marshals equipped with radios if there is a lightning danger. Play will then stop immediately, and everyone should seek shelter.
- Safe shelter for players and spectators at the field site includes any fully enclosed building or vehicle. Please go to the cars/busses you arrived in. Due to COVID-19 precautions, indoor building spaces will not be available.
- If you can't get to a safe shelter, try to avoid being the tallest object in an open field or on open water. Avoid other tall objects, metal objects and water. Assume a crouched position with only the balls of your feet touching the ground, your arms wrapped around your knees, and your head lowered. Minimize contact with the ground. Do not lie flat.
- Avoid using telephone land lines. Cell phones are safe, provided the person has followed other safety guidelines.
- The ThorGuard system will indicate all clear with three 5 second horn blasts (and, where visible, blink orange lights). This could happen at any time (including less than 30 minutes from the time the delay was initiated). At that point it is safe to leave the shelter of your vehicles.
- Event staff will indicate to players when play is going to resume. Team captains/coaches should meet at Tournament Central to receive instructions for resuming play and any schedule modifications.

SPIRIT CIRCLES

Spirit circles are an idea borrowed from international competitions throughout the ultimate world. For years, American teams have traveled to world championship events where they have not only done exceptionally well in each competition, but also have shown the international community the importance we place on respect for the game and for opponents. But, American players have also learned a lot from competing against teams from other countries, and invariably one of the most positive parts of the international experience has been the tradition of the post-game spirit circle. While there are a number of ways to do this, here are some quick tips to get your team started:

- Following each game, rather than lining up to slap hands, the two teams gather into a circle, alternating players on each team, facing inward, with arms around the shoulders of the person next to you.
- One or two people (often team captains or spirit captains) on each team will talk briefly about the game. Usually the losing team goes first, then the winning team.
- Things to talk about can include how the game went, how your own team played, what the other team did well, who on the other team played well and anything else that might be worth communicating, even if it's something you think could be done better (and don't forget to look in the mirror on this).
- After each team has had a chance to talk, the winning team takes a step into the circle and walks around counter-clockwise to slap hands with the players on the other team.

That's it! It's pretty simple and definitely an experience that brings teams together and puts the game and the experience in perspective. It's all about respect for each other and the experience of bringing out the best in each other through competition. It's also about building relationships and seeing opponents for who they really are: part of the same community that loves ultimate. Please note that this is not required and is not meant to replace other post-game traditions you may have (e.g., cheers, games, photos, gifts or trading gear). Good luck, and please let USA Ultimate staff and other event organizers know how it goes.

Please engage in spirit circles and other post-game activities after you have filled out the spirit score sheets.
