Commitment to Diversity, Equity & Inclusion

“USA Ultimate values the contributions and perspectives that a truly diverse community provides our sport and its culture. Diversity, equity and inclusion (DEI) are critical to the integrity of our sport, and USA Ultimate is committed to increasing access to and participation in the sport, particularly amongst youth in underrepresented communities.”

USA Ultimate Inclusion Statement

USA Ultimate’s mission is to advance the sport of ultimate in the United States by enhancing and promoting Character, Community and Competition. We recognize that we cannot promote character and community without ensuring all individuals can bring their full selves to their participation in ultimate, as well as without intentionally addressing systems in place that continue to perpetuate discrimination in our society. In valuing the contributions and perspectives that a truly diverse community brings to our sport and its culture, we remain unequivocally committed to our diversity, equity and inclusion efforts and believe they are critical to the continued integrity of our sport.

As the national governing body overseeing amateur ultimate activity across the country, we strive to create and maintain a safe, welcoming and inclusive environment at all of our events. USA Ultimate expects all participants and spectators to abide by its code of conduct and actively foster an inclusive environment for all, no matter race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability. We are working with our local host organizations to help ensure institutionalized racism and discrimination have no place at our events. Just as we hold our athletes to an expectation of “mutual respect among competitors” on and off the field, we expect all staff, event partners and attendees to show mutual respect towards one another, regardless of whether you share similar beliefs, cultures or experiences.

In addition, USA Ultimate remains committed to showing support for trans athletes and the principles outlined in our gender inclusion policy. As anti-transgender legislation continues to pass through the federal and state governments, USA Ultimate steadfastly supports an individual’s right to participate in our sport in a manner that respects and celebrates their gender identity without being subject to harassment, abuse or ridicule. All participants should be allowed to experience the joy of ultimate as their authentic and true selves. USA Ultimate stands by all transgender athletes and participants in our community and continues to be committed to ensuring everyone has the right to experience the sport in a positive and supportive way.

2025 USA ULTIMATE U.S. OPEN CLUB CHAMPIONSHIPS

COMPETITION RULES

- 2024-2025 Official Rules of Ultimate will be in effect.
- All games to 15.
- Halftime is reached when the first team scores 8 points
- Halftime cap is halfway to soft cap (45 minutes after the beginning of the game for all games except ICC semifinals and finals, 52:30 for semifinals and finals). If neither team has reached seven or more points, one point is added to the highest score after the completion of the point. Halftime will be taken once a team reaches the new halftime score.
- Halftime is seven minutes.
 - Halftime length does not include the time between pulls.
- Soft time cap is at 90 minutes for all games except ICC semifinals and finals. Add one point to the higher score after the point during which the cap goes off is completed. Game ends when the first team reaches the new game total or when the first team reaches 15, whichever comes first.
 - Soft cap for ICC Semifinals and Finals will be at 105 minutes.
- Hard time cap goes on at the end of the round time listed in the schedule (105 minutes). Finish the point in progress and the game is over unless tied. If tied, play one more point.
 - Hard caps will not be used for the adult (ICC) semifinals and any (ICC and YCC) finals.
- Each team has two timeouts per half.
- Caps do not affect timeouts.
- Mixed Division Personnel Ratio Rules:
 - As noted in the 2023 Youth Guidelines and Club Guidelines, YCC and ICC use WFDF's Rule A, alternating which gender has 4 on the field every two points, after the first point.
 - Additionally, YCC and ICC use the "majority pull" rule, with a player from the gender majority for that point required to pull.

SITE RULES

- No drones.
- No alcohol
- No tobacco
- No glass
- No firearms or weapons
- No abusive language
- Observe parking restrictions and designated handicap/staff areas
- Spectators and equipment must stay at least five yards away from sidelines. Where there are buffer lines, respect them. Where there are no buffer lines, stay back at least five yards.

*"Having a New Start Grant Kit from
The Ultimate Foundation meant that
we were able to provide discs,
cones, and extra resources for the troops
that were not able to provide it for
themselves," Leah, Sophia, and Katie
explained. "It allowed more people to
have access to frisbee in the Girl Scout
community and allowed us to put our
funds into other portions of our
project."*
