Welcome

June 2017

To all participants at 2017 WCBU:

On behalf of the World Flying Disc Federation, I would like to welcome all athletes, coaches, staff, supporters and spectators to Royan, France, for the WFDF 2017 World Championships of Beach Ultimate, in association with BULA (WCBU). We are confident that the sandy beaches of Royan along the Atlantic Ocean will be the perfect setting for this year's WCBU.

WFDF is pleased to see 119 teams from 38 countries and over 1,800 athletes playing Beach Ultimate at WCBU 2017, WFDF's premier Beach Ultimate event. This level of participation builds on the success of the last couple of Beach Ultimate events co-hosted by WFDF and BULA.

The last WCBU was held in Dubai in 2015 and was a tremendous success, setting the standard for future events, a challenge which Fédération Flying Disc France (FFDF) the TOC has taken on and superseded. Participation of countries has grown from 24 in 2015 and the initial event pre-registration had an overwhelming 200 teams interested which clearly highlights the remarkable growth for this fast-growing sport.

WFDF would like to thank all those who made this Championship event happen. In particular, we appreciate all the efforts of the Tournament Organising Committee led by Amandine Constant, our member association and FFDF President Mr Franck Leygues. We also thank the team at BULA headed by President Patrick van der Valk. Both groups have done their utmost to prepare a special event for all participants.

This is a first major WFDF event to be hosted in France and we are excited to see their involvement in WFDF international events grow. To our special guests and to all first time spectators from the community, we hope that we provide a thrilling week with great atmosphere and that you will have a special experience as you are introduced to the world of Flying Disc!

We wish all teams competitive success and hope that you have an enjoyable tournament, with great memories and friendships that will last for years to come!

Very truly yours,

Robert "Nob" Rauch
President - WFDF

Nob

Welcome

Portugal, June 2017
Hello Beach Ultimate Lovers!

On behalf of BULA, I am delighted to welcome you to the 2017 World Championships of Beach Ultimate. It is amazing to see the growth of the sport. From the humble beginnings in 2004 when we organized the 1st World Championships in Figueira da Foz (Portugal) to almost 2,000 players in Royan and live broadcast of 120 games.

What has not changed is that Beach Ultimate remains fully self-refereed. That means that with the world watching, the future of the sport is really in your hands. As leaders of your community you can show the world that we can play a self-refereed sport that is great to watch and great to play. Stay true to the 5 principles of Spirit of the Game: know the rules, avoid body contact, be fair-minded, communicate respectfully, and have fun!

See you on the beach!

Patrick van der Valk
President - BULA

BULA

Royan responded to the June 18th call from the WFDF, and, on that day nearly 2000 competitors from more than 39 countries will land on the "Grande Conche" beach, to compete with each other.

The French will not be in unknown territory, since they have already trod the fine sand of our beach during the championships of France, but they will have to face high-value opponents!

The City of Royan is particularly honoured and proud to have been selected to become the theater of this World championship, which is meant to be the competition of fair play, but also of diversity. While welcoming the competitors, their companions and the public, I would like to thank especially all the people who made this event possible.

Royan will be, in the space of a few days, the "ultimate" destination for all these candidates for the world title. A prelude, hopefully to an admission in the Olympic Games in 2024.

Meanwhile, as Baron Pierre de Coubertin said:

"The important thing in life is not triumph, but fighting. The essential thing is not to have conquered, but to have fought well".

In advance, I pay tribute to all these brave sportsmen and sportswomen with the certainty that they will all have fought well, even if it is necessary, in the end, that there is a only one winner!

Welcome

Grenoble,
June 2017

Bienvenue à Royan, Bienvenue en France !

Welcome to the WFDF 2017 World Championships of Beach Ultimate,

On behalf of the Tournament Organising Committee and the French Flying Disc Federation, we are very honored and proud to welcome you all to Royan for the 5th edition of the World Championships of Beach Ultimate.

At the beginning of this fun journey our wish and intentions were to host a world class Ultimate event on French sand. We were invited by the city of Royan offering a location that was both surprising and appealing as well as securing the support of the French Sport Ministry. We warmly thank them for their trust and for sharing our vision for the sport of Flying Disc.

Thank you to our unbelievable organising team who has been working hard since early 2016 on this event. To our families who continuously supported us and made it possible, we will be forever grateful!

You've all trained hard to make your National teams and you are the lucky players who get to play on the beautiful sandy beaches on the West Coast of France. We wish you all a wonderful time here where we are sure you will enjoy every minute of your stay while soaking in our French culture. We hope you make friends and memories for life.

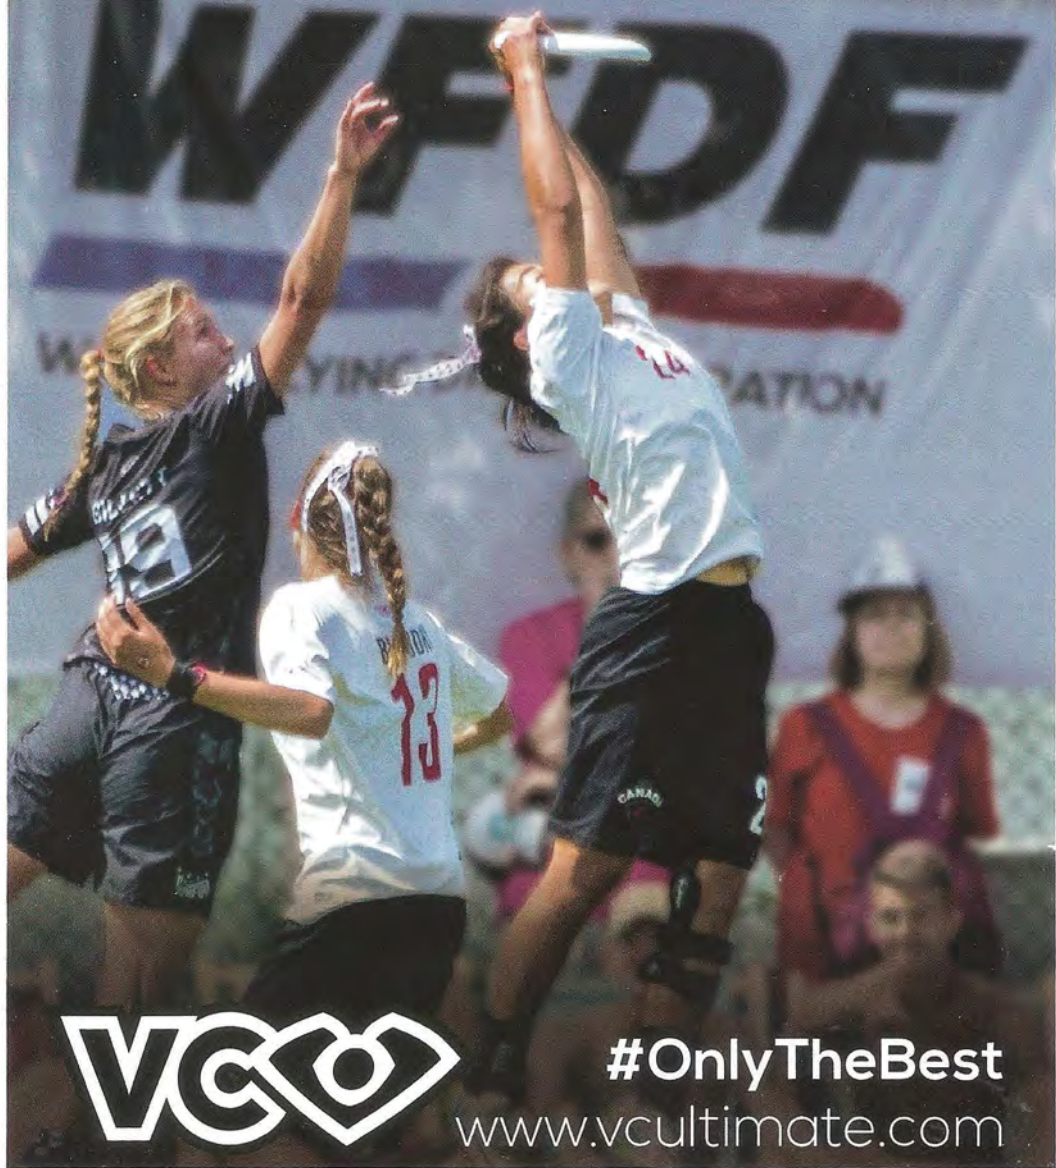

Lastly, please help me in thanking our amazing volunteers who give so much. Many of the faces are familiar, but you will also meet our very young and new volunteers coming from the French schools. Please ensure you thank them all and share your passion of the Flying Disc with them. We couldn't have made WCBU such a success without them.

Bonne chance à tous !

Come on ! A supermarket ? This is the country of food !

Actually, at the exact same place (near the port) you will find «boulangerie» (bread, viennoiseries and cakes or even sandwiches), «boucherie» (everything about meat), small groceries and almost everything. But, if you really want to go to the supermarket, you can go there :

U Express,

Recipe for the perfect breakfast :

Find a café. As usual in France, there are plenty of them near the port. Sit at the terrace (if possible with a view) and order an expresso or an «allongé» (longer). Put some sugar, milk or whatever you want in.

Then...

Enjoy it with a croissant !

Spirit of the Game

Ultimate relies upon a Spirit of the Game that places the responsibility for fair play on every player.

Spirit of the Game (SOTG) is the mindful behavior practiced by players prior to, during and after a game of beach ultimate. It encompasses attitudes and skills such as good knowledge and application of the rules, fair-mindedness, safe play and spatial awareness, clear and calm communication, and a positive and respectful attitude towards teammates, fans, and opponents, in a mutual effort to protect the basic joy of play.

We strongly believe that Spirit of the Game helps people to improve their skills in polite, calm and respectful communication even in difficult situations and to make friends all over the world despite ethnic, national or religious differences.

Spirit promotes understanding and peace in our sport, and we hope that through you players, that influence can even spread beyond and make real changes in the outside world.

At WCBU 2017 every team in every division has chosen a spirit captain. It is this player's responsibility to work with their team and all opposition teams to ensure that the highest standard of Spirit of the Game is maintained throughout the competition.

A spirit scoring system has been developed to evaluate the other team immediately after each game. With all players involved and led by the spirit captain, each team fills in a spirit scoresheet. Using guidelines found in the spirit scoring examples document, each team can provide a more consistent score for the other team. The spirit scoring system therefore serves as an educational tool where teams can learn how to improve based on standardized feedback.

To celebrate Spirit of the Game an award will be presented to the team with the highest total spirit score in each division. Winning this prize is held in the highest regard.

Best wishes this week at WCBU. Players, you represent the pinnacle of our sport in your ability and in your demonstration of spirit. Fans and spectators, you can look forward to some amazing displays of both!
