August 2018

To all WJUC 2018 participants:

On behalf of the World Flying Disc Federation, I am pleased to welcome all athletes, coaches, staff, supporters, volunteers and spectators to Waterloo, Canada for the WFDF 2018 World Junior Ultimate Championships. We are excited to have you all here in Waterloo at RIM Park, an incredible location for Ultimate. It is especially exciting to see such a gathering of all this youthful Ultimate talent from all over the globe given that we are celebrating this year the 50th anniversary of the development of the great game of Ultimate that we all enjoy!

WFDF is excited to see over 700 players from 31 teams and 18 countries competing in the Men's U20 and Women's U20 divisions at WJUC 2018, the last WJUC in 2016 was hosted in Poland with the 2014 event hosted in Italy and it is good to see some of our members from outside Europe attend this time. The main playing fields at RIM Park are ready to welcome athletes from all over the world for seven days of fierce and spirited competition.

This is the first time Waterloo has hosted a WFDF Ultimate Championship and we could not be more grateful to the Tournament Organizing Committee, with a special thanks to the Event Director Andrew Portwine. Andrew and his team have worked hard and long to ensure this will be a special event for all participants.

This week, the world will be watching the world's best Junior Ultimate players in their age group compete at the highest level.

I wish all the players and teams competitive success and I hope that you have an enjoyable tournament, with great memories that will last throughout your Ultimate careers and for years to come.

Very truly yours,

# TOURNAMENT DIRECTOR

On behalf of the Tournament Organizing Committee (TOC) and the local ultimate community, I'd like to welcome you to Waterloo, Ontario. The Region of Waterloo, composed of the cities of Waterloo, Kitchener and Cambridge, is home to world leaders in technology, innovation and education while holding on to the rural roots of its founding. I encourage you to take the time to explore all the area has to offer during your time in Waterloo.

I want to applaud your efforts to organize a team and travel to Canada to participate in the 2018 World Junior Ultimate Championships. The TOC has worked diligently to ensure you have a superb experience in Waterloo, so if there is more we can do, please don't hesitate to ask us.

An event of this magnitude is only possible due to the efforts of the many volunteers you will see during the week. These folks are scorekeeping, setting up fields, delivering water, stocking food and many other things to keep the event running smoothly. Please take a moment to express thanks to these volunteers as they're here for you!

I look forward to spending some time with each team in Waterloo and wish you luck in your pursuit of on field glory.

## GAME ADVISORS

A brief description of the Game Advisor (GA) role

Refer to Appendix B6.3 for more details

### AIM

The aim of GAs is to support the Players to self-officiate as effectively and efficiently as possible. Players remain responsible for making and resolving all game calls.

### RULES ADVICE

During stoppages GAs can help to clarify the rules, if asked by the Players.

### TIME LIMITS

GAs closely monitor time limits in accordance with the rules, including in between points, time outs, and during discussions, and encourage teams to comply with these rules.

### NON BINDING ADVICE

If Players need help resolving any call they may ask the GA for their advice. This advice is non-binding and Players must still make the call.

### WHISTLES

GAs give information to Players about time limits by using whistles, but also by providing verbal advice.

### SIDELINE ROLE

GAs remain on the sideline during play. They may come on to the field during stoppages, if needed.

### SPIRIT OF THE GAME

If GAs have concerns about Spirit they can talk to the Captains, the Players involved, or can even call a SOTG Stoppage to help the Players resolve the issue.

### MISCONDUCT

In extreme circumstances GAs can issue warnings and/or enforce sanctions in accordance with the WFDF Conduct Policy.

CONTESTED

### HAND SIGNALS

GAs use hand signals to echo the calls made by the Players, for the benefit of other Players and spectators. They also actively signal to inform the opposition of Offside violations, but the Players must still make the call.

**"NO ACCESS"** areas throughout the venue and all event patrons must not trespass on any of these areas – this includes buildings that are locked and staff only areas.

## VENUE RULES

**NO SMOKING** – There is a general no-smoking policy that applies to ALL the City of Waterloo venues, buildings, fields, seating and parking areas.

**NOISE CONTROL** – We aim to greatly reduce any noise on site from 10pm. While games are done at this point, please be aware of your noise levels for local residents while you're boarding shuttles or finishing up at the venue.

## LOST & FOUND

The lost and found service is provided in the Information Centre at the Manulife Sportsplex or at the event's disc central tent. Any lost or found items should be reported to a volunteer or delivered to the disc central tent.

## USEFUL INFORMATION

Cars drive on the right here; look both directions when crossing the road. Please use designated crossings at the event venue.

## TRASH AND RECYCLING

The TOC and event contractors & suppliers have worked hard on creating a sustainable environment and have put a recycling waste management process in place. Please use the black bins for general waste and the blue bins for recyclable materials. The field food tent will have some green bins for food waste. Should you have food waste at the fields, please collect it and bring it to the green bins in the main food area.

Bins will be located around all competition and spectator areas on the venue. Teams are requested to clean up all areas after their games and to leave the fields in a tidy manner. Spectators are responsible for their own trash and should use the bins as provided.

# **WJUC VOLUNTEERS**

The WJUC volunteer workforce is comprised of over 60+ volunteers coming from a number of countries. They have devoted their time to work in Waterloo making WJUC a fun, safe and successful event. Volunteers are the backbone of our event planning and without them we would not be able to deliver a world level event. All volunteers at WJUC will offer exceptional customer service and help to create fantastic memories for all those attending.

It simply wouldn't be possible to do this without the help of everyone who has volunteered so we hope that you will take a few minutes each day to acknowledge and thank the volunteers you see at the fields. It goes without saying that the Tournament Organizing Committee is deeply appreciative of all the efforts of the volunteers and simply cannot do enough to thank them for making this even possible.

# VENUE & MAPS

## MAIN FIELDS

The playing fields at RIM Park are in two clusters. The main field cluster has 6 fields (2 artificial turf and 4 natural grass) and will be home to the hot food station, main medical tent, disc central, VC Ultimate tent and the Showcase Field. The Eastbridge field cluster has 4 natural grass fields and will have a medical tent and field food station.

## EASTBRIDGE FIELDS

The field clusters are located at each end of the Manulife Sportsplex, which will house the players' lounge, vendor outlets, media offices and tournament staff offices. The Manulife Sportsplex also has free wifi, water fountains, changerooms, washrooms, a variety of food outlets and seating to get out of the sun and cool down in the air conditioning.

## GETTING AROUND

Waterloo is a small city with a number of restaurants, shopping and other items of interest within walking distance or a short bus ride.

### INN OF WATERLOO:

For those staying at the Inn of Waterloo, Conestoga Mall is a 5-minute walk along King St., or a single stop on bus route 201 iXpress. Conestoga Mall offers a wide variety of shopping, a grocery store, food court, movie theatre and a museum. Directly across King St. there are a few stores (National Sports, Chapters Books) and an East Side Mario's restaurant. East Side Mario's is a good option for teams as it is quite large and can host a number of teams at once while offering good food at a good price.

### WILFRID LAURIER UNIVERSITY (WLU)

WLU has a variety of restaurants within a 5-minute walk of campus. Many offer limited seating but have good food at good prices. If you walk to the corner of King St. at University Ave., you will be able to see many of your choices! Conestoga Mall is the nearest large shopping option and can be accessed via bus route 7C from the stop at King St. at University Ave. (in front of the Royal Bank).

#### Some nearby dining recommendations from the Tournament Director are:

**1. Frat Burger/Metro on King:** 247 King St. North, Waterloo. This restaurant is beside WLU and offers great burgers that you can build to your tastes. It also offers a variety of Czech style schnitzel if you're looking for a traditional local flavour. There is seating for about 40 people.

#### Dining recommendations cont'd:

**2. Morty's Wings:** 272 King St. North, Waterloo. This pub is located 100m from WLU and offers the best chicken wings in Canada! Do I need to say more?

**3. Shawarma Royal:** 258 King St., North, Waterloo. This new restaurant is home to 2 Syrian refugees who came to Canada a year ago and are now producing some amazing traditional middle eastern foods. This is a take-out restaurant with very limited seating.

### LOCAL NAVIGATION:

Public Transport – Maps will be available at Disc Central to help you use the local bus network. You can also plan your trips by visiting [www.grt.ca](http://www.grt.ca).

Taxi – There are a few local taxi options to help you get out and explore the city. Waterloo Taxi – 519-888-7777; City Cabs – 519-747-7777. Taxi rates are regulated in Canada and include the taxes. You can tip the driver if you wish, but it is not mandatory.

## OFFICIAL CEREMONIES & SOCIAL EVENTS

# World Ultimate Championships 2018

Since 1998, our goal has been to produce ultimate uniforms & apparel of the highest quality, while living up to our reputation for great customer service & active community involvement.

It's an honour to be able to give back over 15% of our total sales each year to our community.

We couldn't do it without your support. Thank you!
