**Welcome to Logroño**, Spain, home to the WFDF 2025 World Under-24 Ultimate Championships!

The WFDF World Under-24 Ultimate Championships (WU24) will be hosted by the Local Organising Committee (LOC), led by Max Vitali along with a team of experienced key staff. This exciting event will be held in Logroño, Spain, from Saturday, June 21st to Saturday, June 28th, 2025, inclusive (8 days).

The world's best national teams for Under 24 players will compete in the Women's, Open, and Mixed divisions. We expect teams from over 20 nations, comprising approximately 1,000 participants, to take part in this championship. Players born between January 1st, 2002, and December 31st, 2011, are eligible to compete (please check the [WFDF Rules Appendix](#) for details).

Logroño, with its vibrant cultural scene and historic downtown, is an ideal host city for this international event. The tournament will take place at the modern facilities of Pradoviejo Sport Complex and UDL Ciudad Deportiva, while the opening game and the finals will be played at Las Gaunas stadium.

We are incredibly excited to have this chance to host the first WFDF sanctioned World Ultimate Championship ever held in Spain, and we want to make sure that the teams, the players, the managers and their guests and spectators will have the chance to enjoy their Spanish experience.

A convenient bus line (#9) leaves right outside the La Playa and arrives in front of the playing fields in approximately 20 minutes.

## ACCOMMODATION

SERVICES@WU24.SPORT

### TYPE 2 ( Budget level)

**Budget hotels:** These are good quality low-cost hotels and apartments that will be completely dedicated to the players. Rooms are for 2-3-4 people each. Due to the small size of each of them it is a priority for us to optimize the room availability according to the team sizes, because of this, these reservations will pass through the organization. Price per person: 40-45 €/night

Some hotels might offer bed & Breakfast - please check carefully on your booking about the details. These hotels are downtown and there are a multitude of cafes and restaurants.

### TYPE 3 (Mid-range level)

**3-4\* hotels:** These are very good quality hotels. We have a certain number of rooms reserved for you in these hotels. To access them the organisation will give you a unique code to share with the hotel at the moment you'll contact them. This will grant you the sufficient number of rooms and the agreed upon price.

The teams are expected to book and pay these hotels by themselves. Prices per person: 50-70 €/night

**Info for teams that want to book outside the official accommodation offers :** Logroño is a very compact city, still, to be able to enjoy both the tournament and the city at its fullest we strongly recommend that you either book a hotel in the downtown area or make sure to have a transportation services to move from your accommodation to the fields and the social event venues (you can check the Logroño bus timetable **at <http://transporteurbano.logro-o.org/>**).

Due to the touristy high season, we also expect most of the downtown hotels to have limited options to host big groups of people.

**NOTE: Only bookings made through the LOC for the official accommodation will have access to the transportation services to and from the fields (and the parties, if needed).**

**IF YOU ARE LOOKING TO ARRIVE BEFORE JUNE 19, PLEASE NOTE THAT THE CITY FESTIVAL WILL BE ON, BOOKING HOTELS MIGHT BE CHALLENGING FOR BIG GROUPS, WE SUGGEST YOU TO GET IN TOUCH WITH US AS SOON AS POSSIBLE, WE'LL PRIORITIZE YOUR REQUEST.**

# WU24 FOOD & SOCIAL LIFE

## Food:

Breakfast - Teams - self arrange - We recommend you book accommodation that has breakfast included in the rate.

Lunch - LOC has arranged for a full range (vegetarian, vegan) of food and beverage concessions to be available for purchase at the venues.

Dinner - There are dinners served at the playing fields for evening meals. Should a team wish to make a bulk reservation for meals near their accommodation, they will have a chance to work with the LOC and their hotel to do so in the coming months.

Logroño is renowned for the quality of its food and its accessibility. We are arranging agreements with local restaurants to allow you to fully enjoy the Logroño food scene; we are working to ensure all teams and volunteers have access to a comprehensive meal package if requested, or leave them free to roam the city to enjoy their Spanish experience.

Logroño is not only one of the best city in the world for tapas, it offers a huge variety of restaurants and food options for all budgets, however, large groups wanting to eat together will need to get organised in order to do so. We want to encourage teams to experience the local food scene, realities and flavours.

Food packages and concessions details will be presented in the next bulletin.

# WU24 HEALTH & MEDICAL

## Health and Medical:

All event participants (athletes, coaches and team support) should obtain travel insurance prior to booking flights and health insurance before leaving your home country. WFDF and the LOC do not provide coverage for participants outside of the general first aid administered at the fields. There are always risks associated with playing Ultimate and travelling. WU24 will have medical staff on site to deal with first aid and assess injuries, there may be injuries or illness in which players need follow up medical attention or emergency visits to local hospitals.

Please be aware that depending on your passport and nationality, the Spanish rules for access the public healthcare system may vary:

All EU and European Economic Area (EEA) nationals below retirement age who visit Spain for a short holiday are entitled to free or reduced-cost emergency medical healthcare and treatments at all Spanish public medical centers and hospitals on production of a valid European Health Insurance Card (EHIC). Essentially, the treatment you are entitled to will be equivalent to that which Spanish nationals receive, but this can depend on the level of public healthcare provision in your own country of residence – so it is worth double-checking before you depart.

Non-Europeans visiting Spain will most likely have to prove they have adequate medical insurance before they are granted entry to the country. It is, therefore, highly recommended to have a valid health insurance policy before your arrival.

**All Spanish state hospitals are required to provide vital primary healthcare to any patient who is admitted to hospital with life-threatening injuries or illness, regardless of their ability to pay.**

WFDF and the LOC kindly request that all players and event participants acknowledge these risks and understand that WFDF and the LOC cannot be held liable for any risk or cost associated with injury, travel/event cancellations or bad health at WU24. All event participants should alleviate some personal financial liability by purchasing your own travel and health insurance to make sure you are covered for any medical issues or event/travel cancellations that could arise. Participants will be required to sign an Event Participant Agreement published in advance of the event.

# WU24 VISAS

## VISAS:

Once the event bid list is published and your team is registered, we encourage each team and player to make specific and timely enquiries about obtaining a visa to enter Spain and the European Union. Teams and Players are responsible for obtaining the correct paperwork to visit Spain to compete at the WFDF 2025 World Under-24 Ultimate Championships. We cannot provide specific advice on the process; however, we do strongly recommend that you get started as soon as possible.

WFDF can provide your team manager/administrator with a letter confirming your team's registration at the event. WFDF can provide players with a letter confirming your participation as a player at the event after the players fees are paid and after the NF has supplied a roster endorsement letter with your name on it.

Specific player letters for visa appointments can only be done after players have registered and paid their fees; we require confirmation from the National Federation that they endorse the player on the roster. The following details for all the members of your team are required:

- Full name (as shown on passport);
- Passport number;
- Date of birth;
- Role on team (i.e. player, coach, manager, etc.)

Please fill out the required fields on the [online form](#). Make sure you leave us some time to produce this document: do not assume that we can send it back the same day. Please note: we cannot and will not provide a formal "invitation" to attend the event and non-ability to enter Spain is not grounds to request a refund for a team and/or player fees.

We recommend EVERY TEAM makes specific enquiries to fully understand visa and travel requirements.

For all proof of participation letters (team or individual) please fill out the form here. Letter production for events will close 8 weeks prior to the tournament (15th April 2025).

Please do not leave your request late. DO NOT EMAIL US - only applications via the online form will be responded to.

# WU24 CANCELLATION POLICY

## CANCELLATION POLICY:

Be advised that the event may be forced to cancel by governmental orders or may be perceived to be unsafe and cancelled by the organisers. The organisers may be forced into a last-minute cancellation due to events beyond their reasonable control. If the organisers are unable or unwilling to host the event or any specific participants at the event for reasons beyond their reasonable control, the event may be rescheduled, if possible. If a reschedule is not reasonably feasible, participants, teams and spectators may be unable to recoup any costs already expended for the cancelled event. Each team/participant is strongly encouraged to consider purchasing insurance to cover the costs (travel/accommodations/etc.) as a result of any cancellation or rescheduling of the event by governmental authorities, the organisers, or others.

If any new information presents itself that would warrant an event cancellation we will report back immediately to teams. Countries should continue to make their own assessment, and should remain in contact with the organisers with up-to-date information if any concerns arise. WFDF also reminds all teams that team fee and minimum roster invoice payments are the only formal registration for a team. Any bids not paid on time will be revoked. Only once payments are received will WFDF confirm critical mass for the event to proceed (after 15th January 2025) Teams should not make firm flight or hotel bookings until that time.

# WU24 LOGO

We are proud to present the official logo of the WFDF 2025 World Under-24 Ultimate Championships, a design that reflects the essence of Logroño and the region of La Rioja. This emblem incorporates key elements that define the identity of our city, combining history, nature, and tradition into a nice visual representation.

At the center of the design is the Stone Bridge on the Ebro River (Puente de Piedra), one of Logroño's most iconic landmarks, symbolizing the city's deep historical roots and its role in the famous Camino de Santiago, and symbol within the city emblem. Moreover, the shape of the logo evokes the image of a glass of wine, a tribute to La Rioja's world-renowned winemaking tradition, which has made the region famous in the whole world.

This logo is a celebration of the warm and welcoming spirit of Logroño and La Rioja, that we hope you'll discover and appreciate for their hospitality, rich gastronomy, and vibrant culture.

As part of the event, teams are encouraged to incorporate the official event logo into their uniforms, enhancing their gear's uniqueness and commemorating their participation. The logo is available for download at [PERMITTED USE OF EVENT & WFDF LOGOS](#).

Please ensure adherence to the usage guidelines outlined on the website, which cover aspects such as size, placement, and permitted apparel.

We hope you like it as we do, and we can't wait to see it shine on your beautiful uniforms.

# FOOD

Logroño is renowned as one of Spain's top cities for food, tapas, and exceptional service, and we want your dining experience to reflect that. The city boasts a wide variety of restaurants, perfect for those eager to savor authentic Spanish cuisine. However, many of these establishments are small and may not accommodate large groups without a reservation; additionally, **most restaurants have working hours that may not coincide with the players' needs, as they tend to open late in the afternoons.**

We encourage players to explore local restaurants and immerse themselves in the true Spanish food experience. At the same time, we understand the need for warm, hearty, and easily accessible meals, especially after an intense day of competition.

To ensure convenience, here's what's available near the venues:

- **At the two main venues:** Three bars and additional vendors will provide warm lunch options.
- **Next to Ciudad Deportiva Pradoviejo (CDP):** A mall with a food court featuring various all-day dining options (mostly franchises).
- **Nearby Restaurants:** Several small local eateries are within a 5-minute walk from CDP.
- **Downtown (10-15 min by bus):** Explore the famous Calle Laurel and Calle San Juan, where you'll find some of the best tapas spots and traditional Spanish restaurants.

# TOURNAMENT'S MEAL PLANS

**WE OFFER TO ALL THE TEAMS ACCESS TO A COMPREHENSIVE MEAL PLAN FOR JUNE 21-27.**

- Multiple food choices will be available, served from the start of the inaugural game until 10:00 PM.
- A social area with music and drinks will be set up for participants to enjoy the first day of WU24.

## **June 22-27: Competition and finals days**

**IMPORTANT**

In the coming days, **you will receive an email from the Organizing Committee with a detailed offer about the official food plan offer for the championship.** This plan has been designed to ensure that all teams have access to high-quality meals in the right quantity, with the main differences between options being the location.

Given the city's logistics and the demanding tournament schedule, our goal is to ensure that all participants can enjoy good food without delays and as close to their accommodations as possible. For this reason, you will be offered the meal plan option that best fits the overall event logistics.

Participation in the meal plan is optional, and if you choose not to accept it, that is completely fine. However, please keep in mind that **the city will be very busy throughout the championship week due to the presence of various different events, and finding places that can accommodate large groups at specific hours can be quite challenging.** If you decide to arrange your own meals, you may face difficulties securing seating and timely service.

**By offering this meal plan, our goal is to ensure you have a proper meal at your preferred time, without delays or the hassle of wandering around the city in search of available restaurants.**

If you have any questions once you receive the email, feel free to reach out to us writing at [services@wu24.sport](mailto:services@wu24.sport). We appreciate your cooperation and look forward to welcoming you all soon!

**REMINDER**

**Meal plans are available for booking until March 20!**

**Secure yours before the deadline.**

**The only way to submit an official request is through our form.**

**⊘ No exceptions will be made!**

# HEALTH & MEDICAL

All event participants (athletes, coaches and team support) are recommended to obtain travel insurance prior to booking flights and health insurance before leaving your home country. WFDF and the LOC do not provide coverage for participants outside of the general first aid administered at the fields. There are always risks associated with playing Flying Disc sports and travelling. Although WU24 will have medical staff on site to deal with first aid and assess critical injuries, there may be injuries or illness in which players need follow up medical attention or emergency visits to local hospitals.

WFDF and the LOC kindly request that all players and event participants acknowledge these risks and understand that WFDF and the LOC cannot be held liable for any risk or cost associated with injury or bad health at WU24. All event participants should alleviate some personal financial liability by purchasing your own travel and health insurance to make sure you are covered for any medical issues or event/travel cancellations that could arise. Participants will be required to sign an Event Participant Agreement published in advance of the event.
