

Davis Ultimate Invitational

1991

UNIVERSITY OF CALIFORNIA
DAVIS

Hello and welcome to the 6th annual Davis Ultimate Invitational. We're happy to report that there's approximately 14 women's teams and 22 men's teams. This great turnout is almost double last years and should provide some fast, fun competitive Ultimate, not to mention a rather nice ratio of men to women for the party. Thanks men this will help immensely in recruiting for our women's team.

Tourney Coordinators Kris Hill and Brad Norton have been running around crazily organizing; torn between being ecstatic about the turnout and going insane trying to find field space for all. So, thank you Kris and Brad.
