

# *Emerald City Classic*

Welcome to the 2nd Annual Emerald City Classic, sponsored in part by Jose Cuervo. We hope you enjoy our summertime, sea-level climate and the plush, emerald fields here at 60 Acres.

Yes, there are a few less teams here than we had hoped, but that has only strengthened our resolve to provide you with a first-rate tournament. This ain't no cut rate affair produced for the masses; think of it as an intimate gathering of special friends. At the fields there'll be plenty of food and water to keep you running strong. And at the party, lots of good, cold microbrew and the percussive sounds of Smell No Taste. So enjoy yourselves and play well.

AND REMEMBER!—Embrace the spirit of Ultimate; value each other player to player within a team, team to team with this tournament, tourney to tourney within a season, and season to season within a lifetime.
