

10th Annual Fool's Festival
March 30-31 1991
Lawrence, KS

Captain's Meeting: 8:30 Saturday Morning at the fields on Wakarusa Drive rain or shine. Due to the size of the tournament, games will begin at 9:30.

Women's Division: 2 pools of 4 with crossover quarters Sunday morning. (eg Everyone plays on Sunday)

Men's Division: 4 pools of 6 with 5 games of pool play on Saturday. On Sunday, A, B, and C brackets will be established with quarters, semi's and finals. (eg Everyone plays on Sunday)

Party: This is it! The 10th bash and we're hankerin' to see what your team can come up with when you BYOT: **Bring Your Own Theme(This is a serious challenge!)**. Foolishness is always in style (polyester, plaid, polka dots and big hair!) as we freakers will shake ourselves silly to the Psycowdelic Funky tunes of those Rangers of the high prairie--The Lonesome Houndogs. Due to the hugemongousness of number of frisbee heads, the party will be \$4 for players. The cash will help get all players in and keep locals out.

Fool's Fest Info Central: If at any time during the Fest you and your teammates don't know the deal, give me a call at 749-5622, or the KU info # 864-3506. Holly's house (735 Missouri St) will have maps and other info on a board on the front porch.
