

WE BID WELCOME TO THE PLAYERS AND SPECTATORS !

Ultimate has traditionally relied upon a spirit of sportsmnaship which places the responsibility for fair play on the players themselves. You won't see any referees. The basic joy of play and the knowledge that we don't compete <u>against</u> one another but <u>with</u> one another serves to eliminate adverse conduct from the Ultimate field. Such actions as taunting of the opposing players, dangerous aggression, intentional fouling, or other "win at all costs" behavior are contrary to the "SPIRIT OF THE GAME" and must be avoided by all players.

Play this weekend will be at two sites. Frisbee central and our final rounds will be at Highlands Park. Our satellite location is S.L.V. High School.

This fast-moving sport with diving one-hand catches, field length bombs, short give and go passes and full-tilt lay-out defensive plays makes for exhilarating play and awesome spectating.

Unlike any other Ultimate tournament Hats Hops & Hucks has incorporated the "Hat rule". The "Hat rule" states: You are not a player without a hat. Catch or Throw without a hat = Turnover. Defense without a hat = uncontested foul. It's festive and makes for a lot of fun !!!

Hats, Hops & Hucks has combined some of our favorite things: Beautiful surroundings, great beer, good food, sunshine, friends and ultimate. Take advantage of the goodies too: Odwalla juice. Fresh Fruit, Drinking Water (donated by Crystal Springs), GU, Chiropractic care (Thank you Dr. Rogers), Massage (Yeah Atreva & Celia !!!). Just below the fields runs the "mighty" San Lorenzo River (O.K. - you should see it in the winter). It's a cool place to take a dip between games or Highland park's public swimming pool is available - \$2.00 fee. There are showers At S.L.V. High provided for the players. Saturday night's B.B.O. is catered by Felton's Pantry and the party afterwards is at THE BOULDER CREEK BREWING CO. The camp sites are a bit out of the way, but are sensational, please drink responsibly as the roads up to Big Basin are very curvy and dark - its dangerous at night. Please be sure to use the recycling bins. Enjoy your stay in the San Lorenzo Valley and KEEP IT GREEN

Anyone who wants to thank any of our sponsors can leave a note at frisbee central or send something to Mo's house - we'll forward it.

EXCUSE US, HOW DO WE GET TO THE BOULDER CREEK BREWING CO????

FOLLOW THE MILKY WAY TO VENUS. MAKE A LEFT AND GO STRAIGHT TO EARTH. DROP INTO KALIFORNIA, BUT BE SURE TO STAY NORTH.GOOL OCEAN PARKING, DON'T DISTURB THE ENVIROMENT OF COURSE AND THEN HITCH HIKE UP HWY 9 TO THE BREWERY.

THANK YOU,

WE'RE OFF TO PLAY IN HATS, HOPS & HUCKS, AND DRINK GREAT BEER !

Tournament format: After Saturday pool play, teams will be seeded within their pools 1 - 5. In the case of a tie within a pool, ranking will be determined by HEAD to HEAD points + or - among the teams involved in the tie.

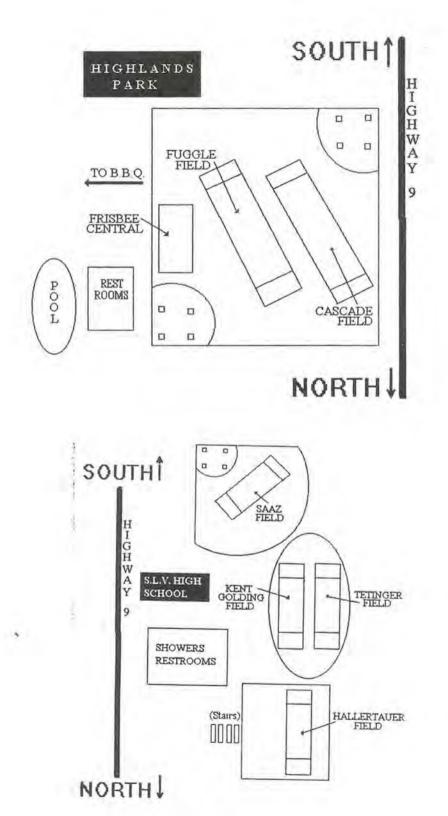

Then, all 1st place teams will be compared by record - in the event of a tie, the determining factor will be the ratio of points scored vs. points against These teams will be seeded Q1 - Q3. Then the second place teams in each pool will be seeded Q4-Q6 by the same criteria Third place teams Q7-Q9 etc... The TOP team (Q1) has an automatic bye into the Quarter Finals. The remaining 14 teams play a single elimination qualifying round Sunday morning in order to advance. Tourney Director has discretion to disregard any of the aforementioned rules in order to avoid repeating intrapool match-ups. The seven wining teams in this round advance to Quarters w/Q1.

As I told Mo, I wanted to send along a little note for your newsletter. This is inspired by my embarassment when I went back to read the rules of the game after a vigorous, self-righteous argument during last year's final. If you have not yet gone to press, please include this "open letter to this year's participants:

Open Letter to HHH'ers:

Greetings from one of the members of the 1993 Aqua team! I would like to wish you all a great tournament and pass on a story from one of our games last year.

During one point, a member of my team was marking the disc well and the count went up to the limit. However, after she said "nine", she said "stall" and called a turnover. Play stopped and a discussion ensued, the result of which was that we remained on defense and the count went back to "eight".

After the point, I asked my teammate what had happened and she said that in the discussion, the offense told her that it wasn't a stall because she did not say, "nine...ten". I thought that this was not what the rules stated and started to argue vociferously with the other team about how we should play the rest of the game.

Afterwards, I went back and read the rules again and realized, much to my chagrin, that I was incorrect. The rules clearly state that stalling can only be called if the marker says, "nine...ten". I have thought about this off and on for a year now and wish to humbly apologize to the members of the Light Blue team with whom I argued this call.

To the rest of you, I wish to appeal to the Spirit of the Game. I believe that if a new player does not understand the rules of the game, the opposing team should explain the rule and concede in cases such as this. Remember, the beauty of Hats/Hops/Hucks is that it brings together players at all levels--it is the responsibility of the experienced players to teach the beginners the spirit that is behind the game.

thanks and have a great weekend, Ken "Aqua" Joye

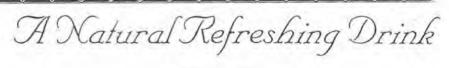

PS: Remember, "nine...ten...stall"!!!

Thanks for considering this addition to the program and for organizing HHH, I really hope that I can make it in future years. I will be thinking of you next month.

cheers, Ken
