Players and Spectators - THANKS FOR COMING !

Hats, Hops & Hucks has grown over the years thanks to the support of countless folks. It's taken on somewhat of a life of it's own. What a ride ! It seems there was nothing that could stop it from happening this year. I feel very lucky to share it all with you.

ULTIMATE has traditionally relied upon a spirit of sportsmanship which places the responsibility for fair play on the players themselves. You won't see any referees. The basic joy of play and the knowledge that we don't compete against one another but with one another serves to eliminate adverse conduct from the Ultimate field. Such actions as taunting the opposing players, dangerous aggression, intentional fouling, or other "win at all costs" behavior are contrary to the "**SPIRIT OF THE GAME**" and are avoided by all players.

Frisbee central and our final round (4:30 p.m. Sunday) will be at Highlands Park; our additional location is San Lorenzo Valley High School. This fast-moving sport with diving one-hand catches, field length bombs, short give and go passes and full-tilt lay-out defensive plays makes for exhilarating play and awesome spectating. Unlike any other Ultimate tournament Hats Hops & Hucks has incorporated the "**Hat rule**". The "**Hat rule**" states: You are not a player without a hat. Catch or Throw without a hat = Turnover. Defense without a hat = uncontested foul. It's festive and makes for a lot of fun !!!

Hats, Hops & Hucks has been combining some of our favorite things for six years: Beautiful surroundings, great beer, good food, sunshine, friends and Ultimate. Take advantage of the goodies too: Odwalla juice, Fresh Fruit (thanx True Nature), Drinking Water (donated by Big Sur Water), Clif bars and Clif SHoT, Massage. Thanks to K-PIG for air time and Cellular One for the phones.

Just below the fields runs the "mighty" San Lorenzo River (O.K. - you should see it in the winter). It's a cool place to take a dip between games or Highland park's public swimming pool is available - \$2.00 fee. *There are showers at, S.L.V. High.* Saturday night's B.B.Q. is catered, the Boulder Creek Brewing Company and they host party afterwards. **You'll need I.D. that says you're at least 21 to drink.** (remember: "it's hip to tip") The camp site Saturday night is on private property this year. Please have the **UTMOST RESPECT** - quiet time starts at 9 p.m. Make sure to use the recycling bins. Enjoy your stay in the San Lorenzo Valley and **KEEP IT GREEN.**

Anyone who wants to thank any of our sponsors can leave a note at frisbee central or send something to Mo & Tami's house (or email: CasaMoOno@aol.com) - we'll forward it.

THE GRAND EXPERIMENT - (continues)

Every team (read: everyone) one is being asked to move around from field to field in order to enjoy the social aspects of circulating and to avoid any advantage or disadvantage of certain fields.

Each team needs to make sure they have enough (read: not too many) cars and drivers to make the commute from one fieldsite to another. Please look after one another and make sure your **cars are full**. Remember there is some team waiting to play you at the other end of your ride, so get over there quickly (and safely). Please take a look at your schedule as a team and make sure you all understand what's being asked of you.

Have a great time !
