

HOLIDAY CLASSIC
UC SANTA CRUZ
NOVEMBER 21,22 1993

GREETINGS TO ALL!!

It's the beginning of yet another collegiate Ultimate season, and we're tickled pink to be the hosts of the first big tourney. The Holiday Classic features 8 women's teams and 13 men's teams from all over the West Coast. With teams traveling from as far away as San Diego and Oregon, this weekend will be one of the few opportunities for teams to play against competition from all over our esteemed west region. In the past, this tournament has been a good indicator of which teams will be forces to be reckoned with later on in the season.

The tournament will be run on a two day format, with pool play on Saturday and playoffs on Sunday. We hope that everybody enjoys the tournament. We ask that you please help to keep the games and our fields clean.

Special thanks to Skippy Jammer, UCSC Intramural Sports program, Sports Club program, Karin Morse, East Service Center, Surfer Bob, David Noble, ... and Fresh and the Slug Sistahs. Discraft Sportdiscs, Falafel of Santa Cruz and the New Leaf Market.

Jake's Spewage

The following is a stream of (un) consciencousness from our very own prognosticator. The highly exalted visionary and resident genius Jacob Sider.

UC Santa Barbara: These guys earned the top seed with juice, fire, and burning desire. Will they keep it?

UC Santa Cruz: If the local boys get cocky, just remind them about Nationals. Ouch. Slime on Slugs!

Stanford: This is the weekend of the Big Game. Unfortunately, these guys will be attending a football game. If they try to sneak a guy with good throws who looks like Richy Rich on the field, tell them to forget about it.

Las Positas: If Voo is gone, who will wear the Glove of Doom?

Humboldt State: Now that Kevin Ellis is looking for greener pastures, the Buds are in a sticky situation. Will they keep rolling or go up in smoke?

UC Berkeley: How can you replace a legend like PJ? Rumor has it they are working on cloning him at Bio Rad laboratories. Will Cal go long? Does a Bear dump in the woods?

Oregon: Emerging from the rainforests from the north. The pride of Oregon. The Mighty Ducks. Is this hockey or Ultimate? Watch out for the power play to the keg.

UC Davis: Some of these dogs have been doing a lot of talking lately...is their bite worse than their bite?

UC San Diego: All over you like an Air Squid! Sounds like a food fight during the Calamari Festival.

San Francisco State: We'd like to say something to hurt Rube's but actually we'll leave that to his teammates. Isn't this a college eligible tournament? Don't these guys have a life?

SLEEPING ACCOMODATIONS/SHOWERS

Once again we have set aside the East Gymnasium for sleepovers. The East Gym is located next to the fields. Make sure you bring a sleeping bag and a pad since it is a hardwood floor. The bathrooms will open all night. The Showers are open for teams as well. They are located next to the gym (See map). Bring your own towel.

We ask that you take care of your own trash on the fields. It's great to have tournaments here and we'd like to keep a good image with the administration.

Slug Ultimate

UC Berkeley: The National Champs are here! Are they going to play a repeat performance? It's a good tournament to see how you match up.

Humboldt Hags: Returning to defend their win from last year. They've also got both eyes on the national title.

UC Santa Barbara: The skirts are still trying to get back to the good 'ol days when wins were easy. As usual they will be burning up the fields.

U of Oregon: This team's not seen much down here. Everyone's waiting to see what they got!

Stanford: What? On big game day? Yes they've gotten a team together but will their heart be in it?

Santa Cruz: Here's a new one, Santa Cruz with two teams! How will the hosts handle more than seven?

UC San Diego/Davis: A combined team of power! What a relief, subs!
