### WELCOME TO CENTRAL REGIONALS

The Milwaukee Ultimate Club welcomes you to the 2008 UPA Club Central Region Championships.

This is our fourth time hosting this important event at the wonderful Milwaukee Polo Club facility.

We welcome 47 teams from all over the central region representing the Central Plains, East Plains, Michigan, Northwest Plains, and the West Plains sections.

With two teams from each of the four divisions (Masters, Mixed, Open, and Womens) advancing onto Nationals, we wish all teams nothing but the best of luck this weekend.

This program is full of useful information, a map, and a coupons for some great pizza

to help make your visit easier and less expensive. There are also several rules that must be followed to make this thing go. Please read your program carefully and abide by those few
