# W E L C O M E !

Welcome back to Fort Belvoir for the 1997 edition of the Mid-Atlantic's Spring Regional Tournament. Twenty-six teams have journeyed from all over the region to compete for the right to compete at the Ultimate Players Association's Eastern Championships to be contested on May 31-June 1 at Cape Henlopen, Delaware. Best of luck to all.

The tournament staff looks forward to seeing competitive ultimate this weekend always played with Spirit. Other than that, our expectations are minimal. Keep your dogs leashed and do not park in areas marked "No Parking".

All pool-play games are to 13 (except for the Open D Pool which has games to 15). Teams each have two time-outs per half. Brick rule is in effect and brick is 20 yards. All games are to be capped 15 minutes before the next round is to begin. Standard UPA 9th Edition plus amendments and clarifications are in effect.

While there is no official tournament party, there are some great spots nearby for those of you with a lot of energy on Saturday night. Old Town Alexandria, Adams Morgan, and Georgetown are great areas to explore. Or if you want a quieter evening, check out our National Monuments at night.

Anyway, have a great time! Play safely and play well. If you happen to bump into Eric Simon, Chris Hulett, Rod Druckemiller, Andrea Apo, and/or A.J. Iwaszko, please thank them for the great deal of work they have done in bringing this tournament together. To the many other volunteers, thank you. Regionals is run with great assistance from the Washington Area Frisbee Club (WAFC). Visit WAFC on the net at [www.wafc.org](http://www.wafc.org) or call the Hotline at (301) 588-2629.

See you on the fields,

Melissa Iwaszko & David Raflo

**After Saturday's pool play is completed, the pools will be reseeded.**

Pool winners will play round robin to determine 1st through 4th place.

Pool second and third place finishers will play a modified double-elimination format to determine 5th through 12th place.

Other open teams will have the opportunity to play consolation games. All teams finishing 4th and 5th in their pools on Saturday should come to the fields for a 9:00 game. Unfortunately, with an odd number of those teams, one team might be forced to sit if all seven show up to play. We encourage captains to be creative and give everyone a chance to play in the first round.
