The Hat Tournament is

In memory of Bart Bosman:

This spring the Milwaukee ultimate community lost one of its own. Bart Bosman was taken from us suddenly at the age of 37. You may remember him from the Old Dirty Badgers and Old Style (Madison/Milwaukee masters). He leaves behind a wife (Lisa) a 1 ½ year old daughter (Morgan), family, and way too many friends to count.

The Milwaukee Ultimate Club is collecting donations for Morgan's education fund. Donation jugs will also be set up on the sales tables in the main tent. Checks can be made out to the Bosman Family Trust.

Bart had an amazing gung-ho, all in, full tilt attitude. Not just about ultimate but anything or anyone he had a passion for. He was a good man and will be missed by everyone whose life he touched.

Northwest Plains Mixed Sectionals

Captains Meeting at 8:15. Please be there before 8:15 to hand in any dues/waivers as necessary. I will be at the fields by about 7:30 to tie up final roster issues. I will also be playing on Blerge (Open team in Pool B) if you need to find me and i'm not apparently available to resolve any issues throughout the day.

11th Edition rules. 2 timeouts per half. Caps do not affect timeouts. Follow the 11th edition in regards to overtime. The Open format is on a different time schedule, so that will make horns impossible. Please keep your games on time and be aware of what time each cap will go on before the game starts.

Soft Time Cap at 80 minutes. Finish current point and add 2 for new point cap.
